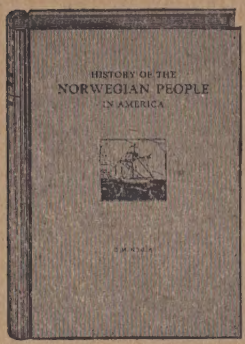
THREE GREAT BOOKS

By DR. O. M. NORLIE

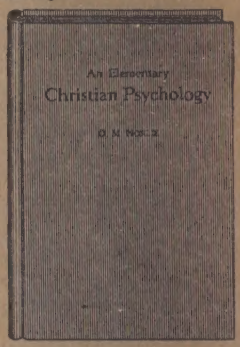


HISTORY OF THE NORWEGIAN PEOPLE IN AMERICA

This history is the product of a lifetime of research, giving ample evidence of the author's untiring energy and painstaking accuracy. It will prove a mine of information, from which future historians of America will produce many nuggets of historic truth. His elucidation of the discovery of America by the Norsemen alone is quite enough to determine the opening chapters of any future history of our country worthy of the name.

Dr. Norlie has for all time fixed the place of the Norwegian element in the making of the American nation. We believe that it will prove a notable addition to the history of our country.

The book contains 512 pages with illustrations. Price $2.00



An Elementary CHRISTIAN PSYCHOLOGY

Presents the subject of psychology from a Biblical point of view without doing violence to the facts of modern psychological science. It is written for teachers in our schools, particularly teachers' training classes in Sunday schools. It covers the ordinary topics in elementary psychology besides such questions as conscience and faith, and the natural and renewed states of man. It has 16 lessons, provided with questions, assignments and references.

264 pages, 69 illustrations. Cloth, $1.25

Hilsener til Den Norsk Lutherske Kirke

Utdrag av biskop Lundes tale ved aarsmøtets begyndelse

Biskopen takket for den ære som var bevist hans kirke og hans person ved den indbydelse. Han nævnte at da han for elleve aar siden besøkte menighetene, prækte han i „basements". I Amerika staar ingenting stille. Over disse „basements" løfter sig nu kirker som vidner om store fremskridt. Disse kirker er fulde av folk, ikke bare naar biskopen fra Norge kommer, men ogsaa ellers. I New York talte jeg til tolv hundrede barn, sunde og friske og festklædde som hjemme i Norge. I Trefoldighetskirkens søndagsskole fandt jeg elever som var over tyve aar gamle. Blandt lærerne fandt jeg en læge som underviste, ikke smaapiker som i vore søndagsskoler, men voksne damer. Jeg mindte denne store søndagsskole om at de ikke burde glemme Norge, at de maatte bli gode amerikanere, og fremfor alt at de ikke maatte glemme Jesus.

Jeg har ogsaa besøkt et par av de norske skoler. Især Northfield overvældet mig, hvor jeg møtte en stor flok av ungdom samlet til eksamensfest. Og St. Olaf kors yndige sang, der likesom bar os ind i himmelen. Dette er uttryk for hvad I her i Amerika evner.

Jeg vil faa uttale min dypeste beundring for den disciplin og aandelige sundhet jeg syntes at merke iblandt de unge. Vi i Europa befinder os i dekadensens tegn. Vi er paa heldningen nedad. Amerika er endnu for ung til at komme ind paa dekadansens tegn. Baade som land og kirke stevner I opad og fremover, mens det gamle Europas kulturland siger sagte tilbake.

Glæden er endnu større ved hundreaarsfesten. Aldrig i Norge har jeg staat ansigt til ansigt med en staa stor norsk forsamling. Det vil vist aldrig ske at en saa stor norsk forsamling samles i Norge. Jeg beregnet at jeg i dagens løp stod ansigt til ansigt med omtrent 150,000.

Og naar saa Amerikas præsident viste folket den ære at han talte til folket som han gjorde. Vi merket klart den arv I tok med fra Norge. Her ser vi en dyp respekt for landets lov som vi ofte savner, og her merkes en prisværdig troskap mot kirkens hellige eie. Det glædet mig meget da landets præsident krævde at endog en verdslig fest skulde begyndes med bøn.

Vi har hørt saa mget om deres aarsmøter. Her staar jeg midt i en kirke som er vokset frem paa den nye jordbund, sat i gang av sig selv og har kunnet utvikle sig saadan som den selv vil.

Det er mig en glæde at kunne frembære en hilsen fra den norske presteforening og dens formand, sognepræst Joh. Fred. Gjesdahl. Derfra fik jeg høre et ord som jeg ventet paa i elleve aar: „Vi beundrer det norsk-amerikanske presteskap for hvad det har gjort." Det er saa rart med de gamle, de har saa ondt for at tro at barnet blir voksent. Og saaledes har det ogsaa været i Norge. Men nu bekjender den norske kirke at barnet i Amerika er voksent, ikke bare i aandelig kraft, men ogsaa i utdannelse. Bli nu ikke saa store at I vokser nedover i dekadansen.

Vi der i Norge har strævd efter at faa raade i vort eget hus. Det har endnu ikke lykkes os. Dog maa vi tilstaa at I her i Amerika saavelsom vi i Norge skylder Norge tak for hvad det har gjort. Den statslov som kræver at hvert barn skal døpes og oplæres i den kristelige barnelærdom, har baaret rik frugt baade i Norge og i Amerika. Selv har jeg været præst i en avsides bygd; indtil fjerneste bygd gaar de norske præster med ord og sakrament. Vi kan ikke beregne værdien av denne store tjeneste, men jeg saa den klart de 25 aar jeg tjente som præst før jeg blev biskop.

Vi ønsket nok mere selvstyre i den norske kirke, men det har ikke gaat frem med stormskridt. Vi glædet os over Tarangers forslag om en folkekirke i Norge. Men det gik ikke. Dog er vi nu meget taknemmelige over at regjeringen har skjænket os et eget organ, nemlig menighetsraadet.

I Norge har vi mange hedningemissions- og indremissionsforeninger og selska-

per. De vil ogsaa være kirker, og under saadanne krav er det ikke altid gildt at være biskop. Vi haaber dog at som gutten vokser gjennem slyngelalderen, saa skal ogsaa Norges kirke naa frem til enhet i baade form og virke. Vi kan med rette si: Hittil har Herren hjulpet saa vel. Ebenezer.

Biskop Lundes bemerkninger ved aarsmøtets avslutning

Naar jeg nu faar si nogen ord til slut, saa vil jeg igjen takke for hyggelig møte. Eders maate at gjøre forretning paa tiltaler mig meget. Selv under de varmeste diskussioner utviser I en beundringsværdig selvbeherskelse. Jeg tar med mig fra dette møte mange hyggelige minder. Jeg lærte uhyre meget av eder norske her i Amerika, ikke bare ved at se hvad I allerede har gjort, men ogsaa ved at iagtta hvorledes I gjør det. Mit officielle besøk blandt eder som den norske kirkes repræsentant vil tjene som et sterkt baand der binder datterkirken til moderkirken. Jeg er dypt rørt ved anledningen jeg har hat ved baade dette møte og ved „centennial" festen. Maa Gud velsigne eder og gi eder lykke i arbeidet.

Det norske bondelags repræsentant, Hans Seland, taler

Hans Seland sa blandt andet:

Der er i Norge et bondeparti som tar sine ordrer fra Moskva. Det er med stor sorg at vi merker dette partis fiendskap til kristendom. Jeg er i Amerika som repræsentant for bøndenes kristne parti. Naar jeg her i Amerika har hat anledning til at se mig om blandt de norske folk har jeg lagt merke til at det norsk-amerikanske folks storverk er den lutherske kirke iblandt de norske i Amerika. Dersom det ikke var for den lutherske kirke, saa har der ikke været nogen „Norse-American Centennial". I det vi just nu avslutter denne store fest ønsker jeg gjerne at faa gi den norsk lutherske kirke et ord som jeg haaber den vil ikke glemme. Jeg ønsker at sætte den i forbindelse med beretningen om Jesu forklaring paa berget: „Og naar de saa, saa de ingen uten Jesus alene." Det er mit haab at I, naar disse festdage er avsluttet og I maa vende tilbake til deres daglige virke, da maa se kun Jesus alene. Jesus sa: „At dersom vi ikke blir som barn kan vi ingenlunde komme ind i himmerikes rike. Maa Gud velsigne eder i eders ædle virksomhet."

GREETINGS FROM NATIONAL LUTHERAN COUNCIL

Dr. J. A. Morehead

I count the opportunity of being present with you at this meeting a great privilege and I thank you for the privilege of presenting to you the cause of Lutheranism in all lands.

In the devotional exercises preceding this session I experienced that there is a community of saints. It has been my privilege to experience this in 21 countries in different parts of the world. I trust to the faith in the Holy Spirit which we as a church confess and the obligations which it imposes. This obligation has been ours at all times but after the terrible World War it has assumed tremendous proportions.

There are some who frankly say that European relief as a Christian activity is dead. I desire to call your attention to the fact that this statement rests upon a misunderstanding. The work that we do in the name of Christ and of His church can not die.

There is in the world a nationalism which fosters hatred and interferes with the communion of saints. Are we in America free from this nationalism? Does not our policy of isolation demonstrate to the world that we also cherish this unfavorable nationalism? Have we not been inclined to circumscribe the field of our activity and not to extend it to the utmost parts of the world as Christ surely intended that the work of the church should do?

The political policy of America and our form of Nationalism should not be allowed to influence our Christian thinking. No external consideration whatever dare suspend the universal obligation of faith, working by love for the relief of suffering and the winning of souls for Christ. The only legitimate question which we dare consider is: Does the actual need for this form of Christian work still exist?

We believe in the principles of Christianity, which tells us to love the brethren and to do deeds of mercy. The Lutheran Church has tried to realize

this principle. In reviewing what we have done in the past and are doing in the present as well as looking forward to that which must be done in the future, we are almost overwhelmed by the immensity of the task. In the few moments alloted to me this morning, I shall not be able to put this matter before you in such a way as to give you a definite understanding of the situation such as it is. I shall therefore limit my few remarks to the consideration of only three phases:

First: that which we call the new orphan, namely the German Foreign Mission fields of India, China and Asia. In response to the appeal for an adequate organization for effective work both at home and abroad God gave the Lutherans of America the idea of establishing the National Lutheran Council. Before this body the appeals from the Lutheran mission fields were laid in large numbers. I shall mention only one of these eight missions, namely the Gossner mission with headquarters at Berlin. It numbered about 1200 native Christians in India. The British Government did not permit the society to send its missionaries back to India. These missions must either be cared for by other mission societies or they will revert to heathenism. For ten years these missions have existed without making any repairs or extensions. Similar conditions pertain in the seven other missions which are now depending upon the Lutheran Church of America.

Second: the inner mission of Germany. Of the large number of institutions in question I shall mention only the Evangelical Lutheran Deaconess Institution of Munster on the Rhine. In order to maintain its work this mission was forced to make a large loan. This loan was secured by a mortgage on the property. It was soon discovered that the man who held the mortgage was a Catholic. This illustrates to us the great danger to which the Lutheran Church is exposed in regard to the splendid inner mission institutions located in Germany.

As a third, I wish to mention the spiritual desolation of Russia. Before the War the Lutheran Church numbered two million and a half with 350 pastors. For the present there are only 79 Lutheran pastors serving congregations. Most of the 350 were either imprisoned or exiled. Many died. It is hard for us to conceive what the terrible tragedy means to Russia. Over two-thirds of the parishes are still vacant. The Lutheran Church of Russia has now obtained permission from the Soviet Government to build a training institution for pastors at Leningrad. Add to this tragic situation, the physical destitution of 300,000 Lutherans in Siberia, who are suffering perils of persecution and poverty. In one congregation all men have died and only 8 women survived.

It is impossible for these physical and spiritual impoverished congregations to establish and maintain the training school without the help of fellow Lutherans in other parts of the world.

For this work we need $500,000 during the year 1925. Only $120,000 have been subscribed. The other Lutheran bodies began the campaign on the 15th of February whereas the Norwegian Lutheran Church began its campaign after Easter. So far the Norwegian Lutheran Church has contributed approximately $2,000.00. For the saving of human life and the rescuing of institutions, we, the Lutheran Church of America, must stand together. This is our greatest challenge and we can not be found wanting when Christ calls us to the service.

What we need here at home is better understanding and closer cooperation. It is a misrepresentation when it is said that the National Lutheran Council is doing relief work. By relief work we think of work done principally for the purpose of relieving physical suffering and distress. The work that the National Lutheran Council is doing is that and infinitely more; it is inner mission work—a work which is better known to the Norwegians under the name of "Home Mission." The Lutheran Church can not do merely humanitarian work; its commission is to do missionary work and thereby promote the cause of Christ, both among fellow believers and in heathen lands.

The Norwegians of America have most sucessfully celebrated its Immigration Centennial. Permit me to congratulate upon this splendid celebration. Everyone knows that the Norwegians are Lutherans; hence the Norse-American Centennial has placed the Lutheran Church on the map of America. This great celebration is the best advertising that the Lutheran Church has ever had.

The National Lutheran Council contemplates a great publicity service here

at home. In fact this is one phase of our regular work. We also desire to present information in regard to the Lutheran Church in all parts of the world. The National Lutheran Council has therefore made provisions to publish a fourth edition of the Lutheran World Almanac which we hope to put on the market by November 1, 1925. The National Lutheran Council issues a weekly church paper bulletin. This bulletin is sent to 70 Lutheran periodicals and 300 news workers. In addition to this we are culling the best news from the Lutheran Church and sending it every week to about 2000 papers in the United States and Canada.

The National Lutheran Council is the official agency for specific work both at home and abroad in which the Norwegian Lutheran Church of America and other Lutheran bodies cooperate. God has richly blessed this work in the past. The lives and faith of thousands in Europe and other Christian lands have been preserved through this instrumentality. Thru the work of the National Lutheran Council the American public has ceased to think of the Lutheran Church as a foreign church consisting of 21 denominations. The agency of the National Lutheran Council constitutes a permanent means of contact, understanding and service for the entire Lutheran church in the country and in the world. We dare not give up this organization lest a backward step be taken. It has great possibilities in the future for the promotion of Lutheranism consistent with the Holy Scriptures and the confessions of the church. I am grateful to God for the important part that the Norwegian Lutheran Church has had in creating and maintaining the National Lutheran Council.

I thank you.

CONVENTION MEMBERSHIP

A. Delegates

Please note: Convention membership is grouped under three heads, namely A) Delegates, B) Voting Pastors, C) Advisory Pastors.

There were eleven sessions in the convention. These are numbered as follows: 1) Tuesday a. m. 2) Tuesday p. m. 3) Wednesday a. m. 4) Wednesday p. m. 5) Thursday a. m. 6) Thursday p. m. 7) Friday a. m. 8) Friday p. m. 9) Friday evening. 10) Saturday a. m. 11) Saturday p. m.

The number after pastor's or delegate's name indicates the session when he registered. If the number eleven occurs as a second number it shows that the person concerned was present at the last session. Thus: Peter Peterson 2-11 shows that registration was reported by the committee at the second session, and that he stayed through the meeting to the last session. If the numbers come as follows: 5-? it indicates that the person was reported as delegate the fifth session, and that the date of his leaving is unknown.

Secretary's Appointments

The convention passed the following resolution:

The General Secretary is authorized to prepare and publish a daily bulletin at the annual meeting. The rules of business procedure, Chapter I, Par. 4, authorize the secretary to appoint his assistants and define their duties.

The Secretary has for the 1925 convention made the following appointments:

Assistant Secretary: Pastor M. B. Quill, Waco, Texas.
Chief of Information Bureau: Pastor B. Guldseth, Greenbush, Minn.
Manager of Bulletin: Pastor A. W. Ramstad, Bremerton, Wash.
Distributing Manager: Pastor B. H. J. Habel, Morris, Minn.

The work of publishing and distributing the bulletin in the two languages was made possible by the kind cooperation of the persons mentioned above. In this connection we desire to make special mention of the faithful and enduring services rendered by the following assistants:

Miss Jennie Berg, General Secretary's Stenographer, Mayville, N. Dak.
Mrs. A. W. Ramstad, Bremerton, Wash.
Miss Olga Backvold, Minneapolis, Minn.

The following served as Credential Committee:

Pastor Geo. Henriksen, Silverton, Ore., chairman.
Pastor L. S. Marvick, Toledo, Ohio.
Pastor M. L. Nesvig, Seattle, Wash.
As Convention Organist: Pastor C. B. Ylvisaker, Northwood, Iowa.

In order to make it possible for us to begin our business on Tuesday the secretary announced in the church papers that the credential committee would register delegates at the Centennial Headquarters on the State Fair Grounds on Monday, June 8th. Had it not been for this extra exertion on the part of the committee, it would have been impossible under the circumstances to open our meeting with a report from the Credential Committee at 9 o'clock, Tuesday morning.

ORDER OF DAY

Report from district meetings.

ROCKY MOUNTAIN

Vice President Aasgaard presented reports from Secretary Holbeck of the Rocky Mountain District:

1. The Rocky Mountain District is overwhelmingly opposed to the proposed changes of elimination of said district.

2. We feel it unjust to be singled out of all the districts for such a radical change.

3. Our district has relatively the largest proportion of unchurched of Norwegian Lutheran descent of any of our districts.

4. We question the economy of the proposed change in view of the fact that at least one field missionary is needed continually, and that such work can not be done thru occasional visits by the two adjoining district presidents.

5. And finally such a move would remove about entirely all support from Spokane College and thus leave our Church without any higher Christian school for a distance of about 1500 miles.

J. A. HOLBECK, Secretary.

RESOLUTION. Whereas,

The great mission field of the State of Wyoming has more in common and is more accessible from Montana than South Dakota.

And whereas the border congregations of Montana have been approached for religious services and help,

Be it resolved, that the large body of Lutherans located within the state of Wyoming be added to the Rocky Mountain district.

Passed at Rocky Mountain District.

Order of Day

Report from Committee No. 6.

Par. 17. Endowments.

Pastor Shurson gave information in answer to the thoughts expressed in Granskou's amendment presented during the afternoon session.

The following pertinent information was given by Prof. L. W. Boe in answer to Pastor Fosness' question as to what credit the Central Association gave for the support colleges received from the Church. President Boe stated that if St. Olaf College had no support from the Church, its endowment required would be $900,000. With the support which the Church gives it, the endowment required is $600,000.

He is therefore asking for $300,000 endowment because we already have $300,000. At 9 o'clock the chair asked for the report from Committee on Nominations. As the committee could not report candidates for editor of Lutheraneren, 15 minutes additional time was given the committee to prepare its report.

Order of the Day

3. These resolutions are to be printed in the annual report of this convention.

The secretary's minutes for Friday evening were read and approved.

Be it further resolved, that President H. C. Holm be requested to bring our brother, Rev. J. K. Rystad, our greetings.

Pastor Belsheim handed in his resignation.

The chair suggested that the proper procedure in such matter would be to present such resignations to the districts.

The chair rules it out of order because the constitution provides that pastors are admitted into the Norwegian Lutheran Church through the districts.

Pastor H. G. Stub brought a verbal greeting from Pastor and Mrs. Mikkelsen. Pastor Mikkelsen will soon celebrate his 90th birthday. The meeting asked Dr. Stub to send Mikkelsen the convention's greetings.

As there were only a few moments left before adjourning to the Christ Episcopal Church in order to give the auditorium management time to change the auditorium for Sunday morning, acting President Aasgaard asked President Stub to lead the proceedings. President Stub called upon Bishop Johan Lunde of Oslo, who spoke briefly. A resume is given on pp. 4 and 5.

Formand dr. Stub gjorde opmerksom paa at biskop Lunde er en av brobyggerne som søker at gjøre forbindelse over Atlanteren og søker at faa det norske folk til at hilse paa hverandre over Atlanterhavet. Det har været for os en stor glæde og fornøielse at ha disse Norges repræsentanter med os. Møtet minder os om den store samlingsdag da kristne skal samles ifra øst til vest i det land hvor der ikke er sorg eller adskillelse.

Forsamlingen reiste sig for at uttale sin tak til biskop Lunde for hans besøk.

President Stub thanked for the message and introduced Hans Seland, representative for Norway's Christian Farmers Association. Mr. Seland spoke for a few moments only. A brief resume is given on page 5.

President Stub answered:

"Det er os en stor glæde at kunne ha med os repræsentanten for Norges kristne bondelag og vite at det staar enig imot anti-kristelige, politiske, sociale og religiøse tendenser. Det glæder os at bondelaget samler sig omkring den kristne tro og kristne skoler. Vi ber hr. Seland venligst bringe bondelaget vor hjerteligste hilsen.

Til dette sa hr. Seland at han vilde oversende denne hilsen per cablegram til bondelagets aarsmøte i Hamar, Norge.

Pastor Truman Gordon was given a few moments in which to speak to the convention. He stated, in brief, that for several years he had been a nominal Christian without being a member of Christ. For five years he had served as pastor in Minneapolis. During this time he had become more and more convinced that there is a great demand for evangelistic work. He felt in his heart a strong desire to enter this field and that nine months ago Pastor Hoel had requested him to make an application for appointment as evangelist. Realizing that the budget can not take care of any more workers in this field, he would not ask the Church to call him and pay him salary. He expressed the desire and the hope that the Church would permit him to go as an evangelist on his own responsibility, and all that he asked was that he might have its approval.

This request was referred to the Board of Home Missions.

Pastor J. C. Roseland of Philadelphia, Pa., presented the following appeal:

Announcement and Invitation

"The President of the United States, by authority of Congress, has extended an invitation to all civilized countries to participate in a great international exposition in Philadelphia next summer, in commemoration of the signing of

the Declaration of Independence, 150 years ago. Hence Norwegians of Philadelphia have formed an association for the purpose of planning and putting over a pageant during this exposition, depicting the Discovery of America by the Norsemen, and the part they have played in the upbuilding of this Republic:

Hence, also I have the honor, on behalf of the City of Philadelphia, to extend to the Norwegian Lutheran Church of America an invitation to hold its next summer's convention in that city.

I move that the invitation be referred to the committee on invitations."

The appeal was referred to the committee on annual meeting.

Pastor Shurson called attention to the fact that the recent elections would necessitate the following additions to the budget:

$2,000 salary for President Emeritus.

$2,400 as salary for Prof. J. Tanner.

House rent for President J. A. Aasgaard.

House rent for Professor J. Tanner.

The Board of Trustees was authorized to sell and convey the property at the Indian School described as lot 2 and 3 in block 1 of Jacobson and Schytler's addition to Wittenberg, Wis. See Dept. VI.

This motion was adopted by a unanimous vote.

The committee on credentials submitted its report "H" showing that the following pastors from Eastern District had registered through the day: Pastor O. J. Hylland and Pastor Iver Tharaldsen, emeritus.

The report was adopted as read.

As there was no further business, the secretary's minutes for the afternoon session were read and approved.

President-elect Aasgaard called attention to the fact that this had been a most remarkable meeting, both in the number of persons in attendance and the regularity of attendance in the sessions. He again thanked the convention for having shown him the confidence and begged that it would remember him in their prayers. He pleaded with them that they would judge him kindly.

The president-elect asked Dr. Stub to close the meeting.

The president led in prayer and pronounced the Aaronic benediction.

Upon motion, the convention adjourned.

Fra samfundets formand og kirkeraadet

I Faderens, Sønnens og den Helligaands navn!

Vort samfund

Vort kjære samfund er nu 8 aar gammelt. Det er et kort tidsrum for et samfunds historie. Men vi skal ikke glemme at der bak disse 8 aar ligger tre samfunds historier som kan sies at komme paa dels 40, dels henimot 80 aar. Disse samfunds historie under forskjellige navn kan fortælle om meget godt arbeide, men ogsaa om adskillig særarbeide og megen kamp. Der er imidlertid en ting vi aldrig maa glemme naar vi taler om de tre samfunds særegne historie, og det er at tiltrods for den megen kamp, tiltrods for mange skrøpeligheter og særmeninger der kunde løpe ut i det som var galt, var der to fundamentale sandheter som stod fast for de den gang stilte og med hinanden kjæmpende samfund, og de var: først, at bibelen er Guds inspirerende, ufeilbare ord, som eneste kilde, regel og rettesnor for tro, lære og liv; og dernæst, at Jesu lidelse og død var stedfortrædende for verdens synd og straf. Hvis ikke disse grundlæggende sandheter hadde været samfundenes tro, vilde der aldrig blit nogen virkelig forening. Det som de saakaldte modernister i Norge og her i vort land forkynder privat og offentlig, forkastet de tre samfund som fornegtelse av de grundlæggende evige sandheter. Der var altsaa et fælles grundlag at bygge paa. Ved langvarige, broderlige forhandlinger lykkedes det at komme til forstaaelse i de ting, om hvilke der hadde været alvorlig strid, og det netop fordi man fra alle sider anerkjendte de nævnte grundlæggende sandheter. Gud være evig lovet og priset, fordi vi tør si at foreningen, tiltrods for alle paastande om det motsatte av vort samfunds venner, er en sand, en virkelig forening, en forening i aand og sandhet, en forenig som en ansæt mand inden den tidligere Hauges Synode ganske nylig i manges nærvær erklærte var en forening av den art, at man mere og mere var blit sig bevisst at være et samfund. Dette er store ting for hvilke vi aldrig kan fuldtakke Gud. Vort haab og vor bøn er at foreningen til ett samfund i 1917 ikke skal kunne rokkes.

Vort samfund tæller nu 2,786 menigheter, 1,301 præster, 275,342 konfirmerte medlemmer, og sjæleantallet er 483,393. Gud gi nu fremfor alt en indre vekst op til ham som er hodet, den Herre Jesus Kristus. Vort samfund har aldrig, likesaa litt som vore menigheter, gjort krav paa at være et fuldkomment samfund. Heller ikke de apostolisk menigheter var fuldkomne. De apostolisk breve viser os det. Men der burde være hos dem som er blit kristne, en sterkere higen og en alvorligere kamp for at vokse i sand helliggjørelse, likesom der stadig trænges alvorlige vækkelses- eller omvendelsesprækener fordi der er mange som sover.

Vi takker Gud fordi vi har baade lov og evangelium og sakramentenes forvaltning iblandt os. Og vi har grund til at tro at i det store og hele er der en alvorlig stræben efter at dele lov og evangelium saaledes som de burde deles, og at sakramentene forvaltes saaledes som Jesus har indstiftet dem. Det er store ting og derfor bør vi takke Gud.

Men tiltrods for alt dette kan vi ikke lukke vort øie for den kjendsgjerning at der er en viss uro i flere sind, en viss tilbøielighet til at tale om „rekonstruktion" og radikale forandringer av det bestaaende. De mange motstridende forslag og cirkulærer som undertiden kun er sendt til en del, er bevis nok herfor. En væsentlig grund til uroen maa visselig søkes i de ekstraordinære trykkende finansielle forhold under hvilke vi har levet, og som har bevirket at det ikke har været mulig at faa ind hvad der trængtes til de forskjellige gjøremaal. Saa har man hittet paa saa mange ting som man mente kunde være hotemiddel. La mig for at berolige sindene faa si at baade samfundets „trustees" og kirkeraad, likesom de forskjellige „boards", alle har erklært at samfundets aarlige budget, ialfald for tiden, bør begrænses til en million dollars, da erfaringen viser at samfundets menigheter de sidste aar kun ved særegne anstrengelser har skaffet en del over den sum. Hvorledes nu samfundets mange gjøremaal skal kunne samles inden en million som ramme, det blir en vanskelig sak at ordne. Dernæst fremlægges en plan for vort hele skolesystem som er det bedste samfundets Board of Education efter langvarige forhandlinger kunde

finde. Likeledes fremlægger Board of Charities en plan for barmhjertighetsarbeidet hvorved forskjellige institutioner søkes forenet. Det ligger i sakens natur at hvis disse planer blir gjennemført, vilde store summer indspares. Det er imidlertid uundgaaelig at der paa visse hold vil bli misnøie. De lokale interesser og kjærligheten til det man længe har hat, vil gjøre sig gjældende. Men det kan jeg si med sandhet at de forskjellige „boards" har prøvd saavidt det stod til dem at vise upartiishet og retfærdighet til alle sider. Aarsmøtet som jo er samfundets høieste instans maa tilslut bli dommer i hver sak og det hører til sand loyalitet at finde sig i samfundets avgjørelser, selv om de lokale interesser mere eller mindre maa lide derunder for det høies vel. Det er at haabe at samfundet iaar vil kunne træffe bestemmelser i alle de nævnte retninger saa vort kirkefolk kan komme til arbeidsro. Jeg tror det er netop arbeidsro som har manglet paa saa mange steder, netop fordi sindene har været saa optat av de mange forslag om forandringer. Paa samme tid som vi haaber at samfundet nu maa komme til ro ved at løse de forskjellige indre problemer, bør vort samfund aldrig tape av sigte den store opgave det er kaldt til at utføre utadtil som samfund, men dernæst ogsaa saavidt mulig i samvirke med andre lutherske samfund med hvilke vi tør si at vi staar i trosenhet, f. eks. i den indre mission og i barmhjertighetsarbeidet. Den beslutning som er fattet av en komite av vort Board of Trustees og av kirkeraadet om valg av en komite paa 9 mand og det av vore kyndigste mænd til at samle og fremlægge for vort første regulære aarsmøte næste aar alle nødvendige konstitutionsforandringer og andre forandringer, er visselig meget anbefalelsesværdig.

Hundreaarsfesten

Vort samfund har været en væsentlig faktor i den saakaldte hundreaarsfest, hvorvel bygdelagene har staat i spidsen og arrangert festen. Sluppen „Restaurationen"s ankomst til New York i 1825 er ikke en kirkelig begivenhet, og vort samfund, like saa litt som vore andre kirkesamfund, fører sin historie tilbake til sluppefolkene, men først til de senere emigrationer. Men sluppen „Restaurationen"s komme til New York har været en forløper for de senere emigrationer, og derfor har vi, likesom kirken i Norge, været med at aapne hundreaasfestlighetene med høitidelig gudstjeneste. Ogsaa for os er der sterk opfordring netop iaar til at takke Herren som i henved hundrede aar har holdt sin skjærmende haand over vort norske folk, som har vokset sig stort i vort land, men fremfor alt fordi under hans naades vinger en betydelig del av vort norske folk er kirkefolk som har bevaret sin fædrenetro og er med i arbeidet for at bygge vor lutherske kirke større og større. Gud gi at de store festligheter saa langt fra at gjøre os overmodige, meget mere maatte minde os om vort store ansvar overfor vort eget folk og overfor vort lands folk i det hele og drive os til et end ivrigere arbeide for at samle og opbygge. Har vi faat meget, saa vil der ogsaa kræves meget av os.

Vort land

Vi tænker først paa vor kirke og saa paa vort land. Før og under det politiske valg pleier jo bølgene at gaa noksaa høit, men saa stilner det av. Naar vi efter kamptummelen rolig ser paa resultatet, er det visselig meget at takke Gud for at landet har faat ikke alene en besindig, en dygtig, men ogsaa en gudfrygtig præsident, for hvem det vil være en samvittighetssak at gjøre hvad der staar i hans magt for at der under Gud kan skapes saadanne forbedrede kaar at der vil bli mere og mere tilfredshet og ro og at de forskjellige nationer herover i skjøn harmoni kan arbeide for at gjøre det amerikanske folk til det bedste paa kloden.

Dødsfald

Tretten prester er siden sidste aarsrapport avgaat ved døden: H. P. Solstad, 3dje juni 1924; Karl Xavier, 8de juni 1924; A. J. Raftshol, 18de juni 1924; C. O. Rosing, 23de august 1924; C. M. Knardahl, 2den september 1924; Ole J. Mundahl, 12te september 1924; J. A. Thorsen, 22de oktober 1924; S. E. S. Meisel, 25de november 1924; F. C. E. Norman, 1ste januar 1925; Lars Lund, 3dje januar 1925; A. B. Hinderlie, 19de januar 1925; O. L. Kirkeberg, mars maaned 1925; S. M. Ortvoll, 13de mars 1925.

Av disse har vel Karl Xavier og O. L. Kirkeberg særlig gjort sig bemerket ved sin forfattervirksomhet. Gamle Kirkeberg var jo mer eller mindre av en historiker, og Karl Xaviers pastoral-teologiske avhandlinger hadde megen værd. Lars Lund var

en av samfundets ivrigste missionsvenner. Han stod jo i mange aar som missionskasserer og vakte gjennem sin utstrakte brevveksling i missionens interesse urvilsomt hos mangfoldige kjærlighet til missionen. Pastor Orwoll var en mere end almindelig dygtig, praktisk præst.

Følgende prestefruer er avgaat ved døden: Mrs. Nils Førde, 4de april 1924; Mrs. H. B. Hustvedt, 3dje juli 1924; Mrs. Wm. K. Naeseth, 12te november 1924; Mrs. M. O. Ensberg, 31te oktober 1924; Mrs. P. H. Rognlie, 31te januar 1925, og Mrs. C. Michaelsen, 11te februar 1925.

Av den skare av andre som har faat hjemlov vil vi nævne B. J. Borlaug, død 28de januar 1925. Han var i mange aar medlem av den tidligere Forenede Kirkes Board of Trustees og indtok en fremtrædende plass blandt vort kristne lægfolk. Kunstmaler Herbjørn Gausta, død i juni maaned 1924, vil mindes av mange som den fineste kunstmaler blandt os herover, men samtidig som et virksomt medlem av vor kirke og en from kristen. Ole Rasmussen Kandal, 23de april 1924, far til pastor K. O. Kandal, død 23de april 1924; J. M. Anderson Linnevold, død 1ste mars 1925, far til pastor J. Linnevold; Anders Quello, 30te mars 1925, far til pastor J. Quello. Fremdeles, Mrs. Sarah Reque, død 28de november 1924, mor til pastor Lauritz Reque og pastor S. T. Reque; Mrs. Johanne Holen, 27de januar 1925, mor til pastor O. Holen; Mrs. Ingrid Quill, 8de februar 1925; mor til pastor M. B. Quill; Mrs. Ingeborg Andrea Rasmussen, 13de april 1925, mor til pastor Elias Rasmussen; Mrs. Osul Torrison, mor til pastor Isaac B. Torrison, Judge Oscar M. Torrison og dr. Geo. A. Torrison, død 3dje mars 1925; Mrs. Caia Waldeland, død 11te mai 1925, mor til pastor M. E. Waldeland. Mrs. Osul Torrison, gift med den i sin tid saa velkjendte kjøpmand Osul Torrison i Manitowoc, ved sin død 90 aar gammel, vil med tak til Gud mindes av de mange for hvem hun paa forskjellig maate var saa meget. Hun var en sjelden mor, først og fremst for sine ti barn, men ogsaa i menigheten var hun en mor i Israel og altid med raad og daad rede til at hjælpe i vide kredser. Mrs. Caia Waldeland blev 91 aar gammel. Ogsaa hun var i det strøk hun bodde som en mor i Israel.

Mrs. dr. O. E. Giere, død 17de november 1924, var en sjelden from hustru og mor til 8 barn.

N. S. Halstenrud, død 19de september 1924, var en av de mest kjendte lægmænd blandt vort kirkefolk i Spring Grove egnen.

De nævnte er kun faa, sammenlignet med den store skare hvis navn vi ikke kan gi. Men vi glæder os til det store møte hisset da kjendte og ukjendte som døde i troen paa sin Frelser skal møtes til evig samvær.

Kirkeraadet

Kirkeraadet hadde ikke mere end ett møte i 1924, nemlig fra 20de til 22de februar. Væsentlig paa grund av min sygdom blev der ikke noget møte i fjor høst. Derimot hadde vi møte fra 3dje til 6te februar iaar, og da blev mange vigtige saker behandlet og beslutninger fattet.

En av de bethdeligste saker kirkeraadet hadde med at gjøre, var forhandling med tidligere missionær Joseph Tetlie. Han hadde paa grund av sin hustrus sygdom indsendt sin resignation som missionær til hedningemissionsbestyrelsen. Denne hans resignation blev antat av hedningemissionsbestyrelsen, som desuten hadde nogen forhandling med ham i anledning hans teologiske standpunkt. Men da Joseph Tetlie ikke mere var i hedningemissionens tjeneste, men fremdeles stod i vor prestekalender som præst i vort samfund, ansaa kirkeraadet det som sin pligt at forhandle med ham, saa hans sak kunde bli bragt i orden. En komite blev nedsat, bestaaende av distriktsformændene H. C. Holm, J. Nordby og C. J. Eastvold, og hr. A. Anderson av Søndre Minnesota distrikt, og G. Vigen av Rocky Mountain distrikt. Denne komite forhandlet med pastor Tetlie og indsendte til mig som kirkeraadets formand følgende rapport som jeg tror det er ret at meddele paa engelsk da den er skrevet paa engelsk:

"Report to the Church Council of The Norwegian Lutheran Church of America, Dr. H. G. Stub, President.

"The committee elected by the Church Council to confer with Rev. Joseph Tetlie concerning his confessional position, held a colloquium with said Rev. Tetlie at the Lutheran Deaconess Home in Chicago, Ill., Feb. 20, 1925.

"The members of the committee were the District Presidents Rev. H. C. Holm, J. Nordby, C. J. Eastvold, and Mr. A. E. Anderson, and Mr. G. Vigen.

"Pres. H. C. Holm was elected Chairman and C. J. Eastvold, Secretary.

"A colloquium was held with Rev. Joseph Tetlie at the Deaconess Home in Chicago, February 20, 1925.

"The conference was conducted in a prayerful and brotherly spirit. Brother Tetlie submitted for consideration the following confessional statement:

" 'I believe in the inspiration of the Bible, and in its unique and abiding value; I believe that in the Scriptures we have the revelation of God, growing and developing, and culminating in Jesus Christ; that this revelation as summed up in Jesus Christ is our infallible source of doctrine, guide in living, and way of salvation.

" 'I believe in God the Father, Son, and Holy Spirit; that God is the Creator and Lord of the universe.

" 'I believe in the divinity of Christ, that He is true God from eternity; that in Christ, conceived by the Holy Spirit and born of the Virgin Mary, the divine and human became united in one person; that Christ performed miracles; that God was in Christ reconciling the world to himself; that Christ bore our sins in His body upon the tree, that we having died unto sin might live unto righteousness; that He rose on the third day; that He is at the right hand of the Father, from which He shall come to judge the quick and the dead.

" 'I believe that by faith in Christ we become the children of God, and receive justification and forgiveness of sins; that this saving faith is awakened and sustained in us by the Holy Spirit through the Word and sacraments.

(Signed) Joseph Tetlie."

"To the above Confessional Statement, signed by Rev. Joseph Tetlie, the committee begs to add the following quotation from brother Tetlie's explanatory note, added below, and embodied as a part of this report:

" 'I am willing to withdraw whatever there may be in the above-mentioned communication to the Board of Foreign Missions which is really contrary to the confessions of the Lutheran Church."

"The committee accepted the Confessional Statement, signed by Rev. Joseph Tetlie, as a satisfactory expression of his confessional position.

Mr. G. Vigen,

Explanatory note by Rev. Joseph Tetlie:

"In connection with the Confessional Statement which I submitted to your committee, I should like to add the following explanation.

"It has come to my notice from various sources, and now through a committee of the Church Council, that there is a more or less widespread impression abroad in the Norwegian Lutheran Church that I have repudiated the confessions of the Lutheran Church and thrown overboard most, if not all, of the essential elements of a positive Christian faith. It seems that this impression originated chiefly in connection with certain communications which I addressed to the Board of Foreign Missions about a year ago. Rumor never tends to diminish what it starts out with, and in this case it seems to have attained some truly staggering proportions.

"The simple fact is, that I have never rejected the divinity of Christ, nor the atonement, nor the resurrection of Christ (even the bodily resurrection), nor the supernatural element in the Bible, nor salvation by faith. Nor have I ever definitely rejected the doctrine of the Virgin Birth, though I did take up a tentative position on this point, which further study and reflection have led me to modify, as the accompanying confessional statement indicates.

"I think the difficulty has come partly from a confusion of issues. That which made me feel that I ought to submit some such statement to the Board was not disagreemnt with the doctrinal position of our Church, in any primary sense, though that seems to have been the rather general inpression. Certainly it was not my intention to launch an attack on the Lutheran confessions. What I had in mind was the more or less officially expressed attitude of our Church on certain questions of widespread interest. I was mainly concerned with the oft-recurring problem of

the relation of advancing knowledge and culture to theological tradition, and what method and approach to use in cases where the two seem to clash. In urging the validity and advisability of proceeding by investigation of fact, wherever facts are open to examination and verification, I was simply basing myself on past experience, and on the conviction that the religion of Jesus Christ can never suffer loss from increase of knowledge in any and every field. It was not my desire, for myself or anyone else, to make science the source and standard of religious faith. Nor would I wish to lessen the place of faith in religion, or decrease in any way the religious value of the Bible.

"I am not hereby seeking to escape responsibility for an unfortunate situation. I have come to realize that in presenting the matter there were statements made, and forms of expression used, which under the circumstances—in the present strained controversial situation—lent themselves too easily to conceptions and interpretations other than those I had in mind. I was not so careful to guard my statements in this respect as I was anxious to state the case as forcefully as possible. What I want to make clear is, that in that whole proceeding I was not engaged in giving an account of my confessional position. This I was careful to state in my formal communication to the Board, from which I quote the following sentence: 'The foregoing is not, of course, intended to be a confession of faith; I have not thought that necessary.'

"One does not like to be misunderstood, even though the responsibilty for the misunderstanding may be chiefly one's own. I therefore feel that under the circumstances the Church Council was doing me a real service when, through a committee of five of its members, it made definite inquiry as to what my confessional position was. As I have never in my own mind felt myself seriously out of harmony with the doctrinal position of the Lutheran Church, and as I should never feel satisfied with anything less than an evangelical Christianity, with Jesus Christ and His saving work for men at its center, I am glad to make the confessional statement which follows. And, having made this explanation I can add, that I am willing to withdraw whatever there may be in the above-mentioned communications to the Board of Foreign Missions which is really contrary to the confessions of the Lutheran Church."

Baade jeg og andre ansaa det for det viseligste at indlemme denne rapport i min indberetning til samfundet. Som man vil se, indeholder denne rapport først pastor Joseph Tetlies bekjendelse, og dernæst en litt længere erklæring av ham. Kirkeraadets komite som hadde fuldmagt til at handle, har erklært sig tilfreds med Tetlies bekjendelse og forklaring. Det gjør ogsaa jeg, og vi er taknemmelig til Gud for at denne sak har faat en saa heldig avslutning.

Da der har været rettet forespørsel til mig i anledning visse ubetænksomme ytringer av nogen av vore i Kina, vil jeg si at jeg staar i brevveksling med vedkommende, og jeg haaber til Gud at vor forhandling vil føre til hvad vi ønsker og her om. La os derfor be inderlig til Gud baade for vor kirke her og for vor kirke i hedningeland.

Konstitutionen for det engelske distrikt optokes til behandling. Hele konstitutionen blev behandlet og en del mindre forandringer foretat. Efter at konstitutionen var antat punktvis, blev den ved reisning antat i sin helhet. Kirkeraadsmedlem John J. Luthro fra Iowa stemte imot antagelsen av konstitutionen og distriktsformand H. C. Holm stemte ikke. Det blev fremdeles besluttet at en komite paa 3 skulde vælges til at indføre i konstitutionen de rettelser som blev foretat samt sørge for at konstitutionen for det engelske distrikt trykkes i „Lutheraneren" og „Church Herald". Judge Lewis Larson, Sioux Falls, dr. G. T. Rygh og dr. J. A. O. Stub blev valgt. Samfundet har jo tidligere besluttet at hvis 30 menigheter slutter sig sammen for at danne et engelsk distrikt, skulde samfundets tilladelse dertil være git. Gud gi at baade de prester og menigheter som benytter begge sprog og de prester og menigheter som benytter utelukkende engelsk, maatte erkjende betydningen av et engelsk distrikt for vort samfunds vekst og fremtid.

For „Det norsk lutherske landsforbund for ungdom i Amerika" møtte prof. M. O. Wee. Paa forbundets vegne uttalte han ønsket om at Den Norsk Lutherske Kirke i Amerika maatte beslutte at anerkjende det norsk lutherske landsforbund som staaende i det samme forhold til samfundet som „Young People's Luther League" staar som samfundets engelske ungdomsforbund. Kirkeraadet nedsatte en komite bestaaende av formændene N. N. Boe, H. C. Holm og C. J. Eastvold. Komiteen holdt møte paa

Augsburg Publishing House den 9de mars 1925. Formand Stub og prof. M. O. Wee tok del i den forhandling som blev pleiet. Følgende resolution blev antat:

„Besluttet at Landsforbundets begjæring indvilges, dog saaledes at samfundet ikke skal bære finansielle forpligtelser for Landsforbundet."

Det er vort haab at samfundet antar denne kirkeraadets beslutning, saa den stare av norsk ungdom som utvilsomt vil øktes ved den aarlige notsaa betydelige indvandring fra Norge, maa knyttes fast til vort samfund.

Kirkeraadet optok ogsaa til behandling spørsmaalet om nærmere samarbeide mellem kirkeraadet og bestyrelsen for Young People's Luther League. Dette syntes saa meget mere paakrævd som kirkeraadet og siden samfundet har valgt eksekutivsekretæren for Young People's Luther League som en embedsmand i samfundet, hvilket berettiger ham til alle de pas som samfundets dygtige transportationsagent, pastor M. E. Waldeland har været istand til at skaffe. Kirkeraadet nedsatte en komite bestaaende av Judge Lewis Larson og formand A. M. Skindlov. Komiteen fremla følgende resolutioner:

"The Church Council has noted with gratitude the splendid progress made by the Young People's Luther League, and the excellent work that is being done by this organized effort on the part of our young people, and expresses its continued interest in and hearty support of this activity within our Church.

"The Church Council welcomes a closer co-operation between the Council and the management of the League and believes that this can best be accomplished by free and frank conferences from time to time.

"Commencing with the next regular meeting of the Council, the President shall invite the President and Executive Secretary of the League to be present at one session of each regular meeting, for the purpose of conferring, consulting and counselling together relative to matters affecting the young people's work, its relation to the other activities of the Church, and such others matters as may be of mutual interest and concern."

Komiteens rapport blev enstemmig antat av kirkeraadet.

Kirkeraadets stilling til National Lutheran Council blev optat til behandling. Følgende beslutning blev enstemmig antat av kirkeraadet:

„Kirkeraadet indtar den samme stilling til National Lutheran Council som før og vil støtte det nødvendige og velsignede redningsarbeide baade fysisk, kirkelig og aandelig som har været utført i flere aar i de av krigen herjede lande. I anledning av det sidste oprop fra Council om $500,000.00 vil kirkeraadet si at efter dets overbevisning bør ogsaa vort samfund som tidligere være med, men da Den Norsk Lutherske Kirke i en nær fremtid maa prøve at avkaste budgetgjælden, kan vort samfund ikke paa samme tid være med i den „drive" som andre samfund repræsentert i National Lutheran Council vil ha i den nærmeste fremtid, men vil gjøre sit bedste senere."

Kirkeraadet tilstemte følgende rapport forfattet av en komite bestaaende av formand Naess og kirkeraadsmedlem J. A. Berg i anledning den loyalitet som baade prester og medlemmer av samfundet i sin almindelighet skylder samfundet:

„Kirkeraadet beklager at der endnu paa visse steder ikke findes den loyalitet overfor samfundet blandt prester og lægfolk i Den Norsk Lutherske Kirke i Amerika som er ønskelig, for at samfundet kan bli et rigtig sterk samfund.

„For at motarbeide en slik aand som er nedbrytende overfor samfundets store interesser og underminerer vore ædle hensigter og forkrøpler arbeidet ifølge Guds hensigt med os til sjæles opbyggelse og evige frelse, foreslaar vi:

„(1) At mere oplysning gjennem en „Educational Campaign" skaffes vort samfund angaaende samfundets arbeide i det hele og i de enkelte grener som vedrører dets institutioner og missionsarbeide.

„(2) At vore kirkeblade blir gjort opmerksom paa nødvendigheten av et saadant oplysningsarbeide i dets spalter.

„(3) At enhver distriktsformand, kredsformand og prester i det hele tat blir opfordret til at fremholde ved alle opbyggelses- og samtalemøter, nødvendigheten av en alvorlig omvendelse til Gud, en dypere hengivelse til Herren og vor kirkes interesser for synderes frelse gjennem prækeembedet og kirkens forskjellige aktiviteter.

„(4) At vi paa kirkeraadets vegne anbefaler at det vilde være heldigere om vort samfunds konstitution, bilove, regler og beslutninger blev litt nøiere og mere punktlig efterfulgt, i særdeleshet i de ting som vedrører tro, lære og praksis, saa at de

konservative i vort samfund ikke blir gjenstand for kritik og misnøie, og at de som er tilbøielige til uloyalitet, kritik og utroskap i vort samfund, ved Guds aands lys og paavirkning av troesbrødre kunde bli vundet til ivrig arbeide for vor kirkes fremgang.

„(5) At vore kirkeblade blir bedt om at opmuntre vort folk til mere offervilligheit og overbærenhet med vore samfunds ledere og embedsmænd og at vore prester og andre underviser vort folk ved enhver anledning om de ting som vedrører vor kirkes arbeide, vekst og fremgang i de forskjellige arbeidsgrener.

„(6) At kirkeraadet opmuntrer alle som er interessert i og har lært at elske vor lutherske kirke, til at be Herren om hans naadige beskyttelse og varetægt overfor al falsk lære og utro tjenere og om den rette aand og det rette sind hos vore hyrder og vort menighetsfolk."

Kirkeraadet ofret ogsaa megen tid paa den plan som skolebestyrelsen (Board of Education) har fremlagt og gav denne plan sin tilstemning.

Likeledes ofredes notsaa lang tid paa saker av mere privat art, ikke mindst hvor det gjaldt at øve den broderlige tugt som i flere tilfælder var paakrævd.

Av alt dette og meget mere som kunde nævnes vil man se at kirkeraadet har brukt sin tid vel i samfundets interesse.

Religionsskolen

Der vil fra det „board" som gaar under navn av „Board of Elementary Christian Education" komme beretning om de mange møter som har været holdt i forskjellige strøk, især i større byer, med foredrag av kyndige mænd, hvilket altsammen har til maal at gi vore prester og lærere mere grep paa de bedste undervisningsmetoder, likesom ogsaa dette samme „board" har utgit flere bøker i undervisningens interesse. Vor kirke tror at der ikke kan gjøres nok for at vore barn kan faa den bedst mulige kristelige undervisning selv om vi ikke har ordnede norsk engelske menighetsskoler. Hvor det lar sig gjøre bør man ogsaa søke at faa om mulig en halv dag av undervisningstiden i de offentlige skoler til undervisning i religion for vore lutherske barn og lutherske lærere. Hvor denne ordning er blit gjennemført har den vist sig at være til stort gavn.

Vort „Board of Elementary Christian Education" har ogsaa foreslaat at der i 1929 foranstaltes en jubilæumsutgave av Luthers lille katekismus paa engelsk og at de forskjellige lutherske samfund enes derom saa man kunde faa ensartet tekst i katekismen i alle lutherske samfund. Dette overmaade betimelig forslag er allerede tilstemt av flere samfund og vi haaber at ogsaa vort samfund vil tilstemme dette forslag, hvis gjennemførelse vil ha den største betydning for fremtiden.

Luther Teologiske Seminar

Til bestyrerens indberetning skal jeg tillate mig at føie litt. Av hans indberetning fremgaar at han henstiller til samfundet at avgjøre hvorvidt han bør fortsætte som teologisk professor og især som bestyrer. For to aar siden gjenvalgte samfundet dr. Bøckman enstemmig til at fortsætte den gjerning han hadde utført saa længe til alles tilfredshet. Det er min og vist alle deres mening som bærer vort Luther Seminar paa sit hjerte at samfundet bør opfordre vor kjære professor Bøckman til fremdeles at staa som bestyrer, selv om han saavidt mulig burde fritages for forelæsninger. Dr. Bøckman vilde derved gjøre seminariet og samfundet den største tjeneste. Prof. dr. E. Kr. Johnsen som saa tidlig blev kaldt bort fra tjenesten her paa jorden, la mig mere end en gang paa hjerte at jeg maatte gjøre hvad der stod i min magt for at dr. Bøckman burde staa saa længe hans mentale og legemlige kræfter vilde strække til. Samfundet vil visselig la dr. Bøckman forstaa at man ikke nu ønsker at han skal trække sig tilbake.

Det vil imidlertid være indlysende at seminariet trænger to dygtige professorer til. Siden foreningen i 1917 har seminariet tapt tre av sine betydeligste kræfter: Dr. Johannes Ylvisaker, dr. Johan Nathan Kildahl og dr. E. Kr. Johnsen. Dertil kommer at samfundet har besluttet at hvert syvende aar skal en av professorene ha fri dels for sin helbreds skyld og dels for at studere videre. Dr. Brandt hadde sit aar i 1923 til 24. Hans fag maatte under hans fraværr fordeles blandt de øvrige lærere Jaar skal professor Hove ha sit aar fri. Hans fag maa selvfølgelig fordeles paa andre. Dr. Bøckman vil ikke komme til at gi mere end nogen faa forelæsninger. Skal derfor vort seminar kunne gi de mindst hundrede studenter, delt i tre klasser, med forelæsninger dels paa engelsk og dels paa norsk, hvad samfundets

menigheter har ret til at kræve av vort Luther Seminar, maa det faa to dygtige professorer til. Hvis der nogensinde har været trang til vort teologiske seminars utrustning i alle retninger er det netop i vor tid da angrepene paa kirken fra de moderne teologer og den falstelig saakaldte kundskap er mere maalbevisst og føres med mere kløkt end nogensinde. Seminariet bør derfor være istand til at sende ut mænd som ved siden av at være aandsfyldte kristne, med den fornødne praktiske dygtighet kan møte angrepene fra enhver kant.

Luther College

Luther College har hat et godt aar. Antallet av studenter har været ca. 350. Bestræbelsene for at faa et gymnasium er blit tronet med held. Der mangler ikke meget paa den sum man maa ha. Dr. K. Gjerset har bygget op musæet likesom han ogsaa har foretat den utstilling som hundreaarsfesten byr paa av norsk-amerikaneres præstationer i literatur og kunst, eller kaster lys over deres virke i almindelighet.

Dr. O. M. Norlie har efter kirketomiteens valg skrevet for hundreaarsfesten „det norske folks historie i Amerika", et literært verk som burde finde den største utbredelse da det er resultatet av 25 aars samlervirksomhet og gir hvad man ikke vilde faa rede paa uten efter langvarig studium.

Det bekjendte Luther College Concert Band vil ta megen del i festprogrammet under hundrearsfesten.

St. Olaf College

St. Olaf College, samfundets største skole, har iaar kunnet feire sin femtiaarsfest med store høitideligheter og samtidig faa sin store nye administrations og „science" bygning indvidd. Det er et stort arbeide som er utført i disse femti aar og store muligheter ligger for St. Olaf College. Hvad det vil betyde for vort samfund at faa hundreder av vor ungdom indunder kristendommens velsignede indflydelse gjennem fire aar og saa se dem som mere modne kristne unge mænd og kvinder ta virksom del i menighets- og samfundsarbeidet til Kristi rikes opbyggelse — hvad vil ikke det betyde for tid og evighet?

Professor Rølvaag har levert et dygtig literært arbeide i sin i Norge utgivne bok: „I de dage"—en skildring av pionerlivet som vil læses med stor interesse. Andet bind vil gaa mere ind paa det kirkelige og ha „pionerpresten" til gjenstand.

St. Olaf koret, betegnet som Amerikas mest fuldkomne kor i sit slags, vil betydelig forsterket for anledningen synge ved festgudstjenesten i „Hippodromen" søndag den 7de juni.

De andre skoler

Augustana College og Normalskole, Concordia College, Canton Normalskole, Madison Normalskole og alle andre skoler som enten eies av samfundet eller faar støte av samfundet utfører hver især et godt arbeide især da i den kreds i hvis midte de ligger, men ogsaa i videre strøk. Det er vort haab og vor bøn til Gud at skolespørsmalet maatte finde en løsning som alle retsindige maa erkjende er en ordning som kræves og at derfor al saarhet maatte overvindes og alle arbeide som én mand for det som samfundet har maattet bestemme.

Indremissionen

Uten et ivrig og forstandig indremissionsarbeide vil samfundet ikke vokse utadtil. En stor del av vort folk tilhører endnu ikke vor kirke og dertil kommer at immigrationen fra Norge fremdeles foregaar i noksaa stor maalestok, ca. 6,000 hvert aar. Og der er indsendt ansøkninger om tilladelse til at forlate Norge lang tid i forveien. Derfor maa vi gjøre hvad der staar i vor magt for at naa vore frænder fra Norge. Og det vil vi vel væsentlig maatte gjøre i det norske sprog. Men la os fremfor alt ikke glemme vor uavviselige pligt at søke at bringe evangeliet til de engelsktalende av vor egen æt og videre til folk av andre nationer med hvem vi kommer i berøring. Hvad der kan gjøres ogsaa inden vort samfund i de større byer i denne retning har vi slaaende eksempler paa. I den indre missions interesse vilde det for mange prester og menigheter være til størst mulig gavn om menighetssiøstre eller diakonisser kunde ansættes. Disse vilde kunne opsøke en hel del baade voksne og barn som ellers vanskelig vilde kunne naaes.

Under indremissionen hører vor immigrantmission i New York. Der kan ikke være tvil om at et immigranthjem vil være til velsignelse for mangfoldige som

kommer fra Norge og som netop i et immigranthjem vil finde hvad de trænger i en storby. Det er imidlertid et spørsmaal om ikke det nuværende immigranthjem som en gang i tiden var et ualmindelig vel utstyrt privathjem, burde sælges, og at en ny bygning som egner sig mere for vor immigrantmission, tjøpes. Den nuværende bygning er meget værdifuld og muligens vilde et nyt immigranthjem kunne anstaffes for den sum som salget av den nuværende bygning vilde bringe. Samfundet burde overlate til indremissionsbestyrelsen at faa den sak i orden. Vi stylder vore indvandrere at by dem et skikkelig hjem og det et hjem hvor de kan møtes med Guds ord og veiledning i mange henseender.

Sjømandsmissionen i Galveston har mere eller mindre været en omtvistet sak. Det fremgaar av de beretninger som er kommet til os at Galveston mere og mere er blit en sjømandshavn ogsaa for norske. Menigheten dernede elsker denne mission og vore trofaste menigheter i Texas har enstemmig indstillet at sjømandsmissionen i Galveston maatte fortsættes. Iowa distrikt og Østre distrikt har ogsaa uttalt sig bestemt for fortsættelse av sjømandsmissionen i Galveston. Derfor burde visselig denne mission igjen optas og bli en samfundssak.

Fra vor indianermission har vi kun glædelige ting at melde, vel at merke saa langt vor mission rækker. Men denne velsignede mission burde økes, saa intet indianerbarn av mangel paa midler blev negtet adgang til at komme ind paa vor skole for indianerbarn, en skole som har baaret saa velsignet frugt.

Hedningemissionen

Vor hedningemission i Kina, Madagaskar og Syd Afrika har som sit felt strøk hvor der bor mellem 9 a 10 millioner. Regner vi sammen de døpte: Kina, 6,637, Madagaskar, 3,627, Syd Afrika, 6,318, faar vi en totalsum av 16,582 sjæle. Det synes jo som en draape i havet og dog har disse tusener været som en surdeig, og trangen til at høre Jesu Kristi evangelium synes at bli større og større. Bare vi hadde mænd og midler! Det vil være samfundet bekjendt at de skandinavisk lutherske samfund som driver mission i Kina har sluttet sig sammen under navnet „Den Kinesisk Lutherske Kirke". Vi maa visselig takke Herren som har ledet det saa at omvendte kinesere med vore missionærer i spidsen har kunnet organisere sig som en kinesisk lutherskkirke. Efter hvad jeg har kunnet erfare, specielt gjennem vor hedningemissionssekretær, vil den kinesisk lutherske kirke staa paa den samme bibelske, konfessionelle basis som moderkirken herover. La os be og arbeide for at hedningemissionens marker maatte utvides mere og mere Tiltrods for motgang og delvis forfølgelse av røverbander er dørene for evangeliet slaat paa vid væg. Maatte aldrig kærlighet til hedningemissionen kjølne i vore hjerter. Men la os aldrig heller glemme at hvis vi forsømmer den indre mission, hugger vi av den gren paa hvilken missionen blandt hedningene hviler. Med hensyn til missionen i Syd Afrika anbefaler jeg at alt blir som det nu er indtil fællesmøtet næste aar. Gud velsigne fremdeles vort missionsarbeide i Syd Afrika. Selv om arbeiderne der er faa, synes resultatene at være overraskende store.

Vort barmhjertighetsarbeide

Board of Charities vil gi de fornødne oplysninger om arbeidet i det hele og om den foreslaadde sammenslutning av visse institutioner. Følgende skrivelse er rettet til samfundet:

„Til den ærede Norsk Luther:e Kirke i Amerika.

Da vi, Zions luth. menighet, Twin Valley, Minn., netop nu har bragt i erfaring at Board of Charities nylig har fattet beslutning om at foreslaa for samfundets aarsmøte at Wild Rice barnehjem skal nedlægges og vi vet der ikke er lang tid igjen til møtet skal holdes, og vi som tro medlemmer av samfundet er levende interessert i hvad samfundet gjør, saa hadde vi et kort menighetsmøte efter gudstjenesten søndag den 10de ds. angaaende denne sak. Menigheten fattet da enstemmig følgende beslutning: „Zion luth. menighet, Twin Valley, Minn., protesterer paa det kraftigste mot at samfundet fatter en saadan beslutning." De grunde hvorfor vi protesterer mot en saadan beslutning, er væsentlig følgende: (1) Wild Rice barnehjem kostet mange tusen dollars som det stod ved foreningen i 1917. Flere tusen dollars er anvendt efter den tid. Og nu i de sidste 5 aar er omtrent 60 tusen dollars paakostet hjemmet. Men dette er ikke alt. Disse penger er ikke indkommet av sig selv. De er heller ikke indkommet ved store gaver fra rike folk, men ved mindre

gaver fra vore almindelige menighetfolk som har git fordi de vilde gjerne hjælpe fattige, ulykkelige barn at de kunde faa et kristelig hjem. Der er meget arbeide nedlagt her og der er visselig ogsaa mange bønner opsendt til vor kjære himmelske far om at arbeidet maatte lykkes. Og Gud har øiensynlig lagt sin velsignelse til, ikke bare til indsamlingen av penger, men ogsaa til arbeidets tykke og til uvurderlig velsignelse for de barn som i aarenes løp har hat sit hjem der. Og saa naar barnehjemmet er kommet op i en saadan prægtig stand, at det er ialfald et av samfundets prægtigste hjem, om ikke det allerprægtigste, saa skal det med ett nedlægges og alle de penger som vort kirkefolk har nedlagt der bli til ingen nytte for samfundet. Er det viselig, er det forsvarlig? Vi tror det ikke. (2) Vi har heller ingen tro paa at samfundet vil kunne paa en billigere maate ta vare paa disse barn ved at overføre dem til et eller flere av vore andre barnehjem. Dertil kommer ogsaa det, ialfald efter vor mening at der er adskillig større risiko i brandtilfælde der hvor der er mange barn end der hvor der er en mindre flok barn.

(3) Vi kan heller ikke glemme den kjærlighet, den tillid og den velvilje som Wild Rice barnehjem har oparbeidet sig og faat vidt omkring blandt vore menigheter her i nordlige Minnesota, Nord Dakota og Montana saavelsom Canada nu i disse 25 a 26 aar det har bestaat. Og hvordan tror man det vil gaa med denne kjærlighet, tillid og velvilje ute blandt vort menighetsfolk naar man nu pludselig og uventet faar høre at nu skal hjemmet nedlægges? Tror man kanske det har ingen betydning? Vi tror og er forvisset om at det har ganske meget at betyde. Av disse og flere andre grunde protesterer vi imot en saadan beslutning.

Der er et andet dokument som jeg pligter at gjøre vort samfund bekjendt med. Det er fra Mr. Charles F. Hall, Director of Children's Bureau, State Board of Control, St. Paul, Minnesota. Mr. Hall kom endog personlig til mig og fremla mundtlig hvad han i sin skrivelse har betonet. Skrivelsen lyder:

"My dear Dr. Stub:

"Among the various activities of the Norwegian Lutheran Church of America in Minnesota there has come to the attention of the State Board of Control one of the rescue homes, two children's homes, and three home-finding offices. The promotion of this work is indicative of the high purposes and spiritual character of the church. More and more Christian thought is in accord with our Master in His stern denunciation of empty formalism and ritualism. Especially does the Board of Charities, together with the Departments of Home Missions and Foreign Missions, speak the response of your church to the urgent call of Jesus to seek salvation and eternal life by living lives devoted to love and service for our fellows as exemplified in the parable of the Good Samaritan.

"Because of a report that your church may be induced, by reasons of economy, to withdraw from supporting the Board of Charities through the regular budget, I take the liberty of writing you. There are certain principles in the field of child-caring that are recognized and emphasized by the State Board of Control. The natural and normal place for every child is in his own home; or, failing that, with relatives. If his parents or relatives are not able or competent to care for him, he should be placed in a good selected foster home for care and adoption, if possible. An institution should be simply a receiving home to provide only temporary care and treatment for the child awaiting placement in a boarding or permanent home. If, for certain reasons, a child may not at once be adjusted in a permanent home, modern technique suggests that he be cared for in a well selected private boarding home instead of in an institution.

"As a suggestion for economy, as well as contributing to the best interests of the child, these principles are well established. The eastern states, who are the pioneers in the field of caring for dependent children, now follow this policy. Every child that is placed in a free private home for care is a step in economy for the agency that provides the funds. Even boarding care given by child-loving foster

parents is more economical, as well as more beneficial, for the child. The Children's Bureau is convinced that the populations in many of our children's homes could be reduced by more than one-half if an active child-placing agency is charged with the responsibility of studying the case of every child and making provision for each child as the merits of the case may demand.

"The work of determining the future of the lives of innocent helpless children is one of great importance and deserves the best service a church can render. It is the policy of the State Board of Control that this work of a particular church be centralized in one agency or office. The type of service to be given requires a personnel of workers who are especially trained by education and experience. It has been found, as is obvious in the field of nursing or teaching, that good intentions and social standing alone do not qualify a person to act. The agency should have at hand or be in touch with specialists who are able to diagnose a child physically, mentally, and morrally. No child should be placed in a home that has not been thoroughly investigated and studied by an experienced impartial worker.

"For the Norwegian Lutheran Church of America, the Board of Charities is the agency the State Board of Control would certify to do this worthy work. May I express the hope that your church will retain its present form of organiation and not depart from this type of service. For the ends of economy, as well as efficiency, I trust that your church will develop one of the best organized child-placing departments in the northwest under the direct supervision of the church and in cooperation with the State Board of Control to the end that every dependent Lutheran child will have the benefit of normal home life in a good home of the Lutheran faith.

Very respectfully yours,

(Signed) CHARLES F. HALL, *Director.*"

Det er glædelig at se at staten vurderer kirkens arbeide og hævder hvad der maa ansés for det bedste for hvert barn, nemlig at faa et eget hjem. Fremdeles at statens „Board of Control" anser vort „Board of Charities" som den organisation gjennem hvilken barnene burde anbringes i de forskjellige hjem. Der pekes ogsaa paa den store økonomiske besparelse samfundet gjennem denne ordning vilde opnaa.

Distriktsformændene efter vor konstitution

Da der har været talt og skrevet adskillig om vore distriktsformænd og en del har syntes at mene at man uten videre kunde avskedige distriktsformændene, ansaa jeg det for paakrævd at levere et klart, retslig vidnesbyrd av samfundets juridiske konsulent, hr. L. O. Rue. Han har været saa venlig at gi mig følgende erklæring, hvis rigtighet ingen vil kunne omstøte:

"My dear President Stub:

"We have considered your inquiry as to how a district may dispense with the service of a district president and be relieved from the payment of the salary of such officer.

"The office of district president (distriktsformanden) is provided for by the Constitution of the Norwegian Lutheran Church of America and by the Constitution of the District. The District Constitution provides that such officer shall be salaried and that he shall devote all his time to the duties of that office. The tenure of office as fixed by he District Constitution is six years. A person elected to that office becomes entitled to hold that office during the entire term and to draw the salary prescribed unless he is removed for good cause.

"In the absence of provisions in the Constitution to the effect that the term of office and the salary of the official may be terminated before the expiration of the term provided for at the time of his election, such term of office or the salary cannot be limited or taken away without his consent. This right is in the nature of a contract right between the officer and the district and he cannot be deprived of his office or the salary during the term of his office without his consent except for adequate cause.

"If it should be found advisable to dispense with the office of district president or to limit the amount of time required to be devoted by him to the office and to make it a non-salaried officer, the District Constitution should be amended. The District Constitution can be amended according to its terms in the following manner:

"1. A resolution to amend the Constitution must first be adopted by some district meeting by two-thirds majority. 2. Thereupon, this resolution is laid before the other district meetings for consideration. 3. If three of the district meetings adopt the resolution for amendment of the Constitution, then the resolution is laid before the general meeting (faellesmøtet) and becomes effective immediately upon adoption by this meeting.

"Yours truly,
(Signed) L. O. Rue."

Lutheran Deaconess Home and Hospital

Fra Lutheran Deaconess Home and Hospital har jeg mottat pastor Andreas Oefstedals resignation som rektor av institutionen. Samfundet vil vist uttale sin tak til pastor Oefstedal for den troskap hvormed han har røgtet sit kald og ønske at Guds velsignelse maa følge ham i de kommende dage. Likesaa følger en henvendelse til mig fra præsidenten for Board of Trustees og komiteens rapport, hvilket altsammen herved fremlægges for samfundet.

"Dear Dr. Stub:

"Enclosed you will find Rev. A. Oefstedal's resignation to the Church as rector of the Lutheran Deaconess Home and Hospital of Chicago, and the final decision which was taken by the Board at its last meeting. We are sorry to present this to the Church, but circumstances are such, that it seems necessary to accept it on account of his ill health.

"The sisters have been instructed by the Board to appoint a successor, which will be acted upon by the Board of Trustees the 3d of June and forwarded to you before the annual meeting. We regret that this procedure is necessary but under the circumstances the Board found it necessary to take this decision.

"Sincerely yours,
(Signed) Peter Johnson
President of the Board of Trustees."

"To the Association of the Lutheran Deaconess Home and Hospital of Chicago, and its Board of Trustees:

"Grace and Peace:

"Having, by the grace of God, been permitted to complete a period of forty-four years in the gospel ministry, and being aware of the fact that my strength is failing, while the duties of my office require the services of a strong and vigorous man, I hereby, respectfully tender my resignation as rector and pastor of the Lutheran Deaconess Home and Hospital of Chicago—the resignation to become effective on the first day of September, 1925.

"Permit me, friends, to present my sincere asd hearty thanks to the Sisterhood, Board of Trustees and to the Church for every kindness shown me during the past thirteen years.

"In regard to the Sisterhood of this institution, I desire to make the following statement: Many Christians have I learned to know during my life time, yet never have I beheld so much of a truly self-denying spirit and devoted service out of love to God and man, as I have witnessed at this institution.

"God bless the Lutheran Deaconess Home and Hospital of Chicago.

"Respectfully submitted,
(Signed) Andreas Oefstedal."

REPORT OF COMMITTEE

"Your committee consisting of Hon. O. M. Torrison, Rev. M. H. Hegge and Mr. Tom Olson, to which was referred Rector Oefstedal's resignation as rector, respectfully reports that in view of Rector Oefstedal's resignation about a year ago, on account of his health and the Board's action, therein, refusing to accept same and granting him a vacation from July 1st, until October 1st, 1924, and in view of his now renewing his resignation on the same ground, the committee feels that they should not again refuse to accept same and its committee, therefore, recommends

that his resignation as rector be accepted with regret and appreciation of his long, conscientious and devoted service, such resignation to take effect September 1st, 1925, and that he be given a vacation in the meantime of one month on full pay.

"This report was on motion adopted by the Board of Trustees.

(Signed) PETER JOHNSON
President of the Board of Trustees."

Israelsmissionen

Israelsmissionen led et stort tap da pastor John Resnick der jo var dens superintendent blev kaldt hjem. Denne misjon har valgt pastor C. S. Vang til pastor Resnicks eftermand, og det er vort haab at det maa lykkes den nye superintendent ikke alene at bevare, men at styrke kjærligheten til Israelsmissionen. Pastor Vang har bedt om ti minutter til at tale Israelsmissionens sak, hvilket er ham indrømmet.

Pensionsfondet

Denne for samfundet saa overordentlig vigtige sak er aar efter aar blit skutt tilside. Jaar er denne sak opført paa vort program for fredag eftermiddag for at den kunde faa en nogenlunde rimelig behandling. Det ligger i sakens natur at denne sak baade for vore prester og menigheter er av gjennemgripende betydning. Os vilde det især tiltale at en større komite av lægfolk kunde komme til at staa i spidsen for indsamlingen til pensionsfondet. Det har sine vanskeligheter naar en saadan sak som dog nærmest angaar prestene, skal være lagt væsentlig i prestenes hænder. Andre samfund har været overmaade heldig netop derved at lægmænd har tat sig av pensionsfondet. Vi haaber at dette aars behandling og beslutning maa bli en løftestang for pensionskassen, hvis leder væsentlig har været og er pastor G. Smedal.

Kvindernes Missionsforbund

Det er med tak til Gud og med tak til vore for Herrens sak interesserte kvinder vi lægger et godt ord ind for Kvindernes Missionsforbund. Forbundets præsident, Mrs. J. D. Ylvisaker, likesom distriktspræsidentene har vist utrættelig iver for at faa kvindeforeningene overalt til at slutte sig til det store forbund. Præsidenten har desuten besøkt mange av statenes institutioner for at vække interessen blandt de unge studenter for kirkens sak. Ca. 1,230 kvindeforeninger tilhører nu forbundet og fra 1ste januar 1924 til 1ste januar 1925 har Kvindernes Missionsforbund indsamlet og indsendt den store sum av $102,191.11. Dette viser hvad et sterkt forbund av kvindeforeninger er istand til at utføre i kirkens interesse, og vi kan derfor ikke andet end atter paa det indstændigste opmuntre alle vore kvindeforeninger til at slutte sig til forbundet. Især ber vi vore prester at gjøre hvad de kan for at det kan ske. I de fleste tilfælder vil et ord fra presten visselig føre til det forønskede resultat. Samfundet uttaler sin dyptfølte tak til Kvindernes Missionsforbund, men ogsaa til de kvindeforeninger som ikke tilhører forbundet, for det arbeide de har utført av kjærlighet til kirken og kjærlighet til vor frelser. Onsdag aften tilhører Kvindernes Missionsforbund og vi haaber at se en stor forsamling her i auditoriet.

Ungdomsforbundet (Young People's Luther League)

Vort ungdomsforbund er fra aar til aar blit sterkere og sterkere, saa nu skulde dette forbund tælle: 10 distrikter, 80 kredser, 1,600 foreninger og 85,000 medlemmer og desuten 4,000 i studenterforeninger. For to aar siden bidrog ungdomsforbundet $9,014.14 til Church Extension. Sidste aar bidrog de $5,984.04 til bygning av missionsstationer i Kina, Madagaskar og paa Schreudermissionens mark. Nu samler de til stipendier for college studenter som vil studere teologi. Vi haaber at vort ungdomsforbund mer og mer maa bli en sterk forening og bli en god støtte for samfundet ogsaa finansielt. De gamle falder mere og mere bort og det er de unge som skal ta deres plads, og da har det sin store betydning at de allerede i ungdomsforbundet har lært at yde rikelig til Guds rikes sak. Herren holde sin haand over vort ungdomsforbund.

Sangerforbundet (Choral Union)

Samfundet kan ikke noksom vurdere de bestræbelser som gjøres for at fremme sangen i vore kirker, først og fremst menighetssangen, men dernæst ogsaa korsangen,

hvilket vel fornemmelig sker gjennem vore sangforeninger som igjen har slaat sig sammen til Choral Union. Vort samfund anerkjender med tak til Gud at de i sin midte har mænd med dyp forstaaelse for menighetssangens og korsangens betydning og at disse mænd ofrer saa meget av sin tid for ogsaa gjennem sangen at fremme kirkens vel til Guds ære.

National Lutheran Council

Kirkeraadets beslutning er allerede meddelt. Jeg skal kun tilføie at Augustana synodens formand, dr. Brandelle, er formand for National Lutheran Council og dr. J. A. O. Stub er valgt til sekretær. Councils medlemmer fra vort samfund er foruten mig dr. L. W. Boe og dr. J. A. O. Stub. At vi ogsaa sammen med repræsentanter fra andre lutherske samfund prøver at gjøre hvad der staar i vor magt for at det nødvendige barmhjertighetsarbeide kan bli utført, er vel overflødig at bemerke. Det er vor simple kristenpligt.

Arbeidet for vore lutherske studenter ved forskjellige statsskoler

Hvor saart det trænges at der blir gjort mere for vore lutherske studenter ved forskjellige statsskoler vil fremgaa blandt andet ogsaa derav at vi har bragt i erfaring at ved skoler hvor vi ikke har nogen prest, men et andet luthersk samfund har prest, er det endog blit negtet studenter tilhørende vort samfund at faa nyte Herrens nadver av den grund at de tilhørte Den Norsk Lutherske Kirke i Amerika. Et kraftigere arbeide blandt vore studenter ved statsskolene er absolut paakrævd, da kun en brøkdel av vort samfunds ungdom søker hen til vore egne skoler, men besøker statens skoler. Den glæde med hvilken præsidenten for Kvindernes Missionsforbund blev mottat ved en række av disse skoler er os borgen for at dette arbeide vil bære megen frugt.

Vidnesbyrd likeoverfor ukirkelig handlemaate i et par tilfælder

Der er kommet klage til mig over en viss prest i et andet luthersk samfund fordi han deltok i begravelser under frimureres auspicier. Jeg har da tat saken op med vedkommende samfunds formand og har sendt ham følgende av dr. G. H. Gerberdings pastoral teologi, „The Lutheran Pastor", side 361. Der taler han om hvorledes en prest bør handle i tilfælde han anmodes om at forrette ved en begravelse under de hemmelige selskapers auspicier. Han sier:

"Without doubt or question the minister of Christ can in no wise countenance the false religion of the lodge, nor recognize its right to conduct what has ever been and should ever be a Christian service. Neither dare he compromise the religion of his Lord and of His Bride, the Church, by putting it on an equality with the heathenism of the lodge. He dare not have a union service, divided between himself and the lodge chaplain.

"What then can and should he do?

"First. Let him explain his position gently, kindly, and firmly to the family. Then let either the family or himself explain it to the officers of the lodge, showing that he cannot consistently either recognize or mix with their ceremony. Let him show to both that, if Christian burial or the service of a minister is desired, the church must have the right of way. He cannot say who may come or who may not come to the service. He cannot dictate how those who come are to dress. If the lodge desires to come, togged out in regalia, he must suffer it. But he will utterly ignore their presence, will preach most plainly and earnestly on the only way of salvation, and the only institution founded by Christ for mediating this salvation. He must tell them plainly that no system of morals and of charity, no man-devised system of religion, no human institution, can save lost humanity. All this without attacking or railing at persons, speaking kindly indeed of them and to them, but firmly opposing their false and pernicious principles. When through with the service, preceding the start for the grave, let the minister say that this ends the service at the church or at the house, as the case may be, and that the service will be concluded at the grave. If the lodge with the chaplain go to the grave, let the pastor begin, at once, when the coffin has been lowered, go through with his service, and pronounce the benediction. Then let him withdraw. If now the chaplain has another service, or if half a dozen other services are held, the minister has nothing to do with that, and is not responsible. The church, through him, has done her part, without mixture or connivance."

Saa meget fremgaar klart av disse ord at prof. Gerberding i sin „pastoral theology" ikke vil ha nogen begravelse sammen med de hemmelige selskaper. Hvor altsaa det sker, er det av den enkelte prest som handler mot dette skedd et brud som bør være gjenstand for paatale. Jeg har altsaa prøvet at gjøre hvad jeg i dette tilfælde kunde gjøre for at saadant ikke maatte gjenta sig.

Et oprop til hjælp for de døve i det nordenfjeldske Norge

Denne henvendelse til vor kirke anser jeg det som en pligt at fremlægge da det ikke er en personlig henvendelse til mig, men til vort samfund. Den lyder:

„Til Den Norsk Lutherske Kirke i Amerika, Minneapolis.

„Undertegnede prest for de døve i Trondhjem tillater sig høfligst at be om den ærede kirkes bistand til blandt utvandrede norske kvinder og mænd at faa indsamlet ved offer eller kollekt i kirkene bidrag til opførelse av en ganske liten døvekirke her i Trondhjem.

„Saken er nemlig denne: Siden de døve i Trondhjem i 1920 fik sin egen prest har de set det som en nødvendig opgave at skaffe sig sin egen lille kirke. Og efter hvert aar som er gaat har det gaat mere og mere op for dem at de trænger denne kirke. For menighetslivets trivsels skyld trænger de den først og fremst kanske, stjønt følgende ogsaa har meget at si. Engang imellem faar vi nu laane byens mindste kirke. Men den passer lite til døvegudstjeneste; og da det dertil er en almindelig høimesse for hørende døvepresten overtar og derfor selvfølgelig ogsaa maa tale til disse kan hans præken ikke bli en egte døvepræken. Denne gene falder jo bort naar vi ellers holder til i et større lokale i et av byens gamlehjem. Der kan presten bare tale til de døve, men saa er lokalet alt andet end andagtsvækkende og høitidsstemmende.

„Derfor maa de døve ha sin egen lille kirke bygget under hel hensyntagen til deres døvhet. Dette vil ogsaa bli gjort. Lysforholdene vil bli gode. Bænkene vil ordnes amfiteatralsk. Prækestolen vil bli lav osv. Endelig vil kirken litt efter litt søkes utsmykket saa pragtfuldt som mulig for at skjønhetsindtrykkene om mulig skal opveie for de døve hvad orgelbue og salmesang er for de hørende.

„Denne kirke har det, helt siden indsamlingen til den begyndte, været meningen at faa bygget iaar, 100-aaret efter at Trondhjem (Norges første) døveskole bleb oprettet.

„Og det jeg herved ber om er da om den ærede kirke paa den maate som til at begynde var nævnt vil yde mig bistand med at faa indsamlet bidrag til at faa denne kirke opført iaar.

„Til døvekirken er nu indsamlet ca. kr. 30,000.00 — p. t. ca. 5,000 dollars, men vi trænger endnu ca. kr. 40,000.00 — p. t. ca. 6,500 dollars.

„Jeg føler mig overbevist om at om denne min sak blir lagt frem for de utvandrede norske kvinder og mænd, saa vilde den sum jeg mangler straks indkomme. Mange har sikkert døve venner eller slegtninge, saa de forstaar av hvilken betydning denne sak er for mine døve. Og om de ingen døve kjendinger har, saa tror jeg nok at — naar tankene under eders 100-aars festligheter gaar til hjemlandet — mange vil vise sit hjemland sin kjærlighet ved at hjælpe nogen av dets mindste smaa, mine stakkars døve til at faa sit eget lille gudshus som jeg vet de vil faa kjært og verne om og vil føle sig hjemme i.

„Idet jeg haaber at saken vinder den ærede kirkes sympati tør jeg be om at alle kirkens prester maa bli tilskrevet om én gang i hver av sine kirker at opta offer eller kollekt til ovennævnte sak.

„De pengeutlæg som dette vil føre med sig tør jeg be den ærede kirke at dække av de eventuelt indløpne bidrag.

„Det indkomne samlede bidrag tør jeg haabe at faa mig tilsendt inden 1ste august d. a.

„Kvittering for beløpet skal bli sendt pr. omg. fra mig attestert av Trondhjems politikammer.

„Jeg vedlægger en artikel om denne sak tilsendt alle norske aviser i U. S. A. og Canada samt endel andet.

„Av vedlagte til bedrestillede norske kvinder og mænd utsendte andragende om bidrag til døvekirken vil man se at saken er anbefalt av Nidaros bistop og dom-

prost, presten for Norges døve og Trondhjems døveskoles bestyrer. Gud aapne hjerter for den for mine døve saa bethydningsfulde sak.

Ærbødigst,
Paa vegne av Trondhjems døvemenighet,
Olav Rustad."

Jeg henstiller til samfundet at overgi denne sak til en komite som ogsaa vil faa andre dokumenter vedrørende den samme sak.

Vort forhold til andre lutherske samfund

Jeg har ved flere anledninger nævnt at vort samfund staar i broderlig forhold til Augustanasynoden, Den Forenede Dansk Lutherske Synode, Den Islandske Synode, Ohiosynoden og Iowasynoden. Den nuværende præsident for Ohiosynoden, C. C. Hein skriver:

"I hope that we will succeed in establishing pulpit and altar fellowship between The Norwegian Lutheran Church of America and the Joint Synod of Ohio."

Gamle dr. Richter av Iowasynoden skriver:

"May God grant The Norwegian Lutheran Church a very blessed convention to the honor of His Name and the salvation of many souls."

Dr. Brandelle skriver:

"The Executive Committee of the Augustana Synod will be busy on the 8th of June with the preparation of matters that are to go before the meeting of the Synod, but I am sure it will be glad to permit me to absent myself for the time being and bring you and your synod a greeting from the Augustana Synod. Indeed if it is at all possible I am sure the entire committee will be glad to attend these festivities."

Præsident G. B. Christiansen av Den Forenede Dansk Lutherske Kirke skriver:

"You Norwegian people came over to this country with a splendid inheritance or treasure, and God has blessed you wonderfully. The facts speak loud about you both as a people and as a church. May the gathering be to the glory of God and a blessing to your people."

K. K. Olusson, formand for Den Islandske Lutherske Synode, skriver:

"I hope to be able to be at your meeting and bring greetings from the Icelandic Synod. We certainly appreciate the fraternal spirit that you have always shown towards our little synod, and we hope that co-operation may continue between the two bodies."

Biskop Lunde

Det er Den Norsk Lutherske Kirke en glæde og en ære iaar at ha besøk av Oslo biskop, Johan Lunde. Indbudt av vort samfund kommer han som repræsentant for den norske kirke for at bringe hilsen til vor kirke her. Han har allerede besøkt vort teologiske seminar og talt der, likeledes besøkt Luther College og talt der og tat del i St. Olaf Colleges femtiaarsfest, og nu vil han gjennem tre maaneder avlægge besøk i en række av vore menigheter. Biskop Lunde er en skattet ven av vort samfund og vi byr ham hjertelig velkommen til os, forvisset om at hans besøk vil bli til megen velsignelse for vort samfund og dets menigheter. Førstkommende søndag, da samfundsmøtet har sin avslutningsfest, forbundet med ordination, vil vor kjære ven biskop Lunde holde høimesseprækenen. Vort samfund vil visselig fatte beslutninger med hensyn til biskop Lundes besøk og vor hilsen til Norges kirke.

Vort ekstraordinære fællesmøte tar altsaa nu sin begyndelse. Mange vigtige saker kræver vor behandling og vor avgjørelse. Tiden er knap; vi har kun 5 dage. Det kunde ikke ordnes anderledes naar vi skulde ta hensyn baade til femtiaarsfesten ved St. Olaf og til hundreaarsfesten senere. Men med Guds hjælp haaber jeg at vi skal faa utrettet alt væsentlig av det som er gjenstand for dette møtes behandling. At baade prækener og indberetning blir paa norsk iaar kommer derav at vi jo feirer hundreaarsfest og da høver det sig at vi væsentlig bruker det norske sprog likesom vi i 1923 væsentlig brukte det engelske sprog. Vi lægger saa dette vort møte med alt det bærer i sig i vor trofaste Faders haand med bøn om hans velsignelse.

Saa tilslut hvad der berører mig dypt personlig. Ved vort uforglemmelige foreningsmøte i 1917 blev jeg valgt til formand for Den Norsk Lutherske Kirke. Det var visselig et æreshverv, men ogsaa en stilling forbundet med krav paa alvorlig, mangesidig arbeide, under stort ansvar for Gud og menneskr. I tillid til ham som for min dyrebare Frelsers skyld hadde været min barndoms og min manddoms Gud tok jeg imot valget og jeg tror jeg tør si at Herren var med samfundet og med mig som samfundets tjener. Da min termin var ute i 1923 blev jeg gjenvalgt av samfundet. Jeg syntes ikke jeg kunde negte at ta imot gjenvalg da saa mange av de tre tidligere samfund opfordret mig dertil. Med tak for samfundets tillid og i fortrøstning til Gud tok jeg imot gjenvalg som samfundets formand for 6 aar. Men jeg uttalte samtidig at jeg tok imot gjenvalg paa den betingelse at jeg forbeholdt mig retten til at resignere naarsomhelst jeg maatte finde at mine mentale eller fysiske kræfter ikke vilde strække til for utførelsen av det store ansvarsfulde arbeide. Jeg mente fuldt ut hvad jeg den gang sa. I juni maaned ifjor blev jeg syk, var vel en 11 uker paa hospitalet og gjennemgik to vanskelige operationer av samme art som de i 1916. Efter min hjemkomst fra hospitalet var jeg i lang tid, sandsynligvis som eftervirkninger av operationene, noksaa daarlig og plagedes av søvnløshet. Jeg ansaa dette som et vink om at jeg iaar vel burde avslutte min formandsvirksomhet, da jeg ikke kunde bære den tanke at jeg skulde staa i en stilling i hvilken jeg ikke kunde gjøre fyldest for de krav som med nogenlunde rimelighet kunde stilles til mig som formand. Jeg erklærte for nogen av mine venner at jeg syntes jeg burde resignere. Likeledes underrettet jeg for længere tid siden prof. Aasgaard, samfundets viceformand, om at det var min bestemmelse at resignere da jeg ikke trodde at jeg vilde bli istand til at utføre mine embedsfunktioner. Derfor indrækker jeg hermed min resignation som samfundets formand til samfundets aarsmøte. Jeg har elsket Den Norsk Lutherske Kirke, og hvorvel jeg er mig vel bevisst at jeg ikke har magtet at vareta samfundets interesser paa alle hold saaledes som jeg burde og som man hadde ret til at vente, saa tør jeg dog bevidne at samfundets vel har staat over alle personlige interesser og at jeg intet høiere ønske har end at Den Norsk Lutherske Kirke maa vedbli at være tro mot vor lutherske kirkes tro og lære, tro mot vor Gud og den Herre Jesus Kristus. Gud velsigne Den Norsk Lutherske Kirke i Amerika!

Eders i Herren,

H. G. Stub.

By General Secretary and Statistician

To the Norwegian Lutheran Church of America:

It is the privilege of your servant to submit his eighth report as General Secretary and his third report as Statistican for the Norwegian Lutheran Church of America.

1. As General Secretary.

In 1923 the Convention passed a resolution authorizing the appointment of a committee to formulate resolutions in regard to the minutes of the church. (Annual Report 1923, English Edition, page 117, par. 22; Norwegian Edition, page 109, par. 22.)

The President appointed the following as members of this committee: Vice-President, J. A. Aasgaard; District President, I. T. Aastad, and the General Secretary.

The committee met at Moorhead, Minnesota, February 25, 1925, and after due deliberation drew up the resolutions which are joined with this report as Addenda No. 1.

The late appearance of the Annual Report has been a cause of much grief to the General Secretary. The public is disposed to place all the blame on him. The General Secretary has chosen to bear the criticism without complaint. Without attempting to distribute the blame for past failures, he takes this opportunity of stating that he should by no means bear the whole blame.

Under the report as Statistician reference is made to the progress of the work this year. For this achievement the General Secretary desires to thank all those who have come to his aid by submitting their reports in February and March in the place of May and June as in former years. The Secretary hopes this year to have the Annual Report ready for distribution from the Publishing House not later than the first week of July.

The fact which has been most helpful in making this a reasonable prospect is the change of fiscal year. With the change of fiscal year all statistics, vital and financial, cover the preceding calendar year. The time factor has been of great help to the Secretary and Statistician.

The General Secretary desires to place before the Convention for its consideration the suggestion that the church should hold its bi-ennial general convention in January or February rather than in June. There are many reasons why this season would be preferable. We have no constitutional provisions for date of conventions, but are bound by practice. A change of season can properly be made only upon the authorization of the church.

It was my privilege to serve as secretary for the Hauge Norwegian Evangelical Lutheran Synod from 1898 to 1917. In 1917 the Norwegian Lutheran Church of America honored me with the position as its General Secretary. It was no easy task to begin the work of organizing and unifying the records and statistics for the new body. The Secretary desires to express his appreciation of the kind forbearance which the Church has shown him and for the encouragements that he has received both from the Church as a whole and from a vast number of individuals within the church, both laymen and clergy.

For eight years he has done this ever increasing work under unfavorable conditions which have made the work strenuous because it had to be done during a busy pastor's spare moments. The present incumbent of this office has resigned from his parish and will, as long as he continues to hold the office as General Secretary and Statistician, give to the Norwegian Lutheran Church half of his own time, including Sundays, and half of the time of his private secretary.

In 1923 Committee Number One recommended that a committee of three be provided to make translation of all official documents. (Report for 1923, English edition, page 117:23; Norwegian edition, page 109:23.)

The Board of Trustees appointed the late Editor P. Tangjerd, Attorney L. O. Rue and the General Secretary as members of this committee.

The General Secretary had already made translation of all the documents. Copies of this translation were given to the two other members. Tangjerd had finished his work of comparing the translation with the original before he died; but the Committee had not met. The Board of Trustees has appointed pastor Sigurd Olson to succeed Tangjerd. The committee has had one meeting, but is not ready to report.

2. As Statistician.

The convention in 1922 added to the duties of the General Secretary the duties of Statistician. The resolution stipulates that as Statistician of the church he "shall collect and compile the statistics" for the church. (Annual Report, 1922, English edition, page 141:37; Norwegian edition, page 130:37). Formerly the nine District Secretaries had collected and compiled the statistics for their respective districts. All that the General Secretary did with the statistics from 1918 to 1922 was to compile the totals submitted for the nine districts. The General Secretary as Statistician has compiled the statistics which were published in 1923 and 1924. These statistics cover the years 1922 and 1923, respectively.

The Statistical Summary for the year 1924 is added to this report as Addenda No. 2. Permit me to call your attention to the last page of rubrics where are given a carefully worked out interpretations of the statistical data supplied on the other pages. From the statistical material I desire to present for your information the following facts bearing upon membership, the language problem and finances.

A. Membership.

a. It gives 3140 congregations with a total of 496,095 souls. This is an increase over last year of 12,702 souls. The confirmed membership is 299,213 of which 153,032 are listed as male and 146,181 as female. The Norwegian Lutheran Church of America is not a "Women's church," about which we hear so much, especially from reformed churches. Our statistics show that men are still in the majority. However, in many congregations arises the question: Where are the men when the congregation is gathered for worship?

b. Eight hundred and eighty three (883) congregations report 51,835 souls as associate members. If on the basis of the (about) one-fourth congregations that have reported we estimate the number for the rest we get an associate membership of 207,340.

This membership might also be indicated by baptism of non-members' children. Of the 30,518 infants baptized, 6,867 are children of non-members or approximately 1-5. One-fifth of 496,095 gives a possible membership of 99,219 souls. The first estimate may be too large, as the latter is too small. We shall take as our estimate the mean which is 153,279.

c. Norwegian Lutherans.

Regular members	496,095 Souls

We have on hand quite a number of reports for 1924 which reached us too late to be included in the totals for this year. Last years reports were used and these laid aside to be used next year, if those pastors fail to report promptly.

This year we have been successful in compiling the statistics for all the districts and to have all the statistical material set into types ready for the press room. This includes the report from the treasurer, Mr. Waldeland, and the parochial reports by counties and districts by the Statistician. In order to do this we have for pastors who followed the tradition of reporting late, been obliged to use reports from previous years. These reports are in the official roster of congregations indicated by an Arabic numeral following the name of the pastor. Interpret the Arabic numeral as follows: (2) indicates that we are using a report used once before; (3) indicates that we are using a report used twice before, etc.

This year we have put forth special efforts to produce an absolutely reliable list of all congregations that are members of the Corporation, The Norwegian Lutheran Church of America. It is our hope that we shall be able to report to the next Annual meeting that this work is completed.

Respectfully submitted,
N. J. LØHRE.
General Secretary and Statistician.

Mayville, N. D., May 15, 1925.

Addenda No. 1

SECRETARY'S REPORT FOR THE NORWEGIAN LUTHERAN CHURCH OF AMERICA

The committee which was appointed by President H. G. Stub in conformity with the resolution passed at the 1923 convention for the purpose of making suggestions in regard to the official journal and business procedure begs to submit the following report to the Third Extraordinary General Convention of the Norwegian Lutheran Church of America.

1. The Committee recommends that the Norwegian Lutheran Church of America rescinds the following action taken by the district meetings in 1923: "Condensed reports of the general and district conventions shall be published in both languages." (English Report, 1923, page 110:12 d).

The committee suggests that a committee for the purpose which brought the present committee together, be continued.

The committee further recommends that the annual report be published with its contents arranged as follows:

A.—Membership and Journal

1. Convention Sermon (if the convention decides that it shall be printed.)
2. Membership of convention grouped under districts. The session when member arrived and the last session at which he was present to be published in connection with each member's name.
3. The Journal, with an appendix giving all unfinished business.
4. A brief summary of the budget and a statement of deficits and surplus in each department from the year 1917 up to and including the last fiscal year.

B.—Church Departments

The material for each of the nine departments to be grouped according to the system inaugurated by the General Secretary, which is as follows:

a. Officers, Boards and Committees.
b. Report from officers and boards, with their respective appendices.
c. Report from the convention committee on the reports of this department.

Following each report shall be given the record from the journal which shows what has been done with each individual motion.

d. Exhibits for each department.
   1. Institutions.
   2. Statistics.
   3. Financial Summary.

C.—District Affairs

The Districts to be arranged according to the official order. Following the report of the president shall be printed the journal, which contains in its proper place the report from the various committees.

The Canada District, which is a corporation under the name of "The Norwegian Lutheran Church of Canada," shall have its protocol arranged somewhat along the same order as the protocol of the Norwegian Lutheran Church of America.

II. In regard to business procedure the committee passed the following resolutions:

It shall be the rule of the convention that the Secretary's minutes shall be read and approved at the close of each session so as to give the convention an opportunity of accepting or changing the minutes while the proceeding is still fresh in memory.

The General Secretary be authorized to prepare and publish a daily bulletin at the annual convention.

The Secretary shall distribute blanks at the end of the convention so as to secure an exact checking of members who take part in the last session. The record shall be published in connection with the official membership list.

ERIK WALDELAND, Treasurer.

Fra formanden for Østre distrikt

I Faderens, Sønnens og den Helligaands navn.

Kjære brødre i Herren, Guds naade og fred!

Atter er det mig forundt at gi en aarlig oversigt over arbeidet og over stillingen i Østre distrikt. Herrens ord i den 115de salme vil jeg minde om. Der sier salmisten: „Ikke os, Herre, ikke os, men dit navn gi du ære for din miskundhets, for din trofasthets skyld!"

Det er den miskundelige og trofaste Gud som alene skal ha ære og pris for de mange og store velsignelser vi nyter til gavn og bedste for Guds rikes sak blandt os. Det er ikke os, det er ikke noget menneske som skal æres derfor, nei, ti os tilkommer kun vort ansigts blusel. Dan. 9, 8.

Der er saa meget vi har at takke for; ti hvad har du som du ikke har annammet; men dersom du har annammet det, hvi roser du dig da som om du ikke hadde annammet det? 1 Kor. 4, 7. Men først og bedst av alt er dog dette at hans hellige og salige ord lyder blandt os og at hans høiværdige sakramenter forvaltes rettelig for os. Ti formedelst disse naadens midler bor han blandt os og er han at finde av os som naadens Gud, som frelsens fyrste og som sandhetens talsmand. Ved disse naadens midler baade begynder og fuldkommer han sin gode gjerning i os. Han kalder, forsamler, oplyser, helliggjør og opholder i den sande og eneste tro til Kristus indtil enden.

Og dernæst dette at han, den miskundelige og trofaste Gud, har oprettet ordets embede blandt os og git os hyrder og lærere til de helliges fuldkomne beredelse, til tjenestens gjerning, til Kristi legemes opbyggelse, saa vi, sandheten tro i kjærlighet, i alle maater kan opvokse til ham som er hodet, til Kristus, av hvem det hele legeme blir sammenføiet og forenet ved al den forbindelse indbyrdes hjælp gir i forhold til ethvert lems tilmaalte virksomhet og vokser legemets vekst til sin opbyggelse i kjærlighet. Ef. 4. Hvor stort og hvor ubegripelig vigtig for tid og evighet er ikke dette for os. Ti uten ordet og uten daaben og nadveren, hvad var vi da og hvad hadde vi da til hjælp og til trøst i livets nød og i dødens bitre stund? Vi vilde være i mørke og fortvilelse og der vilde ingen redning være! Og hvor vist og fast er ikke Herrens ord! Om himmel og jord forgaar, saa varer det evindelig. Netop fordi det er Herrens ord, er det et tilforlatelig ord som ikke kan feile. Herrens lov er fuldkommen, den vederkvæger sjælen. Herrens vidnesbyrd er trofast, dt gjør den enfoldige vis. Salme 19, 8.

Endnu en ting maa nævnes hvorfor vi av hjertet maa takke og prise Gud. Det er dette, at vi har beholdt uforkortet og uforvanskt den største og vigtigste av alle sandheter i Guds ord, at en synder blir retfærdiggjort og salig av naade alene ved troen paa den Herre Kristus. Gud være tak, i vore kirker og i vore skoler, de høiere saavelsom de lavere, blir denne sandhet fuldtonende forkyndt. Og det er den artikel hvorved „kirken staar og falder."

Nu vel, gir vi da ogsaa Gud den rette tak og ære for disse og for mange andre velsignelser hvormed han har kommet os i hu fremfor saa mange andre? Ærer og takker vi Gud fordi han i naade har samlet os til en menighet hvor ordet forkyndes rent og purt og sakramentene forvaltes rettelig? Ærer og takker vi ham, den trofaste Gud som har bevart vort samfund i sandhetens erkjendelse og dens forkyndelse og utbredelse baade herhjemme og ute blandt hedningene? Er det os kjært og umistelig at faa være blandt Herrens folk og arbeide for sjælens frelse? Visselig, da har du ogsaa for dette at gi Herren, den miskundelige og trofaste Gud, ære og tak; ti du har ikke dette av dig selv, men av hans naade. Han er den som virker i dig baade at ville og at utrette. Ef. 2, 13.

Men det vil vi villig erkjende at Gud faar ikke den ære og tak av os som ham tilkommer. Og her er vor fælles store synd, vor hovedsynd, eller som profeten sier: vort ansigts blusel. Herren sier ogsaa til os ved profeten Malakias 1, 6: En søn ærer sin fader og en tjener sin herre; er jeg fader, hvor er da min ære, og er jeg herre, hvor er da min frygt?

Vi maa bekjende at der er saa megen forsømmelse av og foragt for Guds ord, saa megen ringeagt for Guds menighet, saa liten hunger og tørst efter retfærdighet,

saa liten bøn og lovprisning, saa megen verdslighet, vantro og vanekristendom, saa liten broderkjærlighet, saa liten opofrelse. Ak hvor blir vi ikke bange og forsagt naar vi tænker paa alt dette som vidner imot os og hvorved Guds navn blir vanhelliget og vanæret.

Hvad er da at gjøre, hvorledes kan det bli bedre blandt os?

Det er Herrens ord, det tveeggede sverd, den knusende hammer, den fortærende ild som her er eneste hjælp. Den Helligaand maa bane sig vei til hjertene og overbevise om synd, om retfærdighet og om dom. Han er det som maa vække de sovende og de døde, han er det som maa styrke de svake og de vaklende, han er det som maa begynde, fortsætte og fuldende sin gode gjerning blandt os. Bare vi ikke hindrer ham og saaledes forskylde vor forkastelse og vor dom!

Maatte vi si med sangeren:

Jeg vil i al mit lives gang
din miskundhet kundgjøre
at man min pris og frydesang
skal allevegne høre.
Mit liv og sjæl opmuntre dig
og alle kræfter fryde sig
at give Herren ære!

I de 54 menigheter hvor visitas har været avholdt, har jeg i det hele fundet tilstanden god, i somme meget god. Tildels har der været klaget over forsømmelse av kirkegang og altergang. Tildels har der ogsaa været rivninger og vanskeligheter av forskjellig art, mere end nogensinde før. Men i de fleste av disse menigheter har der været mange glædelige ting at høre om forholdet mellem medlemmene indbyrdes og om forholdet mellem prest og menigheter. Interessen for barnenes kristelige undervisning i søndagsskolen og i dagskolen har vokset og det er vistnok, for en del ialfald, en frugt av „the institutes" som komiteen for „The Elementary Christian Education" har besørget avholdt rundt omkring i de forskjellige kredser

Men endnu gives der menigheter som ingen søndagsskole har, heller ikke nogen anden religionsskole og hvor prestens konfirmationsforberedelse utgjør eneste kristelige undervisning for barnene. Ved visitasene har jeg søkt at fremholde det store ansvar som baade prester og menigheter har for barnenes fremtid og deres forhold til kirken og formanet dem til at ta fat paa menighetsmæssig undervisning for barnene.

Paa flere steder i vort distrikt er der endnu prestekald som burde deles. Trods prestens bedste vilje og trods hans anstrengelse er det umulig for ham at gi et kald bestaaende av flere menigheter den betjening som nødvendigvis kræves til kristelig fremgang og opbyggelse i Herren. Det er vel maaske helst hensyn til de forøkede utgifter som hittil har staat i veien for saadanne kaldsdelinger. Men ellers har menighetene som regel lært at yde meget mer end tidligere baade til deres egne anliggender saavelsom til samfundets gjøremaal og missionssansen, det maa jeg si med tak til Gud, har i merkelig grad vokset.

Indremissionen

Indremissionskomiteen og da især eksekutivkomiteen, har hat mange møter for at raadslaa og ordne med arbeidet. Og vi maa med tak til Gud berette at vi har gjort adskillig fremgang i det forløpne aar. Flere nye arbeidere er blit ansat. De 3 menigheter, So. Chicago. West Pulman, Ill., og Gary, Indiana, som før utgjorde ett prestekald, har faat hver sin bosiddende prest. Ti det stadfæster al erfaring at dersom en menighet i en større by skal være blot et anneks og betjenes kun nu og da, blir der ingen tilvekst eller fremgang. Der maa være fast, regelmæssig betjening og presten maa være bosat paa stedet.

Av andre nye steder har vi Faith Luth. Church, Chicago, stiftet og betjent av past. William A. Turnquist. Han blev ordinert av mig efter at missionskomiteen og en anden speciel komite av vore prester i Chicago hadde hat colloquium med ham. Pastor Turnquist ansøker nu om optagelse i vort samfund; likesaa ogsaa hans menighet. Vi byr dem velkommen og ønsker dem Guds rike velsignelse blandt os.

Vor indremission har ogsaa dette aar følt sig hemmet og hindret ved samfundets finansielle vanskeligheter, og hadde vi hat de nødvendige midler kunde meget mer været utrettet. Men vi maatte jo paa alle omraader reducere og indskrænke. Vort budget for 1923 var $31,243.60, og for 1924 blev det reducert med $5,293.60. Altsaa har vi for indeværende aar $25,950.00.

Følgende menigheter har derfor maattet opgi sin støtte fra missionen og er blit selvhjulpet:

Norfolk, Va., der nu betjenes sammen med past. J. J. Maakestads kald.
Greenpoint, N. Y., past. P. A. Kittilsbys kald.
Durand, Ill., past. E. A. Baalsons kald.
Immanuel, Milwaukee, for tiden vakant, før betjent av pastor B. C. Qually.
Kenosha, Wis., før betjent av past. A. Green, nu av past. A. M. Rusten.
Our Saviors Lutheran, Chicago, past. J. E. Thorsons kald.

Desuten har mange av missionsmenighetene maattet opgi en større eller mindre del av den understøttelse de i længere eller kortere tid har hat fra missionen. Men saavidt vites har de været istand til at lægge paa prestelønnen saa meget som missionen har tat fra, hvilket er glædelig. Det som trods alle reduktioner har bevirket at vort budget for i aar allikevel er $25,950.60, er de mange store bidrag som maa ydes til nye og smaa menigheter i de store byer: Chicago, Worcester, Providence, Staten Island, N. Y., Gary, Ind. — Bare til Chicago gaar der $10,550.00. Og vi skulde blot ønske at vi kunde bruke flere penger for missionsarbeide i de store byer; ti der har vi den vigtigste og den største missionsmark, og forsømmer vi den, da er vi utro mot vort missionskald. Vi har endnu ikke kunnet ansætter en „field missionary" i Chicago; men indtil det kan gjøres, vil vi benytte en menighetsføster. Til „field missionary" i New York er kaldt past. Chas. Crouch, som nu ansøker om optagelse i vort samfund.

Siden foreningen i 1917 er der i det hele 28 menigheter som før hadde understøttelse av missionen, og som nu er blit selvhjulpne. I samme tidsrum er der 11 nye steder som vi understøtter iaar.

Maatte Kristi kjærlighet faa mer magt over os, saa at vi kunde av den tvinges

til at be mere og arbeide mere for missionens hellige sak, baade den indre mission og hedningemissionen. Ti det ene skal gjøres og det andet ikke forsømmes.

Hvor mange steder er der ikke, særlig i de store byen, hvor vi er kommet vore lutherske landsmænd for sent til undsætning, hvor marken er blit optat av sektene og andre samfund.

Og nu er det ikke mere blot vore egne landsmænd vi skal anta os; men for at kunne gjøre dette paa mange steder, maa vi missionere blandt alle folkeslag.

Com. No. 6: A. H. Dahl, Kenosha, Wis., continues.

The Secretary was authorized to cast the ballot of the convention for District President J. Nordby as District President for six years.

Del. F. L. Trønsdal made a motion which was seconded:

"Besluttet at dersom Den Norsk Lutherske Kirke i Amerika forandrer sine bestemmelser med hensyn til distriktsformændenes hverv og funktionstid, saa skal Østre distrikts formand finde sig i disse forandringer.

F. L. Trønsdal."

Past. Aaberg mente at formand Nordby vilde rette sig efter samfundets og distriktets ønske i anledning formandsembedet og ikke være til hinder for senere forandring, derfor foreslog han at Trønsdals forslag lægges paa bordet.

Antat.

I anledning F. L. Trønsdals forslag med hensyn til distriktsformændenes hverv og funktionstid erklærte formand Nordby at han vilde rette sig efter beslutninger som vort samfund eller distrikt med hensyn til denne sak maatte bestemme. Han sa han vilde trække sig tilbake og tratræde sit embede endog dette aar om det saa ønskedes. Naarsomhelst distriktet antar en anden ordning vil jeg trække mig tilbake."

Election of Vice President.

Besluttet at prøveavstemning foretas og at sekretæren kaster forsamlingens stemme for den som faar de fleste stemmer.

Harrisville fik 109 stemmer.

Fra formanden for Nordre Minnesota distrikt

Kjære brødre i Herren! Naade og fred!

Atter lar Gud os komme sammen til distriktsmøte. Det er med tak i vore hjerter til den treenige Gud, vi er samlet. Hans er æren for alt!

I det svundne aar har han rikelig velsignet os paa mange maater. Han har latt sit ord forkynde uforfalsket og sakramentene forvaltet efter sin indstiftelse iblandt os til vore sjæles omvendelse, trøst og styrke. For indbyrdes strid har han i det store og hele bevaret os. Han har git kraft og visdom i gjerningen. Trods vor skrøpelighet har vi kunnet glæde os ved at eie „Aandens enhet i fredens baand."

Med alle vore førelser har Gud en hensigt. Vi læser i Ap. gj. 9, 31, da menigheten hadde fred over hele Judæa og Galilæa og Samaria, at „den opbyggedes og vandret i Herrens frygt og voksde ved den Helligaands hjælp." At vi maa bli mere lik den første kristne menighet, er Herrens hensigt med os.

Apostlene og de første kristne hadde prædet evangeliet om den korsfæstede og gjenopstandne frelser i hele Jødeland. Der var dannet kristne menigheter i Judæa, Samaria og Galilæa. Men den store masse av folket forhærdet sine hjerter. Tiden kom derfor nær, at evangeliet skulde prækes for hedningene. Da gav Gud den første menighet en kort tid ydre ro. Saulus var av Herren overvunden. Den blodige forfølgelse ophørte. Denne ydre ro skulde benyttes til indre vekst og styrke, forat menigheten mere beredt og rustet kunde gaa ut og gjøre alle folk til hans disciple. Ved Guds naade blev denne tid ret benyttet. Mens lignende ydre ro i senere tider i kirkens historie blev ved egen skyld til skade, saa var denne en rikt velsignet tid. La os ta advarsel.

Har vi arbeidsro, saa la den benyttes til at „opbygges og vandre i Herrens frygt og vokse ved den Helligaands hjælp."

„Menigheten opbyggedes." Menigheten var grundet paa Kristus sin frelser. „Hovedhjørnestenen er Kristus selv, i hvem hver bygning føies sammen og vokser til et hellig tempel i Herren." Til kirken, til menigheten hører alle som tror paa Kristus og har antat ham som sin frelser.

I sin tro opbygges menigheten. Den benytter fredens tid til at bli mere befæstet og styrket i sin tro og dermed ogsaa i kjærligheten. Saaledes voksde den første menighet i det indre og vandt mere og mere sin sande skikkelse ogsaa i det ydre. Den blev mere og mere klar i erkjendelsen av Guds saliggjørende lære, stedse sterkere i troen og mere brændende i sin kjærlighet til sin frelser og til hans rike paa jorden. I tro og kjærlighet voksde lemmene sammen til ett legeme, hvis hoved er Kristus.

Er det slik iblandt os? Ogsaa vi har hat fred — ydre fred — i flere aar. Benytter vi vor anledning? Kan det ogsaa sies om os, at vi opbygges, at de enkelte lemmer vokser i erkjendelse av sandhetens ord, i tro og kjærlighet til vor frelser, at menigheten vokser til et hellig tempel i Herren, dygtiggjort til al god gjerning? Eller blir vi efterladne, likegyldige, kolde i vor tro og kjærlighet? Derhen vil djævelen føre os.

Ret opbygges menigheten, naar naademidlene brukes flittig og ret. De første kristne „holdt fast ved apostlenes lære og ved samfundet, ved brødsbrydelsen og ved bønnene." Det var ikke ved kunstige, menneskelige tilstelninger, den første menighet voksde. Ganske rikelig er Guds ord forkyndt og sakramentene forvaltet iblandt os. Benytter vi anledningen? Kjender vi vor besøkelsestid? Har Guds ord faat trænge ind i vore hjerter og virket hvad Gud sender det til? Da og alene da opbygges vi.

„Og vandret i Herrens frygt," heter det videre. De kristne kjendte man paa deres vandel. De skikket sig ikke like med denne verden. Saa skulde det være til alle tider. Naar menigheten opbygges stempler det dens liv. Vi maa stille os ut fra verden og dens ugudelige liv ogsaa da, naar den slutter sig sammen i selskaper under masken av at ville staa hinanden bi og vise brodertjærlighet; men fornegter Kristus. Sande kristne, ældre og yngre, retter sit liv efter Guds vilje i deres arbeide og i deres selskabelige liv. De ved altid, at Herren er nær. De „vandrer i Herrens frygt."

„Og voksde ved den Helligaands hjælp." Menigheten voksde i ydre og indre

henseende. Den „Helligaands hjælp" gav velsten. De som trodde lagdes til menigheten. Ved Guds ords rette brut i hjem og tirte vil den Helligaand straffe, formane og veilede, trøste og styrke. Den der erfarer velsignelsen i sit eget liv drives av Kristi kjærlighet til at bringe ordet til andre. Her ligger vort samfunds opgave. Den er stor; men drivkraften er større. Gud gi os vilje baaret av tro og kjærlighet til at la os brukes. Han gi at vi maa løse vor opgave bedre og bedre eftersom aarene gaar.

Indremissionen

Indremissionskomiteen har i det forløbne aar hat flere møter. Den har nøie overveiet hvert missionskalds tilstand baade med hensyn til arbeide utført, fremtidsutsigter og bidrag fra samfundet. Komiteen har følt det saart, at den ikke har været istand til at opta arbeidet paa flere nye steder og kunnet danne flere nye kald. Der er store muligheter for arbeidets utvidelse inden distriktet.

Distriktet fattet ved sidste aarsmøte følgende beslutning: „Distriktets formand og missionskomite tilraades at anvende saameget som mulig av sin tid til at besøke alle missionskald inden distriktet og forsøke at faa hvert kald til at forøke sine bidrag til sine presters underhold med mindst $200.00 aarlig. Og endvidere søke at faa istand ordninger som kunde hjælpe menigheter eller kald til at bli selvhjulpne." Dette opdrag har komiteen og formanden efter bedste evne efterkommet. At der er kald hvor et forøket bidrag paa $200.00 er mulig vil enhver kunne indse.

Paa samme tid vil enhver indremissionspræst og missionsmenighet maatte indse, at samfundet ikke kan eller vil vedbli at underholde bosittende præst paa steder, hvor vi ikke sporer rimelig fremgang i forøket understøttelse til ophold av præst og kirke. Dette er nu sagt forat præst og menighet i paakommende tilfælde ikke skal

bli overrasket om missionskomiteen ved sit aarsmøte gjør forandringer paa saadanne steder.

Følgende presters kald har forøket sine bidrag til sine presters underhold med de her anførte summer: A. O. Bjørgans kald $265.00. E. A Hendersons kald $200.00. M. P. Trelstads kald $300.00. A. K. Vinjes kald $95.00. A. B. Swans kald $375. A. O. Waages kald $310.00. R. O. Evans kald $200.00. L. J. Jerdees kald $300.00. H. W. Sorensons kald $335.00. D. G. Jacobsons kald $250.00. A. Stortroens kald $250.00. M. B. Urdahls kald $200.00. J. K. Kroghs kald $60.00. M. S. Gjerdes kald $275.00. V. O. Maters kald $80.00. Ove M. B. Ursins kald $200.00. A. B. Berghs kald $300.00. Glyndon kaldet (vankant) $55.00. H. Magelssens kald $75.00. J. J. Fadums kald $75.00. H. Farseths kald $200.00.

Et nyt kald er dannet av Proctor, Floodwood, Canyon og Culver. Det blir selvopholdende, idet Floodwood forøket $150.00, Proctor $450.00 og Canyon $25.00.

Et nyt kald er ogsaa dannet av Glyndon, Sion og Downer.

Pastor Quammen sammen med mig besøkte missionskaldene i Bemidji kreds. Pastor Jacobson besøkte pastor Herstads kald og sammen med mig Floodwood. Pastor Skogerboe besøkte sammen med mig Greenbush.

Broderheim menighet

Ifølge distriktets paalæg besøkte jeg Broderheim menighet for at høre om den fremdeles holder fast paa sin uttrædelseserklæring. Den holder ikke længer fast paa den.

Sammenslutning av menigheter

Moland og St. Olaf menigheter, Greenbush, Minn., har forenet sig til en menighet under navnet Bethel ev. luth. menighet.

Valg

Der er iaar valg paa følgende embedsmænd: Vice-formand, sekretær; to medlemmer paa indremissionskomiteen; et medlem paa komiteen for Christian Elementary Education. Alle paa 3 aar. Finanssekretær for distriktet paa et aar. Medlem paa komite nr. 6.

Kredsmøter

I aarets løp har der været holdt flere møter i hver kreds. Foruten de regulære kredsmøter har der været holdt missionsmøter og samtalemøter Deltagelsen har været god. Desuten har der i sidste aar været holdt Teacher's Institutes i næsten alle kredse for at fremme søndagsskolearbeidet iblandt os. Med tak til Gud kan vi meddele, at der er en stadig voksende interesse for denne saa vigtige gjerning iblandt os. I mange av vore bumenigheter gis der ogsaa undervisning i kristendom i forbindelse med Common skolen, saaledes som statens love gir anledning til.

Tilslut la os takke Gud for hans uutsigelige naade og barmhjertighet imot os. La os takke ham for, at han har git os plads i vingaarden og be om mere iver, mere troskap, mere selvfornegtende utholdenhet i arbeidet.

Eders i Herren ringe medtjener,

J. T. Aastad.

By President of the Southern Minnesota District

Dear co-laborers in the Lord:

Grace and peace.

Good and upright is the Lord; therefore will He teach sinners in the way.

The meek will He guide in judgment; and the meek will He teach His way.

All the paths of the Lord are mercy and truth unto such as keep His covenant and His testimonies. Ps. 25:8-10.

To a candid observer of the activities of the church, a divine and a human element becomes manifest.

Pertaining to the divine, we can always exclaim with the Psalmist: "Good and upright is the Lord. His works are always perfect."

Concerning the human element, we notice the opposite; men are sinners. Everything that men do is imperfect and marked by the doleful consequences of sin.

Because of the presence of the human and the divine elements in the activities of the church, a double result is noticeable: That is the fruit of the working of the Spirit of God and the fruit of sin in man.

The fact that God is good and upright, and that He teaches sinners in the way, and guides the meek in judgment, has been fully manifested upon us as a church during the past year.

All the paths of the Lord are mercy and truth unto such as keep His covenant and His testimonies.

For all His benefits, we join in sincere thanks and adoration.

Considering the human feature of the church's activities, we are impressed with numerous shortcomings and sins.

From that point of view, we have reason for sorrow and deep regret. It can not be denied that the church of today is suffering on account of a general impression of worldliness, which leaves a stiffening influence upon church life.

Honest pastors and true Christians in general admit that this chilling current is keenly felt upon their spiritual life. It is time for every true child of God to take the Master's admonition to heart: "Watch and pray that ye enter not into temptation. The spirit indeed is willing, but the flesh is weak." Mat. 26:41.

Closely connected with the current of worldliness go indifference and false conceptions of God's word.

The so-colled liberalists are multiplied in the land, and their influence is felt at our doors.

Many of the brethren, I know, feel deeply, with me, their shortcomings and sins, and jointly pray for more faith and a more abundant life.

Concerning conditions outside of our own Church, permit us to quote a statement made by a New York paper: "The church has been submerged, not only physically, but in the thinking of millions of New Yorkers. Out of sight, out of mind.

"A hundred interests agressively demand the New Yorkers' attention. The church has declined to be aggressive. . . . . The result is that 800,000 New York children have never seen a Bible, and a million have had no religious education.

"Having become the greatest, richest, most powerful, most sought after nation on the globe, we are now fast becoming a Godless nation. Fifty-five percent of our families are unchurched; only one child out of four attends any Sunday School."

In many churches in our land the old fashioned devotional meetings are substituted by concerts, entertainments, plays, motion pictures, neighborhood meetings, club rooms, game rooms, gymnasiums, swimming pools, lectures, debates, suppers and educational classes from the Bible to cooking and sewing.

Services must be short. A sermon must not exceed fifteen or twenty minutes.

Such a tendency, is becoming prevalent in some churches in our country, and will naturally create a taste and foster an opinion about the nature of church work.

If the above mentioned practice should become general and dominant, we can not expect high ideals of the church of our coming American nation.

This dark feature of conditions is indeed discouraging, but it is necessary that we face the situation as it really exists.

A profound study of the conditions of the Christian church in general, and of our own denomination in particular, must need impress upon us that our problems are great and serious, and that this is not a time for leisure or contention about petty forms and methods; but a time for aggressive and united actions.

But are we equal to the great problem confronting our Church today? Can we hope to accomplish anything of real importance?

Yes, if we abide by the truth and acknowledge our dependence upon the Lord. He will teach sinners in the way. But they must cease to be proud and learn from Jesus to be meek and lowly in heart. The meek will He guide in judgment; and the meek will He teach His ways. All the paths of the Lord are mercy and truth unto such as keep His covenant and His testimonies.

True Christian meekness will expel the spirit of emulation and unite believers in peaceful harmony.

The victory of the church depends, not upon the brilliant qualifications of men, but upon true following of Jesus. "Follow Me and I will make you fishers of men."

It is in living fellowship with Jesus we need to recruit in order to become a strong church that will overcome the world.

Elementary Christian Education

Acording to the Lord's commission, Baptism and teaching go hand in hand.

In our churches, baptism is generally observed, while teaching the children in the home is too often sadly neglected.

The importance of Sunday Schools and week day schools need to be stressed more.

Institutes for the instruction of Sunday School teachers were started in our district last year.

In April, this year, an elementary teachers' institute was held in Minneapolis.

The institute was well attended. We look forward to this movement as an important factor for the advancement of the religious instruction of the children.

Particularly in some congregations, more emphasis should be laid upon the preparation of the young for confirmation.

Pastors should not forget that the instruction of their confirmation classes belongs to their most important work.

Home Meditation

The importance of family devotion and the blessedness of home meditation is not generally recognized.

No time or place is more adapted for nurture of spiritual life than at the home. At no place is the absence of spiritual life and spiritual interests more detrimental than in the home.

How sad that so many homes within our Church are disqualified for fostering genuine spirituality.

The same tendency is invading the home as the congregations. Entertainments of various kinds takes the place of meditation; the Word of God is forced out.

Let no one understand that this applies to every home in our churches. We thank God for every family where daily worship is conducted, and where true piety is nurtured in home life. Such practices are of inestimable value in the church.

Devotional Gatherings

Devotional meetings for mutual edification and exhortation and week-day prayer meetings are practiced by a limited number of congregations.

Such activities can not be mechanically formed, nor brought into being by church resolutions; but it will flow freely as a fruit from a true spiritual priesthood.

As a church, we have pledged ourselves to foster and encourage the diligent use of the spiritual gifts of believers.

General Church Interests

As a rule, divine services are well attended. This is especially true with reference to forenoon worships. Evening services do not seem to be so well appreciated.

The need of baptism is generally recognized.

Quite a number of unbaptized grown persons have been initiated into our congregations at different points. This is mainly a result of the adoption of the English language.

The Lord's Table is generally highly esteemed, but the attendance varies. This variation, I believe, depends largely upon a different view: In some cases, the value of the sacrament is emphasized, while others emphasize the individual qualification needed by those who can rightly partake of the sacrament. According to God's Word both sides should be held forth and applied with emphasis.

The different societies within our congregations deserve our appreciation and credit for constant and faithful labor.

The Luther Leagues are generally active.

We recognize the interest made manifest by our congregations, both for the upbuilding of the churches at home and for the extension of the Kingdom abroad, and we thank the Lord for what has been done; still, we humbly admit that there is room for considerable improvement.

About one-fourth of the general church budget is expected from Southern Minnesota District.

Many of our congregations and pastors deserve credit for their faithful exertion for paying their shares.

We are sorry that all did not do equally well.

It must be admitted, however, that circumstances vary in the different congregations and localities. Some congregations carry much more local expenses than others, and the financial situation is not the same.

That slackness and lack of interest are to blame in many instances for our deficit can not be denied.

The district president has used his opportunity in discussing the budget question in the churches and also in his private conversations. On some elucidation on the subject, it was generally admitted that we ought to give even more for the support of the church work.

New interests were aroused and promises made, which, however, were not always carried out with adequate zeal.

The Board of Finances has called Rev. Myrwang as financial secretary for Southern Minnesota district.

Home Missions

The following charges have received support from the House Mission during the year:

St. Stephen's Congregation, St. Paul, Minn.
Molbank and Bellingham congregations.
New mission work at Marshall and Russel, Minn.
Pipestone and Chandler, Minn.
Immanuel congregation, St. Paul, Minn.
Morningside and St. Louis Park, Minneapolis, Minn.
Nazareth congregation, Minneapolis, Minn.
Prospect Park congregation, St. Paul, Minn.
Our Redeemer congregation, Minneapolis, Minn.
Litchfield, Minn.
Faith congregation, Minneapolis, Minn.
Rochester congregation, Minn.
Lake Benton and Tyler congregations, Minn.

At Marshall, Russell, and Redwood, Minn., new mission work is being started during the year.

At Redwood, Rev. Fretheim has taken care of the field without any expense to the mission.

Rev. C. N. Sandager was requested to canvass the field at Marshall and Russell. In the proportionally small town of Marshall and immediate vicinity with

several established congregations, Rev Sandager has to date found 474 souls, mainly from the Lutheran stock, without church affiliation. At the little village of Russell, quite a number of Lutheran people were found with a church home.

Congregations are now organized and Sunday School started at both places.

At the visit of the district president, shortly ago, the churches at both places were filled at the services, and these people felt happy to authorize the mission committee to call Rev. C. N. Sandager as their permanent pastor. These missions are, of course, exclusively English.

Mission Work at State Schools

State University of Minnesota .
Agricultural School at Morris, Minnesota.
The Winona Teachers' College.
The State Teachers' College at Mankato.
State School of Agriculture at St. Anthony Park, Minn.

Reports from the Different Institutions

The State University

Rev. C. S. Thorpe states: "The work among the students at the University of Minnesota, has prospered this year almost more than any other year. Through the aid extended by the Mission Board, two lay workers have assisted the pastor in this most important field."

In order to accommodate the number of students who flock to the church, two services are conducted each Sunday morning, "and even this arrangement does not always suffice to make room for them all," says Rev. Thorpe.

The young people's programs are reported to be of a deeply spiritual nature and are well attended.

It is undoubtedly true that here is a large mission field demanding liberal attention.

The Hope church has decided to enlarge their church at a cost of about $75,000. The congregation is not large and must depend upon outside help.

Such solicitation by the Hope church has already been endorsed by the district.

The West Central School of Agriculture at Morris, Minnesota

This school has an enrollment of 325 students. About 8% of them are Lutherans.

Friendly relation exists between our local church and this school and cooperation is invited.

Rev. Habel makes frequent addresses to the student body, and from 75 to 125 attend the Sunday morning services.

The Luther League meetings and other social gatherings are also well attended by the students.

Rev. Habel advises that the work for the students entails a great deal of expense and that the small support received from the mission is not by far adequate.

Rev. Habel suggests that an hour's time be set aside at our annual meeting for a discussion of the mission work at the state schools.

The Winona Teachers' College

About 120 students registered as Lutherans at the Winona College this year. Of that number, 77 are of Scandinavian descent.

Acording to Rev. Wein's report, a goodly number of these Lutheran students attend his services and the different societies in his church.

Rev. Wein expresses his thankfulness to God because so many of the Lutheran students remain faithful to their church when they are away from their home.

It is further reported that the interest in the Central Lutheran church has not decreased.

The University Farm School, St. Paul, Minn.

The work among the students at the University Farm School has been superintended by Prof. Weswig as pastor of the Wartburg Church.

Mr. Magnus Nodtvedt, theological student, has been engaged in the work, the same as last year.

According to the data obtained from the students' registrations of church preference, 73 Lutheran men students occupy rooms in the dormitories of the institution. From this group, 52 claim to be members of a Lutheran church.

Many of the students are scattered throughout the city.

Mr. Nodtvedt's activity has been confined to the men students located in the dormitories,—visiting them in their rooms during the evenings.

It is observed that very few of these students regularly attend one church of their denomination in the Twin Cities, but are moving around from church to church.

The result of such work among the students is not easily measured, but we feel sure that these evening visits, by our missionary, speaking to them concerning their spiritual need and urging them to attend divine services, especially services in their own denominations, are not without its good results.

Prof. Weswig is requested to engage a worker at this institution, same as last year.

The State Teachers' College, Mankato, Minn.

Many Lutheran students attend this school year by year. These students come mainly from the Scandinavian and the German Lutheran congregations. Each of these denominations, being represented in Mankato, care for their own group.

Rev. Edw. Johnson of our Church has his shore of the work.

A Bible class is conducted in his church for the benefit of the students.

Sometimes the students put on their own devotional programs in the church, and hold some other meetings in the private homes.

The Lutheran students' organization at the Mankato Teachers' College has a membership of 180.

No financial support has been allowed by our church for the religious work at this school.

Our own schools within the district will be reported from other sources, so we will pass them by here.

Evangelistic Works

Concerning the election of more evangelists, the following resolution was passed at our previous District Meeting:

"Inasmuch as it is clearly demonstrated that our Church is being blessed of God, both temporarily and spiritually, through the work of its regularly appointed evangelists, and inasmuch as there seems to be a greater demand and desire for evangelistic work in our Church than the three evangelists are able to cover, be it resolved, that the Southern Minnesota District elect, or through the proper channels appoint a man believed to be qualified for the work—an evangelist in our district."

This above resolution was referred to the District Mission Committee.

The question was carefully discussed by the Mission Committee at two different sessions.

The lack of funds was one chief hindrance for the election of a district evangelist, and since a financial secretary was already elected, the Committee felt that the district could not afford to employ two extra men at this time of financial stress. The Committee expressed the opinion that the General Church should elect the evangelists, not the district.

Two of the evangelists, already in the field, have given considerable time to our district.

Rev. H. N. Ronning spent about a week at St. Olaf College and several days in the congregation.

God blessed his work for spiritual awakening and edification both at the college and among the people in town.

A wave of spiritual awakening has also been experienced at different points throughout the district.

Brethren, let us thank God for these manifestations of His presence, and continue praying for the outpouring of His Spirit more abundantly, and for witnesses endowed to testify with power and demonstration of the Spirit of God.

This is our primary and present day need.

Activity and Cooperation

Activity and cooperation are essential in every sphere of active life; the Church forms no exception to this rule.

Without these elements no real success can be expected.

We have interest for the Kingdom of God in our churches; the brethren are active and do cooperate, but not in a perfect form.

A general interest for public worship is noticeable, but a deep felt sorrow for sin and desire for personal salvation can not be said to appear generally.

It is a fact, however, that heart conviction is fundamental to vital activity, and Christian love is the essential principle of cooperation.

Speaking generally, we have no reason to complain about particular dissensions among the churches.

There is quite a general feeling that the expenses should be lowered. People are wondering if the Church could not do her work equally well without many of the salaried officers and secretaries.

Brethren, my opinion is, that the time has come, when this sentiment should be seriously considered. It may be true that more offices have been created than we really needed. It is at least true that this feeling is gradually growing.

Some money spent for Home Mission could be saved by a different arrangeemnt of parishes. But that can not be done by a mission superintendent without an unselfish cooperation by pastors and congregations. If our pastors and congregations would take more interest in their immediate surrounding fields, some points of Home Mission could be taken care of without expense to the General Church.

Some charges are too large, to the detriment of both pastors and congregations.

"Den Norske Menighet"

The fact that such a congregation designated "Den Norske Menighet", actually exists in Minneapolis reminds us of a transition of language. The vanguard of the Church is rapidly adopting the English; in the rear part is still a demand for the Norwegian language.

The Southern Minnesota District has recommended the organization of this congregation, with the view, that an exclusive Norwegian congregation in Minneapolis had a mission to perform. Under the pastorate of Rev. Hulteng this congregation has grown gradually into a state of stability.

By the grace of God, we trust, that this congregation, unique in character, will grow into a deeper and fuller apprehension of its important mission, and become a faithful hand-maid in the service of the Lord, especially for the Norwegian-speaking people.

The congregation has also decided to erect a "Centennial Memorial Church." Since this is a project of general interest to all the Norwegian people, we trust that it will gain a general good will and support.

As usual, the ladies' aid organizations have worked faithfully and have materially supported the financial need of the Church.

The success in soliciting for the budget depends largely upon true information and wise organization of the work within the congregations.

The so-called "Envelope System" seems to give most general satisfaction.

Circuit Meetings

We have ten circuits. Each circuit has held their several meetings, which have been generally well attended.

A general district pastoral meeting was held in the Hope Church, Minneapolis, Minn., last January.

Many congregations have erected costly churches and several more are about to build.

May the Lord also help us in these external and material matters to do it all to the honor of God and according to the ability and need of the congregations.

A general district mission meeting was held last summer at Rushford.

It was decided that a similar meeting be held this summer, too.

Conclusion

Besides the official duties enumerated in this report, your president has laid cornerstones of churches, served at many anniversaries, board meetings and numerous other meetings of different character, besides an extensive correspondence which has taken a considerable part of his time.

A general survey of the eight years which I have been permitted to serve in the capacity as a district president for Southern Minnesota, reminds me of many happy experiences and privileges which I gratefully remember. That sorrow and discouragement were also connected with the service is self-evident.

All taken together, in the proper Christian spirit, will minister for our good.

Since my term of office expires this year, I wish, first of all, to express my heart-felt thanks to God for His mercy and long-suffering towards His humble servant.

I also wish to thank the congregations and pastors and their families, for all courtesy, love and respect which you have shown me.

Undoubtedly, you have seen and felt my shortcomings and faults many times, but you have kindly overlooked them, and assisted me in my difficult and responsible position, especially so at a time of the founding of a new church.

One thing, I know, and God knows, that I have not tried to take it easy. I have been in the service long days, and spent many nights traveling; nor have I wasted the money of the Church by creating high traveling expenses; but my work has been far from perfect.

I see and feel many faults and shortcoming reflecting upon the past services.

Some mistakes I might have amended, could I do it over again.

Permit me, brethren, to add this: I can assure you, that I have rendered all my service with the honest and sincere intention for the good of the Church. That mutual shortcomings may have made it difficult at times for the brethren to see the honest intention, I can understand.

Please accept my thanks for the hospitality and comforts, which I have enjoyed in the hundreds of homes in my constant travels. This, of course, included the pastors' homes, which I have visited proportionally the most.

Now may the God of all Grace, who hath called us into His eternal glory by Christ Jesus, bless our dear Church, with all her activities, congregations and pastors, through Jesus Christ, our Lord.

To Him be glory and dominion for ever and ever. May the Lord Himself guide us through our deliberation at this meeting.

Please accept my best wishes and kind greetings in our Lord and Savior, Jesus Christ.

Your humble servant in the Lord,

C. J. EASTVOLD.

In case changes in the Constitution are found advisable, they shall be submitted in proper form for consideration at the General Meeting. The Committee shall publish its report at least 90 days before the meeting."

Fra formanden for Iowa distrikt

Og Samuel tok en sten og satte den imellem Mizpa og Sen, og han kaldte dens navn Eben-Eser, og sa: Hittil har Herren hjulpet os. (1. Sam. 7, 12).

Nu er det 8 aar siden vi som en liten avdeling i Herrens hær drog ut for i fællesskap at fremme Herrens sak. Vi er kommet et litet stykke paa vei. Maaske det er mulig at danne os et litet begrep om, hvorledes vort virke har lykkes, hvilke erfaringer vi har gjort, og hvad resultat vi har opnaadd.

En forretningsmand foretar factura (invoice) hvert aar for at undersøke om forretningen drives med fordel eller tap. Det bør derfor være indlysende, at det er gavnlig — saa langt som det lar sig gjøre — at undersøke hvorvidt kirkens arbeide har fremgang eller ei; ti her er der langt andre værdier det gjælder, end timelig tap og vinding.

Israel — Herrens gamle paktes folk hadde mange og store vanskeligheter at overkomme, men naar de erkjendte sin synd, og vendte sig til Gud i bøn om hjælp, da gjorde de fremgang og vandt seier.

Det var efter en saadan seier, at profeten Samuel i tak til Gud satte op denne mindesten og sa:

„Hittil har Herren hjulpet os."

Ogsaa vi — i den nye pakt — møter mange og store vanskeligheter, som lægger hindringer iveien for Guds rikes sak, men naar Herren vedkjender sig vort virke, og lægger sin velsignelse til vort arbeide, da vil ogsaa vi reise en mindesten paa vor vei, og i ydmyghet frembære vor tak til Gud, hvem al ære og pris tilkommer.

„La din gjerning aabenbares for dine tjenere og din herlighet over deres barn. Og Herrens, vor Guds, lifligheet være over os, og vore hænders gjerning fremme du for os, ja, vore hænders gjerning, den fremme du." —

Arbeidet i menigheten

Det gaar som sedvanlig jevnt og rolig paa de aller fleste steder inden distriktet — tildels maaske altfor rolig.

Saa priselig som det er, at der er ro og fred i menigheten, saa maa vi ikke glemme, at der er to slags fred — en sand fred — freden med Gud i en god samvittighet, og en falsk fred. Der var saadan fred og tilfredshet i Laodika, at menigheten kunde berømme sig selv og si: „Jeg er rik og har overflod og fattes intet."

Men Herren — det trofaste og sanddru vidne, som kjendte denne menighet ut og ind, han som læser alles hjerter som en opslaat bok, og skuer ind i de skjulteste folder av hvert menneskehjerte, — han sier til menigheten: „Du er elendig og jammerlig, fattig og blind og naken." **Du maa omvende dig.**

Hele menigheten levet jo i det frygteligste selvbedrag. Gud bevare os og vore menigheter fra at bedra sig selv med en falsk fred og et falskt haab. —

Et ord til embedsbrødre

Kjære broder — hold mig det tilgode naar jeg her drister mig til at minde om to ting særlig:

Træk klare linjer i din forkyndelse. Saa klare og greie, at enhver av dine tilhørere av dit vidnesbyrd faar fuld rede paa sit gudsforhold. Vend aldrig dit seil eftersom vinden snur, hvor stor fristelse dertil, der end maatte komme til at bli. Kald dig ofte til erindring profeten Ezekiels ord, kap. 33, 8 og 9. Ved flittig om Aandens kraft til med frimodighet og myndighet at haandhæve den fulde og hele sandhet — alt Guds raad til frelse.

Sænk dine tilhørere ved lovens præken saa lavt ned, at de om mulig kunde høre jammeren av de fortapte, og løft dine tilhørere saa høit op ved evangeliets forkyndelse, at de om mulig kunde høre jubelen av den frelstes skare i himmelen hjemme hos Gud. „Gi agt paa dig selv og paa undervisningen, bli ved dermed, ti naar du gjør dette, da skal du frelse baade dig selv og dem, som hører dig."

Og saa dette: Spar ingen opofrelse, naar det gjælder barnenes religionsundervisning. I evigheten om ikke før, skal det vise sig, at denne gjerning har ikke været forgjæves.

„Undervis den unge om den vei han skal vandre. Og naar han blir gammel skal han ikke vike fra den."

Svigter præst og lærer, forældre og menighet her, da vil der vokse op en gudløs slegt midt i kristenheten.

Denne sak er saa alvorlig, at kirker staar og falder netop paa spørsmaalet om kristelig barneopdragelse.

Board of Elementary Christian Education

Dette board har iaar sørget for, at der i distriktet har været holdt flere møter, som visselig har været til stor hjælp for søndagsskolelærere, saavelsom andre, der har hat anledning at være tilstede.

Nødvendig paaminde lse

Der er mange ting i forbindelse med menighetsarbeidet, som jeg hadde stor lyst til at berøre, men jeg tan ikke godt lægge beslag paa møtets kostbare tid, ei heller plads i samfundets aarsberetning. Vil her blot nævne enkelte ting: Gudstjenesten — besøk den flittig. Husandagten, forsøm ikke den. Nyd nadveren, men se til at du staar i et saadant forhold til Gud og næsten, at din nadvergang blir dig til velsignelse. Benyt naadegavene til menighetens opbyggelse. Forsøm ikke barnene — røgt mine lam. La ikke kunstig solosang og korsang fortrænge menighetssangen. Som tro husholder bidra efter evne til menigheten og samfunder og opmuntre andre til at være gavmilde. Ta bestemt standpunkt imot tidsaanden, som truer med at omdanne menigheten til selskabelige sammenkomster, hvor bevertning blir det væsentlige.

„La Kristi ord bo rikelig iblandt eder, saa I lærer og paaminder hverandre i al visdom med salmer og lovsange og aandelige viser, idet I synger yndig i eders hjerte for Herren. Og alt, hvad I gjør i ord eller i gjerning, det gjør alt i den Herres Jesu navn, takkende Gud og Faderen ved ham." —

Evangelist- og lægmandsvirksomhet

Distriktets evangelist, pastor Johan Olson, har iaar besøkt noksaa mange menigheter baade i Texas, Oklahama og Iowa. Hans virksomhet har ifølge prestens og menigheters vidnesbyrd været til stor hjælp i opbyggelsesarbeidet.

Ved siden av evangelistarbeidet, har pastor Olson tat vare paa sjømandsmissionen i Galveston ved den hjælp, som en gudfrygtig sjøkaptein har ydet ham. Pastor Olson har ogsaa paa anmodning av Iowa distrikts missionskomite utført en del indremissionsarbeide i Rio Grande Valley, samt betjent missionsmenigheten i Galveston og Normanna, Texas.

Nu har imidlertid samfundets indremissionsbestyrelse beslattet at overta sjømandsmissionen i Galveston igjen, og utpekt en mand for denne stilling. Pastor Olson vil saaledes faa anledning til at ofre sin hele tid til evangelistarbeidet i Iowa distrikt.

Alle som ønsker evangelistens besøk henvender sig med anmodning derom til distriktets sekretær, pastor D. C. Jordahl, Ridgeway, Iowa.

Nordre og Midtre Iowa indremissionsforeninger har ogsaa iaar virket flittig inden distriktet — visselig til velsignelse, hvor de har holdt sine møter.

Gud velsigne enhver bekjendelsestro lægmand, hvem Herren har skjænket evner og gaver til at være behjælpelig med menighetens opbyggelse paa den sande grundvold, Jesus Kristus. Det trænges saare i vor tid, og iblandt os, ti „mange er krøpelige og svake, og en hel hop sover." —

Forholdet mellem præst og menighet

I de aller fleste tilfælde er der godt forhold. Menigheten holder av sin præst, og presten sparer ingen opofrelse for menigheten. I enkelte tilfælde er der et mindre godt forhold. Utilfredshet og misnøie synes at ligge i luften, og den smitter en del av vort menighetsfolk.

Der skal saa ubetydelig litet til før der opstaar misnøie og uenighet. Man

er snar til at fatte mistanke, naar ikke alt gaar efter ens egen formening, og meget rundhaander med at fælde haarde domme over sin broder uten først nøie at undersøke det virkelige forhold. Lit mere varsomhet paa dette omraade vilde forebygge megen uleilighet. „Motta ikke noget klagemaal mot nogen av de ældste uten efter to eller tre vidners utsagn."

Menighetens suverænitet maa respekteres, saalænge den befølger Guds ords anvisning. Men avviker menigheten fra Guds ords anvisning, da blir det prestens pligt at si ifra, ti presten er ikke blot menighetens tjener, men fremforalt Guds tjener for hvem han skal avlægge regnskap for sin embedsførsel og sin tjeneste. „Man bør adlyde Gud mere end mennesker."

Følgeværdig eksempel

Store bemidlede prestekald bestaaende av flere menigheter bør deles, saa menighetene kan faa mere og bedre betjening, og presten ikke slites ut saa altfor tidlig.

St. Olaf menighet, Ft. Dodge, og Washington menighet, Duncombe, Iowa, har iaar utvist i saa henseende et følgeværdig eksempel. Ved gjensidig forstaaelse blev kaldsforbindelsen mellem disse to menigheter opløst, og hver menighet har nu kaldt egen prest.

Iowa distrikts forhold til Den Norsk Lutherske Kirke i Amerika

Distriktet som et hele glæder sig over foreningen som fandt sted i 1917. Paa faa undtagelser nær har distriktet i handling utvist agtelse og tillid til samfundet. Det har hvert aar bidrat forholdsvis mere til de forskjellige kirkens gjøremaal end noget andet distrikt i samfundet. Forrige aar ydet Iowa distrikt mere til budgettet end nogensinde tidligere, selv om det forbeholdt sig ret til at gjøre sin indsamling uten som de andre distrikter at ansætte en lønnet indsamler. Rigtignok har distriktets formand ifølge aarsmøtets beslutning anvendt en del av sin tid i denne tjeneste. Beslutningen lyder som følger:

„Ifald nogen menighet hvor fattigdom ikke er til hinder, undlater at yde noget eller en rimelig andel til samfundets drift, paalægges distriktsformanden at besøke disse og foreholde dem deres kristenpligt og broderpligt. (Aarsb. 1924, side 226, par. 6, b).

Regnskapene utviser, at i Iowa distrikt blev der i 1924 bidrat til budgettet per konfirmert medlem $6.21.

Iowa distrikt omfatter ikke bare staten Iowa, men ogsaa blandt andre stater Kansas, Oklahama og Texas.

Paa samfundets vegne vil jeg faa uttale min tak til hver prest og menighet inden vort distrikt for loyalitet utvist mot Den Norsk Lutherske Kirke i Amerika. Kjære brødre, la os nu ogsaa gjøre alt vi evner for at avkaste vort samfunds gjæld i haab om at aarsmøtet ikke ved forhastede beslutninger atter paafører os ny gjæld.

Institutioner inden distriktet

Naar jeg iaar i min indberetning intet nævner om vore institutioners forfatning og drift, da er det av den grund, at rapporter fra hver institution vil bli fællesmøtet forelagt. Beklager kun, at Jewell Lutheran College er nedlagt, trods at en del av os har tat tunge tak for at holde det gaaende. Men ingen skal med rette kunne si, at det er samfundet, som har nedlagt Jewell Lutheran College. Nei! Det er mangel paa søkning, som er den egentlige aarsak til at skolen maatte nedlægges.

Foreninger

Der er blit mange av dem i hver menighet — altfor mange. Men der er een forening især jeg ønsker at nævne, og det er den lokale menighets kvindeforening. Der er neppe nogen forening, som saa trolig støtter samfundets mange gjøremaal som netop denne forening.

Jeg er tilbøielig til at foreslaa at distriktsmøtet sender en takkeskrivelse til hver kvindeforening i Iowa distrikt.

Uttrædelse av samfundet

Uttrædelseserklæring foreligger fra Thompson menighet, Thompson, Iowa, og fra Westprairie menighet, Winnebago Co., Iowa.

Disse to uttrædelseserklæringer vedlægges som bilag nr. 1.

Distriktsformanden henvendte sig, ifølge distriktskonstitutionen, til begge disse menigheter med venlig anmodning om at faa møte med dem forat komme paa det rene med, hvilke grunde det var som hadde bevæget disse menigheter til at ta et saadant skridt, men har intet svar faat paa min henvendelse.

Uttrædelseserklæring foreligger ogsaa fra pastor Justin A. Petersen, tidligere prest for Little Sioux Valley menighet, Buenavista Co., Iowa, og fra pastor Norman A. Madson, prest for St. Olaf menighet, Bode, Iowa.

Uttrædelseserklæring fra pastor Petersen og pastor Madson vedlægges som bilag nr. 2.

Følgende prester i Iowa distrikt har iaar resignert: Pastor Justin A. Peterson, pastor T. Lerud, pastor T. B. Thorson, pastor S. O. Sande, pastor Verne Giere, pastor P. B. Trelstad, pastor C. M. Wangensten, pastor M. A. Hall og pastor Norman A. Madson.

Sygdomstilfælder

Følgende prester inden distriktet har iaar været hjemsøkt med noksaa alvorlig sygdom: Pastor Huseth, pastor Torrison, pastor Jordahl og pastor Sandven. De har alle ved Guds hjælp gjenvundet kræfter til fremdeles at røgte sine kald.

Fællesformanden, dr. Stub, var forleden sommer nødt til at underkaste sig en alvorlig operation. Det tok noksaa lang tid før formanden kom til kræfter. Men ogsaa han har ved Guds hjælp gjenvundet sin helbred, saa at han fremdeles magter at ivareta sin ansvarsfulde stilling som samfundets formand.

Vi skylder at takke Gud, som har holdt sin beskærmende haand over disse vore brødre, saa vi fremdeles har dem iblandt os og nyder deres værdifulde tjeneste.

Dødsfald

Pastor Knut Xavier døde den 8de juni, 1924. Efter 29 aars samvittighetsfuld tjeneste i kirken kaldte Herren sin trætte tjener hjem til hvilen. Pastor Xavier var en alsidig kundskapsrik mand. Han var en mand som virkelig studerte. Læs hans „Teologiske Avhandlinger" og „Tidsmæssig Præken." Pastor Xavier var en tid professor ved lærerseminariet i Sioux Falls, S. Dak., og redaktør for „Skolebladet" i mange aar. De sidste 5 aar var han prest for Trefoldighet, Westvrairie og Thompson menigheter, Winnebago Co., Iowa.

Dette møte vil sørge for at en kondolanceskrivelse blir sendt til pastor Xavier's efterlatte hustru og barn.

La mig ogsaa med det samme paa distriktets vegne faa stikke en liten blomst i en mindekrans til erindring om et par andre mænd i samfundet utenom vort eget distrikt, som Herren iaar har kaldt hjem: Pastor Peder Tangjerd og pastor Lars Lund.

Pastor Tangjerds virke som præst, medlem av foreningskomiteen og redaktør av „Lutheraneren" har sat merker efter sig.

Pastor Lund — den gamle missionsveteran — vil sent bli glemt. Hans kjærlighet og opofrelse for missionen var sterk og stor, og øvet en velsignet indflydelse.

Vi føler savnet og tapet av disse brødre. Dog — vil vi ikke klage, men i ydmyghet takke for den tjeneste de fik yde kirken, og især deleshet vort samfund, før Herren tok dem hjem.

St. Johannes menighets kirke, Waukon, Iowa, pastor Wilhelm A. Rasmussens kald, indviedes 22de juni, 1924.

Stavanger menighets kirke, Fayette Co., Iowa, pastor O. Skefvelands kald, indviedes 5te oktober, 1924.

Grundsten for Miller menighets kirke, Miller, Iowa, pastor H. Oklands kald, lagdes 17de august, 1924.

Slutningsbemerkninger

Tiden for min tjeneste som distriktsformand utløper ved dette møte. Nyt valg maa finde sted. De aar jeg har anvendt i denne tjeneste har for mig været en bugelig tid. Eders venlighet har været mig til stor opmuntring i arbeidet, og nu ønsker jeg at faa si eder alle en hjertelig tak for den tillid og imøtekommenhet som er utvist mot mig fra hver præst og menighet inden Iowa distrikt.

Ingen er mer villig end jeg til at erkjende at mangler og strøveligheter har klæbet ved min tjeneste, men det vover jeg at si, at jeg har forsøkt saalangt som evner og kræfter strak til at gjøre hvad jeg har formaadd. Og har min tjeneste været til opmuntring og hjælp i arbeidet, saa skal Herren alene ha tak og ære for det.

En del av os har nu sat ind en lang arbeidsdag sammen. La den bygge vi under samværet har nydt være os et stadig minde om hvad Herren har lovet at skjænke os naar vort lille dagverk paa jord er endt. Han hjælpe os at forbli tro indtil dagen er slut.

Maatte da Herrens rike velsignelse fremdeles hvile over hver præst og menighet i Iowa distrikt, saavelsom over hele Den Norsk Lutherske Kirke i Amerika.

Eders i Herren meget forbundne,

H. C. Holm.

Tillæg til formandens indberetning

Mrs. Caia Waldelands dødsfald. I min indberetning vil jeg faa nævne Mrs. Caia Waldeland som døde i St. Ansgar, Iowa, den 11te mai 1925.

Hun var i sin tid prestefrue i den menighet hvor mine forældre og jeg var medlemmer.

Fru Waldeland var en gudfrygtig kvinde, meget begavet og vel utdannet. I Norge var hun i mange aar lærerinde — først i Tromø og siden ved Kristiania pikeskole. I 1869 kom fru Waldeland til Amerika og var en tid lærerinde i

La Crosse, Wis. I 1875 indgik hun i egteskap med past. O. Waldeland. Hun har været en meget flittig arbeider i menigheten.

Siden før past. O. Waldelands død i 1903 har hun bodd hos sin søn, past. M. E. Waldeland, St. Ansgar, Iowa. Fru Waldeland opnaadde den høie alder av 91 aar. Vistnok den ældste prestefrue i distriktet, og maaske i hele samfundet.

Distriktsmøtet vil sørge for at en kondolationsskrivelse blir tilsendt past. M. E. Waldeland og familie, samt Mrs. Welo og Mrs. L. M. Norris, som dypt føler savnet av en øm og kjær mor.

Iowa distrikt av Den Norsk Lutherske Kirke i Amerika samledes til sit aarsmøte i Kristkirken, St. Paul, Minn., torsdag den 11te juni, kl. 2, 1925. Efter aapningsandagten, som lededes av past. Joh. Granskou, bødes forsamlingen velkommen av distriktsformand H. C. Holm.

Da formandens indberetning forelaa trykt, blev den — for at spare paa tid — ikke forelæst for møtet.

Formanden hadde før dette møtes avholdelse utnævnt følgende til at tjene paa fuldmagtskomiteen: Prestene T. O. Tolo, J. J. Lee, J. N. Andersen, T. J. Severtson, C. H. Hjortholm.

Besluttet at der vælges en indstillingskomite paa 5 medlemmer. Valgt blev: Pastorene M. E. Waldeland, O. R. Sletten, S. A. Berge, Theo. Lerud, repr. Ole Risvold.

Formanden meddelte at fru Kaia Waldeland nylig var avgaat ved døden. Møtet anmodet formanden om at utnævne en komite av en til at fremlægge en passende resolution i sakens anledning. Utnævnt blev past. Joh. Granskou, som fremla følgende resolution der tilstemtes ved reisning:

Iowa distrikt av Den Norsk Lutherske Kirke i Amerika, samlet til aarsmøte i St. Paul, Minn., 11te juni 1925, beslutter:

Da den alderstegne enkefru Kaia Waldeland nylig lukket sine øine i dødens søvn, saa uttaler Iowa distrikt herved sin tak til Gud for hvad avdøde har faat være i liv og gjerning som kjærlig mor, omsorgsfuld prestekone, dygtig lærerinde og som ivrig deltager i mange kristelige og kirkelige gjøremaal.

Endvidere uttaler vi vor dyptfølte deltagelse med past. M. E. Waldeland og familie samt øvrige nærpaarørende i sorgen og savnet over adskillelsen, men ogsaa i glæden og takken til vor frelses Gud, i den tro og sikre haab at den over nitti aar gamle elskede mor i Israel er samlet til sine fæ ire i salighetens hellige himmelhjem, hvor hun venter at møte igjen alle dem som hun elsket paa jord.

Johannes Granskou, komite.

Iowa distrikt anbefaler at staten Kansas henlægges til South Dakota distrikt om Kansas-prestene begjærer det.

Indstillingskomiteen foreslog til medlemmer av nominationskomiteen pastorene M. B. Quill, B. K. Barstad, O. Glesne, Helge Høverstad, repr. T. S. Tweed.

Indstillingen antat i sin helhet.

Indremissionskomiteens sekretær, D. C. Jordahl, gav en kort oversigt over missionsarbeidet i distriktet. Møtet tilstemte samme.

Formanden henledet opmerksomheten paa past. Karl Xaviers død, som indtraf i juni 1924. Past. I. B. Torrison valgtes til at forfatte kondolanseskrivelse til den efterlatte enke og familie. Den lyder saaledes:

Iowa distrikt av Den Norsk Lutherske Kirke i Amerika uttaler sin dype sympati med Dem og Deres familie i Deres store sorg over tapet av Deres kjære mand. Vi trøster os selv med den tanke at De vet at det er Herren som har gjort det og at De er viss paa at hvad han gjør er vel gjort. Paa vort distriktsmøte uttalte formanden sig i følgende anerkjendende ord om Deres mand: "Pastor Karl Xavier døde den 8de juni 1924. Efter 29 aars samvittighetsfuld tjeneste i kirken kaldte Herren sin trætte tjener hjem til hvilen. Pastor Xavier var en alsidig og kundskapsrik mand. Han var en mand som virkelig studerte. I æs hans "Teologiske avhandlinger" og "Tidsmæssig præken". Pastor Xavier var en tid professor ved lærerseminariet i Sioux Falls, S. D., og redaktør for "Skolebladet" i mange aar."

Herren velsigne Dem og Deres ogsaa i de aar som kommer!

Paa Iowa distrikts vegne,

I. B. Torrison, komite.

Tilstemt ved reisning.

En komite blev valgt til at ha øie med hvad der i religiøs henseende doceres ved vore statsskoler i Ames, Cedar Falls og Iowa City. Komiteen gives myndighet til at handle paa distriktets vegne i denne sak; den rapporterer senere til distriktet. Denne komite at bestaa av distriktets formand, viseformand og sekretær.

Past. S. J. Fretheim indberettet om sit arbeide som distriktets finanssekretær det svundne aar. Distriktet uttalte sin tak til past. Fretheim for vel utført arbeide.

Møtet tok nu for sig de av fællesmøtet overleverte saker. Hver talers tid 10 minutter. Efter at flere hadde uttalt sig antokes følgende av past. Kleppe fremsatte forslag:

By President of South Dakota District

Dear Brethren in Christ: Grace and peace.

"O Lord, I am not worthy of the least of all the mercies, and of all the truth, which Thou hast showed unto Thy servant; for with my staff I passed over this Jordan; and now I am become two bands." Gen. 32:10.

These words were spoken by the patriarch, Jacob, as on his return from the East he stood by the River Jordan ready to cross back into the land of his birth. It is fitting that we call these words to mind on an occasion like this, when we are gathered not only for our annual Church Convention, but also to participate in the centennial celebration of the advent of the Norsemen into this, their new fatherland.

These hundred years have been a period of wonderful progress and development in our national life and history, a progress beyond the fondest expectation of the most sanguine dreamer among those early pioneers who came to these shores in search of new homes and better living conditions than those offered by the old fatherland across the waters.

When we look back upon those early settlements of our countrymen in Wisconsin and Illinois and other nearby states and review the conditions that obtained there and compare them with present conditions, we are forcibly reminded of the words of the prophet: "Despise not the day of small things." Zach. 4:10.

From a few straggling bands of newcomers, ignorant of the language and unfamiliar with the conditions and institutions of the country, we have become a power in the land and a factor in the nation. From forest and plain we have come into public life. We have been entrusted with some of the highest and most responsible offices that the state has in its power to bestow. We have made our way into legislative halls where we have been instrumental in making the laws by which we are governed and also won our way into the Senate Chamber of the United States—the most imposing legislative body in the nation. We have made our mark in the realm of science, literature and learning. We hold prominent positions in some of the foremost educational institutions in the land, and they who have thus come into prominence in the nation have reflected credit upon themeslves by their ability and integrity, and have also been a credit to our people as a whole.

How shall we account for this marvelous progress? Is it owing to the fact that these early pioneers came here with great riches that paved the way for their advancement? No, they brought practically nothing of material things save willing hands and an unconquerable determination to make good. Nor did they belong to the aristocracy of the nation, the so-called "Intelligentsen." They were mostly peasants and laborers who came for the purpose of providing better homes and living conditions for themselves and their families than the old country was able to furnish.

They were poor in worldly goods, but they brought with them one treasure that far surpassed all worldly riches; namely, the pure Word of God and the sacraments and the faith once delivered to the saints an heritage that brings blessings to any home, to any land or nation when permitted to exert its benign influence for righteousness. "Righteousness exalteth a nation; but sin is a reproach to any people." Prov. 15:34.

God knows that our ancestors had their faults and besetting sins like the rest of us, and they were far from being saints. But there is one thing they must be given credit for: They had love and respect for the Word of God and a profound reverence and awe for the church with its sacred rites and ordinances. The first thing the early pioneers did after providing themselves with shelter—dugouts, sod shanties, log cabins—was to build a church in their midst. They longed for a house of worship where they could gather on the Sabbath Day to sing the old familiar hymns and hear again that old Gospel that had now become dearer to them than ever before. The church was the only unbroken home tie left to them. Their church edifices were not large and imposing structures. They were small and simple, an exponent of the prevailing primitive conditions

at that time, and their appointments were of the rudest material. But who can describe their feeling of joy when they gathered there for the first time to worship God in the old familiar way, see their little ones baptized, commune together at the Lord's table and hear the Gospel of salvation expounded to them as they had heard it back in the old fatherland.

In order to preserve and perpetuate the faith of their fathers for themselves and their children, they banded themselves together in settlements and colonies with their local churches a nucleus, and this again resulted in the organization of larger church bodies or denominations according to faith, doctrines and practice. The greater number of these denominations are, thanks be to God, now incorporated in "The Norwegian Lutheran Church of America."

By combining the smaller units we have been enabled not only to preserve the faith pure and undefiled, but also to a great extent preserve our national identity and characteristics, which will go down as a legacy to the nation of which we now have become a component part. We have had a wonderful past. Surely the Lord has been our strength and our refuge.

What about the future? Will the generations to come, will the children continue to treasure and preserve this heritage with the same love, care and diligence that have been manifested by their fathers? If so, they will be blessed, for godliness is profitable unto all things. They will also be a blessing.

The other day there appeared in one of our dailies this question: "What is America in need of today more than any thing else?" My answer would be: "The Gospel of Jesus Christ which is a power of salvation unto everyone that believes."

God grant that our dear old Lutheran Church may become a power for righteousness unto the people of this land and thus become a blessing unto many. "Except the Lord build the house, they labor in vain that build it: except the Lord keep the city, the watchman waketh but in vain."

The work within the district has progressed in a satisfactory manner during the past year. The restless, dissatisfied spirit of the times has manifested itself here as in other parts of our country and has not been without influence upon the work of the church. In spite of this the work has been good, but still there is much to be desired. Reports received show that church attendance has been good during the past year.

Pastoral Conference

The pastoral conference at Sioux Falls in July was well attended; the papers and discussions were of such a scope and nature as to be of great value to those in attendance. The officers merit much praise for the interesting and instructive programs which they have prepared.

Bible School

A Bible School was conducted at Canton along the same lines of work as had been attempted in former years. Bible schools conducted for the purpose of enriching Christian life cannot but be helpful to any community in which they are held.

Elementary Christian Education

Institutes under the direction of the committee for the advancement of elementary Christian education of our Church have been held in various parts of the district during the past year. I rejoice in the fact that more and more congregations are taking advantage of the religious week day school law.

Home Missions

The committee on Home Missions has held regular meetings during the past year and transacted a great deal of business connected with this ever growing field of our Church.

Young People's Societies

The work among the young people has progressed satisfactorily during the past year. Regular meetings have been held in the congregations and larger group meetings have been held from time to time.

Women's Mission Federation

The Women's Federation has been in active operation during the past year and has accomplished much good for the Church.

Circuit Meetings

I have attended the following circuit meetings:
Aberdeen Circuit, Falness Cong.
Black Hills Circuit, Nowlin Cong.
Sioux Falls Circuit, Palisades Cong.
Aberdeen Circuit, Pierpont Con.
Sisseton Circuit, Sisseton Cong.
Brookings Circuit, Brandt Cong.
Black Hills Circuit, Rapid City Cong.

The School Question

The most important question calling for a solution in the district is the school problem. It was settled in a way at the general meeting at Fargo in 1918 by consolidating Augustana College at Canton and the Lutheran Normal at Sioux Falls into one institution, but the dissatisfaction with this disposal of the problem was so great that the following year (1919) a majority of districts of the Church, in separate meetings assembled, consented to an alteration of the decision taken at Fargo, and reestablished the two-school plan. On account of the financal difficulties within the Church there will have to be a rearrangement of the school situation.

It seems most natural and reasonable that the Church as a whole, to which the schools virtually belong, should dispose of this question. But since it has been referred to the South Dakota District for action, the district will either have to refer the question back to the general church body for a final decision, and both schools abide by the decision, or the district will at this session have to fix the time and place for a special meeting of the district for the consideration and final disposal of this question.

I have taken part in all meetings the Church Council and Home Mission Board and the District Home Mission Committee, with the exception of the last meeting.

This year there is to be an election of all officers for the idstrict organization

with the exception of Blilie, Bergsaker, Arneson, on the Mission Committee. The terms of Helekson and Hanson have expired.

In conclusion, I wish to thank all the pastors and congregations for hearty and faithful cooperation in the work and for all the love and forbearance shown me during these eight years that we have labored together.

The good Lord who has been with us and blessed us in the past will also be with us and bless us in the future if we are faithful to our trust and continue in His Word. To that end may God bless us

Your servant in the Lord,

N. BOE.

Fra formanden for Nord Dakota distrikt

Kjære brødre!

„Men Gud være tak som gir os seir ved vor Herre Jesus Kristus. Derfor, mine kjære brødre, bli faste, urokkelige, altid rike i Herrens gjerning, vidende at eders arbeide ikke er forgjæves i Herren." 1 Kor. 15, 57—8.

Med saadan tak til Gud og med saadan gjensidig opmuntring til fortsat standhaftighet og trostap i Herrens gjerning, som Aanden selv har lagt os i hjertet og paa læben, vil vi slutte dette avsnit og begynde et nyt i distriktets historie.

Idet vi nu har naadd fuldendelsen av denne valgperiode og har tilsammen avrundet disse 6 aar — i det hele 8 aar siden foreningen — føler jeg trang til personlig at faa uttale min dype tak til distriktets menigheter og prester, missionskomiteen og andre embedsmænd i distriktet for al utvist kjærlighet og overbærenhet mot mig gjennem alle disse aar.

Arbeidet har ikke altid været let. Vanskelighetene og opgavene har været baade mange og store. Ingen har mer end jeg selv mærket manglene og skøpelighetene ved mit arbeide.

Jeg har ikke arbeidet som jeg skulde, ikke bedt som jeg skulde, har heller ikke bestandig utvist den sagtmodighet og taalmodighet under motgange som Herren begjærer at finde hos sine tjenere. Ofte har det skortet paa visdom og skjønsomhet, endnu oftere paa altopofrende nidkjærhet, som altsammen paa mange maater har hindret Herrens gjerning og distriktets fremgang. Alle disse kjendte og utkjendte feil og feilgrep vil jeg be Gud og distriktet tilgi.

Men tiltrods for alle disse mange og store skrøpeligheter har menigheter og prester vist mig en saadan kjærlighet og velvilje, at jeg mangen gang i mit stille sind har maattet si: Snorene er faldt mig paa liflige steder, ja det er en deilig arv for mig.

Det har ikke manglet paa kritik, fortjent og ufortjent, velvillig og uforstandig. Saadan kritik har jeg i ydmyghet søkt at være taknemmelig for og rette mig efter. Men opmuntringene har i tusen fold opveiet ubehagelighetene.

For alt dette takker jeg alle trofaste medarbeidere.

Men mest takker jeg min Gud, som har git os seir ved vor Herre Jesus Kristus. Han har velsignet vort arbeide, saa distriktet jevnt og rolig har studt vekst. Disse 6 — 8 aar har været vanskelige aar. Ikke bare de mange opgaver som foreningen naturlig førte med sig, men krigsnød, dyrtid og andre særegne tilstande har voldt os mange og næsten uoverkommelige hindringer.

Dog har vi stadig gaat fremover. Jeg har frimodighet til at si, at aldrig siden foreningsdagen har distriktet været i bedre forfatning end nu. Da mener jeg hvad det utvortes angaar.

Hvad den aandelig tilstand angaar faar Herren selv dømme. Den tør være daarlig nok. Der er altfor megen sløvhet, verdslighet, forsømmelse av naademidlene og uvillighet til at være med og bære kirkens byrder, som altsammen tyder paa liten aandelig kraft. Maatte Herren ved sin Aand vække os til et kraftigere troesliv, saa hans naade mot os maa finde tilsvarende frugt i livet.

Men utvortes er tilstanden meget tilfredsstillende. Der er bedre forstaaelse og et inderligere samarbeide inden distriktet end nogensinde. De gamle samfundsgrænser mærkes der svært litet til, og naar de nye kandidater som har antat kald til menigheter i distriktet nu snart tiltræder sine kald, og de menigheter som nu har kaldt prester forhaabentlig snart faar disse, saa vil nærsagt alle kald i distriktet for første gang i distriktets historie være besatte.

To ting har jeg i skrøpelighet sat mig som maal for distriktets virksomhet:

1. En sund, sand, levende og personlig kristendom paa Guds ords og bekjendelsens grund;

2. En inderlig, forstaaelsesfuld indbyrdes kjærlighet mellem arbeiderne efter Jesu sidste ord til disciplene: „Et nyt bud gir jeg eder, at I skal elske hverandre."

Kun for saavidt Herren har latt dette lykkes for os, kan vi med glæde se tilbake paa vort arbeide tilsammen.

Maatte Herren gi dem som ved dette distriktsmøte skal vælges til at forestaa distriktets virksomhet Aandens naadegaver til i høiere mon at naa dette dobbelte maal.

„Derfor, mine kjære brødre, bli faste, urokkelige, altid rike i Herrens gjerning."

Faste og urokkelige maa lutherske kristne være. Kjendemerket paa vor tid i troessaker er dens ustøhet. Intet mere synes fast, intet skal staa urokkelig. Lutherske kristne maa staa faste, maa være urokkelige. For dem maa Guds ord være Guds ord, sandhet. Kun saalænge som vi blir faste paa ordets og bekjendelsens grund, vil Herren vedkjende sig os som sine tjenere i disse sidste vanskelige tider.

Men denne støhet i troen maa finde baade sin frugt og sin stadfæstelse deri at vi er rike i Herrens gjerning. For kun saalænge vi er virksomme, rike i Herrens gjerning til andres frelse, kan og vil Herren bevare os i ordet og i troen.

Disse to ting staar og falder med hinanden, tro og kjærlighet; tro og gode gjerninger; standhaftighet i bekjendelsen og virksomhet i livet.

La os ta dette ord med os ind i fremtiden: „Bli faste, urokkelige, altid rike i Herrens gjerning," saa skal det nok engang vise sig, at vort arbeide ikke har været forgjæves i Herren.

■

Tre av distriktets prester har Herren dette aar kaldt hjem til sig.

Pastor Severin Elicius Sigvard Meisel døde frimodig i troen paa Jesu forløsning den 25de november 1924 og blev den 28de under stor deltagelse stedt til hvile i gravlunden i Minot. Ordinert i 1893 tjente han sin Herre og sit samfund i 31 aar. Han var en elskelig kristelig personlighet, fast og urokkelig i troen og opofrende i alt sit arbeide for sjælenes frelse. De mange menigheter han i denne lange aarrække hadde betjent og de mange venner han hadde vundet blandt prestebrødrene og andre vil længe savne den vennesæle og trofaste medbroder. Han efterlot sig hustru og en datter. Herren trøste dem i deres sorg og gi dem at samles med sin husbond og far i salighetens glæde.

Pastor Ole Larson Kirkeberg, en av samfundets og distriktets ældste og mest kjendte prester, hensov i Park River den 16de februar 1925 efter længere tids sykeleie og blev den 19de februar stedt til hvile paa Zion menighets kirkegaard nær Hoople, i hvilket kald han i mange aar hadde været prest. Pastor Kirkeberg var en mægtig prestestikkelse som i mange aar og altid paa fremskudte steder sit tjene Herrens menighet paa jord. Med alvor og stor indsigt i Guds ord og den kristelige sjælepleie kjæmpet han for sandheten og kirkens vel og sit utrette store ting for Herrens sak.

Pastor Sylvester Martinus Orwoll døde i troen den 13de mars 1925 i Maddock og blev begravet den 20de mars i Granite Falls, Minn. Han efterlot sig hustru og flere barn. Pastor Orwoll var en begavet og tro Herrens tjener som med stor dygtighet og samvittighetsfuldhet røgtet den gjerning Herren hadde betrodd ham. Især var han levende interessert i barneundervisningen. Distriktet har i ham lidt et stort tap.

Desuten har pastor M. O. Ensberg i Reynolds faat den dype sorg at miste sin elskelige hustru ved døden. Herren styrke ham til at bære det tunge tap og gi ham gjensynets salige glæde for Lammets trone.

Jeg har anmodet embedsbrødre som stod disse prester særskilt nær at forfatte passende resolutioner i anledning disse dødsfald.

Visitaser

Ved siden av de mangfoldige andre møter i forskjellige menigheter har jeg holdt visitas i følgende menigheter:

Park Center, The First Evangelical Lutheran, Nordre Trefoldighet, Søndre Trefoldighet, Zion, alle av past. A. Egges kald; First Lutheran, Sarnia, Qualey, av past. Norris Olsons kald; Concordia og Zion av B. Hofrennings kald; Beach og Sentinel Butte, past. W. T. Gigstads kald, Dovre og Nord Dovre av past. A. Herleikfsons kald; Sims og Almont, past. J. Thornells kald; Big Pembina og Vang, past. Theo. Thorsons kald; Roseland, St. Olaf og Alexander av O. R. Svores kald; Wilmington og Spring Creek av G. A. Hansons kald; St. Olaf og Vernes av Geo. Menighetsfester

Bruflat menighet, past. A. E. Liens kald, Portland, N. Dak., kunde den 29de juni 1924 feire 50 aarsfest for menighetens stiftelse.

Samme dag feiret Qualey menighet, av past. Norris Olsons kald, nær Fordville, 40-aarsfest.

Perry menighet nær Portland, past. C. M. Hallangers kald, feiret 40 aarsfest den 2den november og Minot menighet, past. T. F. Gullixsons kald, den 1ste januar 1925.

Brinsmade menighet, past. R. O. Raftshols kald, festligholdt 25-aarsdagen for menighetens grundlæggelse samtidig som dens kirke blev indvidd. Endelig feiret Zoar menighet, past. L. J. Malkewicks kald i McKenzie Co., 15-aarsfest den 6te juli 1924.

Disse fester er tydelige tegn paa Herrens naade og kirkens vekst. Mens den ene menighet længst øst feirer 50-aarsfest, feirer andre menigheter længere vest 40-aarsfest eller 25-aarsfest og den længst vest 15-aarsfest. Saaledes har Herren stadig fulgt vort folk paa vandringen vestover og utvidet rikets grænser paa samme tid som han har bevaret de ældre menigheter i ordet og troen.

Gud forbyde i naade at Luthers trifte ord skulde gaa i opfyldelse blandt os, naar han sier at det rene evangelium neppe holder sig længer end 50 aar paa samme sted. Som vi takker disse menigheter for trofast samarbeide vil vi be Herren fremdeles velsigne dem til mange sjæles frelse.

Kredsmøter

Distriktets 18 kredser har som en regel holdt sine to møter hver ved siden av mange samtalemøter i de enkelte menigheter. Desuten har samfundets emissærer og andre tilreisende holdt mindre møter omkring i diftriktet til stor velsignelse for menighetene.

Sommerskolen ved Concordia College

Ogsaa ifjor i juli holdtes sommerskole ved Concordia College med dygtige lærere og sterk tilslutning. Komiteen har allerede for længe siden sikret sig lærere for dette aars kursus som skal holdes til sedvanlig tid. Det er inderlig at haabe at mange prester og andre menighetsarbeidere vil gjøre sig nytte av denne gode anledning.

Prestekonferansen

Konferansen møtte dette aar i Devils Lake fra 27de februar til 3dje mars. Henimot 75 prester var tilstede. Møtet var i alle henseender meget vellykket, hvilket for en stor del skyldtes past. A. B. Andersons og prof. Weswigs deltagelse. Erfaringen har vist at de prester som engang har begyndt at overvære disse prestemøter ikke gjerne vil miste nogen av dem. Konferansen anmodet sin formand paany at opmuntre alle distriktets prester at støtte denne institution, hvis velsignelser vanskelig kan overvurderes.

Hvis nogenlunde alle distriktets prester vilde komme sammen til disse prestemøter vilde disse med Guds hjælp styrke den aandens enhet som Gud vil der skal herske blandt os.

Concordia College

har hat et meget vellykket skoleaar, takket være Gud og de dygtige lærere som han har skjænket denne vor skole. Korporationen har fattet de nødvendige beslutninger til at overdra skolen til samfundet saa snart dette saa maatte beslutte.

Kvindernes Missionsforbund

har ogsaa dette aar gjort godt arbeide og trolig støttet menighetene i deres arbeide for missionene og andre kirkelige arbeidsgrener. Det fortjener distriktets tak og opmuntring.

Ungdomsstevne

blev av gode grunde ikke holdt i aar. Heller ikke vil der i sommer bli holdt noget stevne, da festlighetene i forbindelse med hundreaarsfesten og det store ungdomsstevne i Minneapolis maatte overflødiggjøre saadant stevne i distriktet.

Missionskomiteen

har holdt mange møter og dens eksekutivkomite som en regel én gang hver maaned. Den vil gjennem sin sekretær rapportere til dette møte.

Skolekomiteen

har ogsaa holdt mange møter og forsøkt at faa orden og fart i det vanskelige arbeide distriktet har git denne komite at forestaa.

Desværre lykkedes det ikke denne gang at bevæge statens legislatur til at fatte de nødvendige love for hverdagsskole under den offentlige skoletid. Tiltrods for at vistnok alle statens kirkesamfund enstemmig og indtrængende bad om saadan lov, lykkedes det dog kirkens motstandere at hindre planen. Endnu er saken dog ikke haabløs. Det vilde være ønskelig om distriktet igjen vilde indskjærpe sin begjæring om passende lovgivning.

Paa sidste møte fattet komiteen følgende beslutning:

"Resolved that in the second week of November, 1925, a meeting of the circuit committees of Elementary Christian Education and all Sunday School Superintendents and all other who are interested be called for the purpose of organizing a Sunday School Association for the North Dakota District of the Norwegian Lutheran Church of America, as per instructions of the District meeting of 1924 held at Fargo, N. Dak.

"Resolved that this meeting be held November 10-11, 1925, at Grand Forks, N. Dak., Rev. David Støve's parish."

„Homestead"-saken

Den av distriktet ifjor nedsatte komite bestaaende av samfundets formand, distriktets formand, sekretær og kirkeraadsmedlem i anledning de vanskeligheter som var opstaat mellem menighet og prest, har holdt møte med de angjældende parter. I overenstemmelse med komiteens kjendelse og raad har menigheten erklært kaldet vakant og har kaldt ny prest. Past. T. J. Vikse har antat kaldet.

Valg

Der skal ved dette møte ske valg paa alle distriktets embedsmænd, nemlig:

1. Formand paa 6 aar.

2. Viceformand paa 3 aar.
3. Sekretær paa 3 aar.
4. Kirkeraadsmedlem paa 3 aar.
5. To medlemmer paa missionskomiteen istedetfor pastorene G. A. Larson og A. G. Lien. De vælges paa tre aar.

Desuten skal der vælges skolekomite paa 2 medlemmer, idet distriktets formand er selvskreven.

Endelig skal der vælges et medlem paa komite nr. 6. Distriktet har ogsaa at nominere 10 medlemmer for Home Finding Society, hvorav foreningen selv vælger 5.

Herren velsigne vort møte i Jesu navn.

Eders i Herren,

J. D. Ylvisaker.

Komiteen valgt til at gjennemgaa formandens indberetning møtte i Trinity kirke den 11te juni 1925. Komiteen organiserte sig ved at vælge past. Ness som formand og undertegnede som sekretær.

Komiteen enedes om følgende indstilling:

Par. 1. Vi takker Gud som gjennem det svundne aar har hjulpet os, tiltrods for vore mange og store skrøpeligheter i utførelsen av arbeidet i hans rike.

Par. 2. Ifølge formandens indberetning uttaler vi vor store glæde over distriktets vekst og fremgang i det ytre arbeide, samt for den interesse i arbeidet der gir sig tilkjende derved at næsten alle prestekald har sine egne ansatte prester. Dog beklager vi høilig at der paa enkelte steder høres om ting der har resultert i at et andet samfund — under nævnte forhold — har optat arbeidet.

Par. 3. Med hensyn til den aandelige tilstand staar vistnok meget tilbake at ønske. Sløvhet og likegyldighet er meget fremtrædende blandt os — grundet den aarsak at vi lever under materialismens tegn. Dette tiltrods, tror vi dog at Gud er iblands os og at hans gjerning utføres i mange hjerter.

Par. 4. Vi glæder os med tak til Gud over de 4 unge mænd som i det sidste aar blev ordinert paa kald fra vort distrikt. Herren velsigne deres arbeide iblandt os.

Par. 5. Vi glæder os over at der paa mange steder i vort distrikt holdes menighetsfester — mindefester. Det er godt og anbefalelsesværdig at man ved saadanne anledninger mindes Guds godhet i det svundne aar.

Par. 6. Vi anbefaler og tilraader vore prester at overvære det bibelkursus som ogsaa iaar skal holdes paa Concordia College. Likeledes burde det være enhver prests pligt og ansees som et privilegium at være tilstede ve i distriktets prestekonferens hvor og naar den holdes.

Par. 7. Vi uttaler vor tak til Gud over det arbeide som i det svundne aar er utført ved Concordia College.

Par. 8. Distriktet takker Gud for Kvindernes Missionsforbund og for andre kvindeforeningers utrættelige arbeide gjennem det svundne aar.

Par. 9. Vi takker Gud for det inspirerende missionsmøte der blev holdt i Fargo sidste høst. Distriktet uttaler herved ønsket om at flere saadanne møter holdes.

Paa komiteens vegne,

O. T. Ness, formand.
A. H Berger, sekretær.

CONDOLENCES

"Whereas our Father in heaven in His unsearchable wisdom and counsel has called away through the door of death our brother in the faith and work, Rev. S. E. S. Meisel; and

Whereas the life and the work of Pastor Meisel have so deeply engraved themselves in the remembrance and in the very fabric of many congregations and institutions of our District and Church;

Be it therefore resolved, that this memorial be inscribed on the minutes of the North Dakota District and a copy thereof mailed to the bereaved wife of Rev. Meisel as an expression of thanks to God for the finished service of His servant."

"Nord Dakota distrikt av Den Norsk Lutherske Kirke ønsker at frembære sin hjertelige sympati til pastor Ensberg som siden sidste møte har fristet den store sorg at følge sin kjære hustru til graven.

Hun var en stille og bramfri kvinde som stod sin mand trofast bi baade i hjemmet og i hans ansvarsfulde gjerning.

Gud trøste den sørgende egtefælle og hans lille barn med det kristne haab at Herrens venner ingensinde møtes skal for sidste gang." (O. T. Ness.)

"Vi takker Herren for hvad han gav sit folk og sin kirke i past. O. L. Kirkeberg og for det lange virke og alt han fik utrette. Vi takker Herren for det lys han gav ham og mod til at kjæmpe for det han ansaa for det store. Vi takker ham ogsaa for den barnlige tro, tillid, frimodighet og glæde i Herren han fik beholde til det sidste og fordi han fik gaa ind til sabbatshvilen. Det er de efterlattes trøst at han nu faar hvile efter det lange og travle liv, og hans gjerninger følger ham. Vi ber Herren at han altid vil opreise mænd i sin kirke som kan fylde deres plads som han tar hjem til sig." (Adolph Egge.)

"Nord Dakota distrikt takker Gud for den store gave han skjænket vor kirke i past. S. M. Orwoll's arbeide, idet han i en række av 27 aar har tjent vort samfund med dygtighet og troskap. Efter længere tids sygdom blev han kaldt hjem til den triumferende kirke. Vi ber høstens Herre at utdrive arbeidere til sin høst.

Vi mindes hans kjære efterlatte hustru og barn og vil uttale vor sympati med de sørgende efterlatte. Maa Herren trøste dem og styrke dem til at bære korset i kristen taalmodighet ved den kraft som Gud alene kan gi."

By President of the Rocky Mountain District

Dear Friends and Brethren in Christ: Grace and Peace!

Psalm 105: 1-5: O give thanks unto the Lord; call upon His name: make known his deeds among the people.

Sing unto Him, sing psalms unto Him: talk ye of all His wondrous works. Glory ye in His holy name: let the heart of him rejoice that seeks the Lord.

Seek the Lord and His strength: seek His face evermore. Remember His marvelous works that He hath done: His wonders and the judgments of His mouth.

I have chosen this portion of the 105 Psalm as my introduction to the very brief report which I am expected to present to this District meeting, of the work accomplished in our District during the past fiscal year. This portion of the word of God expresses, perhaps, as well as any the prevailing sentiment among the Christian people in our District for what God has done for us during the past year.

The year 1924 was in many respects the most signally blessed and the results obtained were the most wonderful of all in the last twenty years that I have labored in the mission field in the Rocky Mountain District.

Ten mission charges became self supporting and nearly all the rest of the mission charges more than doubled their contributions to the mission.

The district was able to reduce its mission budget close to $24,000; not only this, but the District went over the top on the 1924 budget, which, as far as I know, has never happened before. The District has also done comparatively well on the deficit drive. A number of congregations have already gone over the top.

The prospects are also good for 1925 and we look for about ten more mission charges to become self supporting at the end of this year.

A beautiful spirit of harmony and good will exists between pastors and congregations and in only a very few congregations has any ill feeling been noticeable—and that nothing of a serious nature.

Great spiritual blessings have been reported from different parts throughout the District. It is the spiritual results and blessings that we must consider most important of all. Salvation of souls and the glorification of God's Holy Name should be the ultimate goal of the preaching of the Gospel and of all our Christian work and activities. For what shall it profit a man if he gain the whole world but lose his soul.

All faithful pastors and congregations deserve thanks and praise for the good work done during the past year– but to God alone belongs the glory. Let us therefore with the psalmist give thanks unto the Lord and sing praises unto His name and make all His wondrous works and deeds known among the people.

There is nothing more glorious and of a greater and more lasting worth, nor is there anything that benefits the human race for time and eternity more than the preaching of the Gospel of salvation as it is found in Jesus Christ. The work of the Christian congregation and the holy office of the ministry is therefore of the greatest importance and should demand our most sincere and prayerful consideration at all times. The gospel of Jesus Christ has the power to save our souls and to help us live godly in this world.

We cannot overemphasize the importance of a real, true spiritual life in our congregations, because it is vital and fundamental to all Christian activities.

Regarding family devotion, prayer and the proper use of the holy sacraments and the proper religious training of the children in the homes much could, indeed, be said. But let it suffice to remind every pastor and church member that unless we be found faithful stewards of God's manifold gifts and blessings, we shall be the losers and our children and the generations to come will suffer the consequences.

In this age of skepticism, unbelief, worldliness and materialism the power of money has such demoralizing influence upon the human mind that not only have the high officials of our government and the leaders of education sounded a warning of the threatening danger that now confronts us, but even the cool blooded business men of our country have observed the signs of the times and have given the danger signal. It appears that they nearly all agree that there is but one remedy that will save the deplorable situation we now are in. The remedy is—back to the church. The gospel of Jesus Christ alone has the power to change men's sinful hearts. This should be the golden opportunity of our church to proclaim the wondrous works of God.

During the last year I spent the greater part of my time in visiting the mission congregations and urging them to do their utmost to become self supporting, if possible. I also worked for the general budget of our church as much as I could. The financial secretary of our district did splendid work for the budget as did also most of the local pastors.

We may argue the question concerning raising the church budget as much as we please, but in the last and final instance it simmers down to the local pastor. If he is willing and has the ability to organize the work, the budget, as a rule, will be collected. If he takes a contrary view and is unwilling to take a hold and encourage his people, nothing much, if anything will be accomplished. The pastor therefore, to a great extent, is responsible for the collection of the budget. The pastor should not only preach about Christian living, but also about Christian giving, because Christian giving is a very essential part of our Christianity. Show me thy faith by thy works. Faith without works is dead. We are saved by faith in Christ, but a living faith is an active faith that will naturally produce good works.

I have attended a number of church council meetings, mission board meetings, board of Christian elementary education meetings and have preached and lectured 137 times during the year. I have also given what services I could to the vacant congregations during the year.

The following mission charges have become self supporting during the year:

The Scoby charge, Rev. C. G. Tjomsland, pastor.
The Froid charge, Rev. I. O. Tvedt, pastor.

Resignations

Rev. A. Dale has resigned from Miles City, Mont.

Rev. B. C. Nelson has resigned from the Manito Congregation, Spokane, Wash.

Rev. M. J. Westphal and Rev. L. M. Halvorson have moved out of the district, also Rev. K. M. Mjaaness.

Pastors who have moved within the district: Rev. Edward Erickson from Hingham, Mont., to Anaconda, Mont.

Rev. O. K. Davidson from Bozeman, Mont. to Glendive, Mont.

Rev. A. Gravdal from Absarokee, Mont. to Circle, Mont.

The following pastors have moved into the district:

Rev. C. C. Jensen, Rev. Robert Hermanson, Rev. I. O. Tvedt, Rev. O. T. Haugen, Rev. G. O. Fjeseth, Rev. W. Madson has accepted the call to Savage, Mont.

The following theological candidates from the Luther Seminary, St. Paul,

have been called into the district: Gerhard Aarestad, to Whitefish, Mont., Arnold Flaten, to Laurel, Mont., Ernest Hoff, to Livingston, Mont., Oscar Olsrud, to Hingham Mont., Elmer O. Lee to Fairview, Mont.

All have accepted except Elmer Lee. It is hoped that he also will accept.

During the past year the three evangelists of our church have made short visits and have held a number of meetings in the different parts of the district These meetings have been very good, but the visits have been altogether too short. Anything less than a week's meeting in each congregation is too short. We are very thankful and appreciative for what we have received, but we desire and are asking for much more in the future The evangelists ought to spend much of their time on the home mission field. There is where they are needed above all. May the Lord richly bless the work of the evangelists in our church.

Elementary Christian Education

The committee have met a number of times and have tried to do what they could for this important cause in our church, but I am sorry to state that the response and the result looked for have, in many cases, been a disappointment.

I want to ask you a fair question: Do you consider the work of the Christian training and instruction of the young one of the most important works that the church has been called to perform, and if so, is it not high time that a more effective work is done along this line? What will become of our young people as Christian members of the church of our fathers, if we neglect the golden opportunity to properly instruct them in the way of salvation truth and righteousness? Dr. Jacob Tanner deserves thanks and support for his interest in the work he is doing for Christian instruction of the young in our church.

If there is no possible way that the congregation can afford to have a week day parochial school for the instruction of the young, I would suggest that the pastor so arrange his work as to be able to teach the children himself. The congregation should be instructed by their pastor to feel the responsibility for all who have been baptized into fellowship with Christ, as well as to their duties toward the heathen who might happen to be their next door neighbor. We must also try to do more to encourage the Y. P. L. L. work in our congregations and enlist, if possible, all our young people to work earnestly for the advancement of the Kingdom. There ought to be an active Y. P. organization in every Lutheran congregation. Our Sunday schools need efficient and well informed Sunday school teachers, and where shall we obtain them unless it be from our young people?

The District Mission Committee has met a number of times during the year, and has spent much time and effort for the cause and the good of the mission. The committee, and especially its secretary, Mr. T. A. Myklebust, deserves much praise and thanks for the splendid work accomplished. He will also report to this convention.

The W. M. F. of our district has done a praiseworthy work for the church. Mrs. J. C. Hjelmervik, the president has in a very able and efficient manner conducted this branch of our church work to the gratification of us all and deserves our thanks.

The Lutheran Brotherhood should receive more attention from our Christian people than has been the case before. Every pastor and congregation will find it very profitable to have such an organization of men to assist with the work in the local congregation. Such organizations have already accomplished much good in many of our congregations.

Church Papers

Next to the preaching of the gospel and the administration of the holy sacraments the pastor will find that our excellent church papers are some of his best assistant missionaries in doing church work—helping to create proper Christian atmosphere in the church and community and bringing to our people the much needed knowledge of our different activities in the church, besides furnishing wholesome food for both mind and soul. If the pastor is wise,

he will not give up until he has succeeded in placing one or both of our church papers in every home in his congregation or community.

Mission work at the State University and Normal Schools

This is a very important mission work in our church and is worthy of our best consideration. At present Rev. O. M. Grimsby is doing what he can for the Lutheran students at the University of Missoula and Rev. Gerhard Peterson is doing what he can for the Lutheran students at the University of Moscow, Idaho and the State College at Pullman, Wash. As Bozeman, Mont. is vacant, nothing much could be done for our Lutheran students there this last year. Rev. C. C. Jensen has been requested to do what he can for Lutheran students at the state normal school in Lewiston, Idaho. There are still other state schools where such work ought to be done. We must all realize the importance of this work when we think of the fact that these young people who frequent these institutions of higher learning are destined to become the leaders in the future in both church and state. Our church needs these young people and they need our church. Up to this present time our church has not had the money nor the equipment to do this work as it ought to be done. Thousands of our brightest young Lutheran people have been lost to our church at these state institutions, because we have been sleeping while the Catholics and the Reformed churches have been on the job.

What is the matter with our Norwegian Lutheran church? Are we poorer Christians that the rest? Are we financially poorer? Are we less willing to sacrifice for the cause of Christ and the salvation of souls than the rest?

Spokane College

It is understood that the district presidents are not to report regarding church institutions, as the proper board will do so but under the present circumstances I feel it my duty to appeal to our church people for a wholehearted and loyal support of Spokane College, which is a mission school in a mission district and is very much needed. President Olson will, in all probability present a report to the convention.

The Church Extension Fund

According to the constitution of our church this fund was established for the purpose of helping poor and worthy mission congregations, and is therefore a very important factor in our home mission work. The lack of church extension funds I consider one of the worst drawbacks in a successful home mission work. For want of adequate church buildings and parsonages on the mission field the work has suffered greatly. Many of our people do not care to worship in private houses, or in a school house or a lodge hall or a dance hall—and rather than to attend Lutheran services in such places, they will attend reformed church service where they have magnificent churches. Let every loyal Lutheran Christian contribute liberally and as God has blessed him, to our church extension fund. This fund will continue to work and spread blessings for generations to come, after you and I have gone to our eternal rest.

The Language Situation

The language situation is no longer a serious problem in our district. According to statistics this is the most English district in the church. English is used nearly altogether at our district meetings. There is no noticeable agitation for or against one language or the other. The matter has been left to take its natural course and this is the wisest plan. Due Christian consideration must be given to both young and old. We cannot afford to lose our young people. They will be the church of the future. Neither can we afford to insult or offend the old people, because they are the back bone of the church. If the pastor will use good judgment, he will be able to handle the situation in a manner that will not cause offense to either party, and the Kingdom of the Lord will go forward.

Application

Malta Lutheran Congregation, Malta, Mont., Rev. A. B. Cornelson's charge has applied for admission into the district. The congregation has adopted the model constitution of our church.

Elections

This year is the election of district officers—district president, vice president, secretary and assistant secretary, member of church council, financial secretary, a member of committee No. 6, a member of the committee on Christian Education, two members of the Home Mission committee, as the terms of Rev N. J. Holm and Mr. T. A. Myklebust expire this year.

In conclusion I desire to express my thanks to Almighty God for His manifold blessings to His humble servant. Permit me also to express my high esteem and appreciation and thanks to the pastors and congregations for your good will and co-operation in the work. May the Lord bless our meeting and all our deliberations.

Psalm 67: 1-2: God be merciful unto us, and bless us; and cause His face to shine upon us; Selah.

That thy way may be known upon earth, thy saving health among all nations.

Yours in the Lord,

A. M. SKINDLOV.

The meeting closed by prayer led by Rev. A. Lunde.

A. Holbeck, Secretary.

1. The Rocky Mountain District is overwhelmingly opposed to the proposed change of elimination of said district.

2. We feel it unjust to be singled out of all the districts for such a radical change.

3. Our district has relatively the largest proportion of unchurched of Norwegian Lutheran descent of any of our districts.

We certainly believe that more supervisory work is needed in such a missionary field than in more established districts.

4. We question the economy of the proposed change in view of the fact that at least one field missionary is needed continually, and that such work can not be done thru occasional visits by the two adjoining district presidents.

5. And finally such a move would remove about entirely all support from Spokane College and thus leave our Church without any higher Christian School for a distance of about 1500 miles.

A. Holbeck, Secretary.

RESOLUTION

Whereas

The great mission field of the State of Wyoming has more in common and is more accessible from Montana than South Dakota,

And whereas the border congregations of Montana have been aproached for religious services and help,

Be it resolved that the large body of Lutherans located within the state of Wyoming be added to the Rocky Mountain District.

Passed at Rocky Mountain District meeting.

A. Holbeck, Secretary.

By President of the Pacific District

Dear Brethren in Christ:

Grace and Peace. Joshua 13-1: "There remaineth yet very much land to be possessed."

With the spirit of these words I wish to greet you all on this memorable occasion.

Our Norwegian Lutheran Church of America gathers in convention this year at a significant time in the history of our Norwegian American people.

The Norse-American Centennial which is celebrated this year marks an epoch in the history, development, and progress of the Norsemen who make up the main constituency of our Church Body.

With a retrospect of the past we marvel with thankful hearts at the great things God has permitted us to do in the great foundation work and development of our Church and our Institutions thruout our country.

Our pioneer forefathers came to our shores with little or nothing of the material wealth, but with a God-fearing heart and a loyal consecration to His Church and imperishable word. With this loyal devotion to His Word of truth they established Christian homes, engaged in various occupations, organized congregations and schools according to means and requirements.

Since those early pioneer days, thousands of sturdy immigrants have come to our shores and taken possession of available lands, entered the business marts or political fields of the country and have stood forth as valiant sons and daughters of the Vikings.

Numerous and large institutions have been created for the furtherance of God's Kingdom in caring for our own according to means and circumstances. Glorious possessions are ours. We praise the Lord God Almighty for the wondrous things achieved by His grace.

But as we look into the unexplored fields of unchurched Lutherans numbering into the thousands in our Pacific District alone, and realize the necessity of intensified activity in order to measure up to a standard of work and results, we are often perplexed at the situation and problems before us, and say "Who is equal unto all this?"

With due respect for all achievements by the grace of God in our Synodical Church work, we must nevertheless confess that our progress in the various local fields and thru the District has not been commensurate with the growth along other activities and other organizations.

Thousands of our faith are unchurched and at our very door. Their need of a Savior and a useful consecrated life should be the subject of our prayers and mission efforts.

Man, the child of God, is in need of Christ; but apostacy, unspirituality and indifference for that which is sacred and eternal is alraming to a noticeable degree.

How to reach the unchurched and to minister to them the Divine means of Grace as well as to awaken our Church members to a deeper sense of spirituality and responsibility is a problem which the ministers of the gospel should be so concerned about that nothing short of a wrestling with God in prayer and consecrated work can bring results by those whom God has called to preach the gospel which is a power unto salvation.

Loyalty on the part of all must be emphasized so that the true and whole scope of our Church and her purposes and mission work is impressed upon every one as a Christian's personal responsibility.

May God, thru His Holy Spirit, give grace and strength to our spiritual leaders so that a spiritual awakening may be experienced among our people. Nothing short of a genuine spiritual revival can counteract the spiritual lethargy and indifference of our people.

We may build and work, but unless the Lord lays the foundation thru a sincere conversion of the heart to Him, our work and edifices will only mock our very efforts.

Many of our congregations need to be aroused to a greater degree of spirituality and activity. Many congregations in communities where the Lutheran following is strong have nevertheless not grown in proportion to the opportunities afforded them. Many members of our churches are self-satisfied to the extent of stagnation. The fact that they are associated with a Church where religious work and services are conducted is to a great many sufficient, while the large masses of unchurched people, arouse no interest in them for greater mission activities, consecration of personal efforts and expansion of work.

No wonder that in so many of our Lutheran centers thousands of our unchurched Lutherans are absorbed by the other Protestant denominations, who with their centralized church organizations, energetic work and numerous ways of soliciting and attracting make an impression upon our people.

In all our larger cities efforts of consolidation of several neighborhood churches should be conscientiously worked for, eliminating churches duplicating work and overlapping each other, retaining only such as have a mission and a future and establish larger central churches with a strong force of energetic workers to bring in the unchurched of different nationalities.

We need faith in our cause and opportunities. We have the pure doctrine and gospel, then why place our light under a bushel when it might shine abroad bringing blessings and joy to thousands who will love our church when they learn to know her history, doctrine and profession in faith and purity of life.

Our Sunday schools and Bible class instruction is in need of more efficient system and support. This can be attained only by a systematic course of instruction imparted to the confirmed members of our church, who must recognize it as their duty to help the church and pastor in this important and fundamental work for the upbuilding of a strong spiritual congregation. We hope for a greater efficiency in our Sunday school work thru the conducting of Teachers' Institutes under the system of the Christian Elementary Educational course as adopted by our Church.

Our Pastors

have worked faithfully within our District. Many have felt the burdens and difficulties of their work but with prayer and trust in God their work is being blessed. It could not be otherwise in a work where we have the promise of the abiding presence of the Everlasting One, "Jesus Christ the same yesterday, today, and forevermore," and who manifests Himself to His believers in the Word and Sacraments.

Language

The Norwegian language is still the main language in the majority of our congregations for public worship. Many of our constituents who come here either from the Old country directly or from the eastern states adhere to this language as their favorite language prefering to express their spiritual life in private and public worship thru the mother tongue. Nevertheless we must confess with remorse that the inadequate use of English in our Church work, partially or wholly has been the cause of much of our retrogression in the growth of our Church. The language situation must be handled judiciously and in keeping with the actual needs and yet be on guard so as not to place language ahead of Christianity.

The Spirituality

of our constituency is far from the ideal if we are to judge by the enormous numbers who live a life of worldliness, indifference and neglect of the means of grace. Not only is this true of the great number of our unchurched people, but in some instances alas many of our Church members and professing Christians are too lax in their separation from a world of corruption and ungodliness.

The world of unbelief is strong, the forces of darkness are growing and their endeavor is to seduce the very elect.

The materialistic spirit, the craze for amusements, sensationalism and apostacy are not on the wane, and while we hope that a goodly portion of our people have not bowed knee to Baal, it behooves us to watch and pray.

The Budget

for the carrying on of the Lord's work has been loyally supported by many of the congregations, while others have not subscribed their full quota, due in many instances to local causes such as financial drives for new churches and other projects absorbing funds and interests for local objects.

If we are to succeed in our work as a Church body, it is absolutely necessary to hold before our people the importance of our missionary and educational activities so as to create a loyal and intelligent membership thruout our Church. Every pastor should emphasize this educational campaign and publicity work relative to our Church activities.

Meetings and Visitations

During the past year your District President has visited congregations and mission fields and has preached, lectured, and taken part in meetings of the District Circuits, conferences, and conventions aggregating a total of 176 sermons and addresses.

Rev. C. B. Johnson, Lawrence and environs. By Rev. J. T. Norby, May 17, 1925.

Pacific Lutheran College

at Parkland, Wash., has just closed one of its most successful years in its history. A large attendance has been most gratifying, and the spirit of the institution has been noble and elevating in its purpose and mission as a Christian institution where the high ideals of Jesus Christ are set forth both in teaching and practice, imbuing the students with a spirit of loyalty and true character. May all within our district awaken to a full realization of the necessity of a school of this character, and yield it due and loyal support, that its burdens may be mutually shared by all.

May God bless the work at this our only college within the district.

Pastors Who Have Moved Out of the District

Rev. H. J. Thorpe, Portland, Ore.; Rev. I. B. Snartemo, Anacortes, Wash.

Moved Within the District

Rev. A. W. Ramstad, from Seattle to Bremerton, Wash.

Pastors Who Have Moved Into the District

The Y. P. L. L.

The Y. P. L. L. organization has been very active and inspiring throughout the district. Our young people of today are the Church of tomorrow. Therefore we must give them as much time, place and encouragement in the Church work as possible.

C. E. E.

This year we hope to put into operation a course of instruction for Sunday school teachers under the C. E. Educational Board, so that greater efficiency in Bible instruction and Sunday school work can be attained.

Evangelistic Work

Rev. T. Tjornhom conducted a series of evangelistic meetings in the congregations of Southern California this spring, and we pray that God's Spirit will descend upon the hearts where the precious seed has been sown so that blessings may be experienced in believing consecrated hearts.

May God richly bless our meeting and all our deliberations.

Yours in the Lord,

J. A. E. NAESS.

DEPARTMENT I

III. KOMITEINDSTILLINGER OG DERES BEHANDLING

1) Indstilling A

Indstillingskomite nr. 1 bestaaende av pastorene L. O. Rondestvedt, O. T. Storaaslie, Olaf Ellingson, A. N. Brudvig, R. R. Syrdal, K. A. Bodin, Theo. Lerud, samt delegatene A. G. Anderson og E. A. Mykland organiserte sig selv ved at vælge pastor Rondestvedt til formand og pastor Theo. Lerud til sekretær.

Komiteen indstiller følgende til aarsmøtet:

Paragraf I. 1. Idet samfundet stuer tilbake over de otte aar av dets bestaaen og spører hvor rikelig den naadige Gud har drysset sin rike velsignelse over det, og det har faat naade til at holde fast ved de to fundamentale sandheter, nemlig først, at bibelen er Guds inspirerede, ufeilbare ord, som eneste kilde, regel og rettesnor for tro, lære og liv, og dernæst, at Jesu lidelse og død var stedfortrædende for verdens synd og straf, uttaler det sin tak til Gud for hans naadige bestjærmelse og nedber hans rike velsignelse over dets fremtid.

2. Aarsmøtet uttaler sin tak til Gud for den vekst samfundet har studt og ber Gud at han fremfor alt maa gi en indre vekst op til ham som er hodet, den Herre Jesus Kristus, og at der maatte altid bli en sterkere higen og en alvorligere kamp hos dem som kjendes med Kristi navn efter at vokse i sand helliggjørelse. Derfor tilstemmer oggaa aarsmøtet formandens uttalelser med hensyn til nødvendigheten av alvorlig vækkelse og omvendelsens prækener for de mange som sover.

3. Aarsmøtet uttaler sin glæde over at de som er satte til at forkynde Guds ord deler lov og evangelium rettelig og forvalter sakramentene efter Jesu indstiftelse.

4. Som kirkesamfund glæder vi os sammen med den øvrige del av Norrønastammen for de mange og store velsignelser der har tilflytt os i det nye hjemland de sidste 100 aar.

Takkende Gud for hvad han gav os og nedbedende hans velsignelse over land, folk og kirke.

Paragraf II. Aarsmøtet henstiller til formanden at utnævne en resolutionskomite at forfatte passende „In Memoriam" resolutioner.

Paragraf III. 1. I anledning av pastor Joseph Tetlie's opgjør med en komite, sendt for at forhandle med ham paa kirkeraadets vegne, uttaler aarsmøtet det haab at pastor Tetlie er kommen til en sand erkjendelse av sine vildfarelser, og at han er vendt tilbake til sin barndoms tro.

2. Med henblik paa ovennævnte sak og i betragtning av den fare som truer vor kirke av den indbryiende liberale aandsretning, kræver samfundet av sit teologiske fakultet, og de bestyrelser som har med utsendelsen av mænd i kirkens tjeneste at gjøre, at de med al mulig flid forvisser sig om angjeldendes tro og bekjendelse før de anbefales til embede eller utsendes paa missionsmarken. En uforbeholden tilstemmelse av den lutherske tro og bekjendelse maa i alle tilfælder være den første betingelse for ansættelse i samfundets tjeneste, saa vel her hjemme som i hedningeland. Denne regel bør især indskjærpes under de nuværende forholde.

3. Paa samme tid som samfundet venter av sine bestyrelser og kirkelige tilsynsmænd at de samvittighetsfuldt staar paa vagt mot indsnikende falske lærdomme i kirken, tilsier det dem ogsaa sin fulde støtte i enhver sak hvor kristelig retledning og læretugt søndes paakrævd. I tilfælder hvor forhandlinger har været ført i kristelig visdom og kjærlighet i længere tid uten frugt, bør der optrædes med fasthet ifølge Guds ord og kirkens tilstemmelser.

Paragraf IV. Aarsmøtet beslutter at Landsforbundets begjæring angaaende anerkjendelse av det norske landsforbund som staaende i samme forhold til samfundet som Young Peoples Luther League staar som samfundets engelske ungdomsforbund, indvilges, dog saaledes at samfundet ikke skal bære finansielle forpligtelser for landsforbundet.

Paragraf V. Aarsmøtet antar følgende resolution i anledning av Young People's Luther Leagues forhold til samfundet:

"The Church Council has noted with gratitude the splendid progress made by the Young People's Luther League, and the excellent work that is being done by this organized effort on the part of our young people, and expresses its continued interest in and hearty support of this activity within our Church.

"The Church Council welcomes a closer cooperation between the Council and the management of the League and believes that this can best be accomplished by free and frank conferences from time to time.

"Commencing with the next regular meeting of the Council, the President shall invite the President and Executive Secretary of the League to be present at one session of each regular meeting, for the purpose of conferring, consulting and counselling together relative to matters affecting the young people's work, its relation to the other activities of the Church, and such other matters as may be of mutual interest and concern."

Paragraf VI. 1. Aarsmøtet tilstemmer kirkeraadets beslutning om at alle samfundets medlemmer bør vise samfundet den loyalitet de skylder det, ikke øve unødvendig kritik over dem som maatte ha et andet kirkelig syn eller over samfundets ledere og embedsmænd.

2. At distriktsformænd, kredsformænd og prester opfordres til at fremholde ved alle opbyggelses- og samtalemøter nødvendigheten av en sand omvendelse til Gud, en dypere hengivelse til Herren og vor kirkes interesser.

3. At vore kirkeblade bedes om at opmuntre vort folk til større offervillighet for kirkens forskjellige arbeidsgrener.

Paragraf VII. Komiteen foreslaar at første del av paragrafen om religion i skolen i formandens indberetning henvises til Komite nr. 9 (Board of Elementary Christian Education), og at sidste del av paragrafen henvises til Komite nr. 7 (Forlagsvirksomheten).

Paragraf VIII. Luther Teologiske Seminar.

1. Samfundet opfordrer dr. M. O. Bøckman til fremdeles at staa som bestyrer for Luther Teologiske Seminar med frihet til at delta i forelæsningene eftersom han selv synes.

2. I betragtning av omstændighetene ved vort seminar og i betragtning av de store krav som vor tid stiller til en teologisk læreanstalt beslutter samfundet at der iaar vælges to teologiske lærere.

Paragraf IX. Paragraffene i formandens indberetning angaaende Luther College, St. Olaf College, og de andre skoler henvises til Komite Nr. 2 (Skoler).

Paragraf X. Paragrafen i formandens indberetning angaaende indremissionen henvises til Komite nr. 3 (Indremissionskomite).

Paragraf XI. Paragrafen i formandens indberetning angaaende hedningemissionen henvises til Komite nr. 4 (Hedningemissionskomite).

Paragraf XII. Paragrafen i formandens indberetning angaaende vort barmhjertighetsarbeide henvises til Komite nr. 5 (Barmhjertighetsarbeide).

Paragraf XIII. 1. Da der har været adskillig tale om hvorvidt distriktsformændene skal være lønnet av samfundet eller ei, og da der i aar er valg paa distriktsformænd for en termin av seks aar, og da advokat Rue har erklært at en forandring i distriktsformændenes stilling kun kan foretas ved en forandring i distriktskonstitutionen, saa henstiller aarsmøtet til de respektive distrikter at forandre distriktskonstitutionens Kapitel 3, Par. 8 b saalydende: „Distriktsformanden lønnes som saadan, og ofrer al sin tid for sin embedsgjerning" der hen, at denne del av paragrafen strykes.

2. Istedenfor Par. 10, hvori formandens pligter er fastsatte, foreslaaes: Det overlates til de respektive distrikter selv at bestemme de hverv de vil lægge paa sin formand.

3. Endvidere bestemmer distriktene selv med hensyn til løn, og hvert distrikt utreder den løn de maatte bestemme formanden skal ha.

4. En kopi av disse resolutioner oversendes sekretærene for de respektive distrikter til behandling ved distriktets indeværende møte for derfra at bli rapporterte tilbake til dette aars fællesmøte.

Paragraf XIV. Paragrafen i formandens indberetning angaaende Lutheran Deaconess Home and Hospital henvises til Komite nr. 5 (Barmhjertighetsarbeide).

Paragraf XV. Aarsmøtet anbefaler Israelsmissionen til samfundets velvillige støtte og forbøn.

Paragraf XVI. Paragrafen i formandens indberetning angaaende Pensionsfondet henvises til Komite nr. 8 (Pensionsfondet).

Paragraf XVII. Aarsmøtet uttaler til Kvindenes Missionsforbund samfundets tak med bøn om velsignet virke.

Paragraf XVIII. Aarsmøtet uttaler sin dyptfølte tak til The Young People's Luther League og Choral Union og nedbeder Guds rike velsignelse over deres fremtidige arbeide.

Paragraf XIX. Aarsmøtet tilstemmer kirkeraadets beslutning angaaende National Lutheran Council, page 12 — Indberetning.

Paragraf XX. Paragrafen i formandens rapport angaaende arbeidet for vore lutherske studenter ved forskjellige statsskoler henvises til Komite nr. 3 (Indremission).

Paragraf XXI. Biskop Johan Lunde.

Den Norsk Lutherske Kirke i Amerika uttaler sin dyptfølte tak til Biskop Johan Lunde av Oslo for hans uforglemmelige besøk ved vort aarsmøte, ved vore høiere skoler og i flere av vore menigheter. Vi takker for den hjertevarme hilsen fra den norske moderkirke.

Norsk Lutherske Kirkes aarsmøte ber biskopen bringe vor hjerteligste hilsen til moderkirken.

Vi, moderkirkens utvandrede barn, takker for arven som den gav os i Guds rene ord, sakramentene og den lutherske barnelærdom. Hils den, at det har været, er og skal vedbli at være vore bestræbelsers høieste maal at bevare arven som vi fik saa at vi kan overgi den til efterslegten slik som vi sik den fra moderkirken. Hils moderkirken at vi sørger sammen med den naar den lider og glæder os med den naar det gaar den vel.

Det er vort haap og vor bøn at naadens og barmhjertighetens Gud vil bevare moderkirken og dens utvandrede barn i troskap mot Herren og hans ord indtil dagenes ende.

Paragraf XXII. Dr. Stubs resignation.

Da vor ærværdige formand dr. H. G. Stub efter en lang og trofast tjeneste i Guds kirke, som prest(teologisk professor og styresmand i den Norsk Lutherske Kirke i Amerika, nu paa grund av sin høie alder og svækkede helbred, har fundet det ret at resignere fra formandsembedet i vort samfund, være det besluttet:

1. Dr. H. G. Stubs resignation antas.
2. Aarsmøtet uttaler sin hjertelige tak til dr. Stub for hans lange og tro tjeneste i kirken.
3. Aarsmøtet vælger dr. H. G. Stub som formand emeritus med en løn av $2,000.00 per aar.
4. Det henstiller til Komite nr. 6 at indbefatte nævnte beløp i budgettet.

Paragraf XXIII. Aarsmøtet antar følgende bilag til sekretærens rapport:

The annual meeting in 1923 authorized the appointment of a committee to make recommendations in regard to the contents of the annual report and its arrangement. Dr. Stubs resignation

Da komiteens indstilling med hensyn til dr. Stubs resignation var antat, sa dr. Stub blandt andet:

Kjære forsamling. Denne beslutning berører mig personlig paa det dypeste. I otte aar har jeg tjent som formand for Den Norsk Lutherske Kirke. I denne tid har jeg to ganger været syk, hat operationer og ligget paa hospital. Efter den sidste sygdom saa det ut til at jeg ikke igjen vilde gjenvinde arbeidsdygtighet.

Da jeg for to aar siden tok imot valget til formand, nævnte jeg, at jeg tok imot det med den forstaaelse at jeg vilde ha ret til at resignere. Da mine kræfter efter sidste sygdom ikke tillot mig at gjøre arbeidet som stillingen krævet, skrev jeg til viceformand Aasgaard og meddelte ham, at jeg hadde bestemt mig til at resignere. Jeg betragter det derfor som en æressak at fremlægge denne min resignation for aarsmøtet, uagtet jeg ikke nu betragter mig selv som nogen gammel arbeidsudygtig mand. Jeg tror jeg endnu kan gjøre adskillig arbeide for vor kirke.

Jeg takker Den Norsk Lutherske Kirke fordi den har valgt mig til præsident emeritus. Jeg sætter pris paa den ære som dermed er bevist mig. Jeg takker ogsaa for den løn som I har besluttet at gi mig. Jeg kan si til Den Norsk Lutherske Kirke at jeg trær ut av embedet uten at ta med mig fra samfundet jordisk gods. Ved hjælp av hvad min hustru eide har vi greiet det. Jeg har aldrig begjært mere end samfundet bestemte.

Jeg haaper at jeg endnu vil kunne gjøre adskillig arbeide for Den Norsk Lutherske Kirke, selv om jeg ikke staar i broderforhold med alle de samfund som deler vor tro og bekjendelse, i denne tid da vi maa kjæmpe mot saa mange onde magter. Jeg mener ikke dermed at vi skulle træ i organisk forening, men at pleie præstestolbytte og alterfællesskap; at der kunde bli en fælles forstaaelse og mere samarbeide i missionsarbeidet og skolearbeidet. Jeg vet professor Aasgaard vil gjøre hvad han kan i denne henseende.

Brødre, jeg vil atter faa lov til at takke for al kjærlighet vist mig. Maa Gud velsigne eder og maa han hjælpe vor Norsk Lutherske Kirke til at holde fast ved den urokkelige sandhet som hviler ene og alene paa den sikre grundvold Jesus Kristus.

Viceformand Aasgaards svar

Viceformand Aasgaard sa i sit svar til formand Stubs uttalelse blandt andet:

Der er tre ting i formandens uttalelse som jeg vil faa lov til at nævne:

1. Hans forbøn. Det er noget den kristne kirke trænger, og vi vet at formand Stub har bedt saavel som arbeidet for Den Norsk Lutherske Kirke. Vi vet han vil fremdeles vedbli at be for den i fremtiden.

2. I kirkeraadet og i vore komiteer vil dr. Stubs raad ofte bli søkt.

3. Vi sætter pris paa at han tænker paa at fremlægge for vor Norsk Lutherske Kirke de kirkehistoriske dokumenter som han har i sin besiddelse.

Jeg vil paa Den Norsk Lutherske Kirkes vegne faa lov til at ønske dr. Stub en lys og blid aften og forsikre ham om at han ledsages av manges bønner.

Maa Gud velsine dig, dr. Stub! Og tak skal du ha for hvad du har gjort som prest, professor og styresmand i over femti aar blandt det norsk lutherske kirkefolk.

Paa forslag av pastor J. C. Roseland tilstemtes viceformand Aasgaards uttalelse ved reisning.

Par. XXIII. Sekretærens rapport. Antokes.

ELECTION OF PRESIDENT

Friday Forenoon

Resolved that we proceed immediately to the election of president for a term of four years.

District President Holm moved that the Vice-President J. A. Aasgaard be elected as president for the balance of the present term.

Resolved by a rising vote that the Secretary be authorized to cast the convention's vote for Dr. J. A. Aasgaard as president of the Norwegian Lutheran Church.

The Secretary cast the convention's ballot for Dr. J. A. Aasgaard as president for the Norwegian Lutheran Church for the balance of the present term.

Dr. Stub who presided during the election declared Dr. Aasgaard elected as president for the Norwegian Lutheran Church for the balance of the present term.

Dr. Aasgaard expressed his thanks for the consideration which had been shown him by this election and stated that he would present his answer during the afternoon session.

Aasgaards svar

Til Den Norsk Lutherske Kirke i aarsmøte forsamlet!

Ærværdige fædre og brødre!

Naade og fred i Kristus Jesus!

I Faderens, Sønnens og den Helligaands navn antar jeg herved det til mig tilstillede kald som fællesformand. I tillit til Guds usigelige naade og opmuntret dertil av den tillit som blev mig bevist idag ved dette enstemmige valg har jeg tat dette skridt.

I denne stund er der ingen som bedre kjender til sin udygtighet og skrøbelighet i at gjøre Herrens gjerning end mig selv. Kun med henblik paa at hans kraft fuldkommes i skrøbelighet og hans naade er mig nok vover jeg at træ ind i denne ansvarsfulde stilling.

Brødre, glem mig ikke, nu naar I har valgt mig! Bed for mig som for eder selv. Jeg trænger daglig kristenfolks forbøn. Bed for vor kirke! Elsk den frem i dit hjerte og sind! La os i fælles virke bygge Guds kirke og bevare vor hellige tro for kommende slegter!

Gud gi mig naade til at være iblandt eder som den der tjener. Tjener først den Herre Kristus og i ham hans brødre. Om Gud vil, agter jeg at overta embedet den 1ste august dette aar og paa den samme tid slutte som viceformand.

Tak for vidnesbyrd om varm kjærlighet og inderlig tillit og frem for alt, tak du store og kjærlige Gud Fader i Kristus Jesus for din naade mot mig. Herre, jeg er ringere end al din miskundhet!

By rising vote the assembly greeted President Aasgaard welcome as the head official of the Church.

The General Field Secretary Pastor H. Shurson presented the following report from the Board of Trustees which was adopted:

Tirsdag formiddag

Indstilling B. Distriktsomordning

Sekretæren for komiteen fremla følgende indstilling:

Med hensyn til forslaget fremlagt for fælleskomiteen av Board of Trustees og Kirkeraadet med hensyn til sammenslutning av distrikter være det besluttet: Rocky Mountain distrikt opløses og deles slik at den del der ligger vest for fjeldene lægges til Pacific Distrikt og den del der ligger øst for fjeldene lægges til Nord Dakota Distrikt.

Denne indstilling henvistes til Rocky Mountain Distrikt med paalæg om at de rapporterer til aarsmøtet.

Besluttet at aarsmøtet henviser til Iowa og Syd Dakota disstrikter spørsmaalet med hensyn til hvilket distrikt Kansas skal tilhøre, og at distriktene rapporterer til aarsmøtet.

Rocky Mountain District's Answer

1. The Rocky Mountain District is overwhelmingly opposed to the proposed changes of elimination of said district.

2. We feel it unjust to be singled out of all the districts for such a radical change.

3. Our district has relatively the largest proportion of unchurched of Norwegian descent of any of our districts.

4. We question the economy of the proposed change in view of the fact that at least one field missionary is need continually, and that such work cannot be done thru occasional visits by the two adjoining district presidents.

5. And finally such a move would remove about entirely all support from Spokane College and thus leave our church without any higher Christian school for a distance of about 1500 miles.

J. Å. HOLBECK, Sec'y.

Resolution

Whereas, the great mission field of the State of Wyoming has more in common and is more accessible from Montana than South Dakota,

And whereas the border congregations of Montana have been approached for religious services and help,

Be it resolved, that the large body of Lutherans located within the state of Wyoming be added to the Rocky Mountain district.

Passed at Rocky Mountain District.

J. A. HOLBECK, Sec'y.

DISTRICT ORGANIZATIONS

Vice-President Aasgaard presented a request submitted by Pastor Chr. Christiansen in regard to the transfer of his congregations from the Eastern District to the Northern Minnesota District. The request was granted and Trinity Congregation of Ashland, Wisconsin, was transferred from Eastern to Northern Minnesota District.

Greetings to Capitol University

Friday Afternoon

The president called attention to the fact that Capitol University celebrates its 75th anniversary on the 17th of June, 1925. It was decided that President L. W. Boe, president of St. Olaf College, be sent as our representative.

AMENDING DISTRICT CONSTITUTION

Friday afternoon

The committee of three attorneys, to whom was referred the question in regard to Chapter 7 of the District Constitution, reported as follows:

Committee On Method of Amending District Constitution

Your committee appointed to consider the method of amending the District Constitution, makes the following report:

1. Amendments to be passed at General Convention.

Upon a consideration of Chapter Seven (7) of the District Constitution relating to amendments thereto, the committee has reached the conclusion that in order to amend the District Constitution, a resolution to so amend must first be adopted by some district meetings of a district by two-thirds majority vote of such meeting; thereupon the resolution so adopted must be laid before the other district meetings for consideration and if three of such other districts approve of this resolution to amend, then the resolution is laid before the general meeting of the Church, and if approved by the general meeting of the Church, it becomes effective immediately upon such approval.

2. Amendments to be passed at the Annual Convention held in the various districts.

The committee also considered whether a simple majority vote was sufficient or a two-thirds majority vote was necessary to the approval of the resolution to amend when voted upon by the district meetings other than the district that initiated the resolution. The committee expresses some doubt on this point, but the majority of your committee is of the opinion that a simple majority vote at the other district meetings is sufficient to approve the resolution to amend.

Respectfully submitted,

L. O. RUE,
LEWIS LARSON,
AND. GRINDELAND,
Committee.

JOINT REPORT OF CHURCH COUNCIL AND BOARD OF TRUSTEES

"The joint committee from the Board of Trustees and the Church Council recommends that:

The budget voted by the Church shall not exceed one million dollars, and the Church shall under no condition approve of a budget in excess of this amount, this total budget to be apportioned as follows:

1. Education	$270,000.00
2. Foreign Missions	265,000.00
3. Home Missions	265,000.00
4. Charities	200,000.00

Each board shall first assist the General Field Secretary in collecting the regular budget for the Church, and any amount raised for such activity, over and above the apportioned voted budget, shall be at the disposal of such board or activity, but each board shall under no circumstances expend any surplus over and above the amount voted by the Church, until such money shall be on hand. However, a campaign for raising funds over and above the apportioned amount of voted budget shall not in any case be made until a congregation shall have completed its collection for raising the regularly voted budget of the Church.

The Church has already a resolution on its record to the effect that no appropriation of any kind shall be considered at any annual meeting, unless it is first approved and recommended by the regular board interested and the budget committee. The Church reaffirms this decision and makes this an absolute rule that under no circumstances can be altered.

All pledges to the budget must be sent to the General Financial Secretary before June 1.

Inasmuch as the question has been raised as to whether certain districts could be consolidated or added to other districts with a view toward greater economy in administration and traveling expense, it is recommended that this matter be taken up for consideration by the proper committee and recommendations be reported to the convention before the district meetings are held.

The committee recommends that:

The annual meeting in 1925 elect a committee of nine to propose plans as to changes, whereby the respective districts may assume greater control of the Home Mission and Charity activities within their own territory, this committee to report to the general meeting in 1926.

This committee also to recommend such legal or constitutional changes as may become necessary to make above recommendation effective.

S. J. N. YLVISAKER,
Secretary Joint Committee.

Referred to Committee No. 1 Thursday forenoon.

FLAG DAY RESOLUTION

The Norwegian Lutheran Church of America in convention assembled, conscious of the fact that the Lord's Day of its closing festival of worship is also this year's Day of the American Flag, would now inscribe upon its official minutes a memorial expressing our love and honor for that emblem.

Taught from childhood to know the holiness of the name of God as symbolizing all that He is, we recognize more readily in the field of civic duty the name and the flag of America as standing for all that our country is and is to be.

Our flag does not wave above us without reminding us of what it has cost to place it there, to keep it there; without reminding us of the blessings we and all our people have received and do enjoy under its shadow.

While entreating our Father in Heaven that no further installments on that cost may be found necessary, we know full well that in the field of nations as in the kingdom of grace the invincible law maintains "righteousness first—then peace."

As the momentous Centennial Festival which brought to conclusion the first century of our fellowship as a racial group in the principles and privileges of America, our children have symbolized before all the world what has taken place in our hearts when the national anthem of our fathers' and mothers' land merged into the Star Spangled Banner, and when the colors of the Land of the Midnight Sun lost themselves in the living American flag saluted and hailed by tens of thousands of us. While memories are and will be cherished, with us at the shrine of civic duty the Stars and Stripes wave alone.

We as a church are here, under God, to plant and nurture the church of the Lord Christ. The righteousness which exalteth nations, will enhance the honor of our nation's flag.

T. F. GULLIXSON, Secretary.

COMMITTEE ON RESOLUTIONS

Be it further resolved:

That the convention expresses its appreciation to the representatives of the press and their respective papers for the publicity given the convention and its proceedings, and particularly to the city of St. Paul and its active Civic and Commercial organizations, the St. Paul Association for all hospitality and courtesy bestowed.

Be it further resolved:

That the convention expresses its gratitude to the committee having in charge the publication of a daily bulletin.

Be it further resolved:

That the convention expresses its appreciation to the Central Ladies' Aid of Christ Lutheran Church for altar and pulpit decorations at the Sunday services.

C. B. RUNSVOLD, Chairman.
C. S. THORPE, Secretary.

UNFINISHED BUSINESS

Free Conferences, Page 53

The following motion was referred to the Church Council with the endorsement of the convention:

"Motion is hereby made to authorize the President of the Norwegian Lutheran Church to invite the other Scandinavian Lutheran bodies in America for a free conference, for the purpose of organizing a federation of said bodies."

Time and place to be decided on by the respective bodies.

N. J. Holm.

Constitution Changes, Page 45

Committee No. 1 presented its report "C":

The General Convention shall elect a committee of nine men consisting of five pastors and four laymen, these men not to be members of any boards or to be executives, to gather and present to our first General Convention all necessary changes in the constitution and all other changes concerning the General Body of the Districts. Signed, THEO. LERUD.

After a considerable discussion the Report "C" from Committee No. 1 was adopted.

ENDOWMENTS

Department VI, Par. XVII

A crisis is impending by reason of the accredited standing of our two major colleges, St. Olaf and Luther, being threatened by the action taken by the North Central Association of Colleges and Secondary Schools as contained in the following paragraph:

"The college, if a corporate institution, shall have a minimum annual income of $50,000.00 for its educational program, one-half of which shall be from sources other than payments by students, and an additional annual income of $5,000.00, one-half of which shall be from sources other than payments by students, for each 100 students above 200. Such College, if non-tax-supported, shall possess a productive endowment effective for the first accrediting in 1924 and 1925 of $400,000.00 and 1925 of $500,000.00 and for all accredited institutions of this class in 1927 of $500,000.00 and an additional endowment of $50,000.00 for each additional 100 students above 200."

From this it will be seen that, in order to have recognition as standard institutions, our colleges must have at least $500,000.00 each by January, 1927. This sum covers the requirement of a college with 200 students. For each additional hundred students there is required $50,000.00. However, the Association now gives parallel credit for money granted to colleges by churches.

Whereas all will realize that with only a short period remaining until January, 1927,

Therefore be it resolved:

1. That a campaign be instituted to raise for endowment purposes for St. Olaf College $300,000.00 and for Luther College $250,000.00 and the endowments of the two colleges, Augustana and Concordia, be increased, and that the campaign for endowment purposes may begin simultaneously;

2. That when the Colleges have been thus provided for, active work be undertaken to place the Secondary Schools on a more stable foundation by providing endowments;

3. That this campaign be organized and conducted by the respective colleges;

4. That the time for the campaign be determined by the Finance Commitee, it being understood that it must be completed by January 1, 1927;

5. That any earlier resolution in conflict with these recommendations be rescinded;

6. That the territory covered in this endowment be districted to that territory ordinarily served by the above mentioned colleges.

On Friday afternoon the committee submitted the following supplementary report: that when the colleges have been provided for, active work be undertaken to place the Secondary Schools on a more stable foundation by providing endowments.

Committee on Annual Meeting

President J. J. Akre, Secretary K. O. Kandal, Pastor N. A. Bjelde.

Fra formanden for Canada distrikt

Indberetning til det andet specielle møte for Canada distrikt, holdt i Outlook, Sask., 2den til 4de juni, 1925.

Og Samuel tok en sten og satte den imellem Mizpa og Sen, og han kaldte dens navn Eben-Eser, og sa: Hittil har Herren hjulpet os. (1. Sam. 7, 12).

Brødre og medarbeidere i Herren! Naade og fred!

Det svundne aar har i flere henseender været et trængsels aar for Canada distrikt. Misvekst og uaar rammet større strøk av landet, og i byene gjorde arbeidsløsheten folkets kaar nok saa trykkende. Det kan ikke undgaaes at virkningene herav ogsaa føles i det kirkelige arbeide og vort kirkefolk, særlig de som stod for styret i kirkens forskjellige gjøremaal, har med angstelse set fremtiden imøte. Fra hovedbestyrelsen kom krav paa besparelse og fremtidig beskjærelse av budgettet, fra kreditorene kom sterke krav paa opgjør, den ene prest efter den anden forlot distriktet paa kald fra Statene. Det saa mørkt ut. Vi var i nød, og nøden drev os til Gud, vi anropte ham om hjælp og blev hjulpne. Dette møte skal staa for os som en mindesten, og vi kalder dens navn Eben-Eser. Hittil har Herren hjulpet os. I nød har vi været, til hjælp har vi trængt, om hjælp har vi ropt, og **hittil har Herren hjulpet os.** Ved at se Herrens hjælp har vi fattet nyt mod og har rettet de hængende hænder og de magtløse knær. Styrket i troen paa Gud og forvisset om at han er med os fortsætter vi med arbeidet, vidende at det ikke er forgjæves i Herren. Vor Eben-Eser skal minde os om at takke Herren for hjælpen vi fik i det aar som svandt og at søke hjælp hos ham for at kunne løse de opgaver som ligger foran os. La os nu, samlet til aarsmøte, samlet om vor Eben-Eser, reise os og takke Herren for hans naadige hjælp idet vi synger salme 76: „Nu takker alle Gud Med hjerte, mund og hænder, Som overflødig godt Os uforskyldt tilsender, Som alt fra moders liv Paa os har naadig tænkt, Og al nødtørftighet Saa rigeligen skjænkt! Den evig rike Gud Han os fremdeles unde Sjæls glæde, ro og fred, Han give, at vi kunde I naade altid staa Hos ham og ved vor bøn Faa hjælp i nød og død. Tilsidst en naadeløn, Gud Fader og Guds Søn Ske evig pris og ære, Den værdig Helligaand Derhos hølovet være! Velsignet Guddom som Forbliver, var og er, Vi dig i ydmyghed Vort takke-offer bær!"

Da møtets tid er saa knap, maa alt være saa kortfattet som mulig, og jeg skal derfor indskrænke mig til at nævne det allernødvendigste.

Missionen

Da over det halve av distriktets prestekald endnu er missionskald, har det været vanskelig for missionsbestyrelsen at fylde alle vankanser som kom av saa mange presters fraflyttelse. Flere kald har saaledes i længere tid været uten prestelig betjening. Jeg har anvendt saa megen tid som jeg har kunnet avse til at betjene disse kald. Flere kald er ogsaa dette aar blit lagt sammen for at kunne skaffe dem nogen betjening.

Missionsbestyrelsen har et vigtig og vanskelig hverv og trænger til presters og menigheters velvilje, forbøn og samarbeide, særlig nu i denne tid da midlene til arbeidet indskrænkes paa samme tid som arbeidet burde optas paa nye felter. Det er høist paakrævet at flere kald som i lang tid har faat understøttelse nu gjør en kraftanstrengelse for at bli selvhjulpne.

Skolene

Camrose College

Direktionen for Camrose College rapporterte i Hyrden fra møte av 20de mars: „De vanskelige økonomiske forhold vi har prøvd de sidste aar har hat sin

virkning paa skolen, saa utsigtene har ikke været lyse. Heldigvis har vi ingen gjæld paa skoleeiendommen, men de løpende utgifter for de to sidste aar har vi ikke klaret fuldt ut, saa der er blit noget av en underbalanse. Dog vil denne ikke bli større end at skolens venner let kan dække den ved at sætte igang en indsamling. I tillid hertil besluttet direktionen at fortsætte skolen som vanlig, og stridt blev tat for at sikre den nødvendige lærerhjælp."

Outlook College

Board of Management for Outlook College sammen med eksekutivkomiteen for Sask. N. L. College Association og dens formand. pastor H. L. Urness, hadde et fællesmøte paa skolen den 1ste og 2den april. Associationens eksekutivkomite besluttet at anmode distriktet, gjennem sit Board of Management, at fortsætte skolens drift det kommende aar da det hadde været mulig at drive skolen de to sidste aar uten at komme i gjæld. Det blev av B. of M. tat tilfølge og lærere valgtes for kommende aar.

Det er saaledes besluttet at begge skoler skal drives det kommende aar, og det vil vistnok være det heldigste at overlate til samfundets skolestyre at dele den sum som samfundet maatte beslutte at yde til skolearbeidet i Canada distrikt mellem de to skoler.

Det henstilles til begge skolers venner at hjælpe til at avkaste skolenes gjæld og at opmuntre vor ungdom til at frekventere vore egne skoler saa de kan tjene det formaal hvortil de er oprettet og drives uten tap.

Da kontrakten mellem Sask. N. L. College Association og Canada distrikt angaaende Outlook College nu er utløpen maa enten kontrakten fornyes for et vist tidsrum eller gjøres permanent, eller skolens drift atter overtas av skoleforeningen; denne har anmodet distriktet gjennem sit B. of M at fortsætte skolens drift og ønsker at dette gjøres permanent efter den plan som blev antat paa aarsmøtet i Camrose i 1924. Dette er en av de specielle saker som dette ekstramøte er sammenkaldt for at avgjøre.

Gamlehjemmet

Da komite nr. 5 ved aarsmøtet ifjor rapporterte i par 2: „Komiteen anbefaler at aarsmøtet fatter bestemmelser med hensyn til permanent sted for alderdomshjemmet," og samtidig et anbud fra Nyleh, Alta. blev fremlagt for aarsmøtet, blev det besluttet, „at henvise dette punkt til næste møte av Den Norsk Lutherske Kirke i Canada, indtil pastor Kildahl sammen med distriktets Board of Charities har undersøkt saken." Se aarsberetningen for 1924, side 217. „Board of Charities har som saadant undersøkt og overveiet anbudet fra Nyleh. Slik som anbudet foreligger, saa ser B. of C. sig ikke istand til at anbefale dets antagelse av distriktsmøtet." Saskatoon, Sask., 11te marz, 1925. K. O. Kandal, sekr. B. of C." Rapporten er ogsaa undertegnet av pastor Kildahl.

Det er maaske det viseligste at la det bero med den midlertidige ordning indtil videre.

Hyrden

I noget over et halvt aar har nu Canada distrikt hat sit eget kirkelige organ i „Hyrden," som utkommer to gange i maaneden og koster 1 dollar aaret. Redigert i en konservativ, stø, kristelig aand av pastor K. Løvenskjaerd, har bladet været til stor hjælp i arbeidet, og det vil være os til stor skade om det maa nedlægges. Men abonnentslisten maa mere end fordobles skal bladet bære sig, og spørsmaalet er om dette kan ske i en nær fremtid. Møtet maa fatte bestemmelser angaaende bladets fremtid.

Religionsundervisningen

Angaaende denne sak skal jeg kun peke paa hvad jeg sa ifjor. Se aarsberetningen, side 110. Der merkes dog trang paa flere steder efter at faa hverdagsskole for

barnene, og det er tegn paa lysere tider. Gud give det. Den komitee som av aarsmøtet ifjor blev nedsat for at „søke gjennem Department of Education i hver provins at faa skolelovene gjort mere fordelagtige for vor religionsundervisning, om mulig ved at samle den tid som nu er tillatt slik at det blir mulig for prester og lærere at gjøre bruk av den," vil rapportere ved sin sekretær, pastor N. R. T. Braa.

Presters forflytt ler

S'den sidste aarsmøte har følgende prester tilflyttet distrikter: T. J. Oppedahl, Camrose, Alta., og K. M. J. Mjaanes, Calgary, Alta.

Følgende prester har fraflyttet distriktet: A. B. Bergh, John A. Nielson, H. H. Lie, C. N. Sandager, Bernhard Guldseth, C. B. Johansen og Truman Tysdal.

Til de ankomne vil vi faa by et hjertelig velkommen! Til de bortreiste vil vi faa si: Tak for trofast og opofrende arbeide og tillykke paa eders nye virkefelt!

Følgende prester har flyttet inden distriktet: A. O. Borlaug fra Edmonton, Alta. til Wetaskiwim, Alta. Magne Schilliaas fra Calgary, Alta. til Edmonton, Alta. P. Ellingson fra Gunn, Alta. til Walhalla, Alta., T. O. Langley, fra Parkside, Sask., til B'rch Hills, Sask., og John T. Borgen fra Orion, Alta., til Mossbank. Sask.

Sygdom og dødsfald

Da vi sidst var samlet til aarsmøte var to av vore prester bundne til sykeleiet, nemlig: Pastor M. O. Waldal og pastor C. M. Knardahl. Pastor Waldal ligger fremdeles lam paa venstre side og hjælpeløs. Gud styrke ham i taalmodighet. Pastor Knardahl døde av træfi den 2den september, og blev begravet paa Saron menighets kirkegaard den 5te sept. Følgende talte ved begravelsen: Evangelist Hanson, prestene Tandberg Langley, Bjelde, O. Ellingson og Aske.

I pastor Knardahl har distr'ktet tapt en av sine mest trofaste, virksomme og ivrige arbeidere, og tape: føles tungt; men i bevisstheten om at det var saa Guds vilje, og at vort tap blev hans vinding, sier vi: Herren gav, Herren tok, Herrens navn være lovet. Herren trøste de sørgende efterlatte, i haab om salig gjensyn hos Gud.

Valg

Den egentlige arund til at distriktet iaar har eistramøte er, at der iaar foretas valg paa distrikets embedsmænd, og i den anledning var det ønskelig at ha en større delegation end det vilde være mulig at faa ved aarsmøtet i St. Paul.

De embedsmænd som iaar skal vælges er: Formand paa 6 aar, viceformand paa 3 aar og sekretær paa 3 aar. Desforuten skal der vælges 2 medlemmer paa missionskom'teen, 3 paa Board of Trustees, 3 paa Board of Management for Outlook College, 1 paa Board of Charities, 1 paa Board of Elementary Christian Education, 1 fra distriktet paa kom. nr. 6 (Samfundets Finanskomite), 1 finanssekretær og aarsmøtekomite.

Suspendert

Paa anklage for ugudelig liv som av formanden blev undersøkt og fundet at være sandfærd'g og klarlig bevist, blev pastor Theo. E. D'nielsen av Bow Island, Alta., suspendert som prest den 23de juli, 1924. Maa Gud i naade fri den faldne fra djævelens snare.

Presteordination

Den 21de sept. 1924 blev prof. K. Løkensgaard, paa kald fra missionskomiteen ordinert til det hellige præsteembede av formanden med bistand av følgende prester: Chr. Hoversten, T. J. Langley, N. R. T. Braa og T. J. Rikke. Ordinationen utførtes i Betbania menighet ved Donalda, Alta., hovedmenigheten i kaldet, og var en høitidsdag som sent vil glemmes av dem som var tilstede. Maa Gud av naade velsigne pastor K. Løkensgaards prestelige virksomhet til mange sjæles frelse.

Overblik

Naar vi ser paa den vidtstrakte arbeidsmark og de forholdsvis faa arbeidere, maa vi gjenta opropet fra tidligere: Be derfor høstens herre, at han vil drive arbeidere ut til sin høst. (Matt. 9, 38). Arbeidere som er drevne av kjærlighet til Jesus og til hans faar og lam. Arbeidere som vil **ofre** sig i arbeidet og som vil bruke de midler Herren selv har anordnet, og som har taalmodighet til at vente indtil Gud gir vekst. Gud gi os slike arbeidere.

Tak

Da for to aar siden formand Laoif resignerte som formand for distriktet og jeg blev valgt til at fylde valansen, var det med frygt og bæven jeg mottok valget. Jeg anet noget av arbeidets vanskeligheter og har funnet det vanskeligere end jeg anet. Alene i tillid til Guds hjælp og til de kristnes forbøn drøftet jeg mig til at motta valget, og min tillid er ikke blit skuffet. Derfor vil jeg nu, idet jeg avslutter min termin, si tak til Gud og tak til troessøstende for hjælpen. Tak for al eders velvilje og overbærenhet med mine mangler, tak for godt samarbeide. Herren velsigne Canada distrikt!

Eders ringe medarbeider i Herren,

J. J. Akre.

TILLÆG TIL FORMANDENS INDBERETNING

(Dette er et tillæg til formand Akres rapport (indberetning) slik som den findes i de trykte indberetninger. K. O. Kandal, sekr.)

Presters forflyttelser

Fraflyttet distriktet: O. J. Tollerud og K. Lokensgaard.
Flyttet inden distriktet: N. A. Bjelde fra Watrous, Sask., til Parkside, Sask.
Flytter i nær fremtid: H. L. Urness fra Preeceville, Sask., til Regina kaldet.

Sygdom og dødsfald

Past. M. A. Waldal avgik ved døden i sit hjem ved Bromhead, Sask., den 12te mai og blev begravet paa Lac qui Parle menighets kirkegaard den 15de mai 1925. Følgende prester deltok i begravelsen: H. O. Mosby, P. P. Houglum, O. K. Falkeid, og J. J. Akre. Hr. Ole Ulledalen ledet i bøn.

Past. Waldal har nedlagt et tungt og vidtstrakt grundlæggende arbeide for vor kirke i Canada, baade som missionssuperintendent og som indehaver av mange andre tillidshverv, for hvilket hans minde vil bevares i kjærlig og taknemmelig erindring av dem han virket iblandt. Til hans efterlatte hustru og barn vil vi faa uttale vor hjertelige sympati og vor dypfølte taknemmelighet for det offer de har bragt ved at gjøre sit til at past. Waldal kunde tjene kirken som han gjorde.

Maa Gud rikelig velsigne dem.

Punkt 1. Distriktsmøtet uttrykker sin glæde over bladet "Hyrden" med dets opbyggende indhold. Møtet er overbevist om at bladet har været til megen hygge og velsignelse. Det vilde være aldeles uforsvarlig at nedlægge dette organ nu, da det ikke har hat tid at slaa røtter. Møtet ber at prester og lægfolk vil strække sig og gjøre opofrelser saa at flere venner vil slutte sig omkring bladet. Antat.

Punkt 2. Møtet ytrer sin dypfølte tak til prof. K. Løkensgaard for hans sindige og mesterlige redaktion av bladet. Han sunde redaktionsartikler og hans systematiske ordning av indsendelser har været til stor velsignelse og glæde for sunde lutheranere i Canada. Det er med vemod at møtet tænker paa hans avreise fra Canada. Maa Gud velsigne ham i hans nye felt.

Finansene

Til den Norsk Lutherske Kirke i Canada.

Kjære medarbeidere!

Det er beklagelig at jeg ogsaa dette aar maa indberette underbalance for budgettet for 1924, skjønt vi har grund til at glæde os fordi interessen og offervilligheten vokser for dette arbeide ogsaa her i Canada distrikt.

Vi har samlet ialt $2,447.44 mere i 1924 end vi gjorde i 1923.

Som finanssekretær har jeg forsøkt efter bedste evne at fremholde saken i tale og skrift. Jeg har talt finanssaken i Calgary, Alta., i Mossbank kaldet, ved Mossbank, Sask., og Viceroy kaldet ved Viceroy, Sask. Jeg har ogsaa skrevet flere stykker i bladene. Jeg har sendt ca. 1,200 konvolutter til finanssekretærer og andre prester. Ialt har jeg skrevet 53 breve om vore pengesaker i vort distrikt.

Kreds finanssekretærene har gjort godt arbeide. Flere av dem har selv reist ut og samlet penger for budgettet.

Der er indkommet ialt til budgettet dette aar, 1924, $9,695.77, fordelt paa de forskjellige kredser som følger:

Circuits	Apportionment	Amt. Raised	Status	% Raised
Personal	$	$ 833.76	$	
Calgary-Alsask	316.75	113.05	203.70	35.6%
Camrose	4,005.00	1,904.01	2,100.99	47.5%

Medicine Hat	563.00	518.42	44.58	92.0%
Manitoba	414.75	374.32	40.43	90.2%
Moose Jaw	2,433.75	1,118.86	1,314.89	45.9%
Prince Albert	1,652.75	841.22	811.53	50.8%
Provost	1,426.25	510.56	915.69	35.7%
Saskatoon	1,949.75	1,347.54	602.21	69.1%
Swift Current	818.00	1,388.52	570.52 CR.	169.7%
Yorkton	2,306.50	745.51	1,560.99	32.3%
District App.	$14,983.99	$9,695.77	$5,288.22	64.7%
District App.	$15,886.50			

Rapporten viser at der var i 1923 ca. 110 menigheter som ikke gav noget til budgettet. Dette sidste aar var der ca. 90 menigheter som ikke gav noget. Altsaa 20 av disse menigheter begyndte at gi til budgettet dette aar. Dette er opmuntrende. Men vi maa faa alle med. Vi maa oparbeide interessen hos vore menigheter saa vi faar det fulde beløp samlet. Vi er vist alle enig om dette, omendskjønt der kan være delte meninger om fremgangsmaaten.

Jeg vil bare peke paa en ting som flere av vore kredser allerede bruker: Missionsmøter og missionsprækener ved de almindelige kredsmøter. Dette har vist sig at være meget frugtbringende baade for at oparbeide interesse og faa ind midler til budgettet. Og jeg haaber alle kredser i vort distrikt vil gjøre et forsøk i den retning.

La os nu alle løfte i flok! La os lægge denne store sak, Guds rikes utbredelse her i Canada, frem for Gud i bøn om hans bistand og velsignelse, saa skal det lykkes at hans rike skal vokse og utbredes iblandt os til sjæles frelse.

Eders medtjener,

J. T. BORGEN.

JOHN P. TANDBERG, sekretær.

Report from the Committee on the Amending of the Articles of Incorporation of Sask. N. L. College Association

Your committee consisting of Rev. O. Ellingson and Rev. John P. Tandberg has had two meetings at Saskatoon and has consulted a law firm in Saskatoon. We found that we had not the necessary funds at our command to carry out the amending of the above mentioned Articles of Incorporation, which would cost from $300 to $400.

The lawyer suggested that it would be cheaper and in his opinion better to incorporate as a Dominion corporation under The Companies Act. He has made certain investigations in regard to that proposition. A charter would be attained if each institution was willing to stand under the general supervision and inspection of the Department of Education of the province, in which it was located. All schools owned and operated by the Church would then stand under one common board of management. He estimated that this incorporation would cost less than one-half of the cost of amending the old articles of incorporation of one school, and could eventually serve all schools operated by the Church.

He also called attention to the fact that the charter of the Church already provided fully for the owning and operating of schools and under more favorable circumstances than could be obtained in any other way.

Your committee would suggest that the College Association at this meeting elect the same members as are elected by the Church as its Board of Management and the Church Board of Management be elected as the Executive Committee of the College Association and that said committee be given full power to act for the Association in all matters pertaining to the interest of the school both as to its old debts and as to the operation of the school.

Further it recommends that the Association, as usual, elects its own president, vice-president, secretary, and treasurer, to keep up its legal existence until the transfer is made in the best way possible, and that the Association and the Church take final action on that matter at the meeting and provide the necessary funds for carrying out its decision.

JOHN P. TANDBERG, Secretary.

Rapport fra komite nr. 3, 4 og 5

Komite nr. 3 (indbefattende ogsaa nr. 4 og 5) bestaaende av past. H. T. Egedahl, H. A. Hanson, J. J. Anderson, A. N. Finnestad og past. P. P. Houglum.

Indremissionen

1. Aarsmøtet erkjender med tak til Gud den naade som er git Canada distrikt til at virke i hans rike, og de velsignede frugter arbeidet har baaret, samt takker ogsaa indremissionskomiteen, prester og menighetsfolk her og i statene for den interesse der er utvist i denne saa betydningefulde sak.

2. Aarsmøtet erkjender ogsaa til ydmygelse mangelen paa midler og arbeidere, og minder om nødvendigheten av at be Herren om en større interesse for kirkens arbeide iblandt vort folk, saa der blir flere offervillige hjerter og flere arbeidere.

3. Da evangelistgjerningen har vist sig at være til stor velsignelse og kravene for evangelisters besøk stadig økes, anbefales at indremissionskomiteen faar fuldmagt til at ansætte en eller flere evangelister, saafremt derved ikke lægges større utgifter paa missionskassen.

Det anbefales at ofrene og indtægtene, der inkommer ved evangelistenes besøk, gaar til indremissionen, og at evangelistenes reiseutgifter utredes av indtægtene under evangelistenes besøk, og balancen sendes til indremissionskassen.

4. Aarsmøtet opmuntrer vore lægmænd til at gjøre bruk av sine anledninger til opbyggelsesarbeidet.

Angaaende pensionsfondet

Punkt 1. Komiteen ser sig ikke istand til at anbefale nogen forandring i pensionsreglene.

For 3 er antydet at der er et substitut, men hvad det er kan ikke fællessekretæren avgjøre. — N. J. L.

Indberetning fra Bethania gamlehjem

Salige er de barmhjertige, ti de skal vederfares barmhjertighet. Matt. 5, 7.

Det er os en glæde at kunne faa gi hjemmets venner vor aarlige indberetning igjen. Vi har ogsaa det sidste aar oplevd et godt og velsignet aar baade aandelig og timelig. Herrens ord opfyldes ogsaa nu over dem som elsker ham og kommer hans pakt ihu.

Helbredstilstanden har det sidste aar været særlig god. Naar man tar den høie alder de fleste av de gamle er kommet op i, saa er de dog istand til nogenlunde at passe sig selv.

I timelig henseende har vi ogsaa været velsignet. Status over indtægter og utgifter følger som bilag. Vi følger samme regel som er i bruk i samfundet at føre regnskapene fra nytaar til sidste december hvert aar.

Siden december maaned har vi hat fuldt hus. Tolv gamle nyder nu godt av et hjem. Mange ansøkninger har i det senere været sendt tilbake, da det er uvisst naar der kan skaffes plads.

Paa hjemmets vegne,

N. R. T. BRAA, bestyrer.

Kondolanceresolution

Canada distrikt, samlet til møte i Outlook, Sask., 2den til 4de juni 1925, vil herved uttale følelsen av det dype savn det føler ved to av sine presters bortgang ved døden.

I pastorene C. M. Knardahl og M. O. Waldal har distriktet tapt to av sine mest trofaste, virksomme og ivrige arbeidere, og tapet føles tungt. Men med den forvisning at vort tap er deres vinding bøier vi os i ydmyghet under Guds vilje og sier: Herren gav, Herren tok, Herrens navn være lovet.

Til de efterlattes familier vil vi faa uttale vor dyptfølte sympati i deres sorg og savn og vor tak for det offer de har bragt ved trofast medvirke i det arbeide som disse Herrens tjenere har utført iblandt os.

J. J. Akre,
Olof Ellingson,
komite.

Tilstemt ved reisning 3dje juni 1925.

By Board of Education

To the Norwegian Lutheran Church of America:

In presenting this, its eighth annual report, the Board of Education would first of all invite the church to join in a spirit of sincere thankfulness to God for the many mercies that He has abundantly bestowed upon our people in their efforts to provide a Christian educational training for our young people. While there may, indeed, have been experiences also during the past year that imposed a real test upon our faith yet we may rejoice as we testify that hitherto the Lord has helped.

Luther Seminary

The Board of Education recommends that, beginning January 1st, 1926, the salaries of the theological professors be $2,500 and free house, that the salary of the President of the Seminary be $2,800 and free house with an addition of $200 as a President's contingent fund.

While so far no definite action has been taken in the premises, it is in order to mention here that within the Theological Faculty, the Board of Education and the Church Council there has been some discussion as to the feasibility of expanding the course of study at the Seminary to four years. When we consider the great enlargement of the fields of knowledge in our time, the great interest in religion, much of it antagonistic to the Christian faith, the need that a minister under these conditions has of a large measure of knowledge both of secular and sacred subjects and the proper correlation between the two, it seems clear that the church must take pains to give its future ministers such equipment as will enable them successfully to stand their ground as witnesses for Christ. It is proper to add that a change of this character would involve changes also in the requirements for admission to the Seminary. It might indeed involve more far reaching changes in our educational policy. The purpose in referring to the matter here is not to make any recommendation at this time but to stimulate some general thinking in preparation for what the church may be called upon to decide in the future.

The attention of the church is called to the pressing need of adding more teaching force at the theological seminary. Since the union in 1917 three of our professors have been called away by death. None of the vacancies thus created have been filled. This fact together with the further fact that under a resolution by the church the professors have been given a year's leave of absence in rotation, has naturally reduced the strength of the faculty. Advancing years should also be taken into the account in appraising the available teaching power. All these considerations are such as will urge upon the church the necessity of providing for additional professors at the earliest practicable date.

In his report Dr. Bockman in his modest and tasteful style asks the church to relieve him of the strenuous duties of the presidency of the Seminary. After a long and efficient service in this office no one will wonder that this venerable scholar longs for a time that may give him more ease and comfort as the sun of life approaches the western horizon. And yet, while the Board realizes the fairness of this request, it cannot at this time feel that our church and our Seminary can afford to spare Dr. Bockman. The Board therefore hopes that the convention will indicate its earnest desire that he continue still in the office and that the Lord will grant him strength to add yet a contribution to the large measure of service he has already given to the Norwegian Lutheran Church of America.

A joint session of the Board of Education, the Theological Faculty, and the Church Council, held on February 3, 1925, agreed upon the following amendments to the constitution and the By-laws of Luther Theological Seminary and hereby recommend them to the church for adoption:

Konstitutionen. Kap. II. Kursus

Par. 3, slutning: „Den som....." og par. 4 og 5 flyttes, delvis revidert, til bilovene.

Bilovene. Kap. I. Kursus

I par. 1 strykes: „Den anden tirsdag....."

Par. 2 skal lyde saaledes: Undervisningen i det regulære kursus følger, i den utstrækning det er mulig og formaalstjenlig, to særskilte linjer: den ene avpasset for de studenter der er graduenter fra et anerkjendt college og som enten har eller under sit studium erhvervet sig saavidt kjendskap til græsk, hebraisk eller latin at de kan benytte sig av disse sprog i sit studium. (Degree course.)

Den anden avpasset for studenter der uten at være collegegraduenter dog har saa megen fordannelse at de med held kan drive det teologiske studium, samt for collegegraduenter der ikke har ei heller agter at erhverve sig det nødvendige kjendskap til græsk, hebraisk og latin. (Diploma course.)

Par. 3 skal lyde saaledes: I hvilken utstrækning fælles undervisning skal drives for begge linjers studenter, bestemmes av fakultetet med godkjendelse av skoledirektionen.

Som par. 5 i bilovene mellem disses 4 og 5 sættes konstitutionsparagraf 5: Undervisningen drives paa norsk og engelsk efter tidens krav og studentenes trang.

Bilovenes kap. I, kursus, par. 7, skal lyde saaledes: Enhver som tilfredsstillende har gjennemgaat det regulære kursus og ansees skikket til at overta en prests eller missionærs embede i vor kirke, meddeles diploma som kandidatus theologiae.

Par. 8 skal lyde saaledes: Collegegraduenter der tilfredsstillende har gjennemgaat kurset med den for dem bestemte særskilte undervisning, og som har utarbeidet en grundig teologisk avhandling, faar paa sit kandidatsdiploma den akademiske grad baccalaurius theologiae.

Som par. 9 sættes følgende: Den som tilfredsstillende har gjennemgaat kursuset kan undtagelsesvis meddeles blot et akademisk vidnesbyrd i overensstemmelse med den studielinje han har fulgt.

Som par. 10 sættes følgende: Der oprettes et videregaaende kursus paa ett aar for dem der har graden baccalaurius theologiae eller som efter fakultetets skjøn har erhvervet sig en tilsvarende utdannelse. Kap. II. Lærere. Par. 10. Efter sekretær sættes „komma" og tilføies „en registrator".

Par. 11. Tallene 6 og 3 forandres til 4 og 2.

Par. 12. Komaene og „der ogsaa skal tjene som seminariets registrator" strykes.

Par. 13 forandres derhen: Bibliotekaren og registratoren vælges av fakultetet paa 3 aar.

Par. 16 skal lyde saaledes: Professorenes løn bestemmes av samfundet efter forslag av skoledirektionen og utredes maanedlig av rentene av det fond som er bestemt dertil og av specielle bevilgninger til dette øiemed.

Par. 18, sidste sætning, skal lyde: De skal dog delvis betale for lys og varme. Summen bestemmes av skoledirektionen og fakultetet.

Med disse forandringer vil konstitutionen og bilovene bli som følger:

Konstitution og bilove for Luther Teologiske Seminar

Da Herren kræver at ordets tjeneste kun kan betroes saadanne kristne der i overensstemmelse med 2 Tim. 2, 2 er „paalidelige mennesker som er dygtige til ogsaa at lære andre", saa har Den Norsk Lutherske Kirke i Amerika erkjendt det som en av sine opgaver at oprette, vedlikeholde og bestyre et teologisk seminar, og antar for denne anstalt følgende konstitution og bilove:

Konstitution

Kap. I. Navn og formaal

1. Det teologiske seminar, tilhørende Den Norsk Lutherske Kirke i Amerika, kaldes: „Luther Teologiske Seminar" (Luther Theological Seminary).

2. Dets formaal er at utdanne prester og missionærer for samfundets menigheter og missionsmarker.

Kap. II. Kursus

3. Seminariets regulære kursus, der fordeles paa et tidsrum av tre aar, omfatter de almindelige grener av teologien, eksegetisk, systematisk, historisk og praktisk teologi, med saa mange specielle fag som fakultetet med godkjendelse av kirkeraadet og skoledirektionen maatte anse nødvendige eller tjenlige.

Kap. III. Lærere

4. De fast ansatte teologiske professorer og andre lærere ved seminariet vælges ifølge samfundets konstitution, par. 16, 18 og 32, og i overensstemmelse med seminariets konstitution.

d) underkaster sig samfundets og seminariets konstitutioner.

6. De avsættes eller opsiges av samfundet under Guds ord efter par. 5. Til saadan avsættelse eller opsigelse utkræves to tredjedels majoritet av de kastede stemmer.

Kap. IV. Studenter

7. Ved seminariet optages som studenter mænd som baade hvad kristendom, anlæg og fordannelse angaar gir grund til at tro at de kan bli skikket til at tjene Guds rike i det hellige hvrdeembede. Det kræves av dem at de med flid og troskap øver sit teologiske studium, og at deres omgjængelse ved seminariet og ellers er saadan at den pryder deres kristenbekjendelse.

Kap. V. Bestyrelse

8. Seminariet bestyres av samfundet gjennem:

a) dets kirkeraad og skoledirektion;

b) dets board of trustees;

c) seminariets bestyrer og fakultet.

Kap. VI. Konstitutionsforandring

9. Forandring i denne konstitution kan kun ske ved at skriftlig forslag fremlægges enten for et av samfundets fællesmøter eller for alle de i det samme aar sammentrædende distriktsmøter, og dette forslag antages ved det følgende aars distriktsmøter eller fællesmøte med to tredjedels majoritet av de kastede stemmer.

Et saadant forslag er antat av distriktsmøtene naar mindst to tredjedele av disse enkeltvis har tilstemt det med to tredjedels majoritet av de kastede stemmer.

e) aarlig rapportere til samfundet angaaende seminariets arbeide.

31. Vicebestyreren overtar alle bestyrerens funktioner naar denne har forfald.

32. Det paahviler fakultetet:

Readjustment

The increase in the cost of education during recent years has been great and rapid. No one before the war could foresee such an unprecedented upward climb. Our educational department has as a consequence of this change unwittingly imposed upon the church a load that gained in weight more rapidly than the financial strength of the church was able to gain. Our people have been generous in support of higher Christian education and no doubt will continue in this noble practise; but the time has come when some changes are required. The Board therefore submits and recommends to the convention a series of proposals for a rearrangement of our educational program and for such financial measures as may at this time be necessary for the best interests of the church. The board recommends for adoption by the church the following propositions:

(1) That the Church continue to maintain Luther Theological Seminary with such improvements as from time to time may be practicable.

(2) That the Church continue to maintain Luther College with a maximum appropriation of $35,000 annually.

(3) That the Church continue to maintain St. Olaf College with a maximum appropriation of $70,000 annually.

(4) That the Church continue to maintain Red Wing Seminary as a first-class academy with a maximum appropriation of $18,000 annually.

(5) That Augustana College and Normal School and the Canton Normal School be transferred to such corporation as the South Dakota District may be willing to organize; that the South Dakota District decide whether it will have one school or two schools; in case the District decide to have only one school, then the Church shall dispose of the property of the vacant school in such way as in its judgment best to serve the interest of the constituency of that school; that the Church agree to grant each year a maximum appropriation of $15,000; that the sum be the same whether there is one school or it be divided between two schools; that the South Dakota District and border counties in Minnesota and border counties in Iowa be assigned to the South Dakota corporation as its territory, in which no other school of our Church shall conduct active campaigns for money and for students.

(6) That the Madison Normal School be offered to a local association of our Church people, if such an association shall be formed. In contrary case, it be consolidated with other schools of the Church.

(7) That Concordia College be continued as heretofore or taken over in some form by its territorial constituency; that the Church grant it each year a maximum appropriation of $15,000. In this case, two tiers of neighboring counties in Northern Minnesota and the state of North Dakota shall be assigned to the College as its territory in which no other school in our Church shall conduct active campaigns for money or for students.

(8) That Spokane College be transferred to a local association composed of Lutherans who stand in fraternal relations to the Norwegian Lutheran Church; that the Church grant each year an allowance equal to 50 per cent of the tuition income the preceding year. It is understood that in case such an arrangement is effected, each of the constituent synodical bodies contribute as far as practicable.

(9) Pacific Lutheran College—same as Spokane.

(10) That the Church grant to the following schools annually an appropriation, the amount of which shall be determined on the following basis:

(a) $30.00 for each student.

(b) The number of students to be determined by dividing the total tuition income by sixty in the case of academy students and one hundred in the case of Junior College students.

(c) The minimum amount of tuition income that any school must have shall be $4,500.

(d) The maximum appropriation shall in all cases be $4,000.

(e) It is stipulated as a condition for receiving this appropriation, that there shall be incurred no deficit in current operating and maintenance expenses, beginning with the school year 1925-1926.

Following are the schools so affected:
Central Wisconsin College
Gale College
Luther Academy
Park Region Luther College
Pleasant View Luther College
Waldorf College
Madison Normal School, in case necessary.

(11) That the following sums be granted to the schools named for 1925-1926:

For the Canada District Schools	$ 5,000
For Clifton College	4,000
For Pacific Lutheran College	5,000
For Spokane College	5,000
For Madison Normal School	5,000

(12) It was voted that the Normal Training Department of the Madison Normal School be eliminated beginning with the school year 1925-1926.

(13) That the Church undertake a campaign to be completed January 1st, 1927, to raise endowments as follows:

For Luther College	$ 250,000
For St. Olaf College	275,000
For Augustana College	350,000
For Concordia College	400.00
	$1,275,000

Contingent upon acceptance by the church of the proposed plan for educational readjustment the Board recommends:

(1) That the plan, paragraph (13) being excepted, go into effect September 1, 1926. In the case of the subsidized secondary schools it is understood that their appropriation for 1926-1927 be based upon their tuition income for the year 1925-1926.

(2) That the budget for 1926 to be adopted by the 1925 convention be so adjusted that of all items capable of variation two-thirds shall be in force to cover the period from January 1 to August 31 and that of the remaining one-third of the budget so much shall be in force for the period from September 1 to December 31 as may be required after correlation with the terms of the readjusted plan.

It is a source of satisfaction and joy to our people that St. Olaf College may this year celebrate the completion of half a century of labors fruitful in blessings to church and state. The institution which with small beginnings opened its doors to incoming students in 1874 has within practically only one generation enlarged its activity to a measure of which its founders did not dream. The college, which today stands as a monument of the labors and sacrifices of many and as an instrument through which the Norseman in America may for present and future ages send forth his salutary influence upon this western civilization, should command the continued loyal and generous support of our people.

Red Wing Seminary

Red Wing Seminary is now the only school contributed by the former Hauge Synod to the church. It is therefore only the more natural that the alumni, former students, and friends of that institution should cherish a serious concern for its present and future prosperity. This concern has during the past

few years gradually shaped itself into a desire that the school may be expanded into a junior college. At the last meeting of the Board of Education there was presented a formal request that steps be taken toward this end. The Board, however, does not at this time consider it advisable to go any further in the matter than to bring it in this general form to the attention of the church. While it would gladly see the expansion of Red Wing Seminary to a junior college, yet it feels that for several reasons the present time is very inopportune for such a proposal. The effort now in progress to reduce the budget load of the church—a movement that means hardship to all and probable closing to some of our schools, would be an argument against any and all propositions that would mean expansion of some particular school. The Board for this and for other reasons arising from requirements of standardization advises that this matter be not taken up for action until the general school and financial problems of the church be brought to a more settled condition.

Miscellaneous

It is necessary to call attention to the problem of endowments for our colleges. According to resolutions adopted two or three years ago by the North Central Association of Colleges and Secondary Schools it will be required for accreditation on the part of all colleges that they have at least $500,000 endowments by January 1st, 1927. In the case of colleges having more than two hundred students there will be required amounts additional to this sum. Colleges failing to meet this requirement, even though now on the accredited list, will be dropped from that list at the annual meeting of that association in March, 1927. Such an event in the case of Luther and St. Olaf Colleges would be disastrous. It will surely therefore be the determination of our people to rally to the aid of the colleges. Recommendations in this connection will come from the Finance Committee.

In considering the proposition to increase the tuition at our colleges to $125 the Board was confronted with the objection that the increasing cost in connection with attendance at our colleges will make it possible for only the children of well-to-do parents to obtain the benefit of study at these institutions. The great expense will exclude students of limited means; and as a general rule it is from this class that we obtain the majority of our ministers. It was therefore felt that such increases in tuition would impose eventual injury upon the church itself. And yet there seemed no choice. The college revenues from sources other than the church budget must be increased.

In order to offset in a measure the hardships that this action would impose particularly upon young men who have the ministry in view the Board decided to encourage the establishment of a beneficiary fund for student aid. It would no doubt give valuable encouragement to this cause if the church convention would pass a resolution looking toward the establishment of such a fund to be administered under the auspices of the Board of Education. An invitation by the church to men and women of means, large or small, to give their aid in building up such a fund would have good results. There has been some complaint that only a comparatively few of the graduates from our colleges go to the theological seminary to prepare for the ministry. It is well in this connection to remember that in going through the college the student has had large expenses and has in many cases incurred considerable debt. In the case of those graduates who enter immediately upon income producing occupations, such as teaching in the high schools or other similar work, this fact is of minor consequence. Such graduates are able to earn enough in a short time to make up for the heavy expenses. Different is the case of those graduates who take up the theological course. It will redound amply to the benefit of the church to make liberal provisions looking toward aiding these men.

While consideration of this matter was pending the Board had the pleasure of receiving the following cheering communication:

"Dear Professor Vigness:

At the recent meeting of the National Board of the Young People's Luther League, the following resolution was adopted, which I hereby lay before you for your consideration:

"The project for 1925 shall be to establish a fund, the interest of which shall

be used for scholarships to graduates from our Senior Colleges who enter the Theological Seminary.

"The award shall be made by the Board of Education on the recommendation of the respective college faculties.

"Each college shall be represented in the awards, provided there are worthy applicants."

Yours very truly,

N. M. YLVISAKER,
Executive Secretary."

The convention will no doubt formulate an appropriate expression of its appreciation and gratitude in this connection.

It is proper while discussing this matter of student aid to remind the church that according to resolution adopted some years ago it is now the practise to refund to theological students the amount of the tuition paid by them at the colleges the last two years before their graduation. This helps to some extent.

The educational branch of the church has been generously remembered in their testamentary disposal of their estates by the late Gunder Graven, Hans Pederson, Ingebrigt Anderson and Benj. Skibsness. The convention will no doubt place on record its sense of thankfulness to God and to these givers and their surviving families.

The reports of the presidents of the several institutions given on the following pages will give a survey of the general conditions at the individual schools.

We cannot close this report without setting forth to our people a plea for an enlarged interest in the Christian education of our young people. The enemy of our faith is thoroughly active. Through the evolutionary interpretation of the world, through the modernist propaganda in religion, through nearly all forms of literature, the fundamentals of our faith are being undermined and destroyed. Do we take the situation seriously? For lack of funds the Board has been compelled reluctantly to propose curtailment of the educational work of our church. Oh, that our people would be thoroughly awakened to understand that such reductions are movements backward at a time when the church by all means should move aggressively forward. The Lutheran Church in America today is the only church that as a whole yet stands on the foundations once laid for the faith. Is not this a mighty call from God to stand forth as a clarion-voiced witness for Christ in the midst of this unbelieving generation? Awake, awake, parents, children, throughout the church. Let us in God's name bestir ourselves to train and develop a host of men and women who in the near future shall in all boldness and competency fight the good fight and preserve the faith once delivered to the saints.

Seminary, Colleges and Normal Schools

Fra Luther Teologiske Seminar

Bestyrerens indberetning

Til skoledirektionen for den Norsk Lutherske Kirke i Amerika.

Ærværdige brødre i Herren!

Luther Teologiske Seminar begyndte sin virksomhet den 9de september sidstleden.

Studenterantallet var i det forløpne aar 100, fra følgende skoler, klassevis inddelt saaledes: Post Graduate Student 1, fra St. Olaf College; 3dje aarsklasse 40, fra St. Olaf College 16, Luther College 9, Concordia College 8, Red Wing Seminary 3, Pacific Lutheran Seminary 1, Chicago Lutheran Seminary 1, Reytjavik Latinskole 1, Garret Biblical Institute 1. 2den klasse 27, fra St. Olaf College 13, Luther College 8, Concordia College 3, University of S. Dakota 1, Kansas City Law School 1, Norsk Bibelskole 1; 1ste klasse 31, fra St. Olaf College 18, Luther College 3, Concordia College 2, Red Wing Seminary 3, Gustavus Adolphus College 4, University of Minnesota 1. — Speciel student 1, fra Lutheran Bible Institute.

Av 3dje aarsklasses studenter har 32 graduert fra et college, 8 ikke. Av 2den klasses 22, 5 ikke. Av 1ste klasses 27, 4 ikke. Av det samlede antal studenter var 1 fra den Islandske Synode, 1 fra den Forenede Danske Kirke og 4 fra Augustana Synoden. Det norsk-engelske kursus er tat av 88 av de regulære studenter og det engelske av 10.

Foruten den regulære undervisning ved de fast ansatte professorer har der iaar som ifjor været git ekstra timer i de unges religionsundervisning under vore forhold ved dr. J. Tanner og pastorene J. A. Anderson, H. P. Grimsby og S. C. Simonson, samt undervisning i græsk for 1ste klasses studenter ved student Olaf Malmin, alt under dr. Bruces ledelse.

Som sedvanlig har under studenterforeningenes auspicier flere foredrag været holdt, likesom studentene har været i virksomhet i menighetene og ved hospitaler.

Den aarlige tourné av seminariets glee club foretoges iaar under ledelse av dr. Brandt og student Herman A. Preus, den sidste som dirigent i professor John Dahles sted, der av helbredshensyn var forhindret fra at delta. Dens arbeide baade i tale og sang beredte menighetene megen glæde og opmuntring og styrket kjærligheten til seminariet.

Dr. Brandt og professor Wee har besøkt henholdsvis Luther College og Red Wing Seminary for at fremme interessen ved disse anstalter for vor prestestole. Den sidste hadde med sig en del av vore studenter i samme øiemed, likesom studenter ogsaa med det samme formaal besøkte St. Olaf og Luther College. Disse besøk vil ved Guds naade bære frugt til vækkelse av lyst til at ofre sig for arbeidet i Herrens vingaard.

Helbredstilstanden har i det hele og store været god baade blandt studenter og professorer, saa vi har kunnet gjøre vort arbeide uten nævneværdig ulempe.

Kommende skoleaar er professor E. Hoves ferieaar. Han vil, som han visseligen trænger, gjerne benytte det til hvile og styrkelse til sin gjerning. Som skoledirektionen vil erindre, ber fakultetet i den anledning om at faa den nødvendige lærerhjælp til ialfald at overta hans undervisning i nytestamentlig eksegese paa engelsk. Med det nuværende lærerpersonale vil det ogsaa være ønskelig at student Malmin, der har undervist i græsk, faar fortsætte sit arbeide kommende skoleaar.

Jeg tør minde den ærede direktion om den av fakultetet foreslaadde forandring av seminariets konstitution, likeledes om dets henvendelse til direktionen om velvillig at føre for at der kan forelægges vor kirkes kommende aarsmøte planer til avhjælpelse av den bygningsnød der herskер ved seminariet og lægger alvorlige hindringer i veien for dets gjerning.

I denne forbindelse skal jeg gjøre opmerksom paa at der den 19de januar 1925 holdtes ved seminariet et møte av det teologiske fakultet og en komite av skoledirektionen med hensyn til vor prestestole. Iblandt de gjenstande som behandledes var spørsmaalet om bygningsnøden ved skolen. Det blev da besluttet at anbefale utnævnelsen av en komite bestaaende av et medlem fra kirkeraadet, et fra skoledirektionen, et fra Board of Trustees, samt valgte medlemmer av det teologiske fakultet. Denne komites opgave skulde være at forberede en anbefaling til samfundet med

henseyn til mulig opførelse av en bygning ved seminariet. Medlemmer til denne komite blev da valgt av de forskjellige boards og bestaar av dem hvis navn er undertegnet den nedenfor anførte rapport. Komiteen holdt møte ved seminariet den 13de mai og blev enig om en del anbefalinger, som herved fremlægges for samfundets aarsmøte. Følgende er komiteens rapport:

Fælleskomiteen for det teologiske fakultet, skoledirektionen, kirkeraadet og Board of Trustees anbefaler:

1. At samfundet uttaler sin erkjendelse av nødvendigheten av at der ved Luther Seminar opføres en ny bygning der indrettes saaledes at den vil skaffe bekvemmeligheter for skolens administration og for dens bibliotek.

2. At samfundets Board of Trustees sammen med det teologiske fakultet bemyndiges til at engagere arkitekt, utarbeide planer og specifikationer, utføre det forberedende arbeide som ellers maatte kræves, og at disse planer forelægges skoledirektionen og kirkeraadet til godkjendelse.

3. At det teologiske fakultet bemyndiges til og anmodes at sætte igang en indsamling av midler til bygningens opførelse. Tiden for denne indsamling bestemmes av finanskomiteen.

4. At Board of Trustees bemyndiges til at slutte de nødvendige kontrakter til opførelse av bygningen saa snart midler dertil er for haanden.

For fakultetet:
M. O. Bøckman,
E. O. Brandt,
C. M. Weswig.
For kirkeraadet:
Magnus Pederson.
For Board of Trustees:
O. O. Erling.
For skoledirektionen:
Edw. Johnson.
L. A. Vigness, sekretær.

Hæderlig omtale fortjener følgende gaver til skolen: Studentene har skjænket anskalten en ny vaskemaskine med motor og extractor til et kostende av $637.85. Indsættelsen blev gjort ved hr. Bugge, der saaledes sparte studentene eller kirken for $140.00. Likeledes har studentene forskaffet seminariet en elektrisk automatisk „Time and Schedule Clock" til et kostende av $341.29, hvorav $300.00 blev dækket av utbyttet av gleeklubbens tourné og resten av studentenes boarding club.

Skolen avslutter aarets arbeide for 1ste og 2den klasses vedkommende med opflytningseksamen fra 18de til 22de mai, og for 3dje klasses vedkommende med embedseksamen, der avsluttes med „Commencement" den 29de mai.

Følgende agter, om Gud vil, at fremstille sig til avgangseksamen:

Bestyrerembedet kræver nu saa meget arbeide og saadanne kvalifikationer av den, der indehar det, at jeg av hensyn til skolens bedste mener at burde nedlægge det og at anmode vor kirke om at overgi det i bedre hænder. Idet jeg gjør dette, er det mig en hjertelig trang næst Gud at takke kirken for den kjærlighet og overbærenhet

den har vist mig i de aar jeg har sittet ved styret av Luther Teologiske Seminar, som ogsaa specielt mine medlærere og skolens studenter for den venlighet og ærbødighet hvormed de altid har møtt mig og den broderlige støtte de bestandig har ydet mig i min ansvarsfulde stilling som seminariets hode. Herren lønne alle av sin rike naade. Han værge og velsigne vort seminar at det maa i fremtiden som hitindtil være Jesu Kristi tjenerinde til utdannelse av arbeidere i Herrens vingaard efter Guds hjerte.

I broderlig ærbødighet,

LUTHER COLLEGE

President's Report

To the Board of Education of the Norwegian Lutheran Church of America:

Commencement exercises at the close of last school year were held June 4, 1924. The Baccalaureate service was held the previous Sunday, the sermon being delivered by Rev. A. O. Johnson of Spring Grove, Minnesota. Rev. T. F. Gullixson of Minot, North Dakota, delivered the Commencement address. The degree of Bachelor of Arts was conferred upon forty-eight graduates. Twenty were graduated from the Senior High School of the Preparatory Department. Ten were given certificates of having completed the course prescribed for the Junior High School.

The total attendance this year has been 359, distributed as follows: Seniors, 41; Juniors, 63; Sophomores, 78; Freshmen, 127; special students, 4; and, in the Preparatory Department, 46. This is the largest attendance the college has ever had.

I regret that Rev. N. M. Ylvisaker, executive secretary of the Young People's Luther League, who was elected to the chair of Christianity at Luther College, has decided not to accept the position, although this regret is tempered by the thought that he occupies a position that enables him to render the young people of our Church invaluable service. I think that we should have on the faculty at Luther College at all times a goodly number of men who have had a theological training and pastoral experience. I regard it, therefore, as very fortunate that Rev. Walter B. Scarvie has been called to Luther College and has accepted the position tendered him. Rev. Scarvie will have charge of the Main Building and will thus be in a position to exert a very good influence.

It is a satisfaction to know that members of the faculty are very eager to prepare themselves as well as possible for their work, and it augurs well for the college that six members of the faculty, who all have the Master's degree, at present are studying toward the Doctor's degree. Prof. O. A. Tingelstad is spending the second semester completing his work at the University of Chicago for the Ph. D. degree. He will resume his work at the college in September. Prof. Orlando W. Qualley is a Research Fellow of the University of Michigan, studying abroad and a member of the University of Michigan Near East Research Expedition to Egypt. He will return to Luther College at the beginning of next school year. Prof. Enoch E. Peterson (permanently appointed) is Research Fellow of the University of Michigan studying abroad, a member of the University of Michigan Near East Research Expedition to Asia Minor, and a member of the American Expedition for the Excavation of Carthage. He will return to the college in September, 1926. Prof. Merriam H. Trytten is studying physics on an assistantship at the University of Pittsburgh. He will return to the college in September, 1926. Prof. Carl W. Strom, who is a Rhodes Scholar at Oxford University, England, will return to the college in September, 1927. Prof. J. Magnus Rohne, who has completed his class work at Harvard University for the Ph. D. degree, has now completed his doctor's dissertation. His dissertation will be a valuable contribution to our Church history. Other members of our faculty are planning to devote the summer to graduate study, and some are looking forward to an opportunity to continue their studies for a longer period of time for advanced academic degrees. In thus enabling mem-

bers of the faculty, whose teaching ability and whose attitude toward fundamental principles have been tested, to pursue graduate work, the college assures itself of well equipped professors. Professors who are striving for greater proficiency in their calling by continuing their studies also have an attitude toward their work that makes them very enthusiastic and efficient instructors.

The forces at Luther College will take an important part in the festivities of the Norse-American Centennial to be held in June. Dr. O. M. Norlie has written "A History of the Norwegian People in America, 1825-1925" for the Centennial Committee of our Church; Dr. K. Gjerset is the chairman of the Centennial Committee on Exhibits; while the Luther College Concert Band and other forces of the college will take part in the festivities. Luther College, during the sixty-four years of its existence, has been no small factor in the preservation and dissemination of Norse culture in this country, and it is natural that it should take great interest in such an event as the Norse-American Centennial.

Immediately after the Centennial exercises, the Luther College Concert Band will start on a tour to the Pacific Coast. It will conclude the tour and return to Decorah about the seventh of August.

On invitation of the college, Dr. O. E. Brandt delivered a series of addresses to our students February 11th, 12th, and 13th, in an endeavor to arouse more interest among them for the study of theology. This method of procedure was something of an experiment with us, but it proved very successful; and we shall continue the practice of having one or two men from the seminary or from among our pastors come to the college and lay before our students the need of well equipped pastors in our Church and the desirability of having as many as possible of our graduates take up the study of theology.

The raising of funds for a new gymnasium, to be known as the C. K. Preus Gymnasium, has been in progress since the middle of October, and at this writing, May 5th, something over $105,000 has been subscribed. Of this amount, $26,000 was raised in Decorah by a committee representing the Commercial Club. The gymnasium will also serve as an auditorium, and will relieve the present very pressing need of an adequate assembly hall for the daily chapel exercises at the college.

The Board of Trustees appointed the following committee to have charge of the raising of funds for the gymnasium: the President of the College, Prof. O. A. Tingelstad, Dr. T. Stabo, Dr. O. M. Norlie, and Rev. N. M. Ylvisaker. This committee is known as the Central Committee. The Central Committee appointed the President, Prof. Sigurd S. Reque, and Prof. George C. Henriksen as an Executive Committee to carry out the work as planned. The Board of Trustees has also appointed the President, Dr. T. Stabo, Dr. A. M. Rovelstad, and Prof. Sigurd S. Reque to act as the Building Committee. At the request of the Board of Trustees, I have visited the gymnasiums at the following institutions in company with architect Charles Altfillisch: Iowa University, Augustana College (Rock Island), Columbia College (Dubuque), La Crosse Normal School, Macalester College, St. Olaf College, Gustavus Adolphus College, and Loyola University, Chicago.

I wish again to call attention to the fact that Luther College must have an endowment by January 1, 1927, that will meet the requirements of the North Central Association of Colleges and Secondary Schools. If it does not have such an endowment by the time stated, it will no longer be accredited. Loss of accreditation would be a serious blow to the college.

In conclusion, I am pleased to state that the prospects at present are that there will be ten present students at the college and two recent graduates who will enter Luther Theological Seminary in September. There may be more. We are intensely interested in having graduates of the college enter the seminary and prepare for pastoral work in our Church. The importance of the Ministry of the Gospel is presented to our students at chapel exercises, in class periods, and in private conversations; and, with the blessing of God, we trust that our college will fulfill its primary mission, of which the members of the faculty are fully conscious and which they are eager to promote to the best of their ability. May God continue to hold His protecting hand over our beloved college and use it as an instrument to lead young men toward the holy ministry and prepare them adequately for the study of theology.

Respectfully,

Luther College, Decorah, Iowa, May 5, 1925. OSCAR L. OLSON.

ST. OLAF COLLEGE

President's Report

To the Board of Education of the Norwegian Lutheran Church of America:

In accordance with custom I am submitting to the Board my annual report covering the activities of the college during the school year 1924-1925. I am departing from the usual custom in eliminating the names of teachers, students, and graduates. I am, on the other hand, giving a very brief summary of some of the problems connected with the work, concerning which the Board and the Church should take action.

The school year 1924-1925 has in many respects been a splendid year. The attendance has reached the highest figure in the history of the school—967, 524 men and 443 women. 160 students will graduate from the college in June with the Bachelor of Arts degree, and 8 from the Music Department, either with the diploma or the Bachelor of Music degree. The number of women exceeds the number of men in the present graduating class. This, however, is exceptional.

There has been very little sickness the last year. This is due to a large extent to the attention given the matter of student health by the deans and by the deaconess in charge of the hospital.

In matters of discipline we have no reason to complain. There are, of course, many individual cases of discipline coming up during the year. We have found it necessary to eliminate quite a number who failed in their scholastic work, some because they are not equal to the work, others because they waste their time. We have also had to dismiss some students because of drinking and dancing. In carrying out disciplinary measures, we have had the full cooperation of the student organizations and the student body. On the part of a small minority, we find opposition, of course. But in the main, it can be said that the student opinion is bent upon eliminating the things that hinder the best growth and development. The great majority of the students go at their work soberly and conscientiously and, judging by reports that come from the teachers, in the main are succeeding well.

Student life also finds expression in the activities that lie outside the classes. Every influence is exerted on the part of the faculty and the student body, to keep the outside activities within reasonable limitations. On the other hand, encouragement is given to these activities, because it belongs to the education of our young people to put into practice the things they are learning in class. Especially is this true when it comes to the religious life of the college.

At the same time that there is much to be desired as far as the religious life of the college is concerned, we also have many things that make us feel glad. Especially is this so when we see the students joining enthusiastically in the things that come to us from the church and the activities connected with the church. Instead of the usual student meetings, as we have had them heretofore, we invited this year Dr. J. A. O. Stub to preach on what was called "Benevolence Sunday," when the students took up an offering for the Budget of the Church, amounting to about $1,500.00. Later in the school year, one of the Evangelists of the Church, Rev. H. N. Ronning, came to the college on our invitation and spent a week, preaching on Sunday and having evening meetings throughout the week. During the day and otherwise he was engaged in personal conferences with the students. Hundreds of young men and women sought personal conferences with him because they were concerned not merely with the Christian activities of the student body, but because they were anxious about the salvation of their own souls. We are indebted to Rev. Ronning for the splendid work he did at the college. He has a standing invitation to come again.

Several of the teachers who have been away for study the last year will return: Prof. Hartwig of the English Department, who has spent the year at Harvard University; Miss Anderson of the Domestic Science Department, who has spent the year at the University of Minnesota; and Prof. Ringstad of the Department of Philosophy and Psychology, who has spent the year at the University of Wisconsin. Three of the teachers and one of the assistant librarians will be absent the coming year: Miss Esther Gulbrandson, Prof. A. M. Holm-

quist, who has also spent the last year at the University of Chicago, Prof. Olaf Thormodsgaard, who has received a fellowship from the Carnegie Peace Foundation and will spend the year at Harvard University, and Miss Anna Mohn, who will continue her studies as librarian. The Board has elected the teachers who are on a temporary basis for the coming year, so no report is made at this time. There are, however, three teachers, who have been with us for some years, whom I wish to recommend for permanent appointment: Miss Nora Solum of the Department of English, Prof. C. E. Nordberg of the Department of Norwegian, and Miss Ella Hjertaas of the Department of Music. In addition, it is recommended that the annual meeting confirm the call sent to Rev. Theo. Huggenvik to be a teacher in the Department of Religion. Rev. Huggenvik has already taught at St. Olaf three years, so he does not come to us a new teacher. It is recommended that he be called on a permanent basis.

St. Olaf College has conducted a radio station the last three or four years. The station was built up in the beginning by the Department of Physics, with the special help of Professor Skifter, who was a student at that time. Since his graduation, Professor Skifter has been in charge of the radio station and, together with other teachers and students, who have been of large assistance, has maintained the station at a high standard. We have sought to bring to the public programs which should be worth while, and with the cooperation of those of the professors who were willing to preach, we have tried to provide Lutheran services for those who listen over the radio. Judging by the letters sent in, the programs have been well received.

But the mounting cost has made it necessary for us to discontinue the station, unless some means can be provided which will not deprive us of money sorely needed for other purposes. It was our intention to lay down the radio station last year, but the graduating class subscribed the necessary funds to keep the station going. It is, however, not advisable to continue on this indefinite basis, as in the long run the college will have to bear the major portion of the burden. With the decreased budget, which we shall have to face this and future years, we have decided not to continue. But before laying the station down, I wish to ask the Board and the Church whether the maintenance of a Lutheran Radio Station, providing good programs and Lutheran services, and giving an opportunity to the Church to bring its work before the people, is worth while. Judging from the experience which we have had the last four years, it will cost not less than $5,500.00 and probably $6,000.00 to run the station. A great number of people who are of our nationality and who once upon a time belonged to our Church, have been reached through the radio. We have called them "lonesome Lutherans." It is a question whether through this means we are not getting hold of many people who otherwise might be lost to us — people who long ago have moved away from communities in which the Lutheran Church is found. They have shown their appreciation when they have heard the old hymns sung and the old Gospel preached to them again. Other forces, sinister in their influences, are trying to get hold of the radio in this country. Is it worth while for the Church to make use of this invention to bring before the large number of listeners, the Gospel which we are otherwise organized to spread? I am leaving this matter entirely in the hands of the Board and the Church to decide.

One of the questions which also should come up for consideration at this meeting, is the question of the endowment drive. According to the proposal made by the Board, the endowment drive for St. Olaf and Luther Colleges, the only two colleges which now have recognition from the standardizing agencies, is tied up with the endowment drive for all the schools. As a member of the Church, I have every reason to support all the schools and colleges of the Church. But it is a big question whether we shall succeed in retaining the recognition we now have, if St. Olaf and Luther Colleges shall have to wait until the whole endowment fund has been raised.

The first of January, 1927, it will be necessary for both Luther and St. Olaf Colleges to measure up to the new standards which have been set. Looking at the matter in an impartial manner, I would say that it is advisable to bring Luther and St. Olaf Colleges up to the minimum required, and then take hold of the question of bringing the other colleges up to the standard. It is going

to be a serious reflection upon us, if we permit the only two accredited colleges we have to lose their standing. I am not arguing the question of having the colleges accredited, because that is pretty generally recognized. Some plan should be proposed at this meeting which will make it possible for the two colleges now recognized to continue as such, and then an effective campaign should be organized to bring the others up to the standard also.

In connection with the plan proposed by the Board of Education, the recommendation is made that $70,000.00 shall be the maximum budget for St. Olaf College as far as the future is concerned. In order to overcome the decrease, it has been found necessary to raise the tuition to $125.00. We make every effort to aid poor students in paying this amount, as otherwise every raise in tuition would eliminate from our attendance those of our students who are not able to pay. Every encouragement should be given to congregations to do as Bethel Lutheran Church in Chicago recently has done. This congregation has started a fund to help its young people, who wish to attend college, continue their education, so as to qualify them for work in the Church. It is a splendid movement and should be imitated by other congregations.

The new building, which we have decided to call "Administration Building" until further notice, will we hope, be ready for dedication on June 5th. We have requested Dr. H. G. Stub, the President of the Church, to dedicate the building, as he was present and preached on the opening day of school, January 5, 1875. Without going into any history of the burning of the old chapel and the gathering of funds, we can say that all things have turned out well. Sufficient funds have come in to pay for the building, so that it can be dedicated without any indebtedness. We are, however, in need of $15,000.00 to $20,000.00 to provide the necessary equipment. It is our hope that this money will come in before the dedication. The building will make it possible for the college to do better work in caring for the students who are here. It will not be possible for us, in spite of the additional room, to add materially to the student body, no matter how much we might desire to take all those who apply for admission.

In planning for the erection of the new building, it was thought possible to leave out the partitions on two-thirds of the second floor, and in this way provide space temporarily for chapel exercises. When the building was up, it was found that the room would not be satisfactory for this purpose. It was too low and it would be too crowded. After consulting the faculty and the boards, it was decided to complete the second floor and continue using the gymnasium for chapel exercises. This was especially done in view of the fact that the second floor could be completed at a cost of only $10,500.00, whereas, according to the estimate of the contractor, it would take double that amount later.

The Power Plant, which was completed a year ago, has given splendid service. The St. Olaf Corporation has taken over the financing of the plant and it is hoped that we shall be able to pay the cost without in any sense adding to the burden of the college or the Church.

During the last years the St. Olaf Choir, together with the other musical organizations of the college, has accumulated a fund of about $50,000.00 for a new music building. Plans are being drawn up for this building, and it is our hope that we shall be able to let the contract for such part of the building as can be built for the money on hand before the summer is over. The old building, the first one used by the college, standing about 40 feet from the new building, was condemned years ago and now constitutes a fire menace for the new building. This makes it necessary for us to proceed with the construction of the new music building as soon as possible, in order that the old building may be torn down and the fire menace removed.

In connection with the Commencement Exercises this year, the college will celebrate the 50th Anniversary of its foundation. It is true that the anniversary should have been celebrated on the 6th of November last year. But due to the building operations which had been started a few months before, the celebration was postponed until commencement time, when it would be possible to dedicate the new building. We have every reason to feel thankful to God for the experiences of these 50 years. For many years the college struggled along without any direct connection with any church body, receiving its support only from popular subscription. When we think of the hardships and the worry and work of these years, we have every reason to thank God, who blessed the

work and the men who stood at the head of it. We of today, who can look upon a larger college, with larger opportunities in every way, feel that we owe a debt of gratitude to the men and women who worked here, and to the men and women out among our people and in the Church, who supported the college by their prayers and gifts. The college has aimed during these years to be a servant of the Church for the building of God's Kingdom. After 50 years, we find ourselves striving to attain the same ideals. When we celebrate this year, we do not consider it a celebration for the college only. We invite the Church, whose child the college is, to celebrate with us.

As we start out on the second half of the century, it is with the prayer and hope that the Lord will make it possible for us to render a service commensurate with the opportunity given to us by the Church. We shall try to center our energies and all our work in the old motto of the college, "Fram, Fram, Christmenn, Crossmenn!"

L. W. BOE, President.

RED WING SEMINARY

President's Report

Red Wing Seminary has had an attendance of 151 registered students this year. Of these, 65 were boys and 86 girls. Some over forty will graduate from the various departments.

The state of health has, generally speaking, been good; as a consequence the school work has not suffered interruptions.

I think it can be said truthfully that the great majority of the young people who are attracted to our school have the kind of ideals which our Church seeks to inculcate. We strive to help them toward definiteness in their religious convictions and to active work for Christ and His cause. Our Bible school department with its many classes in religion is a valuable aid in this work,—likewise the voluntary Christian activity engaged in by the students. Prayer meetings, Bible study and mission meetings, Sunday school work done in the outskirts of our city, are some of the forms of this activity. Our annual Evangelistic Week services in February, led by Rev. O. S. Reigstad of Minneapolis, were of noticeable help to many. The same may be said of a Bible conference held shortly afterwards. The speakers were Evangelist Ronning, Professors Wee and Tiller, and Pastors Paulsrud and Lundeberg. The change in conduct and study on the part of students who are led back to conscious faith in God, is usually so remarkable as to gain general notice.

Next to the interest among the active supporters of the school in the religious life at the institution, ranks the question of the advisability of introducing junior college work at Red Wing Seminary. There is widespread interest in this question. The faculty has taken steps to ascertain just what it will involve in curriculum changes and in expense. The Board of Education is giving the matter serious consideration and will doubtless publish its findings before this report is presented to the Church convention.

Our Alumni Fund is doing good service in taking care of sorely needed campus improvements which recent street grading by the Seminary property made necessary.

The problem of adequate dormitory facilities remains unsolved. Although I have repeatedly, but in vain, called the attention of the Church to this pressing problem, I also this year feel that I must stress it, especially as experience has proved that the attendance is dependent upon the proper housing of the students.

AUGUSTANA COLLEGE AND NORMAL SCHOOL

President's Report

To the Board of Education

Augustana College and Normal School can report a favorable year for 1924-1925. The attendance has grown to 370 students. The work of the College Department has distinctly expanded, as well as that of the Normal and Music Departments. The school has grown notably in public standing, and both administrative and pedagogical organization.

Obedient to the action of the Church, College work was definitely established in 1920. The institution graduated one person in 1923, four in 1924, and will graduate twelve this year of 1925. The graduation totals in all courses are as follows:

Collegiate	12
Normal	40
Academic	39

The analysis of attendance is as follows:

	Men	Women	Total
College	64	38	102
Advanced Normal	3	39	42
Normal Course for H. S. Graduates	4	25	29
Academy—			
Normal	1	53	54
High School	40	35	75
Commercial	12	5	17
Music	46	127	173
	170	322	492
Counted Twice	32	90	122
Enrollment	138	232	370

The Practice School has in addition enrolled 32 pupils.

The school has grown in academic standing as is seen by its remarkable record in Forensics, Athletics, Music, as well as in the recognition it has attained from the State Departments of Public Instruction and from the Universities. The work in religious instruction has developed notably under the leadership of Rev. Iver Iversen, D. D., assisted by other teachers. Special services were conducted in February, Rev. S. A. Berge of Fort Dodge, Iowa and Rev. H. J. Glenn participating. The response of the student body was very good. Luther League work, Mission Study work, student prayer meetings have continued throughout the year. Voluntary prayer meetings have been instituted in the Men's Dormitory regularly at the initiative of the young men themselves.

Now that we are celebrating the 100th year of our coming as a people to this land, it is worth recalling that the first school deliberations which Norwegian men shared was the meeting in Stephenson County, Illinois, in May of 1851. Augustana on one side of its history is thus distinctly connected with Norwegian-American beginnings. The Luther Normal came out of the efforts of the honored President, Rev. H. A. Preus, and out of the conviction that normal and parochial training was important to the church. The present school as such embodies in its past much that is good in the record of our people.

Representing as it does, therefore, much that is distinctive in the history of our people on this continent, the institution naturally deserves our attention. Whatever the past, the present situation reveals many needs if the cause is to go forward. One of the living issues in the church today is the question of a college in the South Dakota District, and any individual or any set of men and women who may set their minds toward meeting these needs will render a service to the church and to the Kingdom.

The year has been one of splendid fellowship and devoted work on the part of all teachers. The faculty deserves the gratitude of the church for their fidelity and zeal in all relations and in the general program of the school. Much gratitude is likewise due the pastors and congregations for their loyal support. Inasmuch as the young people of the present are the hope of the church for the future this devotion is wise. May the Lord sustain by His good favor the educational program of our church.

Sincerely,

C. O. SOLBERG.

SPOKANE COLLEGE

President's Report

On Friday, June the sixth, 1925, Spokane College closed one of its most successful school years. Out of a total enrollment of 125 students, 40 were

enrolled in the junior college department, and 85 in the academy. The courses now maintained are the junior college, four year high school, and music.

The following students graduated: From the junior college: Fred Hellbaum, Johanna Hesby, Norman Himle, Whitney Kenny, Carl Luck, Alfred Prahinski, Joe Rognstad, Clara Rosand. From the academy: Gudrun Bjelde, Helen Bolitho, Carl Gauksheim, Elmer Holen, Helmer Holen, Mabel Jacobson, James Jacobson, Oscar Johnson, Marie Johnson, Oliver Lee, Emmett Reed, Gunder Reierson, Paul Reierson, Albert Tonneson, Esther Wall.

Our urgent need is greater support from all Lutherans in our territory. We need more students. We can accommodate a hundred more without any increase in running expenses. It is our wish and prayer that we will receive more active support, for the only Lutheran College in this vast territory.

H. P. OLSON, President.

CANTON LUTHERAN NORMAL SCHOOL

President's Report

To the Board of Education of the Norwegian Lutheran Church of America:

As president of Canton Lutheran Normal I herewith submit my annual report for the school year 1924-1925.

The Normal has enjoyed a most pleasant and profitable school year. Splendid comradeship and cooperation has prevailed among teachers and students. We are especially thankful to God for visible results of spiritual growth and renewed consecration among the students. At no previous time in the history of the Normal has there been such marked interest in religious instruction, chapel exercises and devotions, and in the religious organizations as there has been this year. Dean Samuel Miller held a series of devotional meetings at the Normal during the month of February, which made a deep and abiding impression on both teachers and students. Special mention should be made of three instructors who have had special charge of religious activities during the year: Prof. Eugene Lee, Miss Gladys Johnson and Miss Constance Weswig. May the good seed they have sown bear an abundant harvest.

The recently published recommendations of the Board of Education for a readjustment of our entire Educational program compels our church to face a serious situation. We must either secure the necessary financial support for our Christian educational institutions or curtail the program our church has launched out upon. We cannot indefinitely face financial deficits in the educational budget. There is naturally a deep concern at our institution regarding the probable effect of the above mentioned recommendation upon our institution. We feel that the Normal has a place to fill in the extension of the Kingdom. To one who has lived and worked among this large, earnest and ambitious group of young people it seems unthinkable to discontinue the institution at this time. This opinion is shared by many of the pastors and lay-people of our district. With the hope of finding a plausible and workable solution of the school problem in our district, several informal gatherings of interested pastors and lay-people have been held during the past months. At this writing it appears that a solution agreeable to all concerned has been agreed upon and will be recommended to the South Dakota district convention to be held in June. May the Lord guide and direct our deliberations and decisions.

With grateful hearts we return thanks to our Heavenly Father for His many blessings unto us, both temporal and spiritual. In spite of our many shortcomings and lack of consecration, He has abundantly blessed us individually and as an institution. May these undeserved blessings spur us on to greater consecration and more unselfish service in His Kingdom. To Him alone belongs the honor and glory.

Respectfully submitted,

J. N. BROWN, President.

MADISON LUTHERAN NORMAL SCHOOL

President's Report

To the Board of Education:

The school has enjoyed a favorable year with increased attendance over previous years. There is evidence of increased interest in the welfare of the school both in the immediate community and in the outlying territory.

The administrative officers have been: E. R. Rorem, president; A. K. Feroe, treasurer and business manager; Arthur Arneson, dean of men; Miss Sigrid Moe, dean of women.

Instruction has been given during the past year by the following: A. K. Feroe, Mathematics, Penmanship; Andrew Hegre, Sciences; Arthur Arneson, History, Latin; Miss Sigrid Moe, English, Norse; Miss Elizabeth Kleppe, Teacher Training Department; Miss Marie Dale, Music Department; Miss Sena Hanson, Model School; the undersigned, Religion.

The school is now completing its 33rd year of service. Its present buildings, two dormitories, administration building and central heating plant, are all in good substantial condition.

The Christian service that a church school is rendering to the young people who attend, and in a more general way to the Church, is of such importance that it can not be computed in money.

May the blessing of God rest upon the school in the future as it has in the past.

Respectfully,

E. R. ROREM.

CONCORDIA COLLEGE

President's Report

To the Board of Education of the Norwegian Lutheran Church of America:

Concordia College closed its 33rd school year June first. The total enrollment was 355 of which 290 were in the college department. The gradual increase in attendance in the college is submitted in the following tabulation:

Enrollment in College Department

	1924—25	23—24	22—23	21—22	20—21	19—20	18—19	17—18
Seniors	49	22	41	29	18	17	10	9
Juniors	66	46	25	36	28	16	13	10
Sophomores	74	68	44	26	44	27	12	21
Freshmen	101	82	83	64	46	62	47	40
Total	290	218	193	155	136	122	82	80
Academy	65							
	355							

In accordance with the arrangements made at the time of the Union, having reached last year two hundred in the college department, the first year academy class was dropped. The coming year the second year class will be dropped and in two years the academy will be discontinued.

The present graduating class in the college department numbers forty-eight, making the total of alumni two hundred twenty-eight.

The College Corporation voted unanimously to transfer the control of the college to the Norwegian Lutheran Church of America, but the final steps have been held in abeyance until after the present meeting of th Norwegian Lutheran Church so as to be in readiness to comply with whatever resolutions will be adopted in keeping with the present suggested school program.

The freshman class in the college has studied the Bible during the present year thru weekly visits of Dean Miller of the Lutheran Bible Institute. There has been a marked influence at the institution from these Bible classes. Although given as a class to only the freshmen, the great majority of the students have attended regularly every meeting and in addition some three or four hundred people from the city congregations have availed themselves of this opportunity. The Word of God has been plainly and fervently laid upon their hearts and God's spirit has been working thru the Word in the hearts of many of these young people. The sophomore, junior and senior classes in Religion have been taken care of by the President of the college during Dr. Tanner's year of absence. In addition to these regular classes, Rev. Andrew Burgess conducted a twelve weeks' Mission Study Class with an attendance of from forty to sixty each time.

The faculty have seriously and earnestly attempted to give the students not only the theoretical instruction in doctrine in the required courses, but, as far as it is possible, to create also that background and atmosphere which will stimulate Christian thinking and Christian living. We are deeply thankful to God for the

apparent sincere and earnest attitude of the great majority of the students during the present year toward the Word of God and things that are holy. The Word of God must be the foundation for all education if it is to endure, and in a special sense for those who are to become the leaders and the guides of our people. But even the secular subjects like history, science, and the literatures, must be taught by teachers with a Christian philosophy and view of life if youth shall develop that Christian character and training which is of use in the Master's service both on the foreign and home field in the different capacities. The teaching staff of the college has worked with great faithfulness and industry in their respective positions. The faculty today is composed of a great number of men and women who have spent several years in graduate study and who have years of successful teaching experience—men and women with positive Christian convictions.

Needed improvements have been made from time to time according to the directions of the Corporation and the Board of Trustees. A steady growth in the expansion and equipment of the Library and laboratories have taken place until the college is prepared to take care of about five hundred college students.

The present need, and the thing that is absolutely necessary for the maintenance of Concordia College for the future, is the completion of an endowment fund that will give us the required $500,000.00. We are not urging this, but the life of the church is at stake in her educational agencies, and the interests of the church are our interests. The constant increase in attendance in our college department demonstrates the need of a college in the northwestern territory of our church. Concordia College is the only four year Lutheran Colege in the Northwest between Minneapolis and the Pacific and north in Canada.

We sincerely hope and pray that it will be possible for the present meeting to take the necessary steps to plan the collection of endowments that are needed for our colleges.

Financially the school has held its own with the appropriation of $30,000.00 the last year. We have not increased the indebtedness but rather reduced it four to five thousand dollars for the school year ending July, 1925, and at the same time taken care of extensive repairs, supplies and needed improvements amounting to approximately $7,000.

We beseech you to pray for our schools; remember them in your intercessions. We can do nothing without God, but with Him we can do all. Speak well of our schools; it is so easy to find fault. Seek to encourage those who are working there and to aid in the preservation of our young people for our own church.

J. A. AASGAARD.

CAMROSE LUTHERAN COLLEGE

The college will complete its fourteenth school year on June 20th, when 15 young people will graduate, 11 from the academic and 4 from the stenographic course.

The year has in several respects been very successful. Both teachers and students have worked diligently and harmoniously and no illness of serious nature has at any time interfered with the work. We have had a fine lot of students, that have entered whole heartedly and enthusiastically into the work both in and out of classes, and we are looking hopefully for splendid results in the forthcoming examinations.

In the spiritual life of the school we have been very fortunate. Our religious meetings have been well attended and many of the young people have openly taken a firm stand for Christ and our church. Every one of our fifty students has been under the wholesome influence of the Word of God in Bible Study classes, church services and our prayer meetings. And not one of them can go away unaffected. Not before all things are revealed can the blessings of our church academies be fully realized and understood.

We here in Canada are mindful of the kindness of our friends in the States and appreciate their sacrifices very much. May God richly bless them and help them not to become tired of helping us, until we shall become able to support ourselves. The work of our academies is so obviously important that we can ill afford to neglect it at this time, when we are trying to lay a secure foundation for the Norwegian Lutheran Church in Canada. God bless our academies!

Faithfully yours,

A. H. SOLHEIM.

CENTRAL WISCONSIN COLLEGE

On May 29th, 1925, the college closed its thirty-second school year. The past school year was in many ways a remarkable one. Altho the attendance was a little less than the previous year, being that there were only 111 students in attendance, the class work accomplished was seemingly better than that of any former year. The spirit among the students has been exceptionally fine. The classes in Religion were well attended thruout the year. Many precious truths were implanted into the hearts of the young men and women, which will bear good fruits in due season.

A great deal of intelligent interest was manifested in the Mission Society. Many of its members prepared instructive papers and reports bearing upon the various missionary activities. The Society gave a successful bazaar during the year.

The Bible Hour conducted by the teachers and students every Thursday evening thruout the school year was usually well attended. These Bible Hours seem to be productive of many blessings upon both teachers and students. They are brought closer together in the unity of Christ. The chapel talks and exercises contributed to the spiritual upbuilding and edification of us all. May the triune God continue to bless our church schools and make them a blessing to many.

A. O. B. MOLLDREM, President.

GALE COLLEGE

Gale College is now closing its twenty-fourth year under Lutheran control—a very successful year in most ways. There has been very little sickness among the students and teachers. Class and organization work have progressed very nicely. The enrollment has been lower than in several years, the total being 72. Prof. H. F. Swansen, president of the institution for the past five years, has tendered his resignation. The Board of Trustees has secured as his successor Rev. K. O. Lokensgaard. May God grant that the cause of Christian education may come closer to the hearts of our people so that they cheerfully and willingly may support this very important department of our church work.

H. F. SWANSEN, President.

April 20, 1925.

OUTLOOK COLLEGE

At Outlook College the school year opened on Oct. 7 and will close on June 30. Sixteen academy students and four grade VIII students will write on the provincial examinations.

Besides the ordinary courses in the academy and preparatory departments, Outlook College has this year for the first time conducted a Bible and Sunday School Institute. It lasted only four weeks and the attendance was small, but it exerted a blessed influence on the whole school. It is to be hoped that we through this Institute may be able to serve the congregations more directly than we hitherto have been able to do.

In conjunction with the Institute we also had a week of evangelistic meetings, beginning on Jan. 7.

Several of our graduates have this year secured positions as school teachers in districts where they are requested to teach religion ½ hour per day.

K. BERGSAGEL, President.

May, 1925.

LUTHER ACADEMY

In reviewing the work of the past year, our hearts are filled with gratitude to God for the blessings enjoyed and the progress made. A fine spirit of cooperation has prevailed among teachers and students, and the health conditions have been exceptionally good. Business College department had to be given larger quarters because of the increased attendance.

The total enrollment has been one hundred and thirty-two and on May 29th we hope to graduate a class of forty-eight from the various departments.

J. O. TWETEN, President.

PACIFIC LUTHERAN COLLEGE

The Pacific Lutheran College has completed another successful school year. Last year our enrollment reached 117. This year our enrollment is 165. Our school has been growing steadily and we have a right to look for more rapid growth from now on.

Up to this year the school has been operated by a school corporation. At the unanimous request of the Pacific District at its regular meeting last year in Stanwood, Wash., the articles of incorporation have been amended so that now the school is legally owned and operated by the Pacific District of the Norwegian Lutheran Church of America. This new order went into effect on Feb. 17, 1925, when we received notice from the state auditor that the amended articles of incorporation had been duly filed.

That the Pacific District has taken over the school means that each and every congregation has a direct vote in the management and affairs of the school. The Pacific Lutheran College is the only secondary school in our Church that is successfully and harmoniously operating a union school by uniting the schools formerly operated by the United Church and the Norwegian Synod. Thanks to God to whom belongs all the glory, we are united in faith and practice and all are working in harmony for the success of the school.

The past school year has been signally blessed. The school work has progressed. The various school organizations have worked faithfully and well. The students and teachers have worked in harmony. We have been spared from serious illness. May God continue to guard and keep us. We have had a very successful year in our literary and debating work. The chorus and orchestra have progressed very well.

The school indeed has a large field to cover. It is, by God's grace, in faith doing its best to do the work. We pray and hope that the Norwegian Lutheran Church will give us the financial aid we so sorely need. Where can the Church do better missionwork than right here?

The Pacific Lutheran College holds a responsible frontier position. It is the only school we have on the Pacific coast. May God give us continued success.

O. J. ORDAL, President.

WALDORF LUTHERAN COLLEGE

Waldorf College, during the school year 1924-25, has had up till May 1st, a total enrollment of 200 students. This is better than the enrollment of last year, but not up to the standard of bygone years, nor up to the standard we hope to reach the coming school year. We can truthfully say that at Waldorf the emphasis has been placed on Christian Activities and this is evidenced by the numerous religious organizations at the school, and by the special religious programs and services sponsored by the school. The school realizes that the fear of the Lord is the beginning of wisdom, and in every possible way seeks to impress this truth upon the minds and hearts of the students in all departments. From the Christian viewpoint, this has been a year in which a universal interest has been shown in Christian living. It would be well for the members of our Church every year to remember that our Christian Schools emphasize Christian Living.

C. B. HELGEN, President.

Thursday Forenoon

Committee No. 2. Education. Report A.

Par. 1. Thanks to God.

This paragraph was adopted by rising vote.

Par. 2. The school situation in South Dakota.

During the consideration of this question the time for each speaker was limited to 4 minutes.

The following resolution presented by B. E. Bergesen was adopted:

"In regard to the school question in South Dakota the undersigned moves that the committee's resolution be accepted as the Church's recommendation to the South Dakota District.

Par. 3. Concordia College.

Adopted with the following addition:

North Dakota and Northern Minnesota districts are requested to take up for consideration Par. 3 in the resolutions placed before the annual meeting by the committee.

REPORT B, FROM COMMITTEE NO. 2. SCHOOLS

The committee begs to submit the following resolution:

I. The Seminary

1. In his report, Dr. Bøckman, in his modest and tactful style, asks the Church to relieve him of the strenuous duties of the presidency of the Seminary. After a long and efficient service in this office no one will wonder that this venerable scholar longs for a time that may give him more ease and comfort as the sun of life approaches the western horizon. And yet, while we realize the fairness of this request, we yet at this time feel that our Church and our Seminary cannot afford to spare Dr. Bøckman.

We therefore hope that he continue still in the office and that the Lord will grant him strength to add yet a contribution to the large measure of service he has already given to the Norwegian Lutheran Church of America.

2. We recommend that one additional professor to the faculty of the theological seminary be elected.

3. Resolved, that beginning January 1, 1926, the salaries of the theological professors be $2,500.00 and free house, that the salary of the president be $2,800.00 and free house, with an addition of $200.00 as a president contingent fund.

4. Resolved, that the changes in the constitution and by-laws of the Luther Theological Seminary as proposed by the Board of Education on page 80 of the printed report be adopted.

5. Resolved, that on account of the present financial condition in our Church, action on the contemplated new building at the Seminary be postponed.

II. Luther College

1. We express our appreciation of the increased attendance at Luther College.

2. We note with pleasure that so many of the younger members of the faculty are using their vacations in work towards advanced degrees.

III. St. Olaf College

1. We express our appreciation of the effort put forth to accommodate the large enrollment at the school.

2. We recognize with thanks to God the growth and development of the school during these 50 years, as we look back upon its history from the important milestone.

3. We note with pleasure the effort put forth by our teachers to increase their efficiency by continued study in post-graduate courses.

4. We express our appreciation of the work accomplished by the president,

faculty and others in securing funds for the new administration building at the school just completed. It is a unique piece of work.

5. We consider the radio station at St. Olaf a valuable activity, and would regret to think of discontinuing this work. We would very much appreciate that voluntary contributions be made for this purpose and that men of wealth would come to the rescue.

6. We would call to the attention of the St. Olaf Lutheran Choir and its director the possibility of broadcasting an annual concert by this celebrated choir.

7. Resolved, that the endowment fund for Luther College be increased by the sum of $250,000.00, and the endowment fund for St. Olaf College be increased by the sum of $275,000.00 by January 1, 1927.

IV. Augustana College and Canton Normal

1. Resolved, that Augustana College and Normal School and the Canton Normal School be transferred to such corporation as the South Dakota District may be willing to organize; that the South Dakota District decide whether it will have one school or two schools. In case the district decides to have only one school, then the Church shall dispose of the property of the vacant school in such way as in its judgment best serves the interest of the constituency of that school.

That the Church agrees to grant each year an appropriation of $15,000.00, that the sum be the same whether there is one school or it be divided between two schools; that the South Dakota District and the border counties of Iowa and Rock and Pipestone counties in Minnesota be assigned to the South Dakota corporation as its territory in which no other schools of our Church shall conduct active campaigns for money and for students.

And, that in addition to this, the South Dakota corporation receive 50 per cent of the money gathered for education within South Dakota District.

2. That the Church shall deed all the school property in South Dakota to a corporation that may be organized by the South Dakota District.

V. Concordia College

Resolved, that Concordia College be continued as heretofore or taken over in some form by its territorial constituency; that the Church grant it each year an appropriation of $15,000.00.

In this case the tiers of neighboring counties in Northern Minnesota and the State of North Dakota shall be assigned to the college as its territory in which no other school in our Church shall conduct active campaigns for money or for students.

And that in addition to this Concordia College corporation receive 50 per cent of the money gathered for education within North Dakota District.

VI. Madison Normal School

Resolved that the Madison Lutheran Normal School be continued under the auspices of the Church as heretofore and that it will be appropriated for the year of 1926 the sum of $5,000.00 and that in addition to this it be allowed up to 25 per cent of the money gathered for education in Lac qui Parle and Montevideo circuits.

VII. Spokane College

Resolved, that Spokane College be allowed $5,000.00 plus 100 per cent of the money gathered for education in Rocky Mountain District.

VIII. Pacific Lutheran College

Resolved, that the Pacific Lutheran College be allowed $5,000.00 plus 75 per cent of the money gathered for education in the Pacific District.

IX. Red Wing Seminary

Resolved, that the Church continue to maintain Red Wing Seminary as a first class academy with an appropriation of $18,000.00.

Resolved, that we are of the opinion that Red Wing Seminary has the first

claim in the matter of establishing junior colleges, and it therefore instructs the Board of Education to investigate the cost and advisability of introducing junior college work at Red Wing Seminary and to propose definite action to the convention in 1926.

X

Resolved, that Canada District schools be allowed $5,000.00, and Clifton College $4,000.00.

XI

Resolved, that paragraph 10 on page 84 of the printed report, with the exception of Madison Lutheran Normal School, be adopted.

XII

Resolved, that the districts and localities that receive benefit for its schools of a percentage of the money raised for education within the territory be urged to make a strenuous effort to increase their contributions to education.

REV. H. M. SOLEM, Chairman.

Pastor Johs. Granskou presented the following amendment to Par. 17 b. report from Com. No. 6:

No campaign of funds shall be made in the congregations of the church for endowment fund before the Church has paid its debt which has been accumulated in the budget.

Friday Evening

Report from Committee No. 6.

Par. 17. Endowments.

Pastor Shurson gave information in answer to the thoughts expressed in Granskou's amendment presented during the afternoon session.

The following pertinent information was given by Prof. L. W. Boe in answer to Pastor Fosnes' question as to what credit the Central Association gave for the support colleges received from the Church. President Boe stated that if St. Olaf College had no support from the Church, its endowment required would be $900,000. With the support which the Church gives it, the endowment required is $600,000.

He is therefore asking for $300,000 endowment because we already have $300,000.

Order of the Day

Resolved that a vote be now taken. Granskou's amendment was put to a vote but failed to carry.

Therefore, be it resolved,

That the above amount held, or invested by the treasurer of our Church as a Neutral Fund be divided equally among the endowment funds of the three academies and transferred to the Board of Trustees of each school for this disposition as they may deem advisable.

II. Report

Fra eksekutivsekretæren for indremissionen og Church Extension

Indremissionsbestyrelsen holdt to møter sidste aar, den 26de til 27de mars og 21de til 22de august; eksekutivkomiteen holdt møter den 21de mai og 11te november.

Indremissionsmarken

Dette indbefatter de ni distrikter, den engelske konferans, sjømands-, indianer-, Alaska-, Ketchikan- og immigrantmissionen, arbeidet blandt russerne, døvstummemissionen, evangelistvirksomheten, arbeidet ved statsskolene og Church Extension. (Bokmissionen har sin egen bestyrelse.)

Om indremissionen i de ni distrikter vil formændene gi fuld rapport i sine indberetninger.

Sjømandsmissionen

Underretning om arbeidet ved sjømandsmissionen i San Francisco, Seattle og Boston vil findes i rapporter fra bestyrerne for disse stationer. Med glæde kan kortelig berettes at arbeidet har vokset og vundet fremgang og anerkjendelse og har været til stor velsignelse.

Missionene i San Francisco og Seattle har ogsaa i aar kunnet indsende midler til kasserer Waldeland, hvilke midler lægges til de fond som kassereren allerede har og som er tiltænkt permanente hjem for disse saa vigtige stationer. Board of Trustees har besluttet at foreslaa for aarsmøtet at en vis eiendom i Seattle blir kjøpt for dette øiemed. I Boston er der opført en prægtig kirke som allerede er indvidd. Den resterende gjæld paa eiendommen der er kun $1,500.00, og det haabes at ved næste jul vil ogsaa denne gjæld være betalt. Midlene er kommet ind ved privatgaver fra venner av missionen. Sjømandsmissionen i Galveston, Texas, for hvilken der ikke blev budgettert i 1923, da „boardet" tilraadet at den skulde nedlægges, er allikevel paa en maate blit holdt gaaende ved gaver fra venner av denne specielle mission. Iowa og Østre distrikt har fattet resolutioner hvori de foreslaar at denne mission fortsættes da de anser den som en meget vigtig gren av arbeidet. Prester og menigheter i Texas har gjort likesaa. Aarsmøtet maa i aar ta saken op til behandling for at en endelig avgjørelse kan finde sted.

Indianermissionen

Rapport fra prof. Axel Jacobson, bestyrer for denne mission, vedlægges. Vi har hat omtrent 140 barn ved missionen sidste aar. Arbeidet har gaat godt og der har været litet sygdom ved stationen. Vi gjentar at vi har rum for mange flere indianerbarn, men det synes som vi ikke kan faa midler nok. Den store „stand pipe" som skaffet vandbeholdning til institutionen, blev ødelagt av frost. Der lægges nu rør saa man kan faa „city water" ved hjemmet.

Kvindernes Missionsforbund har ogsaa dette aar gjort et stort arbeide for indianermissionen, baade ved salg av kurve og ved at skaffe tilveie budgettet for missionen. Maa Gud velsigne deres arbeide!

Alaskamissionen

Et brev fra søster Anna Huseth, Teller, Alaska, vedlægges. Det vil uten tvil læses med megen interesse og kan tjene som rapport. De brændende spørsmaal for denne missions vedkommende er flytning fra Teller til Igloo, kald av prest som superintendent, saaledes som foreslaat av Miss Huseth, og om mulig at komme Leonard Suloguak til hjælp i Council. Hvis en prest kaldes, maa der lægges litt til budgettet, men kun ubetydelig.

Det er glædelig at høre at sundhetstilstanden har været forholdsvis god baade blandt barnene som arbeiderne. Søster Huseth og Mabel Lien arbeider i Teller, søster Magdalene Klippen i Igloo. Det er et stort opofrende arbeide disse søstre

utfører der langt nord. Maatte Herren rikelig velsigne de 3 kjære søstre i gjerningen.

Fisterhjemmet i Ketchikan, Alaska

Past. Malmins indberetning vil visselig læses med den største interesse. At denne virksomhet blandt fisterne og sjøfoltene deroppe er til velsignelse er der neppe nogen tvil om. Ikke bare i kristelig henseende har den baaret frugter, men rent financielt har den været en „success", idet mellem 5 a 6 tusen blev i 1924 avbetalt paa kjøpesummen. Disse summer var fortjenesten av hotellet.

Hadde vort samfund hjulpet vore sjømandsmissioner paa samme maate vilde resultatene ogsaa for deres vedkommende været anderledes. Der trænges hjem skal disse missioner bære sig financielt.

Immigrantmissionen

Norway House, 92 Columbia Heights, Brooklyn, N. Y., er nu et ganske kjendt sted for vort kirkefolk.

Pastor Birkelo, der er hjemmets bestyrer og med dygtighet har forestaat gjerningen, har desværre resignert og ny bestyrer skal nu kaldes og indsættes.

Det er vel sandt at Norway House ikke bare er immigranthjem for fattige immigranter der her finder ly og hjælp, men et trygt stoppested for de mange av vort folk som reiser en tur som for de mange norske der kommer for at besøke vort land.

Mange er de baade mænd og kvinder blandt immigrantene som immigrantpresten har fundet godt arbeide og lønnende stillinger for. Andagt holdes hver aften.

Torsdag aften er der aapent hus og da er hjemmet fuldt av kjære venner der netop her har fundet sit første hjem og sin første hjælp.

Gud velsigne fremdeles gjerningen — den trænges der i verdens største by.

Arbeidet blandt russerne i Nord Dakota

Pastor Heinzelman har nu arbeidet blandt russerne i strøket rundt Max, N. Dak., omtrent et aar. Hans indberetning om dette for vor kirke saa nye arbeide vil visselig læses med stor interesse. En stor arbeidsmark. Skarer av folk der i sandhet er som vildfarende faar uten hyrde er lagt for vor kirkedør. De skriker efter brød. Maatte vi høre ropet og som kristne ta os av dem, at de ikke aandelig skal forsmegte.

Døvstummemissionen

Pastor Bjørlie har trofast i mange aar arbeidet blandt disse stakkars ulykkelige barn i Faribault. Det er et velsignet arbeide og burde bli bedre kjendt blandt vort kirkefolk. Past. Rothnem har likeledes utført et godt arbeide for døvstumme i Sioux Falls. La os ikke glemme disse missioner. De trænger saa saart baade vore bønner og vore gaver. Rapporter fra disse missioner vedlægges.

Evangelistvirksomheten

Evangelistene Rønning, Tjørnhom og Scotvold har i aarets løp holdt tilsammen 971 møter. Møtene har været overmaade godt besøkt. Prestene synes meget velvillige overfor evangelistgjerningen og man har merket adskillig aandelig opvaaknen. Der er dog saa mange indbydelser til møter at det er absolut umulig for vore tre evangelister at efterkomme dem allesammen, hvor gjerne de end vilde gjøre det. Gjerningen har visselig været til stor velsignelse.

Bokmissionen

Gud har ogsaa dette aar rikelig velsignet det arbeide som bokmissionen utfører. Tusener og atter tusener av smaastrifter og over 25 tusen „tracts" er blit sendt til 955 adresser rundt om i vort samfund med glædens budskap fra Gud til syndere paa jord. Disse smaa prædikanter er i sandhet en velsignet medhjælp for presten i gjerningen. Maatte der bli flere og flere av vore prester som vil benytte sig av dem. De vilde selv saavel som menighetene bli rikelig velsignet derved.

Statsskolene og de unge

Skal alle disse tusener av unge som i vore dage studerer ved statens mange skoler bli bevaret for vor kirke og for deres barndoms Gud, da maa vort samfund vaakne op til en klarere forstaaelse av dette arbeides vigtighet og storhet og gjøre noget

ordentlig for denne gjerning. Det kan vel ikke negtes at ved disse skoler sitter ikke Kristus i højsætet, ei heller den gamle bibeltro, men fritænkeri, evolutionisme og mangt andet av samme art. Det er disse ting der kommer til syne og holder paa at ødelægge barnetroen hos vore unge mænd og kvinder som ved disse skoler søker utdannelse. Vi har ved en stor del av disse skoler, Gud være tak, prester som nu baade fjærlig og alvorlig søker at ta vare paa disse unge saa de kan bli sin Gud og sin kirke tro. Mrs. J. D. Ylvisaker av Fargo, N. Dak., har besøkt en hel del av disse skoler og utført et stort arbeide. Hun vil visselig bli gir anledning til at fremlægge en kort indberetning om sit arbeide paa samfundets aarsmøte. La mig si, der bør ikke være en eneste statsskole som vore unge mænd og kvinder frekventerer hvor vi som kirkesamfund ikke har en arbeider der kan hjælpe de unge saa de kan bevares for sandheten og sin kirke.

Church Extension

Sidste aar var, likesom aaret forut, et godt aar for Church Extension. Flere menigheter tilbakebetalte sine laan fra fondet og det satte Church Extension istand til at komme trængende menigheter tilhjælp med nye laan som ellers ikke kunde ha været gjort. Menighetenes ydelser har desværre været smaa. Dette fond trænger støtte, og det er at haabe at menighetene i aar kan finde utvei til at komme Church Extension i hu med større gaver. De ofre som den 5te juli optas rundt om i vort samfund i forbindelse med hundreaarsfesten skal efter at alle utgifter med ritual og andre ting er betalt gaa til Church Extension. Maatte ofrene bli mange og store. Church Extension trænger det saart. Kasserer Waldeland vil gi oplysning om fondets financielle status.

Maatte Gud i sin naade hjælpe os at vi som kirkefolk ikke skal stelle os slik at vort indremissionsarbeide lammes, men vokser og fremmes, Guds navn til ære og pris og mange syndere til frelse og salighet.

Paa indremissionsbestyrelsens vegne,
C. S. B. Hoel, eksekutivsekretær.

Fra bokmissionens arbeide i 1924

Vore smaaskrifter og traktater som spredes frit gaar som nogen smaa tause talsmænd med et erend fra Herren overalt hvor en tjenende haand bærer dem frem. I 1924 var der over 57 tusen smaaskrifter og over 25 tusen traktater som paa denne maate fandt vei ut. De kom ind til syke og friske — til gamle og unge — paa hospitaler og i hjemmene og møtte undertiden den ensomme vandrer som var paa reise.

Av brev som vi mottar har vi grund til at tro at mange av disse smaa erendsvende fik bringe et godt bud fra Herren til noget hjerte.

De smaaskrifter vi dette aar har hat til fri utdeling er følgende:

Andagtsbøker:

Nr. 8: „Trøst fra Gud."
Nr. 9: „Divine Consolation."
Nr. 14: „Lys paa veien."
Nr. 12: „Light on the Way."
Nr. 13: „Andagtsstunder for syke."
Nr. 22: „Light in the Sick Room."

For hjemmet:

Nr. 11: „Et kristent hjem."
Nr. 24: „A Christian Home."
Nr. 23: „Den kristelige barneopdragelse."
Nr. 5: „Holdes der husandagt i dit hjem?"

Andre smaaskrifter:

Nr. 17: „Den hellige almindelige kirke."
Nr. 19: „Hvad kan gjøres for at vække mere aandelig liv i menighetene?"
Nr. 20: „What can be done to Awaken Greater Spiritual Life in our Churches?"

Nr. 10: „Hvad skal jeg gjøre for at bli frelst?"
Nr. 18: „What must I do to be Saved?"
Nr. 4: „The Chief Teachings of Christian Science."
Nr. 15: „Mormonism."
Nr. 21: „Fortællinger."
Nr. 16: „Adventismen."
I alt 19 forskjellige smaaskrifter. Det mindste 16 sider. De største 48 sider.

Traktater:

Nr. 1: „The Dying Captain."
Nr. 2: „Holding Down the Truth."
Nr. 3: „John 3:16."
Nr. 4: „The Dying Drummer Boy."
Nr. 5: „Empty Seats."
Nr. 6: „Jesusnavnet."

I 1924 har vi trykt 50 tusen smaaskrifter. 5 tusen hver av: Nr. 14, nr. 10, nr. 11, nr. 13, nr. 23, nr. 12, nr. 18, nr. 9, nr. 8 og nr. 24.

Av traktater er 50 tusen trykt.

Foruten en del av vore prester har mellem 3 til 4 hundrede av vort menighetsfolk været „haandlangere" og spredt vore smaaskrifter rundt. Og omtrent alle kan berette at disse smaa erendsvende fra Herren blev mottat med glæde. — Enkelte har spredt flere hundrede eksemplarer.

Det er ikke let at forstaa hvorfor ikke flere av vore prester gjør bruk av bokmissionen. Er det vanskeligheten med at kunne yde bokmissionen en gave som holder dem tilbake? Vi tror dog ingen prest vilde opleve at folk vilde knurre over en kollekt til denne virksomhet naar vore smaaskrifter var blit utbredt og kjendt i menighetene.

Vi synes dog at merke at der blir flere baade blandt prester og andre som ser ind til denne missions betydning og vil være med at støtte den.

I 1924 fik vi i private gaver over 3 tusen dollars. Deriblandt fra en enkelt mand et hundrede. — Og vi bringer herved vor hjertelige tak til alle medarbeidere som paa en eller anden maate hjalp til at denne lille plante fik næring og bar frugt.

Maa Gud fremdeles velsigne bokmissionen til mange sjæles frelse og opbyggelse.

J. D. Runsvold, formand.

Sjømandsmissionen — San Francisco

Aaret 1924 var det største og bedste i sjømandsmissionens historie. Følgende tal viser dette:

De besøkendes antal var 121,238. Der blev holdt 170 gudstjenester og husandagt hver aften; 200 skibsbesøk; 80 hospitalsbesøk, hvorved 2,340 personer fik kristelig tilsyn. $97,726.66 blev indsat til opbevaring for sjømænd og $99,067.25 blev utbetalt til sjømænd. Remissene beløp sig til $61,830.85. I banker blev der indsat $27,967.62. Av checks og postanvisninger blev der av missionen indløst for $51,106.17. Paa bankbøker i missionens varetægt stod der den 31te dec. 1924 $67,419.00. I alt haandterte missionen i aarets løp $405,117.55. 14,587 brev og 2,461 aviser og pakker blev mottat.

Sjømandsprestene og den nye oppasser, Mr. O. J. Klippen, har søkt at arbeide i god forstaaelse og med flid. Tilsynskomiteen bestaar av pastorene Borup, Stensrud og Bruland har ydet missionen uvurderlig tjeneste. Kirkens herre ske ære og tak for alt!

Eders i Herren ringe tjener,

O. Grønsberg.

Sjømandsmissionen — Seattle

Med hjertelig taknemmelighet til Gud kan sies at gjerningen ogsaa sidste aar har været storlig velsignet i flere retninger og ikke mindst ved at syndere gjennem missionsarbeidet er blit ledet til Gud og har fundet frelse og fred ved Jesu kors. Søkningen har stadig øket saa større lokale og mere arbeidshjælp blir mere og mere paakrævd.

Julaften blev mellem tre og fire hundrede sjømænd bespist med god julemat, og ca. tre hundrede og seksti gaver blev utdelt. Iblanding disse var der seksti gaver kommet fra Melbos Redningsforening, Melbo, Norge. Dette er den første gang i missionens historie at gaver er kommet direkte fra Norge, og det var til særlig stor opmuntring for sjøguttene. Denne glædelige overraskelse hadde vel nærmest sit utspring fra en dame som har tilbragt flere aar her i Seattle og som har fundet fred med Gud paa sjømandsmissionen, og som senere flere ganger har vist sit gode hjertelag for samme. Sidste aar reiste hun hjem til Melbo. Paa første juledag blev der git god julemiddag paa en av byens større restaurationer til ca. fire hundrede sjømænd der var fremmed og ikke hadde nogen andre indbydelser. Guttene følte sig meget taknemmelig for dette og uttalte at det var en erstatning for den hygge som de savnet borte fra sine kjære.

I aaret 1924 hadde læseværelset noget over 155,600 besøk.

651 sjømænd fik god hyre paa skibe.

21,452 brev for sjømænd blev mottat, hvorav 4,467 blev eftersendt til forskjellige havner paa kloden.

I aarets løp blev $153,259.52 mottat fra sjømænd til opbevaring og hjemsendelse, og i samme tidsrum blev $151,864.51 utbetalt og sendt. Med den tidligere opbevarte sum og det resterende fra aaret var der 1ste januar 1925 en balance av $30,721.89, som er opbevart i banker.

En „bank expert auditor" kommer de første dage i hver maaned og gjennemgaar alle „accounts" for hjemmets mission og sjømændenes penger. Reviderte regnskaper over ale mottagne og utbetalte beløp i de forskjellige avdelinger sendes to ganger om aaret til missionsbestyrelsen i Minneapolis.

191 gudstjenester har været holdt med et samlet antal av 8,469 – hovedsakelig sjømænd.

Der avlægges hospitalbesøk og øves privat sjæleforg saalangt anledning gives. Likesaa rækkes stadig hjælp til de syke og en del der utskrives fra hospitaler — samt til mange andre haardt trængende, men midlene er desværre begrænset saa hjertelaget gaar gjerne længere end evnen — dog takker vi Gud og missionens venner for hvad vi faar gjøre ogsaa paa dette omraade.

Det har været til stor opmuntring for undertegnede at erfare den varme interesse som tilsynskomiteen utviser for missionens forskjellige gjøremaal, og fortjener hjertelig tak. Likesaa byens prester der med sine kvindeforeninger og den til missionen knytte sjømandsmissionsforening for den opmuntring disse har vist den største del av aaret ved en gang hver maaned at gi en religiøs fest med fri bevertning. Guttene sætter stor pris paa dette.

Vort ønske er at Gud, som gjerningen tilhører, vil rikelig belønne de venner der viser sit gode hjertelag for denne saa vigtige gren av Guds arbeide.

Eders i Kristus forbundne,

E. B. Slettedahl.

Sjømandsmissionen — East Boston

Arbeidet ved denne sjømandsmission har stadig vokset siden læseværelset i 1912 blev aapnet. Like til aaret 1918 hadde man kun et leiet lokale til læseværelse, men ingen kirke. Julen 1914 begyndte en aarlig indsamling til egen kirkebygning for sjømandsmissionen. Denne indsamling gjennem julebrev med julekort er saa vel kjendt av vort folk. Takket være de mange bidrag som paa den maate kom ind, har vi nu en prægtig kirkebygning med læseværelse i underetagen. Vaaren 1923 blev overetagen, selve kirken, indvidd, saa vi har siden kunnet glæde os ved at ha vor egen kirke fuldt færdig. Flere og flere baade av sjøfolk og fastboende besøker nu kirken. Herren har lagt sin velsignelse til arbeidet, saa det har været til velsignelse for mange. Maa sjømandsmissionen ogsaa i fremtiden bli til hjælp og retledning for de mange som kommer her.

Denne indberetning er for kalenderaaret fra 1ste januar 1924 til 1ste januar 1925. I dette tidsrum har 20,528 personer besøkt kirken. Paa læseværelset 12,905, til fester og møter 4,108 og til gudstjenester 3,515. Til opbevaring har vi mottat $7,406.00. Mangfoldige tusen brev og pakker har været mottat til sjøfolk. Eftersøkelser av bortkomne gutter er meget almindelig. Forresten drives arbeidet paa vanlig vis med hospitalbesøk, skibsbesøk osv. Maa Herren forherliges ved missionens tjeneste.

O. Nielsen.

Indianermissionen

Vor missionsstole aapnedes den 1ste oktober. Inden faa dage var barnenes tal steget til 133. Sidste aars konfirmanter tryglet om at faa fortsætte sin stolegang; men da de var store nok til at tjøtte sig selv og vi hadde saa mange fattige smaa, sa vi til dem at de fik forsøke at arbeide sig frem som vi maatte gjøre i gamle dage. Vi tok da imot de mindre barn. Hvilken velsignelse nu at høre disse smaa der næsten ikke forstod et ord engelsk, læse dele av katetismen og synge flere av vore salmer!

Godt var det at vore gamle lærere kom tilbake og gjenoptok arbeidet, der jo er helt forskjellig fra at være lærer for hvite barn. Og ikke bør det glemmes at de gamle indianere ofte kommer og synes de maa ha et ord med i laget, skjønt de jo har liten forstand paa opdragelsen. Den bedste maate at møte dem paa er at paavise hvad Gud sier derom.

Helbreden har været skjelden god.

Vi skylder past. H. E. Rasmussen og hans menighetsfolk tak for ogsaa dette aar at ha understøttet vore to indianere ved normalstolen i Canton. Vi haaber de snart kan bli færdige og komme tilbake og hjælpe os med arbeidet her. Venner av missionen her har paatat sig at underholde fire av vore barn paa høiskolen i Wittenberg. Vi haaber at en av dem graduerer til vaaren. Disse barn har sit ophold her, hjælper til med arbeidet, bivaaner vore andagter og bibeltimer om aftenen og gaar paa skolen om dagen. Vi har saaledes anledning til at advare dem imot den antikristelige aand som mer eller mindre ter sig i de offentlige skoler. Arbeidet ved vor stole har gaat jevnt frem uten nærveværdig avbræk. Alle faar en times kristendomsundervisning hver dag. Hvilken velsignelse for disse smaa som maatte forgaa i hedenskapets mørke om ikke du og jeg tok os av dem!

Vort arbeide blandt de gamle indianere har ogsaa iaar været drevet med kraft. Vor missionspræst har ved siden av at gi kristelig undervisning ved missionsstolen holdt regelmæssige gudstjenester i indianerkirken ute paa landet. Søkningen har været noksaa god. De bringer nu sine smaabarn til daaben, som jo er et godt merke. Seks barn døptes dette aar. Der var tre begravelser; altergjester 16 derute og 70 ved missionsstationen. Ved missionen konfirmertes sidste vaar 8, og 13 blev døpt.

Eders hjælp, idet I sendte alle disse brukte saavelsom nye klær, hvorved vi avværget en hel del nød blandt de syke og gamle, bidrog ogsaa meget til at de viser venlighet overfor vort missionsarbeide og Guds ords præken.

Der er flere som synes at ta bedre fat i det lille akerbruk de driver med. Vi kan vel ikke undres paa at det gaar smaat naar vi betænker at det land de fik var „swamplands" som endog de mest ihærdige rydningsfolk vraget. Naar vi taler strengt til dem og sier at de maa ta fat og rydde sit land, kommer de med svar som dette: „Give us a forty of the good land we sold near Oshkosh and in the Trempealeau Valley and we will also farm." Her trænges den modigste norske eller tysker til at gjøre fremgang blandt disse stener og stubber. Et tegn paa fremgang er det at de nu bekymrer sig om at faa en god kjelder istand hvori de kan opbevare sine poteter og havesaker. Det tok aar før de tænkte saa langt frem. Vi minder dem stadig om at den tid kommer snart da de maa forsørge sine barn selv baade hvad skolegang og underhold angaar. Vi søker at indprente dem at de ialfald maa skaffe en del skor og klær for dem. Nogen faa efterkommer ordre, men det gaar smaat. Regjeringen betalte dem de $480.00 hver de hadde tilgode, kjøpte store hester for dem, som døde da de ikke hadde føde for dem og nu staar de paa bar bakke med nogen usle loghytter eller telte hvor de lever.

Mange tak til kvindeforeninger, privatpersoner, og især Kvindernes Missionsforbund for den store hjælp de har ydet os ved at avhænde disse „baskets". Det skaffet de gamle sysselsættelse op levemaate, ellers maatte de ha lidt sult, mange av dem. Vi minder dem ofte om at deres ynkelige forfatning uten tvil foraarsakedes ved at deres fædre engang i tiden forlot Herren og hans bud og ikke lot dette gaa i arv til sine barn; men at dersom de i sandhet blir Guds troende barn og gjør sit til at de selv og deres barn kan lære den vei Herren vil de skal gaa, vil ogsaa de efter hvert kunne sande disse ord av salmisten David: „Jeg har været ung og er blit gammel; men aldrig har jeg set den retfærdige forlatt eller hans avkom søke efter brød."

Det tegner til en glad jul. Daglig kommer her gaver og penger til julegodt for vore barn. Gud gi os alle en i sandhet glædelig jul!

Hjertelig tak til alle som i det forgangne aar har ydet os hjælp. Herren lønne eder for al gavmildhet!

Maa Herren fremdeles fremme vort arbeide for hedningenes frelse paa dette sted saavelsom andetsteds og i fremmed land, til mange sjæles evige vel!

Eders forbundne,

Agel Jacobson.

Immigrantmissionen

Ogsaa i det forløpne aar har den kjære herre Gud været med os, velsignet immigrantmissionen og Lutheran Norway House. Han har staanet os for sygdom og ulykke. Vi har hat rikelig anledning at hjælpe fattige med mat og penger, samt at skaffe kost og lossji til mange som har kunnet betale for sig.

Vi har møtt alle norske, de fleste danske og enkelte svenske, mange engelske og amerikanske baater. Ved baatenes ankomst søker vi at faa tat i saa mange av de reisende som mulig, særlig nykommere, for at yde dem hjælp og veiledning. Paa Ellis Island har vi hat meget og ofte noksaa vanskelig arbeide. Ved hjælp av vore senatorer og kongresmænd i Washington, D. C., har det lykkedes os at faa iland ikke saa faa som ellers vilde ha blit deportert. Men det er desværre umulig for os at finde alle vore norske immigranter, men omtrent alle som vi har faat underretning om paa forhaand har vi opsøkt.

Mange hundrede turister fra vesten har vi møtt paa de forskjellige jernbanestationer og sørget for dem mens de har opholdt sig i verdensbyen New York. Jeg vet at en skare reisende, som vi har kommet i berøring med i det svundne aar takker Gud og kirken for hvad immigrantmissionen har gjort for dem.

1,025 gjester har i aarets løp i kortere eller længere tid bodd i „Lutheran Norway House".

Vi hadde en kassebeholdning den 1ste januar 1924 av	$ 1,742.41
Indtægtene for aaret var	10,245.12
Tilsammen	$12,087.53
Utgifter for den samme tid var	$11,982.77
Kassebeholdning den 31te december 1924	104.76

Barmhjertighet ydet $317.50. Av den sum $11,982.77 merket „utgifter" er $2,050.00 brukt til avbetaling paa hvad vi skylder paa bygningen, $501.00 for gasovn at opvarme vand med.

ALASKA MISSION

Your letter of December 18th reached me yesterday (March 11, 1925), so you see that sometimes it takes quite a while for mail to travel between you and us. Usually the mail comes through in two months.

I have been trying to figure out the budget for the mission as you request. I fear that it will not be much of a help to you whatever, as I have no experience in the matter. But I will try to do my best. We have attempted cutting down on our supplies. Sr. Mabel and I agree that all extravagance must be avoided. We have figured carefully the necessary amount of articles needed, still I am certain we have not underestimated our needs. Under normal conditions we should get along very well on the supplies that we have ordered.

In regard to giving me a higher salary, you must put that out of your mind. I will not accept it. I am not working harder than the other workers and deserve no higher salary. Thank you for the kind thought, but I could not.

As soon as the weather permits, I will leave for a trip to Igloo, Council, White Mountain and Nome. Perhaps Sr. Magdalene will join me on the trip to Council. I am glad your letter arrived before I left. We are praying for rich blessings on this journey. I hope it may bring encouragement to Leonard and others who are alone. Conditions at Council are indeed bad. Leonard wrote that on New Year's eve there was a party. The entire village gathered. Be-

fore morning men, women and even children were drunk. There was much gambling and fighting. I almost fear it is too dangerous a place for Leonard —a young native man alone. If we only could send a white missionary there too. It makes my heart sick when I think of all the uncared for places. In Shismaref where we have over a hundred Eskimos baptized into our faith, we are unable to give much help. I should go there also, but the shortest route which is over the mountains means a trip of at least three days one way. This, however, is the more dangerous route, due to the lack of staked trails and shelter cabins. We would, of course, carry a tent and be prepared to camp out. By following the coast it takes at least five days. It would be pretty hard for Sr. Mabel to be left alone so much; it would mean charge of the entire work at this station including the school.

In your letter nothing was mentioned in regard to the moving of this place. I am inclined to think that you have given it up. I shall not say anything more about the matter, you have heard my viewpoint many times. Sr. Mabel and I are praying for the future of this mission. We trust that the good Lord will see to it that what is best shall be done. I do not know what is best for the future of these children and Eskimos as a whole, what seems best to me may not be so. But there is One who knows. If we can but leave it to Him, no mistake will be made. At any rate I suppose nothing will be done this year. Should it be decided that this mission shall be moved the following year, I would like to make a suggestion. It may not meet with your approval, but it can do no harm. It would be best to get a carpenter to supervise the work. To hire one in this country would cost a good deal of money, besides it would be difficult to get one who is reliable. The man who built this building does not do much work any more because of an injury to his arm. It happens that Sr. Mabel has an uncle who is a carpenter, and who has contemplated coming to Alaska. She feels certain that he would undertake the project at a minimum price. Her idea is that he could come to Alaska next fall and spend the winter here, then begin dismantling this place early in the spring, by the time of the "break up" be ready to transfer the lumber to Igloo and thus be able to complete the work before the "freeze up." If a missionary and family came in as early as possible in the spring, the missionary could be of good help in building.

We feel the lack of a pastor in the field very keenly. It may be alright for a short while, but we have already seen unfavorable results. Other denominations are stepping into our territory, perhaps they consider it their duty to take the place of our pastor. At Council they even held services in our chapel and baptized children of our Lutherans. Leonard, of course, did not dare to oppose a white man and I did not know until too late. As long as my church entrusts me with this work I shall do all in my power, but it is also my duty to let you know conditions as they exist. I would like to see a pastor in the field as soon as possible.

I am glad to say that all three of us have been very well. There has been but very little illness among the children. We have had a good winter, the weather has been unusually fine and it seems that everything has been in our favor. We owe our Heavenly Father much thanks.

I am also enclosing a copy of our requisition for the coming year and am sending one to Rev. Stub of Seattle. I am sending the order for the Radio supplies with the rest. We have had many an enjoyable hour from the Radio. It is wonderful to listen to divine service held more than two thousand miles away. One does not feel quite so shut out from friends and civilization when one can tune in on the Radio and hear a human voice. You would enjoy spending an evening with us -all the children seated on the floor listening to the music and talks or service. The Radio has been a real blessing for the Teller mission.

Greetings from us all.

Yours in the Master's service,

—ANNA HUSETH.

SEAMEN'S HOME, KETCHIKAN, ALASKA

The Ketchikan Seamen's Home, owned by our Church, has been in existence but little over a year. The work found immediate favor with the seamen,

fishermen and townspeople alike and the undertaking must be characterized as being a success and well worth while. The Home has not needed to ask for monetary help from the church, but in a little over a year's time has been able to pay off on the purchase price between $5,000 and $6,000. This from the earnings of the Home. Our Church does not enter into this to make it a business venture, what our Church wants is to reach the human souls and give aid both spiritually as well as materially if needed.

To give any statistics over the amount of spiritual aid we have been able to give is harder perhaps than to give statistics over the amount of ordinary service such as any Seamen's Home renders, but I feel confident that the Church realizes the futility of trying to measure such statistics and will praise the Lord that the work is being done and pray Him that He will speed the work. We have visited the sick and dying, who otherwise would have had no such visits, and thru the Seamen's Home assembly room we have been able to reach many with the word of God—who would not consider going to any church. And by the Grace of God we have been able to gather a small but determined flock who have decided to build a Lutheran Church in Ketchikan.

So much has been written about the lawless conditions here and the many traps and pitfalls set for the unwary fishermen, that I shall not mention that here,—but it is well to remember that such conditions still exist. The aim of our institution is to provide a clean place for rest and recuperation as well as to be of assistance. The boys flock to the place and have found it to be their home, and tho many of them are slow of speech as regards saying anything in praise—which is a Norwegian trait they are nevertheless appreciative and show by their attitude that they are glad there is such a Home. It is convenient for them to have a place where they can get their mail at any time and without trouble, where they may deposit their money for a long or short period, where they may store their clothes, etc., etc. Best of all I believe they like the place because they can come in and talk their own language. That puts me in mind of the service this place does as an immigrant mission. This is the first port of entry for many immigrants to the U. S. and we all know of what value it is to be able to meet such as they come to a foreign land.

A special service has been rendered the newcomers and others in the Citizenship and English night school classes which we have conducted throughout the winter, with a two-hour period four nights a week. The first year the classes were conducted here in the Home. But as the number of students enrolled became so great and as the school gained recognition from the authorities, the High school building was offered and accepted for instruction in the above named subjects, but under the auspices of the Home. Incidentally it may be mentioned that not only our own countrymen take advantage of this, but in the classes were enrolled representatives from many of the European countries and from the Philippine Islands and even Turkey.

Our chief home for a permanent work as regards a congregation lies in the coming generation, and it is interesting to note that in a year's time the Sunday school has grown from a membership of four to twenty times that many.

In the struggle on the frontier post there are many discouragements and many a time one is apt to lose courage and get pessimistic, but as one looks back and in retrospect sees the hand of God moving through it all and the many signs of growth become evident, we must say, and in saying it feel thankful and optimistic, that the Lord has blest the work and it has prospered.

On behalf of the Seamen and of the local people in Ketchikan we express our sincere thanks to the Norwegian Lutheran Church of America for coming to our aid, when we called. May God bless all the activities of the Church and may it result in the salvation of many.

Respectfully your servant,

—C. K. MALMIN.

RUSSIAN MISSION

The mission work among the Greek Orthodox Russians in North Dakota did not have as desirable visible results to record as I should have liked. The main reasons are that the Orthodox Church in Russia taught the masses that

The Lutherans separated from the Roman Catholic Church and therefore were not founded on the truths of the Bible. Here in the Northwest the mother-church has not provided them with religious teachings and that is why a great number of the Russians became a prey to the sects, while those that do not belong to any church are indifferent, and it takes a great effort and patience to interest them in religion. Moreover the worshipping of the Russian church consists entirely of ceremonies, and where these are missing, the uneducated peasant is hard to win for the sober Lutheran divine rituals, tho they are very fond of our sermons and this makes me hopeful that by perseverance we can bring many of these people to the fold of our high standing Lutheran Church.

To start Sunday schools in the Russian language was hardly possible, because the children are not able either to read or speak their mother-tongue correctly. The parents objected to a Sunday school in the English language. However, near Ryder I succeeded in interesting them in a Sunday school and Young People's Society in this language. Most of the Russians in North Dakota have joined the Baptists and Adventists, yet a great many of the latter left the church during the last year because they were disappointed and they became infidels. I have also to deal with these. I find them to be impure elements who are very low in morals and disregard the laws of the country.

Lutheran tracts in the Russian language would prove a great help in the mission work, but I am not able to obtain them either in Russia nor in Berlin, Germany. Therefore I am limited to Christian tracts in general, which are good, but do not emphasize the Lutheran doctrine.

—H. HEINZELMANN.

DEAF AND DUMB MISSION, FARIBAULT

The work of Effata Church Mission among the deaf and blind at Faribault has been conducted regularly with services every Sunday morning and Young People's league meetings.

There were 22 confirmed in the spring of 1924, and a class of 25 was started with the opening of school in the fall.

About 150 communicants have received the Lord's Supper.

The work of the Iowa school was delayed a little last year on account of smallpox epidemic, but has been resumed this school year with a class of six preparing for confirmation in the spring.

The deaf attending church number about 150 and the blind about 50.

The assistance rendered by deaf teachers of our church is hereby acknowledged gratefully.

The mission has been able to continue its work without any financial assistance from the Church since January, 1924.

—H. O. BJORLIE.

DEAF AND DUMB MISSION, SIOUX FALLS, S. D.

With the exception of two services for the deaf, the work was altogether instruction in religion given in a classroom at the state school. I was there from 1 to 6 p. m. nearly every Monday in the school year, instructing 24 children and young people. I have conducted a Bible class for the confirmed, using as an aid "Lessons on the Life of Christ." Some have been in the Bible class three or four years.

The other classes are: Beginner's class, taught by a member of the Bible class; a catechism class and two classes in explanation. Twenty-four were enrolled last year, and I met with them 32 times.

On June 1st, 1924, we had confirmation service in Rev. Findahl's church in Sioux Falls. Four renewed their baptismal covenant, and one was received into the church through baptism. One communion service was held, 12 attended.

Rev. Salvner of Minneapolis, conducts services for the deaf once a month, and has also communion services, so I must leave the preaching to him.

Yours in His service,

—B. J. ROTHNEM.

EVANGELISTIC WORK

The three evangelists, Rev. Running, Rev. Tjornhom, and Mr. Scotvold, have conducted a total of 971 meetings. Both languages have been used, Rev. Running reporting an average of five out of every six meetings being held in the Norwegian language, while the other two report three out of every five meetings conducted in the English language.

According to the opinions of the pastors visited, the meetings have been well attended.

At many of these meetings people have expressed their desire to live closer to God, while others have confessed that they have found the way of salvation and eternal life in Christ Jesus, and members of the body of Christ have been edified.

Pastors have declared that the meetings have been a help to them in their church work.

The evangelists cannot express the appreciation and gratefulness they feel for the kind reception and consideration with which they have been met.

May the Lord pour out greater blessings upon our dear Church in the future than ever in the past!

II. Report

Fra hedningemissionsbestyrelsen

A. Arbeidet ute

(Ved M. Saterlie)

Stillingen i Kina

Desangaaende har vore kirkeblade saavelsom dagspressen git detaljerte oplysninger, hvorfor vi her skal indskrænke os til kun nogen faa bemerkninger.

Fra en side set har stillingen i sidstforløpne aar været omtrent saa slem som mulig. Kina er nemlig blit mer end almindelig herjet av krig, røveri og al dermed forbunden nød og elendighet. Over hele landet har der vrimlet av soldater og røvere, og vort samfunds missionsmark har ikke mindst maatte svie for deres herjinger. I somme byer er soldater blit indkvarterte, og det er slemt nok; men værre har det været for byene Chenghang og Sibsien som igjen har hat besøk av røvere, Chenghang av samme bande som herjet byen 2½ aar siden. Selvsagt har missionen og derboende missionærer igjen lidt tap paa dette sted, hvormeget vites endnu ikke. Men selve byen og store dele av omliggende distrikt er mer og mindre blit lagt øde. Det samme gjælder ogsaa andre landdistrikter, især Kioshan, Tengchow, Sinyeh, Juning og Sibsien distriktene. Ellers har stillingen været mer og mindre utryg over hele feltet og flere av vore missionærer har gang paa gang maattet flygte. Værst har det været for pastorene Geo. Holm, E. Borg-Breen og S. Klyve samt Carrie Olson og Martha Kulberg som alle blev plyndret av røverne. Forholdene har altsaa været meget utrygge; uro og ængstelse har mer og mindre grepet alle vore missionærer og aldrig har de i den grad trængt samfundets sympati, forbøn og støtte som nu.

Men der er ogsaa meget vi skylder at takke vor Herre for. Ingen missionær er blit fanget, arbeidet har lidt mindre end man under de fortvilede forhold kunde vente, og endelig saa er der omstændigheter som tyder paa at nævnte sørgelige forhold kan bli til velsignelse for Kina og dets befolkning.

„De friske trænger ikke læge, men de som har ondt." Kineserne har det ondt nu for tiden, og det ser ut som Gud bruker de vedvarende nødsforhold til at vække dem op til bevidsthet om at de forgjæves har famlet og ledt efter hjælp hos sine avguder, samt at frelse, trøst og fred kun er at finde i evangeliet om Jesus Kristus, hvem Gud har sendt til en frelser for alle folk. Og det ser ut som om denne sandhet griper om sig; ti tiltrods for de utrygge forhold kan vore missionærer sende glædelige efterretninger om særdeles godt besøkte og vellykkede møter og likesaavel hedninger som kristne besøker møtene.

Om vi da fremdeles faar høre om uroligheter paa denne vor mark, saa la ikke det forskrække os eller gjøre os motløse. Vor Herre staar bak begivenhetenes gang derute og holder paa at bane vei for sit rikes utbredelse. Det er saaledes en herlig tid vi lever i hvad hedningemissionsarbeidet angaar. „Markene er hvite til høsten." Allestedes staar dørene aapne for os og ropet lyder os i møte: „Kom over og hjælp os!"

Men i denne forbindelse er der mange vigtige spørgsmaal som melder sig til overveielse ved dette aarsmøte, og et av de vigtigste er

Mangel paa arbeidere

Herom kan det isandhet sies at „Høsten er stor, men arbeiderne faa," og derom har sidstavholdte konferens i Kina følgende at si:

Med en befolkning av henved 7 milioner paa vort felt, blir man ved hver av de 13 hovedstationer ansvarlig for ca. 450,000 sjæle.

Vi har gjort beregning paa mindst 2 mandlige og 2 kvindelige missionærer ved hver station for at kunne drive saavel et intensivt som et extensivt arbeide. Men ved siden herav er dette lavmaal av arbeidere nødvendig for at kunne sikre et uavbrudt ensartet arbeide, ti sker der hyppige forandringer vil arbeidet lide ubodelige tap.

Hvordan er saa stillingen for nærværende? Syv av vore hovedstationer (heri saadanne gamle stationer som Juning og Taipingtien iberegnet) har kun 1 mandlig missionær hver; der mangler altsaa syv.

Med hensyn til kvindelige arbeidere saa har 9 stationer kun 1 hver, og 2 av vore store hovedstationer har ingen.

For at kunne skaffe hver station det ovennævnte minimum av arbeidere trænges der 7 flere mandlige og 13 flere kvindelige arbeidere. Og ved siden herav trænges der en reserve til at fylde vakanser under andre missionærers ferier eller i tilfælde av sygdom.

Med henblik paa ovenstaaende tilstande henstiller vi indtrængende til bestyrelsen og kirken hjemme at lindre nøden ved at sende os det nødvendige antal arbeidere. — Saa langt konferensen.

Og stillingen paa Madagaskar er likesaa slem om ikke værre; ti paa ingen av feltets 11 stationer er 2 missionærer ansat, paa hver av 9 er 1 ansat og paa de resterende ingen. Kvindelige missionærer haves kun paa 5 stationer, for de resterende ingen. Saa snart som derfor nogen missionær paa grund av ferie eller sygdom reiser hjem blir altsaa vedkommende station vakant, og er hyppige forandringer av arbeidere uheldig saa er hyppige vakanser endnu uheldigere. Men hvad skal man saa si om de stationer som ingen arbeider har? Saa slem er stillingen at missionærene paa denne mark har paatat sig at lønne en kvindelig missionær en hel termin (7 aar) for derved at bøte litt paa mangelen. Hertil skal saa føies at der er ingen mangel paa unge, vel utdannede og kristeligsindede mænd og kvinder som ansøker om at bli utsendt som missionærer. Bestyrelsen har en „waiting list" paa 21 saadanne, av hvilke halvdelen er færdig til at anta kald hvad tid som helst og de andre i den nærmeste fremtid. Men hvad kan bestyrelsen gjøre hvad utvidelse angaar med et budget som er for knapt til ordentlig at drive endog det arbeide som samfundet allerede har sat igang?

Det næste spørsmaal blir derfor hvad resultater en videre

Reduktion av budgettet

vil ha for samfundets hedningemission.

At samfundets budget paa grund av gjæld og gjældsindsamling maatte bli betydelig reducert var uundgaaelig; men hvorledes bestyrelsen da skal kunne fortsætte det arbeide samfundet har sat igang paa sine missionsmarker er spørsmaalet.

Stillingen er nemlig den at aldrig før har forholdene paa samfundets missionsmarker været saa gunstige for arbeidet som nu. Som allerede nævnt staar anledningen nu aapen for os til at paabegynde arbeide hvorsomhelst. Og netop nu synes forholdene herhjemme at være saadanne at arbeidet maa indskrænkes istedenfor at bli utvidet. Med henblik paa denne sørgelige mulighet striver en av vore ældste og mest erfarne Kinamissionærer: Idet jeg tænker paa dette fylder vemod mit hjerte og taarer mine øine. Vore fædre og vi selv har længe bedt om aapnede døre, og Gud har hørt vore bønner. Vort haab kan nu realiseres; ti utsigtene til et utvidet og frugtbart arbeide har aldrig været saa lovende som nu. Men netop da faar vi høre at vi ikke har raad til at benytte os av anledningen, vi maa trække os tilbake. Dette er en stor skuffelse for os missionærer. Paa de indfødte kristne kan det virke litt forskjellig. Mange vil ikke kunne forstaa et saadant tilbakestridt av os rike amerikanere og saa bli motløse, mens andre kan komme til at ta sig sammen og yde noget mere til selvhjælp. Værst vil det bli for de mange som netop har begyndt at bli interessert i sin egen og sin families frelse, og fra hvem vi stadig hører ropet: Kom os til hjælp!

Og hjemmeværende Madagaskar-missionærer nævner følgende resultater: Det vil bli tungt for missionærer at maatte si til folket i sit distrikt: Vi blev sendt hitut for at præke evangliet, døpe og organisere kristne menigheter; og for at I skal kunne bli ved som kristne maa I stadig faa høre Guds ord, hvorfor vi har ansat indfødte arbeidere blandt eder. Men nu har det samfund som har sendt os hit, pludselig indskrænket det pengebidrag som trænges til at fortsætte dette arbeide, hvorfor de indfødte arbeidere maa forlate eder og arbeidet nedlægges. Men det er ikke det hele og heller ikke det værste. Blir vi paa grund av pengemangel nødt til at indskrænke antallet av missionærer og nedlægge arbeidet paa nogen station vil anledningen til at gjenopta arbeide paa et saadant sted for bestandig være tapt; ti ifølge kirkeloven paa Madagaskar vil andre missioner kunne faa fat paa baade vor eiendom og vore kristne paa steder som vi maa forlate; og om ikke andre, saa lurer i ethvert tilfælde katolikerne paa saadanne anledninger. Og endelig saa vil en saadan indskrænkning vække en for os pinlig opmerksomhet hos regjeringen, blandt de indfødte og hos andre missionsselskaper. — Saa langt missionærene.

Vore Kina-missionærer henstiller i ovenstaaende en indtrængende anmodning til samfundet om at utsende det nødvendige antal arbeidere, og det med god grund; ti det er absolut umulig for det nuværende personale at kunne overkomme det foreliggende arbeide. Men under nærværende forhold synes det nærmere paakrævd at henstille indtrængende til samfundet at skaffe de midler som trænges til at lønne de missionærer som allerede er utsendt og vedlikeholde det arbeide som allerede er sat igang.

Husnøden

paa samfundets missionsmarker.

Derom er der kortelig at si at stillingen er meget slem. Ikke at tale om nogen huse til utvidelse av arbeidet, men det arbeide som tidligere var sat igang, har man som regel maattet fortsætte i gamle kineserhuse. Disse er for det første saa ubekvemt anlagt at det er absolut umulig at kunne omordne dem til skolehus eller kapeller noget likt hvad vi er vant til. Dernæst er de saa mørke og i regnveir, især i vintertiden, saa fugtige og kolde at de er likefrem farlig for liv og helse; og disse lerhuse lønner det sig ikke at reparere, ti det vilde i de fleste tilfælder være pengespilde. Og endelig saa er disse huse for smaa for de masser som nu søker hen til skolene og især til kapellene. At drive arbeide i saadanne huse er derfor likesaa daarlig økonomi som at reparere dem; ti en lærer kunde likesaa vel undervise en klasse paa 30 som paa 15 og en præst eller evangelist likesaa godt præke for 300 som for 100.

Men saalænge midler ikke kan skaffes til større, bekvemmere og ellers rimelige huse har vore missionærer kun valget mellem to ting: enten at nedlægge arbeidet eller at fortsætte i huse som ofte er daarligere end de vi her i landet bruker for fugl og fæ. Dog er der en tredje utvei, og den har missionærene slaat ind paa, idet de av sin egen lønn har ydet forholdsvis store beløp til at avhjælpe husnøden. I denne forbindelse bør det nævnes at ifald alt vor kirkefolk herhjemme ydet i forhold til hvad samfundets missionærer gjør vilde vor hedningemission aldrig komme i saadanne financielle vanskeligheter som tilfældet nu er.

Paa Madagaskar er stillingen ikke noget bedre. De indfødte har som regel ingen huse at leie ut. Før arbeide kan sættes igang maa der altsaa bygges huse, og velvillig som regjeringen nu er staar anledningen os aapen til at opta arbeide paa steder som før var stængt. Og paa flere av disse steder har gasserne ventet paa os i lange tider og gang paa gang bønfaldt vore missionærer om at komme dem til hjælp. Det er derfor tungt at tænke paa at mangel paa midler skal gjøre det umulig at kunne imøtekomme deres mange anmodninger om at faa høre frelsens evangelium.

Lutheran Missions Home and Agency

Som nævnt i indberetningen til aarsmøtet for 1923, blev arbeidet paa Lutheran Missions Home and Agency paabegyndt nævnte aar, og i oktober 1924 blev det fuldført. Man kunde neppe ha fundet et heldigere sted for dette Home and Agency, beliggende som det er nær til jernbanestationen, dampskibsbryggene og vort lands konsulat, og dets nærmeste naboer er traktat- og bibelselskapet og nogen av byens bedste forretningshus. Selve bygningen er rummelig, vel og bekvemt indrettet, lys og luftig.

Her vil altsaa lutherske missionærer under sit ophold i Hankow kunde faa lossji til rimelig pris, og her vil fælleskomiteer fra de forskjellige lutherske missioner finde et centralt beliggende og bekvemt møtested. Bestyreren for dette hjem vil kunne sikre kahyt for hjemreisende missionærer, faa varer sendt ditut fra hjemlandene gjennem toldboden og avsendt videre til rette vedkommende, kjøpe og sende byggematerialer til stationer hvor byggearbeide gaar for sig, sikre den bedst mulige kurs for utenlandske penger, m. m. Dette Home and Agency vil altsaa bli et møtested og forretningscentrum for lutherske missionærer derute, og der vil blandt andet en bokhandel bli oprettet. Ved siden av at være et stoppested for gjennemreisende missionærer vil det altsaa bli et forretningssted, noget det samme som Augsburg Publishing House er for vor kirke hvad business angaar.

Utsigtene hvad det financielle angaar synes at være lyse og lovende. Det meste av bygningen er utleiet og leien beløper sig til ca. $14,000 pr. aar.

Schreudermissionen

Aaret 1924 har været en noksaa bevæget og tung tid ogsaa for denne mission. Finansielle vanskeligheter har virket trykkende paa missionærene og hindret frem-

gang i deres arbeide. Sygdom har der været ikke saa litet av blandt saavel hvite som indfødte, og av sidstnævnte har man mistet en arbeider.

Det tyngste tap for denne missjon er imidlertid at to av dens ældste og mest erfarne arbeidere har i aarets løp resignert og reist hjem til Norge. Det er pastorene H. J. S. Astrup og O. S. Norgaard, av hvilke førstnvænte i 40 aar har arbeidet paa Entumeni station og har ijær siden hans bror, biskop Nils Astrup, døde indtat en ledende stilling i Schreudermissjonen og er derfor dypt savnet, ijær av sin menighet paa Entumeni. Pastor Norgaard har i 44 aar virket som missjonær, først 19 aar i Det Norske Missjonsselskaps, derpaa 25 aar i Schreudermissjonens tjeneste og har utført et rikt velsignet arbeide. Gud gi de to Herrens tjenere en vel fortjent hvile efter en lang og tung arbeidsdag.

En tysk prest, pastor O. Schuler, har midlertidig betjent Entumeni, men vil snarest mulig hæve sin forbindelse med Schreudermissjonen. Bivela, pastor Norgaards station, tas bare paa av pastor Otte. Et par av de kvindelige arbeidere er ogsaa paa nippet til at forlate missjonen.

Tiltrods for vanskeligheter og tap har dog arbeidet i aarets løp gaat stille og jevnt fremad og baaret velsignede frugter.

Ferierende missjonærer

I 1924 kom følgende missjonærer hjem paa ferie: Prof. O. R. Wold med familie, pastor og Mrs. O. Hellestad, pastor Bert Nelson og Miss Therese Peterson fra Kina; pastorene P. A. Bjelde, K. F. Braaten og David Løvaas, hver med familie, samt søster Mette Hagen fra Madagaskar. Om Gud vil vender alle disse tilbake hver til sin mark til høsten, pastor Bjelde undtat. Av hensyn til sine barns skolegang føler han sig forpligtet til at forbli hjemme, ialfald for nogen tid.

I 1924 vendte følgende ferierende missjonærer tilbake til missjonsmarken: Pastorene Ingv. Dachlin, C. W. Landahl, John M. Bly, Geo. Holm og dr. O. S. Behrents, samt Misses Agnes Thonstad, Marie Anderson, Belle Richardson og Mina Hjeldness til Kina; Pastorene R. C. Cartford og S. Tverberg, hver med familie, samt Misses Nellie Dahl, Ingara Nakling og Oline Egesdal til Madagaskar.

Avtraadte missjonærer

Pastorene Olaf Asper og J. K. Krogh træer paa grund av sygdom midlertidig ut av missjonens tjeneste. Det samme er tilfælde med søster Bertina Horvick og Anena Christensen, førstnævnte paa grund av sygdom, sidstnævnte fordi hun vil søke videre skoleutdannelse.

Nye missjonærer

I 1924 blev følgende nye missjonærer utsendt: Pastor og Mrs. Edwin Hegge, pastor og Mrs. Thomas J. Lee samt Misses Agnes Holstad og Mathilde Elstad til Kina; Peter B. Stolee og hustru samt Misses Constance Stolee, Alta Hougen og Cora Anderson til Madagaskar.

I 1925 vil følgende nye missjonærer bli utsendt: Pastor Andrew Burgess og Miss Therese Sheldahl til Kina; pastor L. O. Hofstad med familie og Miss Laura A. Olson til Madagaskar. Alle disse blev kaldt i 1924, før nogen reduktion i budgettet var gjort, pastor Hofstad undtat. Han er kaldt for at fylde nogen ledig plads derute; ti som nævnt i ovenstaaende vil et par hjemmeværende Madagaskar-missjonærer i kortere eller længere tid forbli herhjemme, og pastor J. F. Ylvisaker har paa grund av sygdom i familien desværre maattet ta paa hjemvei. Ellers har bestyrelsen paa grund av sinancielle vanskeligheter ikke kaldt nogen ny missjonær for 1925.

Fra Madagaskar

er endnu ingen underretninger angaaende forhold og arbeide gjennem aaret 1924 ankommet. Og de faa privatbreve derfra har saa omtrent ingen oplysninger git. De antyder dog at forholdene har været rolige og gunstige samt at arbeidet har skredet stille og jevnt fremad til gavn og velsignelse for saavel kristne som katekumener og hedninger.

Nogen nærmere detaljerte oplysninger om arbeidet paa denne mark er det imidlertid av ovennævnte grunde umulig at gi.

Pr. telegram, datert den 29de mai, sender Madagaskar-missjonærene aarsmøtet sin hjertelige hilsen.

B. Arbeidet hjemme

(Ved J. R. Birkelund)

Angaaende denne del skal vi fatte os i korthet. Paa grund av missionssekretærens fravær paa et aars ferie var alt arbeide — baade ute og hjemme — lagt i én mands haand, og det er selvsagt at under omstændighetene kunde ikke alt bli varetat som det burde.

Bestyrelsen har i 1924 holdt fem møter og eksekutivkomiteen tre møter. Da flere av medlemmene bor langt borte har vi av økonomiske grunde været nødsaget til at indskrænke møtenes antal.

En av de saker som har lagt ikke mindst beslag paa bestyrelsens tid og forhandlinger er spørsmaalet om lægemissionærer. I Kina har vi jo mistet to læger — Distad og Eckfelt — og de andre derute opslites under det overvældende arbeide. Til Madagaskar har det endnu ikke været mulig at skaffe nogen læge. Vi har søkt ikke blot i vort eget men ogsaa i andre lutherske samfund uten resultat. Vi har staat i mange og lange korrespondanser med en halv snes læger i Tyskland og Sveits, men alle forhandlinger strandet.

Bestyrelsen har dog nu den glæde at kunne meddele at en ung mand, graduent fra Minnesota statsuniversitets medicinske avdeling har erklært sig villig til at reise til Madagaskar næste aar. Men for Kinas vedkommende har vi ingen i utsigt før om to aar. Er der da ingen ung kristen lutherst læge som vil si: Her er jeg. Send mig!

Bestyrelsen har hat et møte med representanter fra Augustanasynoden til behandling av saadanne saker som angaar begge samfunds arbeide i Kina, saasom: Fælles lutherst missionskasserer i Kina, sprogskole i Central Kina, dampskibsbilletter, American School, Lutheran Home and Agency i Hankow, fælles normal- og bibelskole, osv. En komite paa to mænd fra hver bestyrelse er nedsat til at forhandle videre og indstille til sine respektive bestyrelser.

Antallet av **missionsmøter** rundt omkring i samfundets menigheter har været noget mindre end forrige aar. Vi har hat forholdsvis faa missionærer hjemme paa ferie og enkelte av disse har paagrund av sygdom været hindret i at delta i disse møter. Da missionskassereposten ophævedes og pastor Tangjerd snart efter blev hjemkaldt, mistet vi hans værdifulde tjeneste, likesom ogsaa missionssekretærens fravær formindsket de allerede faa kræfter.

Et større missionsmøte — den første almindelige missionskonferans — holdtes i Fargo, N. D., fra 9de til 14de september. Om dette har baade vore kirkeblade og dagspressen git utførlige referater. Et lignende møte er planlagt for slutningen av juli dette aar.

Der er en stadig forøkelse i antallet av menigheter, foreninger, søndagsskoler og enkeltpersoner som vil paata sig at underholde missionærer, indfødte arbeidere, barn og studenter paa missionsmarkene for derved at komme i mere direkte rapport med missionsarbeidet. Det har til tider været vanskelig at efterkomme alle krav da tilbud om underhold stundom er større end arbeidernes antal, noget som har sin grund i mangel paa missionærer og derav følgende mangel paa lavere og høiere skoler.

Dette bringer os til **det reducerte budget**. For 1925 blev det allerede lavt ansatte budget formindsket med over $40,000.00 og for næste aars vedkommende vil indstilling fra Board of Trustees anbefale til aarsmøtets antagelse et samlet minimumsbudget for samfundets fire arbeidsgrener av $1,000,000.00. Beregnet efter de sidste to aars indtægter for hver av disse arbeidsgrener blir hedningemissionens andel paa denne basis $311,564.60, eller med andre ord, en formindskelse paa to aar av ialt ca. $74,000.00. Vi nævner ikke dette for at klage. Skal totalbudgettet reduceres — og dette synes at være den almindelige mening — maa hedningemissionen selvfølgelig under det nuværende system ta sin andel av reduktionen.

Bestyrelsen har beskaaret næste aars budget til det yderste. Istedetfor at forøke missionsarbeidernes antal formindskes det, da som tidligere meddelt flere missionærer av helbredshensyn har set sig nødsaget til at resignere.

Budgettet for missionsstationene i Kina og Madagaskar er betydelig reducert tiltrods for at de allerede var beskaaret av de respektive missionskonferanser. Totalbudgettet for Kina er siden ifjor formindsket med $11,000.00 og for Madagaskar med $13,000.00. Selv med disse og andre formindskelser maa vi indstille et total-

budget paa $366,444.60, altsaa ca. $55,000.00 mere end den andel som vil tilfalde hedningemissionen paa basis av et samlet minimumsbudget paa $1,000,000.00.

Til **byggefondet** er ialt indkommet indtil 1ste mai dette aar i kontant eller „notes" $140,314.13. Til Kina er sendt ca. $90,000.00 og til Madagaskar $25,000.00. Heri er ikke medregnet to større gaver bestaaende i landeiendom, en i Minnesota og en i Syd Dakota, som saa snart det blir mulig at faa dem solgt til en antagelig pris, ifølge givernes ønske anvendes til opførelse av hospital og til skolebygning paa Madagaskar.

N. P. L. L. fortjener samfundets tak for at ha arbeidet særlig for dette fond i 1924 og indsamlet ialt henved $6,000.00.

Som meddelt fra aaar til aar har der været mange hindringer for denne indsamling, men det er vort haab at den kan sluttes i indeværende aar.

Missionsreglene er oversat til engelsk og oversættelsen godkjendt av bestyrelsen. Da der imidlertid er omstændigheter som tyder paa at enkelte forandringer maa foretas i en nær fremtid, indstiller bestyrelsen at denne sak stilles i bero indtil videre.

Til **Schreudermissionen** har styret i Norge kun set sig istand til at bidra 1090 pund sterling, medens vort samfund har støttet missionen med 2001 pund sterling. Heri selvfølgelig ikke iberegnet de bidrag og gaver som er sendt direkte.

I 1922 fattet vort samfund følgende beslutning: „I betragtning av de vanskelige problemer i forbindelse med denne mission anbefales at den endelige avgjørelse i denne sak utsættes indtil fællesmøtet i 1923. Imidlertid understøttes Schreudermissionen av vort samfund som før."

I 1923 indstillet komite nr. 4 til aarsmøtet: „Samfundet utsætter tiden som er angit i beslutningen fattet ifjor med hensyn til Schreuder-missionen for to aar."

Som substitutforslag blev følgende antat: „Foreslaat at den del av indstillingen som bemyndiger hedningemissionsbestyrelsen til at avskjære vor støtte til Schreudermissionen efter to aar gaar ut og at vi henstiller til formand Stub naar han kommer til Norge at forhandle med rette vedkommende om en endelig og tilfredsstillende løsning av denne vanskelige sak."

I 1924 skriver dr. Stub i sin indberetning til aarsmøtet: „Under mit ophold i Norge hadde jeg møte med Schreuder-missionsbestyrelsen. Alt blir ved det gamle indtil vort samfund i 1925 kan ta Schreuder-missionen op til behandling."

Da bestyrelsen imidlertid just nu har mottat henvendelse og foreløbige forslag fra baade missionærer og fra sekretæren i Norge angaaende fremtidig ordning av missionen, og da bestyrelsen endnu ikke har faat de nødvendige oplysninger, saa indstilles at sakens avgjørelse utsættes til fællesmøtet i 1926.

III. Resolutions

REPORT FROM COMMITTEE NO. IV. FOREIGN MISSIONS

Committee No. 4, dealing with foreign missions, consisting of Rev. D. C. Jordahl, Rev. Mikal Erickson, Rev. H. W. Estrem, Del. A. H. Trondson, Del. A. E. Lien, Del. J. Johnson, Del. T. A. Hoidal, Rev. H. L. Urness and Rev. J. B. Rockne, met and organized by electing Rev. D. C. Jordahl president and the undersigned secretary.

The Committee submit the following report:

I. The N. L. C. in convention assembled expresses its sincere gratitude to almighty God for protection and prosperity in our different mission fields in spite of dangers, disturbances and difficult conditions.

II. We sympathize sincerely with our missionaries in China who have suffered loss at the hands of the bandits, but we are thankful to God that He has spared their lives.

God's ways are wonderful and we rejoice that the recent disturbances are

even having the effect of bringing the natives to a realisation of the helplessness of their idols and are turning to God for help.

III. We deplore the lack of workers in our different mission fields and regret deeply that the financial condition of our Church has made it necessary to reduce the budget.

The example of sacrifice of the missionaries in Madagascar who have taken upon themselves to support a lady missionary for a period of seven years should spur us on to a similar sacrifice here at home. If a sacrifice like this became general among all our people, what could not be accomplished in our foreign mission field.

IV. The Convention is indeed grateful to note that there are as many as 21 young men and women on the "waiting list" who will go out as missionaries as soon as the necessary funds are available and as we have prayed the Lord of the harvest to send out laborers, we also pray that He will open the hearts of an increased number of our church people, that ample means may be forthcoming to send out and support those who offer themselves to go out as missionaries. May He teach us to realize that "he who hath this world's goods and seeth his brother have need, how dwelleth the love of God in him," is true not only of material need but even more so of spiritual need.

V. We also deplore the lack of housing facilities in our different mission fields and the resulting hampering of the work. That the missionaries also here are taking of their own salaries to supply the housing need presents an example of sacrifice that should stimulate us to greater effort. They have made the sacrifice of leaving home and civilized country to live among the heathen. Should we make it necessary for them to make even greater sacrifice? They are our representatives doing our work, let us supply them with the necessary buildings.

VI. We are thankful to God who has answered the prayers of our fathers and our own so that open doors are now placed before us in all our foreign fields. May He now also give us the faith and will to make use of the opportunities.

VII. We rejoice in the completion of the Lutheran Home and Agency building in Hankow, China, and the convenience and financial success which it has proven to be.

VIII. We are indeed grateful to God and the missionaries H. J. Astrup and O. S. Nordgaard who have served so faithfully in the Schreuder mission for the long period of 40 and 44 years respectively. May God give these two men a peaceful and well deserved rest in the evening of life and grant that the vacancies caused by their resignations may soon be filled.

IX. We regret that the missionaries J. K. Krogh, Olaf Asper and sister Berthina Horvick on account of sickness have been temporarily forced to leave their fields. We sympathize deeply with them and pray that it may be God's will that they may be restored to health and continued services.

X. It is gratifying to note that several new missionaries have been sent out in the past year and that some will be sent also this year. May God bless them to a long and fruitful service.

XI. The Norwegian Lutheran Church notes with much satisfaction the increased interest in missions caused by the general mission meeting held last year in Fargo, N. Dak., and looks with favor on the continuance of similar meetings from year to year within our church; where not only the Foreign but also the Home Mission problems may be made the object of discussion. "Let us never forget that if we neglect Home Missions we will sever the branch on which our Foreign Mission rests."

Home Base

XII. The Convention expresses its appreciation to the foreign mission board for its able direction of the affairs of foreign missions under these trying financial conditions.

XIII. We are glad that a graduate of medical department of the University of Minnesota has decided to dedicate himself to the sorely needed medical service in our mission in Madagascar. May God richly bless his decision. There is immediate need of more doctors in our mission fields. Who will say: "Here am I, send me."

XIV. It is encouraging to note that there is an increased number of congregations, Sunday schools, societies and private persons who are offering to undertake the support of missionaries, native workers, and children on our foreign mission fields. We strongly urge that this worthy example be followed by many others.

XV. The Convention notes with great pleasure the generous support that has been given the foreign mission building fund during the past year.

We express thanks to the Young People's Luther League for their gift of $6,000.00 to this cause. Here it may be mentioned the $1,000.00 donated to the Schreuder mission by the Y. P. L. L. was sufficient to build six chapels.

XVI. The Convention endorses the following report from the foreign mission board:

II. Report

By the Board of Charities

To the Norwegian Lutheran Church of America:
Grace and Peace.

"Serve the Lord with gladness." (Ps. 100:3).

Accordingly we hope that we are reporting to a people filled with gladness.

The year 1924 must have been the happiest year in the history of our Church because the people of our Church rendered to the Lord a greater service during that year than during any previous year in the form of contributions to His work, or shall we say that a greater number of our Church people served the Lord by their contributions and were made glad during 1924 than before.

This service was expressed in the form of contributions and we hope these contributions reflect the gladness of the contributors because of what they had done before and that this gladness prompted them to contribute more liberally than during any previous year.

The Father's grace is now over us each year and each year increases our debt to Him, but also increases our gratitude, gladness and determination to serve Him better and with greater singleness of heart.

It is a pleasure to co-operate with happy, contented and blessed people, who serve the Lord with gladness. The Board has experienced this pleasure during the last year as never before.

On the one side are the hundreds of thousands of our Church people serving the Lord with gladness, radiant faces and happy palpitating hearts while on the other side are the orphans, the aged, the helpless, the weary and despondent, made happy, contented and blessed by the glad service of our Church people.

Those who receive the help are blessed and those who give it realize that it is more blessed to give than to receive.

Above all the Father of Lights and the Giver of all good and perfect gifts knows no variableness, neither shadow of turning. As He has blessed us in the past and gladdened us in our service to Him so He will continue to bless us and gladden us in our future service. May we ever be receptive of His mercies.

With gratitude to God and His people for the favors and service in the past, we anticipate the future with the blessed assurance that the gates of Hell shall not prevail against the Church of God.

The Board of Charities has held one meeting and the Executive Committee has held four meetings during the year.

Vacancies Filled

Rev. C. M. Knardahl, member of the Board of Charities from Canada District, died September 6th, 1924. To fill the vacancy caused by his death, we have appointed President J. J. Akre.

Homme Home for the Aged

Because of his removal to another part of the Church, Rev. H. C. Smeby has resigned as member of the Board of Directors of above Home. On the nomination of the local board, we have appointed Rev. W. A. Johnson, Rosholt Wisconsin, to fill this vacancy.

Lake Park Children's Home

Mr. E. Christ Bjorge and Rev. A. B. Hinderlie, members of the Board of Directors of above Home, have died. On the nomination of the local Board we have appointed Mr. Christ Olson to succeed Mr. Bjorge and Rev. A. J. Anders to succeed Rev. Hinderlie, both of Lake Park, Minnesota.

The Homes for the Aged

On January 1st, 1924, there were 316 inmates at the nine Homes for the Aged. Of them 169 were men and 147 women. During the year 74 inmates

were admitted of which 33 were men and 36 women. The total number inmates cared for during the year was 390 which is 17 more than in 1923. On December 31st there were 339 inmates at the Homes or 23 more than at the beginning of the year.

154 inmates were sick during the year. The sickness was mostly due to old age.

38 inmates died.

For detailed information about each Home we refer to the tabulated inmates report.

There is nothing of any unusual nature to report. As a rule the inmates are happy and contented and those in charge of the Homes have done their work to the best of their ability.

We ought to consider the Homes for the Aged as Inner Mission Stations. Many of the inmates come to the Homes disappointed, embittered and soured on life. They have worked harder, suffered more, and experienced more disappointments in life than many, who are well-to-do. Perhaps they have experienced very little love and kindness during their hopeless struggle for existence.

Many of the inmates are in the Homes because of the iniquity of their own children.

All these circumstances have embittered their lives. Yet when they experience the love of God exemplified in the lives of those who attend them and care for them, their hearts thaw out and they are won for Christ, which, of course, is the principal purpose of all our Church work.

There is a waiting list on both sides of any Christian Home for the Aged. On the one side is the list of applicants waiting their turn to be admitted and on the other side is the list of those who have passed on. They are resting under the sod and the dew, also waiting, waiting the judgment day, and the Home stands between these lists praying, hoping, striving that by the grace of God, they may not only feed, clothe, and house that part of the inmates called the body but also feed their souls with the bread of life that they may be clothed in righteousness and finally housed in the eternal mansions of the Father.

Let us love the Homes for the Aged, think kindly of them, pray for the inmates and those in charge of them, that God's Kingdom may come and His will be done in our Homes for the Aged as it is in Heaven.

There are those who do not think kindly of our Homes because they charge admission fee from inmates and think more of other Homes because they admit exclusively Charity cases.

As a rule the Homes for the Aged of the Church were established primarily for the purpose of caring for indigent old people. But they also admit people who can pay for themselves. The rule of the Church for all its Homes is that:

"Patients shall pay an entrance fee answering to their age and ability."

If applicants have nothing, they are admitted for nothing. All Homes for the Aged, whether they belong to the Church or not, are alike in this respect that they admit and care for as many charity cases as their friends contribute funds with which to take care of charity cases. No institution can take care of charity cases with the bare walls. The difference is that some institutions send field men out and collect their charity funds from their friends while those Homes that belong to the Church receive their charity funds from the budget which the people contribute without any special paid collectors coming around and asking them for the funds. Therefore it seems that the Homes of the Church can take care of more charity cases for the less money than independent Homes can because some of the money which they collect is used for the purpose of paying the salaries and traveling expenses of the collectors.

We propose a plan by which all those who donate to the Homes for the Aged may be assured that their donations are used exclusively for charity. This plan is found under the heading "Adjustment Plan."

We have always tried to make every dollar contributed to our Charity Fund do its full duty in the Cause for which the donors contributed it and that is the only reason why we propose this plan.

The Children's Homes

On January 1st, 1924, there were 679 children in the seven Children Homes of the Church. 202 children were admitted during the year. This makes a total of 881 children cared for during the year, which is one child less than in 1923. On December 31st, 1923, there were 632 children at the Homes.

146 children were sick at the seven Homes but there were 168 sick cases which means that some children were sick more than one time.

The Homes with the greatest number of sick cases were Homme, Lake Park, and Wild Rice. The reason for this is that they were visited by epidemics. Under those circumstances, it is very gratifying that there were only 4 children who died.

Parkland Children's Home

Rev. and Mrs. H. H. Holte have resigned as Superintendent and Matron of Parkland Children's Home. The local Board of Directors accepted their resignation and has called Mr. and Mrs. T. T. Enger to those positions which they have accepted.

Wild Rice Children's Home

One of the boilers in the heating plant of the Wild Rice Home was found to be unsafe during the winter, but was replaced by a new one in an incredible short time at a cost of $2,289.61. Fortunately the other boiler was capable of carrying the load during the installation of the new boiler so that the institution did not suffer any inconvenience on account of the cold.

Martin Luther Children's Home

On April 5th, 1925, the main building of the Martin Luther Children's Home, Stoughton, Wisconsin, was destroyed by fire. Under the circumstances, it was fortunate that this fire occurred when it did. It was about ten o'clock and most of the children were ready to go to Church when it was discovered that the attic was ablaze. All the children were accounted for without anyone being hurt. The Stoughton fire department responded almost immediately, but due to lack of water, the building burned to the ground inside of one-and-one-half hours. Some of the furniture on the first floor was saved but the building burned so fast that very little was saved. As Rev. N. A. Stubkjaer lived in the main building he also lost most of his personal furniture and effects. A large supply of food which had been purchased or prepared during the winter was stored in the basement and was lost.

News of the fire was broadcasted from Madison. This brought a great many people together at the Home. Everybody was willing to take the children into their homes and render such further help as was needed. So most of the children were scattered in the homes of the community and well taken care of until temporary quarters could be provided for them, which was done as soon as possible so that the children could be gathered and continue their schooling.

The Wisconsin National Guard supplied army blankets and cots gratuitously for the children until permanent arrangements could be made for their care.

We wish to express our gratitude to the Stoughton Fire Department, The Wisconsin National Guard, and the people of Stoughton and vicinity for the very unselfish and efficient help rendered during and after the fire.

Stoughton is in our opinion the logical place for a permanent Children's Home considered both from the point of local and general location.

On April 16th, we adopted the following resolution:

"In view of the emergency obtaining by reason of the burning of Martin Luther Children's Home at Stoughton, Wisconsin, the Board of Charities recommend to the Board of Trustees that the Administration Building of said Home be rebuilt, and;

"That the local Board of Directors together with the Manager be authorized to get plans and specifications for such building, and;

"That the insurance money and other available funds be used for the erection of the building and

"That the manager together with the local Board of Directors be authorized o raise what additional funds may be necessary and that building operations e begun when the necessary funds have been secured."

Our recommendation to the Church in this matter is found under "Recomnendations" in another part of this report.

We understand that the Board of Trustees also will submit a recommendaion on this matter.

In General

The managers and matrons of our Children's Homes are about the hardest orked people in the service of the Church. They are all things to all. With ll the varied work that they have to do, they should not be farther burdened y financial worries but permitted to devote themselves to the work with the hildren.

Our budget for the Department of Charities for 1924 was $238,373.00 but he District Meetings reduced this to $211,866.00 for 1925.

The 1924 budget was a minimum budget. Therefore the 1925 budget makes t a matter of grief rather than joy for the functionaries of the department to onduct the institutions and do their work in a creditable condition.

Most of our institutions are sadly in need of repairs which has been postoned from year to year in hopes that funds could be provided for their purpose, ut these hopes have been frustrated by a constantly decreasing budget.

It is therefore with a sense almost verging upon despondency that we have eceived information from the Board of Trustees and Church Council that the udget for 1926 and 1927 must be still farther reduced.

We sympathize with those in charge of our institutions because we realize hat it is simply impossible to continue all the work the Church has instructed s to do on so small a budget. Therefore we have been casting about for some ay of reducing the expenses without reducing the work. We think we have ound such a plan. We believe that by reducing the number of Children Homes nd developing the merged Homes as Receiving Homes and developing the Home inding Department and placing more children in private homes, it will be posible to take care of more children on less expense. This is one reason why we ropose the Adjustment Plan in another place of this report.

Let us all bear in mind that none of the Children's Homes are getting all hat they need from the budget voted by the Church. That is only for the bare ecessity. There are so many other things necessary to make the Homes more omelike and anything given them for this purpose is very gratefully received.

We also wish to thank all those societies and individuals who have remembered the Homes with gifts in the form of food, clothing, etc., during the year nd hope that what they have done has gladdened them to such an extent that hey will continue this blessed service. God loves cheerful givers.

The detailed information about each Home is presented in the tabulated eport on another page.

The Home Finding Department

God established the family and the home and every placeable child is entled to the blessings of a real home. When a child loses its home by reason f the death of its parents or from other causes the Church as the body of hrist, should see to it that the child is given the best substitute for its own ome, and that is a home with the nearest relatives. If that is not possible, the hild should be placed in the best foster homes obtainable, either for care or referably for adoption.

The expense of placing children for adoption is only nominal compared to e expense of keeping them in institutions. Therefore, the Home Finding Deartment should be developed and enlarged. The more hard up the Church is, e more it should appropriate for its Home Finding Activity.

The great number of our people applying for children has been a great ncouragement in this work.

We used to be very much interested in having the work divided into the ifferent states, with a superintendent in each state, but our experience has een such that we have come to the conclusion that it is better to conduct the

work from the Central Office and to engage only such workers who are traine and experienced in this particular kind of child welfare work and the wor should be done by them and all records kept at the office of the Board c Charities.

If the managers of our institutions were relieved of the Home Finding Wor so that they could devote more time to the actual work with the children i their institutions, better results would no doubt be obtained. Those of us wh have had the privilege of father and mother training know that it was th daily intercourse with father and mother that moulded our characters an helped in building up worthy ideals for all future time. The early years in child's life is the time that real personal work is of the greatest importance.

Home Finding License in Other States

During the year, we have received license to do Home Finding Work i the states of Wisconsin and in North Dakota.

North Dakota

North Dakota has adopted a new code of laws relative to the Child Welfar Work. Our Home Finding Society of North Dakota was appealed to by th Children's Bureau of North Dakota to assist it in organizing this work in th State. The Board of Directors of the Home Finding Society called Mr. N. C Skauge as temporary Executive Secretary for this purpose which arrangemen we have granted provided Mr. Skauge could find time for it.

Later this arrangement was changed so that Mr. Skauge is attending to th work directly from our office.

The Board of Directors of the North Dakota Lutheran Home Finding S ciety has arranged with Rev. A. C. Barron to act as financial secretary for th Society and has asked us to take over the Home Finding Work in the sta which we have consented to do with the understanding that we do the work i North Dakota as the agent of the North Dakota Society.

In General

For detailed information about this work, we refer to the tabulation c another page. We are glad to present so full and complete report about th Department.

According to this report, this Department has taken care of 247 childre during the year. 85 of these children have been sick and treated by docto and 15 of them have been in such a condition that they had to be taken t hospitals.

Since 1917, we have taken care of 1888 children.

We wish to express our gratitude to the Women's Auxiliary of the Fairvie Hospital for their sympathy and support of this work emphasized by payin the hospital bills for all the children that we have had at Fairview Hospital.

We also wish to express our gratitude to the doctors who have so co scientiously attended our children both in and out of the hospitals free c charge. Very often the children are in need of medical care when they con to us, and if we should pay the doctors and hospital bills for these childre from our budget, we could not take care of so many children.

Our thanks is also due to the many societies and individuals who so kind have remembered us with clothing as we are called upon constantly for wea ing apparel both for adults and children.

We have in grateful memory the many friends who have taken the childre into their homes for temporary or permanent care and for adoption, and w thank the many who have applied for children and who still are waiti patiently for the child that they have applied for. Sometimes it may seem though we have forgotten them but such is not the case. We have them on o list and in mind and anticipate with a great deal of pleasure the day when w can place a child in their arms, hearts, and homes.

We realize that it is not only the children, but also the foster parents th are made happy by the union of the childless homes and the homeless chil

Above all we thank our Heavenly Father for His blessings upon our feeb efforts.

THE UNMARRIED MOTHER

The Rescue Home

The tabulated information about this work indicate that the 3 Rescue Homes ave taken care of 242 adult women of which 215 were cared for in the Homes nd 27 outside of the Homes, also 39 convalescents, making a total of 255 adults.

The three Homes have also taken care of 216 children which makes a total 497 individuals taken care of during 1924 by these three Homes.

The people cared for by these Homes represents 9 different nationalities and different religious convictions.

Numbers may mean much or little. That depends on what has been one for each individual. When we stop to think of the care that ese Homes bestow upon each individual, numbers dwindle into insignificance. hen we further stop to consider that each one of these 497 consist of two rts, body and soul, and that the Homes try to minister to both the body and e soul, then numbers become of little consequence, and the significance of the ork grows beyond computation.

We appreciate the kind co-operation of the States and other purely social gencies and organizations, and we appreciate the splendid work they are doing, only for that part called the body, but we are glad and thankful that as rep-sentatives of the Church, we have that higher aim for our work "Charity to the oul" which not only adds an ennobling feature to the work, but also the hope greater results both for time and eternity.

The Follow Up Work

When the girls are through at the Rescue Homes and ready to be discharged, en what is going to become of them and their babies?

Many return to their homes, if they have any. But so many have no homes go to. They are left entirely to their own resources and if anybody ever eds a kind, helping hand extended by the love of God, it is such a girl. She es not need to be told of her fall. She knows that better than anybody else. hat she needs is to be told that God loves her and that His people love her nd will help her on her feet again so that she may enjoy life both for time nd eternity.

In order to help these girls and glorify the name of God, we have instituted follow up system by which we have been able to take care of them from the me they leave the Rescue Homes, temporary boarding homes are found for e babies and employment for their mothers so that they cannot only support emselves but also pay board for their babies. If they lose their jobs, other bs are secured for them and they are assisted in every way possible to help emselves.

In every instance, every effort is put forth by all workers connected with is work that each girl may get into some Church connection and very often nected with some particular Church. All the girls are encouraged to come the office and talk over their problems and every available help is given em for their betterment.

.....was put on probation to the Norwegian Lutheran Church America by the County Child Welfare Board. Being very incorrigible, she ould otherwise have gone to Sauk Center. Work was found for her and her by was placed in a good boarding home. She has been followed up very osely and every help given her that was possible. She is proving to be ab-lutely worthy of every endeavor to make a good woman of her.

.....came from a very ignorant family. She was engaged to a an who seduced her, joined the army and left her stranded. She was driven way from home and came to the city alone, friendless and without money. We ok care of both her and her baby for many months, secured the right kind employment for her and helped her many times when she was ill. Her rents were finally persuaded to take her and her baby back. She learned a eat deal in the city and has improved her home conditions a great deal.

.....tried to board her baby independently. The County Child elfare Board asked us to take care of her as the baby was in a very unde

sirable home. For weeks we could do very little for her because she would no tell us the truth. It seemed to be a hopeless case until she realized that we wer trying to befriend her. She yielded and gave us her full co-operation. Th father of her child has not been found. She developed into a real good woman was married to a good man and has a good home. We are sure her baby woul not have lived had it not been that we placed it in one of our best boardin homes where every bit of energy and much expense was put forth to build u the child. He is now an unusually fine boy and his mother, although she i married, is of her own accord regularly paying up her back bill to us.

Altogether we have taken care of 51 unmarried mothers through this fol low up system of which Miss M. B. Feldhammer is in charge.

Paternity was established in 24 cases. 27 of the remaining cases have no been settled for the following reasons:

The men have disappeared and have not been found.

The men have married other women and wives and children depending o them. Earning capacity very small so that in establishing paternity in a illegitimate case, wives and children would suffer and homes broken up.

In some cases, the unmarried mothers have refused to file complaints.

11 have married since becoming Board of Charity problems.

5 married the fathers of their illegitimate children.

5 became repeaters.

8 had brought children into the world before they came to our notice.

We have had no budget for this follow up work. Neither do we ask for an special appropriation for 1926-27. All this work has been done under th budget voted for the Home Finding Department as it is a natural outgrowth o that work.

City and Institutional Mission

The importance of this Mission becomes increasingly apparent with th growth of our cities. Formerly our people lived mostly in the rural districts cultivating the soil and building up fine rural homes. The bulk of our Churc people are still living on farms; but a great many of the younger generation are drifting into the cities. The immigrants from Norway also come to th cities where they engage in the different trades and professions.

Those who came here from Norway in the earlier years voluntarily gathere into congregations, built churches, schools and charity institutions for which ou country is thankful, but a great many of those who come to our shores now ar not interested to the extent of seeking and attending the divine service in th Churches erected for them by their predecessors.

A great many of those who leave the farms and come to the cities are als very delinquent in spiritual matters and church relationship. They seem t have a wonderful capacity for losing themselves in the large cities and sho very little appreciation for the heritage from their fathers and mothers.

The extensive use of the English language in our City Church work has als increased the field of our Church work. We do not consider our Church a existing exclusively for Norwegians or the children of Norwegians. The use o the English language is gradually obliterating the race limitations and extend ing the privileges and duties of our Church to all mankind. We dare no longe say I am my Norwegian brothers' keeper, but with Paul say and act: "I an debtor both to the Greeks and to the Barbarians; both the wise and the un wise."

The less people are interested in the Church, the more the Church must b interested in them. Our Church is evidencing its interest in them by keepin 26 missionaries at work in the following 15 Mission fields, where they hav visited 206 institutions, 6,044 times during 1924 and ministered to 43,086 person

Court Missions

The tabulated report indicates that 8 of our Missionaries are doing an extensive Court Mission in the Juvenile, Police, District and other Courts where they attend regularly in the interest of children and others. It is especially important that the Juvenile Courts are attended as so many Lutheran children would otherwise be lost to us and our Church.

As a rule the Courts also appreciate the co-operation of our missionaries. As a rule the Courts desire to place Lutheran children in the hands of Lutheran people, but when there is no Lutheran attendant present, the Court is handicapped in this respect. We cannot blame the Courts but ourselves if children in the hands of the Courts are lost to us. We must be our brothers-sisters (our little brothers-sisters) keepers even in the Courts, and the more helpless, neglected and dependent they are, the better keepers the Church should be for them. "They that are sick need the physician."

Joint Juvenile Court Work

For some time we have negotiated with the Minnesota Conference of the Swedish Augustana Synod about joint juvenile court work in the Twin Cities and we have finally agreed on that they keep a man at the Juvenile Court in Minneapolis and we keep our man at the Juvenile Court in St. Paul, and both men shall represent the two Church bodies. This arrangement will help reduce expenses a little.

The Day Nurseries

The tabulations give detailed information about this work which is not only for the children that are taken care of but also for the parents and the homes of the children.

The children of poor parents are taken care of during the day so that their mothers can go to work and in that way add to the family budget.

The mothers of the children are influenced by their daily contact with those in charge of the nurseries and their husbands are influenced through their wives so that it can be said of them "A little child shall lead them."

This Mission is made possible largely by reason of the fact that there are people who are not satisfied to give only what the budget calls for. Both at Brooklyn and Chicago the work is largely supported by locally interested people, mostly women, who have gathered the funds for erecting or buying the building in which the Missions are functioning.

In Chicago a Society of women bought four lots with a good substantial brick duplex on it at 1802 North Fairfield Avenue. A very desirable location for this purpose. The women raised the funds and paid for it. Then they raised and borrowed some more with which they moved, enlarged, and improved the building and the grounds and when they get it all paid for they expect to deed it to the Church, and these women are not rich in dollars and cents, but they are rich in love and alms deeds.

In Brooklyn practically the same thing is taking place at 4611 4th Street South, where a Society bought three lots with a house on it, which houses the Nursery temporarily, but the Society is collecting funds, the plans are ready, and a new and up-to-date Day Nursery and Receiving Home will soon be built and then the Brooklyn Day Nursery will be in position to render a greatly increased service.

We wish to thank these good people who do not only contribute to the regular Church budget but also make this work possible by additional contributions, prayers, and efforts, and let us all pray that we may all speedily join them in spirit and action.

The Kindergarten

In connection with the Chicago Day Nursery, there is also a Kindergarten. We mean a Christian Kindergarten where the little ones left at the Nursery are instructed in religion according to kindergarten methods by songs and stories, which become seeds in the lives of the children which we hope will germinate and grow to full fruitage in later years. In this way the Kindergarten is suffering little children to come unto their great Friend who first said it.

In General

We wish to thank our Missionaries for the work they are doing in literally going out upon highways, hedges, streets and lanes with the Bread of Life to the halt, the lame, and blind in hopes and prayers that it may help to fill the

Father's House. May the results of their work and the unfailing assurance of our Heavenly Father encourage them to still greater exertions, and may we all be encouraged to pray more, work harder, earn and save more, and contribute more liberally, willingly and cheerfully to this Mission work, which is conducted right in our midst. Our Master's last admonition was "Be witnesses unto me in Jerusalem and in all Judea and in Samaria and unto the uttermost parts of the earth."

For detailed information about this Mission Work, we take pleasure in referring to the tabulation in another part of this report.

This Mission should be greatly enlarged and developed. This can be done without any increased expense for us by co-operating with other Lutheran bodies with whom we are agreed in doctrine. Such co-operation should consist in getting each Synod to take care of one state or county institution and preferably local pastors of congregations, who could be given a small remuneration for their work to reimburse them for carfare or auto upkeep.

The Church should cultivate more co-operation with the state in the matter of rendering spiritual care to those assigned to the state institutions. The state houses, feeds, schools and clothes them and as a rule the state welcomes co-operation with the Church and the state realized at least to some extent the value of religious ministrations to its wards. This work could be largely done by the local pastor, if he were encouraged to do it and possibly paid a small remuneration for his work. At St. Cloud there are several institutions. There is a Boys' Reformatory with over five hundred boys, of which two-thirds are Protestants. There is one of the largest State Teachers' Colleges and a great many of the students are Lutherans. The government is just building a $1,000,000 hospital for disabled veterans. These three institutions are open for us and welcomes our co-operation.

The State School at Owatonna, which is in reality a Receiving Home for Children, welcomes the co-operation of the Church. To show what can be done in such institutions it may be interesting to know that a Lutheran pastor instructs classes for confirmation, conducts confirmation services and conducts regular religious services; that two-thirds of the teachers are Lutherans; the Manual Training Teacher is a Lutheran and a majority of the domestic help are Lutherans.

As far as we understand, the doors are open and our Church has the opportunity to exert a strong influence in these State Institutions. This can be done at a very little expense to the Church.

The Needy Pastors and Widows Fund

This fund has assisted 54 beneficiaries during the year. One of the beneficiaries, Mrs. Caroline Midtbo, passed away during the year.

This fund is for the benefit of pastors and widows of pastors who by retirement or death before the establishment of the Pension Fund were unable to become members of that fund.

The Norwegian Lutheran Deaconess Home and Hospital

4th Avenue and 46th Street, Brooklyn, N. Y.

The Home

The Sisterhood consists of 6 deaconesses and 6 probationers of which one is the Head-sister of the Home. 4 are filling important positions in the hospitals, 1 serves as parish sister in Trinity Church, Brooklyn, and 1 in Central Church, Minneapolis. 2 are missionaries in China and Madagascar.

The Hospital

Generally speaking, the health condition of our immediate community has been remarkably good. There has been no epidemic on a large scale, and no accidents involving a considerable number of lives.

Nevertheless, the Hospital has had its busiest year, with over five hundred patients more than the year 1923 in the Hospital proper and 6948 in the auxiliary.

This increase can be accounted for in two ways—the growth of the community, and what must be considered the most important, the gradual change of our Hospital from a local Institution to a Metropolitan one.

The Statistical report for the year is as follows:

	Patients	Days

The Deaconess Homes aim to train young women for all kinds of Christian service in the different benevolences of the Church.

There is a great demand for this service.

The three years training offered by the Deconess Homes is absolutely free. There is no young woman in our Church so poor but that she could take this training and qualify herself for splendid service for her Master. Write to your nearest Deaconess Home for further information.

RECOMMENDATIONS

Change of Rules for the Homes for the Aged

On page 192 of the 1918 Annual Report, Paragraph "A" Lit. g (1) should be amended to read "Sammen med Board of Charities" instead of "Efter Samraad med Board of Charities."

Co-operation With State Institution

We recommend that the Church cultivate co-operation with State institutions consistent with the policies of the State and the Church.

Co-operation With Other Church Bodies

We recommend that the Church co-operate with other Church bodies with whom we are doctrinally agreed in county or state institutional mission work.

Martin Luther Children's Home

We recommend that the Church thank the Stoughton Fire Department, The Wisconsin National Guards and the people in and around Stoughton for the help they rendered the Martin Luther Childrens' Home during and after the fire.

We recommend that the Church adopt the following resolution:

"The Manager and local Board of Directors of the Martin Luther Children's Home be, and is hereby authorized to rebuild the said Home on the Cottage plan and that the main building be built this year, and;

"That the insurance money and other available funds be used for the erection of the building, and;

"That the Manager and local Board of Directors be authorized to raise what additional funds may be necessary in the time and territory designated by the Finance Committee and that the building operations be begun when the necessary funds have been secured."

Mr. Ivar Boe's Proposition

Last year Mr. Ivar Boe, St. Elmo, Alabama, submitted a proposition to the Eastern District meeting in which he proposed to give our Church his home on a 140-acre farm for a Home for the Aged. The Farm is located at St. Elmo, Alabama, near Mobile Bay.

The Eastern District referred the matter to the Board of Charities with instruction to investigate and report to the General Convention of the Church in 1925.

Being that St. Elmo, Alabama, is so far away from the territory in which

our Church is functioning, we recommend that the Church does not accept Mr. Boe's proposition.

We recommend that the Secretary of the Church be instructed to communicate the action taken by the Church and express its gratitude to Mr. Boe for his generous proposition.

Caring for Orphans on Farms

At its meeting last year the following resolution was considered by the Eastern District and referred to the Board of Charities for consideration with instruction to report its recommendation to the General Convention of the Church in 1925:

(Page 216 "C" Par. 1) "The committee suggests that the convention take under serious consideration the possibility of taking care of children in family groups of 5 to 8 in farm homes rather than in institutions where they are kept in great numbers. We believe that some of the farms owned by the Church would make ideal homes for such groups or families."

We recommend that the Church does not adopt this plan of taking care of children.

The Budget

The total amount applied for by the institutions and activities of the Department of Charities for 1926 amounts to $246,504.88.

The Board of Trustees will recommend that the Church votes a minimum budget of $1,000,000 for 1926 and 1927 and the Budget Bureau proposes that the budget for the Department of Charities be placed at $187,111.60.

If the adjustment plan which we submit is adopted by the Church then we can get along with the sum proposed by the Board of Trustees and the Budget Bureau, but;

If the adjustment plan which we propose is not accepted then we must inform the Church that we cannot conduct the present work on hand which the Church has authorized, from the proposed minimum budget of $187,111.60, and

If other departments are authorized to employ extra help for the purpose of gathering funds for their work then we petition the Church to adopt the following resolution:

The Board of Charities is hereby authorized to employ what help it needs to gather the necessary funds with which to conduct its work.

Rules for Children's Homes

Article II

(e) In case conditions arise which make it necessary to discharge the General Superintendent, the time of notice may be shortened or the time of service may be terminated instantly.

(m) Conduct the correspondence of the Home and keep an accurate record of important and interesting events.

(n) Keep complete and accurate records of the children as required by the State and Church.

(o) He shall be ex-officio advisory member of the Board of Directors and all sub-committees of the Board.

Article V

(a) As housemother she takes the mother's place in the spiritual and physical welfare and training of the children.

(b) Superintend the female help.

(c) Together with the General Superintendent she has general charge of the household. She must be present at the meals and see to it that proper table manners are taught, observed and practiced.

Article VI

ADMISSION OF CHILDREN

1. All applicants for admission of children must be passed on by the Board of Directors. Emergency applications, however, may be passed on temporarily by the General Superintendent. Conditioned, however, on the ratification of the Board of Directors at its next meeting.

2. Before an applicant is permanently admitted to the Home a careful investigation must be made as to the applicant's mental, moral and physical condition.

3. Blanks for admission shall be furnished to the applicant by the Home. Also family history, medical and other blanks which must be fully and accurately filled out.

4. As a rule, children between two and ten years of age may be admitted to the Homes.

5. Destitute children are admitted free, but in case children's parents, relaties or guardians are in a position to pay for them, they are expected to do so, and pay promptly as agreed when children are admitted.

6. If, without good and sufficient cause, such agreement is not lived up to, the children will be declared dependent and dealt with according to the laws of the State from which they come or the State in which the Home is located.

7. All children admitted to the Homes must submit to the control, discipline and care of the Homes until discharged by reason of reaching the age limit or otherwise.

8. If it develops that children have been admitted under false pretense, or if after being admitted, children shall become incorrigible, develop dangerous chronic diseases or in other ways become a menace to the Home and the other children, then steps must be taken to discharge them from the Home and place them where they properly belong.

Article VII

THE SCHOOLS

(a) Each Home must conduct its common school and religious school in accordance with the laws of the States in which they are located and the interest and practice of the Church.

(b) The principal of the School shall arrange the school program together with the other teachers and the General Superintendent, arrange teachers meetings and have the immediate supervision of the school.

Article VIII

1. Religious Services shall be conducted on Sundays at the Homes unless the children can attend services in some Church.

2. Devotional services shall be conducted morning and evening.

3. Religious week day schools shall be conducted as time may be found for it.

4. Teachers and others, such as the adult personnel, former children of the Homes visiting, and others who may have influence on the children are expected to set good examples for them both in temporal and spiritual respect.

Adjustment Plans

We recommend the following plan for the adjustment of the institutions of Charities:

In the rules of the Department of Charities, we find the following paragraph, Report for the year 1917, Page 569: "The Board of Charities shall investigate and report to the Church any adjustments of the institutions that may be necessary because of the consolidation of the Church bodies."

Consistent with the above paragraph in the rules, prompted also by the reduced budget and the consequent necessity for retrenchment and economy and also prompted by the fact that we seem to have reached a point in our development when we may be reasonably certain as to the permanent future location of our Church body, we recommend the following plan of adjusting the activities and institutions of the Department of Charities with a view to their greatest service to the greatest number of our people at the least expense to the Church.

Some of our institutions were located where they are by reason of the fact that somebody at that place was interested in the cause to the extent of offering the Church certain inducements to establish the institution and locate it there.

In suggesting a plan for readjusting the Department of Charities and locating the institutions for the future, the whole matter has been considered from an impartial angle and in the light of modern child welfare development, as well as the development of the other activities that the Church has placed in the Department of Charities.

Child Welfare

At present the Church has seven Children's Homes, located as follows: Beloit, Beloit, Iowa (157 children); Bethesda, Beresford, South Dakota (50); Homme, Wittenberg, Wisconsin (91); Lake Park, Lake Park, Minnesota (109); Martin Luther, Stoughton, Wisconsin (60); Parkland, Everett, Washington (97); Wild Rice, Twin Valley, Minnesota (115).

Lake Park-Wild Rice

The Lake Park and Wild Rice Homes are about thirty miles apart. The Lake Park Home is located two miles from Lake Park on a five hundred and forty acre farm, with eighty acres wasteland. The Wild Rice Home is located five miles from Twin Valley on a five hundred and twenty acre farm, of which one hundred and twenty-five acres is wasteland. Lake Park is situated on the main line of the Northern Pacific Railway, with six passenger trains per day each way, four of which stop at Lake Park. Twin Valley is situated on the Red River Branch of the Northern Pacific Railway, with one passenger train each way per day. Wild Rice has a more picturesque location, better main building and better machine shed than Lake Park. Lake Park has a better general location, better farm, superintendent's residence, school house, barn, hog barn, and poultry house than Wild Rice.

We recommend that these two institutions be merged at Lake Park on the following conditions:

(a) Mr. N. O. Skauge the present superintendent at Wild Rice be retained as superintendent for the two Homes until and after the merger is effected.

(b) Both farms shall be operated for the benefit of the merged institution until the Wild Rice property can be disposed of.

(c) The Board of Trustees of the Church shall be, and is hereby, authorized and instructed to dispose of the Wild Rice property as speedily and advantageously as possible.

(d) The proceeds from the sale of the Wild Rice property shall be held as an endowment fund for the merged institution.

Martin Luther-Homme

The Martin Luther Home is located one and one-half miles from Stoughton, Wisconsin, on a one hundred and sixty acre farm, with sixty acres wasteland. The Homme Home is located two miles from Wittenberg, Wisconsin, on a three hundred and sixty-six acre farm with forty acres wasteland, one hundred and thirty-six acres forest and pasture and one hundred and ninety acres under cultivation. The Homme farm is largely pine land and requires a great

deal of encouragement to produce good crops. The Martin Luther farm is some of the best land in Dane County. The Homme Home has a more beautiful local situation, a better main building, barn and other out buildings than Martin Luther; Martin Luther has a better both local and general location than Homme being that it is located in the heart of Dane County and in the heart of that part of our Church, near Madison, Milwaukee and Chicago.

We recommend that these two Homes be merged at Stoughton, Wisconsin, on the following conditions:

(a) The name of the merged institution shall be "The Homme-Martin Luther Children's Home.

(b) The ownership of all property, bequests and endowments connected with the Homme Children's Home shall be vested in the merged Home at Stoughton, Wisconsin.

(c) Both farms shall be operated for the benefit of the merged institution until the Homme Children's Home property can be disposed of.

(d) The Board of Trustees of the Norwegian Lutheran Church of America shall be and is hereby authorized and instructed to dispose of the Homme Children's Home property as speedily and as advantageously as possible.

Beloit-Bethesda

The Beloit and Bethesda Homes are only thirty miles apart. The Beloit Home is located three miles from Canton, South Dakota, by way of the highway. Bethesda is one and one-half miles from Beresford, South Dakota. The Beloit Home is situated on a four hundred and forty acre farm of which fifty acres is wasteland. Bethesda is situated on a three hundred and twenty acre farm, with twenty acres wasteland. Beloit is the larger institution, with a larger farm, and is now largely on the cottage plan, having two boys' cottages and a girls' cottage. It has a fine chapel and a manual training shop and is better equipped for its work than Bethesda is. We therefore recommend that these two Children's Homes be merged at Beloit on the following conditions:

(a) The name of the consolidated institution shall be "The Bethesda Children's Home."

(b) All bequests, securities and endowments of the Bethesda Children's Home shall be transferred to the consolidated Home.

(c) The farm, with buildings, live stock and equipment of the Bethesda Children's Home shall be transferred to the Bethesda Home for the Aged at Beresford, South Dakota.

In making this proposition, we have endeavored to be as impartial and fair as possible. We are trying to forget former synodical lines, but in this instance, we have taken them into consideration. The Wild Rice Home is a former Synod, Institution. The Homme Home is a former United States Church Institution, and the Bethesda Home is a former Hauges Synod Institution. Therefore, we recommend that,

The three mergers be merged in one vote by the Church because if one or two mergers should be effected and the other not effected, it would afford opportunity for jealousy and discontentment.

The Home Finding Department

The Children's Homes should be developed more as Receiving Homes where children are kept temporarily until they can be placed out in proper foster homes, either for care or preferably for adoption. This can be done by proper and hearty co-operation between the Children's Homes and the Home Finding Department.

The State Board of Control of Minnesota strongly advocates placing children in private homes for the best interests of the children and economy of the Church, and that the superintendents of the Children's Homes be relieved of all Home Finding Work and that this work be directed from the office of the Board of Charities. We therefore recommend that the Church adopt the following resolutions:

(a) The superintendents of the Children's Homes shall be relieved of any Home Finding Work but shall report all placeable children to the superintendent of the Home Finding Work.

(b) All Home Finding Work shall be conducted by the Superintendent of the Home Finding Department.

(c) The Home Finding Department shall be developed as fast as possible.

Homes for the Aged

Bethesda, Aase Haugen, Story City, and Skaalen Homes are substantial brick buildings of the "slow burn" class and the Glenwood and Homme Homes are frame buildings with brick veneer, therefore we recommend the following to the Church:

(a) The capacity of the Bethesda, Story City, Aase Haugen and Skaalen Homes for the Aged shall be increased as soon as possible.

(b) The Will of the late Senator Knute Nelson gives the homestead to his daughter for life. After her death, the property goes to the Norwegian Lutheran Church of America on the condition that it be established and maintained as an Old People's Home. The Norwegian Lutheran Church of America accepts the bequest of the late Senator Knute Nelson according to the stipulation of the Will.

Chance in Financing the Homes for the Aged

In 1918 the Church adopted rules for its Homes for the Aged. On page 193 of the 1918 report the following appears: "Persons of means may be admitted by paying a minimum entrance fee of $1,000 and an additional fee answering to their age and means." In 1919 the minimum entrance fee was changed to $1,500 and in 1922 the paragraph was amended to read as follows:

"Persons of means may be admitted by paying an entrance fee answering to their age and means."

The harm of these figures, however, had been done. Instead of being considered the minimum fee, it was considered the maximum or the fixed entrance fee, and is still considered so and quoted by enemies of the Church and the Homes. Not only that but while all of our Homes are doing a great deal of Charity Work somehow the misunderstanding seems to prevail extensively that inmates are not admitted to the Homes of the Church without paying this entrance fee. The effect of this is, of course, that people are reluctant to contribute to the Charity Fund.

In order to do away with this misunderstanding and objection, we suggest that instead of voting a separate budget for each Home for the Aged as it has been done in the past, the Church votes a general amount from which the Board of Charities shall pay the Homes for the Aged for their Charity inmates. In that way those who contribute to the Charity Fund may be satisfied that their contributions are used exclusively for charity. Therefore we recommend that the Church adopt the following resolution:

"Instead of appropriating separate sums for the different Homes for the Aged, the Church shall appropriate a general sum from which the Board of Charities shall pay the Homes for the Aged for their Charity inmates."

III. Resolutions

Committee No. 5 consisting of Reverends N. L. Otterstad, S. T. Sorenson, N. Klungtvedt, H. Rogen, K. O. Kandal and Mr. J. Westphal and delegates J. Bakken, R. Hatteberg, and H. O. Hendrickson met Wednesday, June 10th, and organized by electing K. O. Kandal chairman and S. T. Sorenson secretary. The committee begs to submit the following resolutions:

Par. I. Thanks to God.

The Norwegian Lutheran Church of America expresses its sincere gratitude to almighty God, the Lord of mercy and the giver of every good and perfect gift who in the year that is just passed has so abundantly blessed the works of charity and mercy as carried on by our church.

Par. II. The Church wishes to express its appreciation of the splendid work done and self sacrificing service rendered by the management of and the workers in, its many institutions of mercy. It also wishes to express its heartfelt gratitude to all who have contributed of their means, making this work possible.

Par. III. The Church wishes to express its sincere thanks to the Stoughton Fire Department, the Wisconsin National Guards, and the people in and around Stoughton for the timely and efficient help they rendered the Martin Luther Children's Home during and after the late disastrous fire.

Par. IV. We approve the appointments made by the Board of Charities i. e., Rev. J. J. Akre, on the Board of Charities in the Canada District to take the place of Rev. C. M. Knardahl, deceased; Rev. W. A. Johnson, on the local board of the Homme Old People's Home, Mr. Christ Olson and Rev. A. J. Anders to succeed Mr. Christ Bjorge and Rev. A. B. Hinderlie, both deceased, on the board of the Lake Park Orphans' Home.

Par. V. 1. We are grateful that the Church has been able to minister to 390 aged people in our nine homes for the aged, and that 881 children have been cared for in our seven children's homes during the past year. We commend the splendid work carried on by the Home Finding Department. We hope that this department may be given every encouragement, so that dependent children may be placed in good private homes rather than in an orphanage. And that our orphanages may thus take in more of the functions of a receiving home for placeable children, rather than a permanent place of residence. We would also express our sincere thanks to the Women's Auxiliary of the Fairview Hospital, and to the many societies and individuals who have assisted this department in its work for the homeless children. Be it also recommended that

2. The superintendent of the Children's Homes shall be relieved of any Home Finding work, but shall report all placeable children to the superintendent of the Home Finding Department.

All home-finding work shall be conducted by the Home Finding Department.

Par. VI. We express our high appreciation of the work of mercy done thru our city and slum and hospital missions, conducted in fourteen of the large cities of our country. We also call to the attention of our people the splendid work done thru the Rescue Home for girls, the Day Nurseries and Christian Kindergarten, and the Institutions of Mission Work as maintained thru our Board of Charities.

Par. VII. Deaconess Homes and Hospitals.

The Church expresses its appreciation of the work done by these institutions, commends them to our people, and would especially urge our young women who are qualified, to enter into this form of Christian service.

Par. VIII. Needy Pastors' and Widows' Fund.

This committee wishes to call the particular attention of our Church to this exceedingly worthy cause, and pleads with the congregations to give it their most generous support.

Par. IX. Recommendations.

1) Change of Rules for the Homes for the Aged.

On page 192 of the 1918 Annual Report, Par. "A", Lit. g (1) should be amended to read "Sammen med Board of Charities" instead of "Efter samraad med Board of Charities."

2) Cooperation with State Institution.

We recommend that the Church cooperate with other church bodies with whom we are doctrinally agreed in county or state institutional mission work.

3) Martin Luther Children's Home.

We recommend that the Church adopt the following resolution:

"The Manager and local Board of Directors of the Martin Luther Children's Home be, and is hereby authorized to rebuild the said Home on the Cottage plan and that the main building be built this year, and;

"That the insurance money and other available funds be used for the erection of the building, and;

"That the Manager and local Board of Directors be authorized to raise what additional funds may be necessary in the time and territory designated by the Finance Committee and that the building operations be begun when the necessary funds have been secured."

4) Mr. Ivar Boe's Proposition.

We recommend that the Church does not accept Mr. Boe's proposition but expresses gratitude to Mr. Boe for his generous proposition.

5) Caring for Orphans on Farms.

We recommend that the Church does not adopt the plan of taking care of children in farm homes as suggested by Eastern District last year.

Par. X. Rules for Children's Homes.

We recommend the adoption of the following general rules as given in "Indberetning" page 136-bottom of page 138, except in Article IV, Section b, which reads: "Called jointly by the Board of Charities and the local Board of Directors" be changed to read: "Shall be called by the local board of directors subject to the approval of the Board of Charities."

Par. XI. We cannot at this time recommend the adjustment plans for the merging our orphanages as proposed by the Board of Charities.

Par. XII. Home for the aged.

We recommend that,

1) The capacity of the Bethesda, Story City, Aase Haugen and Skaalen Homes for the Aged shall be increased as soon as possible.

2) The Will of the late Senator Knute Nelson gives the homestead to his daughter for life. After her death, the property goes to the Norwegian Lutheran Church of America on the condition that it be established and maintained as an Old People's Home. The Norwegian Lutheran Church of America accepts the bequest of the late Senator Knute Nelson according to the stipulation of the Will.

Par. XIII. Change in Financing the Homes for the Aged.

We recommend that,

"Instead of appropriating separate sums for the different homes for the Aged, the Church shall appropriate a general sum from which the Board of Charities shall pay the Homes for the Aged for their Charity inmates."

Corporation Meeting

The meeting adjourned to convene as the Lutheran Deaconess Home and Hospital of Chicago.

Mr. Johnson, President of the Lutheran Deaconess Home and Hospital of Chicago, called the meeting to order.

Secretary N. J. Løhre was appointed as secretary for the session. Mr. Johnson informed the corporation that Rector O. Oefstedal had resigned and that the Board of Trustees had accepted his resignation. Dr. J. A. Aasgaard moved that the corporation ratify the action of the Board of Trustees in accepting Rector Oefstedal's resignation. The motion prevailed.

Mr. Johnson announced that the Sisterhood had recommended three candidates for the position to the Board of Trustees of the Corporation and that the Board of Trustees had approved these nominations.

The nominees are Pastors H. J. Holman, Lars Harrisville and Martin Norstad.

The Board of Trustees would request the Corporation to approve these nominations.

Upon motion of J. A. Aasgaard the Corporation approved these nominations and authorized the Board of Trustees to call one of these members as rector for the Lutheran Deaconess Home and Hospital of Chicago, Illinois.

The Secretary read the minutes of the meeting and they were approved as read.

The meeting adjourned.

Pastor O. Oefstedal asked for the floor and expressed his appreciation of the kindness which the Church had shown him by granting him the privilege for many years to continue as rector in the Home and Hospital. He expressed his hope that the Lord would bless the Deaconess Home and the Hospital and give it a man who is able to carry on the noble work that these institutions have done. He stated that it was with a feeling of sorrow that he discontinued his activity in connection with the institution, as well as with a feeling of thankfulness to the Lord that He had given him strength to serve the institution during the time that he has held this position. President Aasgaard expressed to Rector Oefstedal the thanks of the Church for the service which he has rendered and the convention endorsed his statements by a rising vote

II. Reports

By the Board of Trustees, Budget Committee and the Budget Bureau

To the Norwegian Lutheran Church of America in Its Third Special Convention Assembled:

"Wherefore we receiving a kingdom which cannot be moved, let us have grace whereby we may serve God acceptable with reverence and Godly fear." Heb. 12:28.

The Board of Trustees expresses gratitude to Almighty God for His manifold blessings, spiritual and temporal, bestowed upon our Church also during the year 1924.

In no unmistakable terms did our Church hear the heartrending appeals for aid from far and near—doors were opened wide for greater service for our educational, missionary and philanthropic institutions—and in gratitude for entrusted opportunities answered by voting a budget of $1,362,181.48.

While the Board of Trustees was aware of God's call to our Church to greater service, it, however, could not in 1923 refrain from calling attention to the fact that the estimated income based on experience would not warrant an expenditure greater than $1,000,000.00 (see Annual Report, 1923, page 276) and adopted the following resolution as a recommendation to the Convention of the Church in 1923:

"The Board of Trustees finds that past experience shows that this amount is larger than we have been able to raise, and therefore recommends to your convention that the budget for 1924 be placed at a maximum of one million dollars."

It was no doubt in good faith that the Church voted $362,181.48 in excess of the amount recommended by the Board, but the result was that we had to close the year with a deficit of $256,822.56. This deficit has been reduced by $15,790.23, contributions designated for the 1924 budget and received since the books were closed January 1st, and accounted for by the treasurer in a supplementary report.

It should not be overlooked that the still obtaining after-war abnormal financial conditions must be reckoned with when appropriations are being made.

While we deplore that the fiscal year had to be closed with a deficit, yet the Board of Trustees desires to express sincere thanks to the many who also during the past year placed on the altar of God the handsome amount of $1,121,149.15 for His work, as represented by the various boards of our Church.

BUDGET FOR 1926

The Church has resolved that a budget be voted at each regular biennial meeting, but in view of the fact that the general convention is to be held in 1926, the Budget Committee submits a budget for 1926 only.

In preparing the budget for 1926 the Budget Bureau submitted to the Budget Committee:

1. The budgets as received from the various boards in the following amounts:

Christian Education	$348,153.16	
Elementary Christian Education	8,109.45	
Home Missions	298,399.34	
Foreign Missions	366,444.60	
Charities	219,030.90	1,246,137.45
		$1,246,137.45

Which the boards claim to be the minimum amounts with which the work ordered by the Church can be properly conducted.

2. The Budget Bureau called the attention of the Budget Committee to the fact that the receipts for the budget were:

For 1923

Education	$253,268.59	
Home Missions	262,681.59	
Foreign Missions	317,599.20	
Charities	196,434.13	1,029,983.51

For 1924

Education	277,043.66	
Home Missions	282,611.48	
Foreign Missions	350,872.33	
Charities	205,019.77	1,115,547.24

The average of which for the years 1923 and 1924 will be:

Education	$265,156.12	
Home Missions	272,646.53	
Foreign Missions	334,235.76	
Charities	200,726.95	1,072,765.36

and advised the Budget Committee that it was its firm conviction that the appropriations of the Church for each department should be based upon the receipts as shown above, as this seems to be an indication of the present contributing ability, preference and willingness of our Church.

The Budget Committee then reiterated its former recommendations and adopted the following:

"Resolved: That the Board of Trustees endorse the action of the joint committee from the Board of Trustees and the Church Council, and recommend to the Church a minimum budget of One Million Dollars, with the understanding that any amount received over and above the allotted amounts, shall go to the various activities, as the money is received." and further resolved: "That the division of the minimum budget of $1,000,000.00 recommended to the Church be made on a basis of the average receipts for all activities of the Church for the years of 1923 and 1924, being as follows:

Education	$247,170.70	
Home Missions	254,152.90	
Foreign Missions	311,564.70	
Charities	187,111.70	1,000,000.00
to which amount be added		8,109.45

for Elementary Christian Education.

In case the budget is adopted, the Church must adopt necessary resolutions authorizing the various budgeting boards to adjust the work in keeping with their appropriations.

The Budget Committee has come to this conclusion after a thorough study of past experiences and urges that the expenditures be kept within the available income of the Church. The accumulated deficit is evidence that estimating receipts on the basis of anticipation rather than experience may impair the credit of our Church; while if the expenditures are kept within the limits of former contributions and receipts, it will have a tendency to promote the work, and will afford greater satisfaction to all concerned and become a stimulus to greater willingness to support the various enterprises of our Church.

It is, however, to be emphasized that this is a minimum budget and that, in view of a former resolution by the Church, each board is at liberty to use the total amount of contributions received even though they exceed the budget.

SPECIAL COLLECTIONS FOR OUR EDUCATIONAL INSTITUTIONS

In case of the adoption of the proposed educational plan by the Board of Education, the Board of Trustees, at the request of the Board of Education, hereby recommends that the following resolution be rescinded:

"Resolved: That all special collections for our educational institutions shall be postponed from the first of July, 1923, until the first of January, 1927, except when the Board of Trustees and the Board of Education shall grant special permission." Inasmuch as it conflicts with the above mentioned plan.

Incorporation of St. Olaf College and Lutheran Deaconess Home and Hospital

The Church in 1923 authorized the incorporation of the above institutions and passed the necessary resolutions to carry this into effect, including authority given to the Board of Trustees to transfer to each corporation the property belonging to same. Based upon such authority the Board has transferred the properties to St. Olaf College and Lutheran Deaconess Home and Hospital.

Jewell College

Pursuant to resolutions adopted by the Church at its district conventions in 1924, the Jewell College property has been sold but since the sale of this property cannot be effected unless the one-half acre with the President's residence be also included in the sale and transfer, the following resolution is hereby presented for approval:

Be it hereby resolved, That the Norwegian Lutheran Church of America authorize, empower and direct its Board of Trustees to sell, transfer and convey all the right, title and interest which the said Norwegian Lutheran Church of America may now have or may hereafter acquire in and to the following described property and premises on which Jewell College is situated, to-wit: A tract of land known as College Grounds and in College Addition, in the Town of Jewell Junction, in the County of Hamilton and State of Iowa, according to the recorded plat thereof, excepting streets and highways; said Addition being located on a part of the Southwest Quarter of the Northwest Quarter (SW¼ NE¼) of Section Thirty-three (33), in Township Eighty-seven (87) North, Range Twenty-four (24) West of the Fifth Principal Meridian, on such terms, for such price and to such party or parties as said Board of Trustees may deem proper; and the said Board of Trustees be and it is hereby authorized and empowered to cause to be made, executed, acknowledged and delivered in the corporate name and under the corporate seal and in behalf of said The Norwegian Lutheran Church of America to the purchaser or purchasers, all necessary Deeds of Conveyance and other documents to properly and effectively vest and assure all title and right to said property in the purchaser or purchasers.

Luther Seminary

At the general convention in 1923 the Church passed the following resolution: (See Annual Report, 1923, English Edition, page 147.)

"Resolved: That this convention goes on record as favoring any expansion or new building equipment that may be necessary.

"Be it Resolved: That the Church concurs in the following resolution presented by Committee No. 2, to-wit:

(a) That the Church authorizes that the kitchen wing of the seminary be remodeled so as to provide rooms for students.

(b) That a third story be added to this wing, this story also to be used for rooms for students.

(c) That the Board of Trustees of the Church be instructed to begin this work at once.

"Be it further resolved: That the Board of Trustees be authorized to borrow the necessary funds for carrying out the provisions of the resolution, said loan to be paid out of the seminary building fund."

Based on this resolution, the Board of Trustees carried out these instructions by building a third story addition to the kitchen wing of the seminary at the cost of $21,911.05, which amount has been borrowed according to the above resolution.

In view of the fact that the committee in charge of the endowment fund is presenting to this meeting changes in the plan adopted, the Church will have to take action as to how this money is to be paid, as the Church must either add this to the regular budget or arrange for a special collection to pay up this money advanced by order of the Church.

Seamen's Mission—Seattle

The Board of Home Missions in August, 1924, met at Seattle and inspected the property which the Board of Directors of this mission desires to purchase. It recommended to the Board of Trustees that the property be bought. Rev. H. A. Stub, Rev. E. B. Slettedahl and Rev. C. S. B. Hoel presented the matter, which was referred to a committee. This committee presented the following resolution which was adopted:

"Resolved by the Board of Trustees of the Norwegian Lutheran Church of America at its meeting in Minneapolis the 3rd day of September, 1924, that the Executive Committee of the Seamen's Mission in Seattle, together with Rev. E. B. Slettedahl and Executive Secretary C. S. B. Hoel, be and hereby are authorized to secure option or options on suitable property for future permanent quarters for the Seamen's Mission in Seattle. Said option or options not to expire until July 1, 1925.

"The Board of Trustees after a thorough examination of the facts herein stated, recommends to the Norwegian Lutheran Church of America at its biennial meeting in 1925 to authorize the establishment of such permanent Seamen's Mission and Home in Seattle, and authorize the purchase of suitable permanent quarters."

Martin Luther Orphans' Home

The following report was received from the executive committee of the Board of Charities and directors of Martin Luther Orphans' Home:

"In view of the emergency obtaining by reason of the burning of the Martin Luther Children's Home at Stoughton, Wis., the executive committee of the Board of Charities recommends to the Board of Trustees that the administration building of said home be rebuilt, and:

That the Board of Directors together with the manager be authorized to get plans and specifications for such building, and:

That the insurance money and other available funds be used for the erection of the building, and:

That the manager together with the Board of Directors be authorized to raise what additional funds may be necessary, and that building operations be begun when the necessary funds have been secured."

In this matter the Board of Trustees passed the following resolution:

1. "That all necessary cash for the erection of the proposed Administration

Building be secured in accordance with the resolution adopted by the Board of Charities.

2. That the Board of Directors of the Martin Luther Orphans' Home be authorized to secure plans and specifications, but that no contract for the building be let until sanctioned by the general meeting of the Church and the plans and specifications approved by the Board of Trustees.

3. That the Directors of the Martin Luther Orphans' Home be authorized to launch a campaign for the necessary funds at once, this subject to the approval of the Finance Committee."

In view of the existing emergency and the above resolutions, the Board of Trustees requests the Church to take action in this matter at this meeting.

The Lutheran Missions' Home and Agency
Hankow, China

Under resolution of the Church (See page 228, paragraph 11, Annual Report of 1922) the Board of Trustees has advanced loans amounting to $85,000.00. Interest on these loans amounts to $6,178.76, for which the Church holds ample security.

Payments on this loan have been made by the Lutheran Missions' Home and Agency from time to time aggregating to date (April 28, 1925) $46,552.26 and prospects are that the balance of the loan may be paid within a reasonably short time. The annual income of rentals is about $14,000.00. The business so far has been satisfactory and promising.

The following missions are cooperating:

1. The Augustana Synod Mission.
2. The Lutheran United Mission.
3. Swedish American Covenant.
4. Church of Sweden Mission.
5. Lutheran Free Church of Norway.
6. Finnish Missionary Society.

Other missions are expected to join in the near future.

National Lutheran Council

According to the following resolution: (See Annual Report, 1922, English Edition, pages 129 and 130, and Norwegian Edition, pages 118 and 119.)

"The Norwegian Lutheran Church of America endorses and promises to pay its proportionate share (about $5,292.00) of the annual budget, beginning January, 1923.

All expenditures of the National Lutheran Commission are to be apportioned on each participating synod according to the confirmed membership reported in 1917."

Our Church is to participate in the general overhead expenses of the National Lutheran Council.

This item has been omitted from the budgets for 1924 and 1925.

On resolution of the Board of Trustees the treasurer was authorized to pay $5,292.07, our share of the 1924 budget of the National Lutheran Council for its overhead expenses and also resolved that a like amount be included in the budget for 1926, the Church to take action as to the 1925 budget.

Money Advanced by the Church

The treasurer's report will show that the Church has advanced and has coming from various institutions of the Church the following:

Indian School Building Fund	$ 7,394.28
Augustana College and Normal School Building Fund	79,374.84
Augustana College and Normal School Furniture Account	7,198.96
Canton Normal School Furniture and Equipment	18,449.59
Wild Rice Children's Home, Building Fund	15,809.60
Luther Seminary Repairs	2,700.10
Luther Seminary Repairs	2,700.00
Former Residence of Dr. O. E. Brandt	8,377.88
Immigrant Mission Property	22,987.75
Church for Seamen's Mission, Boston, Mass.	2,754.85
Total	$186,928.90

The Board of Trustees again wants to bring this matter to the attention of the Church as some arrangement should be made in order to clean up these old balances due the Church. The Church has had to borrow the money for these institutions to make the advances and pays interest on the borrowed money, and the Church should get away from this heavy interest expense and collect these items due the Church.

Insurance

An additional insurance policy of $398,000.00, with a premium of $5,333.20, on buildings and contents at Luther College, Decorah, Iowa, was referred to the Board of Trustees, who in turn referred the matter to its Insurance Committee for investigation.

The Insurance Committee has not as yet been able to make the necessary investigation in this matter and would therefore recommend that the Church give its Board of Trustees full power to act in the matter of all valuations, the amount of insurance to be carried and also to establish a general insurance policy of the Church, this to cover all property owned by the Church directly or corporations affiliated with the Church.

Deficit

The deficit of the Church on January 1, 1925, was $720,865.85, but through the successful work of the Deficit Campaign Committee and the amounts received for the budget of 1924 since the books closed January 1st, this amount has been reduced by $289,134.12, leaving the deficit $431,731.73 at May 26, 1925. The Board of Trustees recommends that the time for contributing toward the deficit be extended to January 1, 1926, so as to afford such congregations as have not as yet been able to complete their collections for the deficit an opportunity to send in their share, as surely every congregation of our Church wants to participate in this work so as to bring our beloved Church out of debt. Then let us arrange our expenditures to conform to our income, keep out of debt, save the enormous expense of interest and bring our business affairs down to a business basis, as they should be. The Board of Trustees further recommends that if there is any deficit on January 1, 1926, that the Church authorize its Board of Trustees to add a reasonable amount to the budget of each year until the entire deficit shall have been paid.

Uniform Office System

The Board of Trustees recommends that the Church authorize its Board of Trustees to have full power to act in the matter of furnishing necessary office help, equipment, and office space for all activities of the Church, the Board of Trustees to determine the scale of salaries to be paid and generally supervise the office expenditures of all departments of the Church. This recommendation is not intended in any way as a criticism of the expenditures in the past, but simply to give some central body proper authority so as to make the business management of the Church more uniform and in this way assure the Church of the best possible efficiency.

"Pay as We Go"

The Board of Trustees wants to call the attention of the Church to a resolution of the Church that no appropriations shall be made on the floor of the convention unless first recommended by the proper board and the Board of Trustees or Budget Committee, and would urge the Church to strictly adhere to this rule. The Board of Trustees also recommends to the Church that no buildings or other activity be commenced until it is properly financed in advance and that all plans of financing or otherwise first be recommended by the board or committee directly interested, and finally approved by the Board of Trustees. We must get down to a system of "pay as you go" and put our business on a cash basis as far as possible.

Elias Rachie

The Board of Trustees has been served with a Summons and Complaint made by Elias Rachie, wherein Mr. Rachie, through his attorneys, John N. Berg, O. A. Lende, and George S. Grimes, sues The Norwegian Lutheran Church of America

for Thirty Thousand Dollars ($30,000.00), less $2,500.00 received by him, or a balance, which he claims to be due him of Twenty-seven Thousand Five Hundred Dollars ($27,500.00).

In 1920 or about five years ago, the Will of Harold Thorson, deceased, was contested, and Mr. Rachie, who was then the salaried attorney for the Church and Board of Trustees, was asked to do some work in this matter. Pierce Butler, of St. Paul, Minnesota, now Associate Justice of the Supreme Court of the United States, was retained as attorney to handle the contest on behalf of the Church and St. Olaf College. The contest was finally settled by a compromise, and in the settlement, Mr. Rachie asked for an attorney's fee of Ten Thousand Dollars ($10,000.00), but this the Board of Trustees felt they could not give him, as he was at that time receiving a regular salary from the Church as its attorney, and, finally, a compromise settlement was made with Mr. Rachie for $2,500.00 (in addition to his regular salary from the Church, also his expenses), and for which he gave the following receipt:

"State of Minnesota,
County of Ramsey

In the Matter of the Estate of Harold Thorson, Deceased.

Received from the executors of the Estate of Harold Thorson, deceased, Two Thousand Five Hundred and 00-100 ($2,500.00) Dollars as payment in full for my attorney's fees in connection with the defense of the Will of said Harold Thorson against the contesting of same, including all work done by me in preparing said case and getting said Will admitted to probate.

Dated at Minneapolis, Minn., June 16, 1920.

ELIAS RACHIE,
938 Security Building,
Minneapolis, Minnesota."

Mr. Rachie's suit against the Church has been referred to the attorney of the Board of Trustees and the Church, Mr. L. O. Rue, who will handle the case for the Church, and the Board of Trustees is of the opinion that this case should be tested out in the Courts, as his claim is, in our opinion, entirely out of proportion to the services rendered during about two months.

The Board of Trustees has a great deal of business to transact and care for on behalf of the Church in which its judgment may at times be called into question, and there are many things that must be done which can be justified only when all the facts and all the factors in the case have been taken into consideration; and the action of the Board has always been open to review by the Church. The Board of Trustees welcomes an investigation of this Harold Thorson matter by the Church, through a thoroughly competent committee, and if the Church does not appoint this committee, the Board of Trustees will, of course, continue to protect the interest of the Church in this matter through the regular legal channels.

By the Finance Committee

To the Norwegian Lutheran Church of America in Its Third Special Convention Assembled:

"Give ye them to eat"—Matt. 14:16.

Many are the social and religious needs of the world today. Our Church is called to do its part in meeting these needs. We would not be stating conditions as they are should we say that the people of our Church respond to these needs as they should; or that all congregations respond with equal generosity. The average man will exert himself to exhaustion and pour out his money in the pursuits of his daily life, and, after all, only the remnant goes to the Church. What we need is a revival of courageous faith, a clearer vision of the immensity of the task entrusted to our Church and a larger appreciation of our stewardship on the one hand, and of God's ownership on the other.

In recognition of the fact, however, that we are "stewards of the mysteries of God" and of the further fact that the Christian Church stands first in the work of promulgating culture and spiritual redemption, our Church is pursuing its present program of activities. We are privileged with deep gratitude to God to look back upon the year as one more full of many blessed achievements. His alone be the glory.

District and Circuit Secretaries

The Church owes a vote of thanks to the nine district financial secretaries, the ninety-three circuit secretaries, as well as the many others who have labored so diligently in the interest of the ingathering of the funds received in direct contributions for the work of our Church.

Women's Missionary Federation

The great work of the Women's Missionary Federation must not be overlooked. Through the untiring efforts of the general president, district and circuit presidents, as well as the other officers, the federation has been growing stronger from year to year and the work has become more systematized, and it

is gratifying to all those who have labored so diligently to see that their anticipations are becoming realities and their efforts crowned with success.

This organization is a strong factor in the attainment of what our Church from year to year sets out to accomplish. Ladies' aid societies not as yet affiliated with the federation have also this year contributed large sums of money and also deserve the recognition of the Church.

Field Superintendents

In compliance with the regulations of the Church (See Annual Report 1917, page 528-7; page 557, 4a; page 559, 3-d; page 560-5, and Annual Report 1919, page 99-1) and instructions as per resolution of 1923 (See Annual Report, page 299) and at the request of the Board of Trustees, the Finance Committee authorized the general field secretary and the presidents of the various districts to employ field men, additional to those employed by the Foreign Mission Board The following are devoting their entire time to the interest of the work of the five budgeting boards: Rev. H. M. Mason, Rev. H. O. Svare, Rev. J. H. Myrwang, Rev. J. J. Salhus and Rev. A. J. Bergsaker.

Next to the strenuous work of our many faithful pastors the growing interest as manifested by the generous contributions must in a great measure be ascribed to the untiring efforts of the superintendents.

Reports will show that there is a large number of congregations also this year that have not contributed a reasonable amount in comparison with what others have given where financial conditions are much the same. It has been clearly demonstrated in such congregations that where the local pastor has been able to receive outside assistance conditions have been greatly improved.

The interest manifested in Foreign Mission work is without a doubt to a large extent due to the fact that the Church has kept several men in the field for years and the Board on Foreign Missions should be commended for the wisdom exercised in this matter. The Church is agreed that the work in our home fields is equally essential and must be given the same attention. Our home fields neglected will soon have disastrous results on our foreign work as well.

Deficit

Even with improved economic conditions the effects of several years of crop failure in certain localities, as well as the general after effects of the war, has undoubtedly had much to do with the fact that the amount of $1,362,181.48 as voted by the Church could not be raised. It is to be regretted that we had to close the year with $256,822.56 short of having raised the budget voted by the Church. This shortage has been reduced by a saving by the Home and Foreign mission boards in the amount of $38,534.40 and by $15,790.23, contributions designated for the 1924 budget and received since the books were closed January 1st which is accounted for by the treasurer in a supplementary report. However, the fact that our people brought "into the storehouse" $1,121,149.15 by direct contributions must be accepted with deep gratitude, considering the prevailing financial conditions.

The above tabulation will show the following:

599 congregations contributed an aggregate amount of $32,989.25 in excess of their apportionment; 123 more than last year.

275 congregations contributed the exact amount apportioned, 10 more than last year.

1,486 congregations contributed in part but fell short an aggregate amount of $356,865.51; 174 less than last year.

547 congregations did not contribute to Education, 81 less than last year.

378 congregations did not contribute to Home Missions; 50 less than last year.

378 congregations did not contribute to Foreign Missions; 71 less than last year.

503 congregations did not contribute to Charities; 36 less than last year.

290 congregations did not contribute to any of the activities as represented by the budget; 54 less than last year.

We must be grateful for the marked improvement relative to the matter of congregations raising their apportionments. The congregations that have raised more than their apportionment have increased from year to year, while the congregations that have not reached their quota are diminishing in number. This is also the case with those which have contributed to certain activities only, as well as those that have contributed to none. But we are far from having reached the ideal condition. There should not be one congregation in our Church that does not contribute to all the activities of the general church body. All congregations should give to Christian Education, to Home and Foreign Missions and to Charities. This is not the case at the present time.

Local conditions make it impossible for all to be equally generous in their contributions, and apportionments can not always be determined in such a way as to conform with prevailing conditions, but undoubtedly a great deal more can be done if the congregations can be brought to see the need, hear the call and realize the blessings of doing what they can.

Deficit Campaign

The committee in charge of the deficit campaign is reporting the status of the deficit. The Finance Committee voted that the Church be requested to take action as to the disposal of the balance of the deficit.

Christ says "I have called you friends." True friendship will not count the cost; He did not when He died for us. Millions outside of the Church, starving for want of spiritual food, are touching the heart of our Savior. His appeal "give ye them to eat" is equally effective today as it was when the words were first spoken. Let every man do good as he has opportunity. Too many are only scantily interested in the great program of our Church. Let us pray that God may come more fully into the life of our Church as Counselor and Lord and also that we may learn to trust more fully in Him according to the words of the apostle: "My God shall supply all your needs according to His riches in glory by Christ Jesus." Phil. 4:19.

By the Deficit Campaign Committee to the Finance Committee

Pursuant to resolutions adopted by the Church (See Annual Report, 1923, English Edition, page 299, paragraph 3-a and Annual Report, 1924, page 225, paragraph 3) the Board of Trustees and the executive secretaries elected the undersigned as committee in charge of the proposed campaign, which committee begs to submit the following report:

In order to carry out this campaign with the least possible expense, the district and circuit secretaries were requested to perfect the organization in their respective districts and circuits.

The plan of the committee was that solicitors were to be appointed in each congregation in sufficient number so as to assign not more than ten families to each solicitor or team of solicitors and that an every-member canvass be made. The committee also urged that the campaign be carried out on February 22nd and 23rd as far as possible.

In compliance with the resolution of the Church (See Annual Report, 1923, page 299, paragraph 4) the Publicity Committee prepared a pamphlet on the work of our Church of which about 150,000 have been distributed.

A special campaign issue of the Church papers was mailed to the subscribers and to about 80,000 non-subscribers.

The following tabulation will show the status of the campaign on June 1, 1925:

Districts	No. of Congregations having contributed amount apportioned or more	No. of Congregations having contributed but not full amount apportioned	No. of Congregations that have not as yet yet contributed.
Eastern	21	256	190
Northern Minnesota	23	221	157
Southern Minnesota	25	198	107

North Dakota	116	226	204
South Dakota	56	187	50
Rocky Mountain	20	58	52
Pacific	7	52	45
Canada	10	37	181
Total	290	1,320	1,063

On June 3, 1925, $288,390.38 had been received, of which $282,914.13 was in cash, and $5,476.25 was in pledges. To this may be added $15,790.23 received for the 1924 budget since the closing of the books for 1924, making a total of $304,180.61, or 42%, to apply on the budget indebtedness.

A number of congregations have reported that some money has been raised but that they are still working and that their contributions will be forthcoming as soon as the work has been completed. Others have reported that they will raise their apportionments some time before the close of the year.

In view of this situation, the committee in a recent meeting adopted the following resolution:

"The committee feels that the budget indebtedness must be paid and asks the Church to extend the time for the campaign until January 1, 1926, and that special efforts be made to raise the deficit by that time."

By the Publicity Bureau

At the convention in St. Paul in 1923 the church passed the following resolution:

"Realizing that the four budgetting departments of the Church are of equal importance and should be given due publicity, therefore be it

Resolved: That the Church establish a Publicity Bureau and that this bureau shall consist of the executive secretaries of the four budgetting boards and a representative of the Board of Publication. This bureau to take the necessary steps to carry on the publicity work as effectively as possible."

In compliance with these instructions the Bureau thus organized has endeavored to the best of its ability to spread information about the activities of our church.

At its meeting on October 3, 1923, the Bureau laid out a plan which if it could be energetically carried out would do much to enlighten our people about the work. This plan was outlined as follows:

"(1) Arrange with the Board of Publication for the introduction of the church papers if possible into every home of our Church.

(2) Prepare suitable articles giving information concerning the activities of the Church for our Church papers.

(3) Prepare suitable articles for the Norwegian secular press throughout the country.

(4) Prepare suitable articles and paragraphs for the local press in the English language wherever our Church is represented.

(5) Prepare short and concise paragraphs for the local press in the English language wherever our Church is represented.

(6) Prepare and print suitable pamphlets for general distribution by the solicitors and emissaries of the Church.

(7) Provide sets of slides for the solicitors to use in connection with their lectures.

(8) Arrange for preliminary work by a publicity man showing slides and lecturing on the institutions and work of the church."

It is easily seen that the vigorous prosecution of the work here outlined requires a great deal more time and attention than the members of this Bureau can spare from their other duties. To collect, digest and put into readable form the data from all the activities of so extensive a set of operations as we now have in our church is a task that would occupy fully the entire attention and energies of a specially qualified man. It will be an investment bringing rich returns when the time comes that the church can see its way to employ the right man for publicity purposes.

However, the present Bureau has endeavored to do something. It effected an arrangement with the Board of Publication whereby early in 1924 copies of Lutheraneren and the Lutheran Church Herald were sent out for six weeks to non-subscribers in our congregations. It was hoped that through this effort two things could be accomplished, viz: first, spread among these people information about the work of our church and second, increase the list of subscribers.

The members of the Bureau have from time to time furnished to our church papers articles and news items from our several branches of activity. It will be readily realized by the brethren that these men with all the distracting practical duties calling them to the various localities cannot easily command that concentration of mind which is necessary for the preparation of articles suitable for publication. But they have done a considerable work.

Some of this is represented in the pamphlet entitled, "To Bring Victory to the Cross of Christ and Salvation to Humanity, the Church Calls Me." This pamphlet was prepared in obedience to a resolution by the church (An. Min. Engl. Ed. p. 299, Par. 4) and was issued in English and in Norwegian. The total number issued was over one hundred thousand. The Bureau is under obligations to Rev. Dr. O. H. Pannkoke, of New York City, for valuable assistance in the preparation of this pamphlet. For his services, which are those

of an experienced specialist in this line and were given without compensation, the Bureau wishes hereby to record its sincere thanks.

In preparation for the deficit campaign the Bureau arranged for a special edition of Lutheraneren and Lutheran Church Herald to be sent not only to the subscribers but also to non-subscribers in our congregations. The materials bearing on the campaign were furnished to the papers by the members of this Bureau.

The Bureau has prepared a list of some seven hundred local papers, published in the communities where our church people live in greater or smaller numbers. The purpose is to send to them such news items, or other articles concerning our church as may be of general interest. The Bureau has already furnished several contributions under this plan. The papers generally have been quite willing to accept this material. It would be well and would help the cause if our pastors and people who see these items in their local press would extend to the publishers an expression of their appreciation.

The Bureau has availed itself of the opportunity presenting itself in the radio station at St. Olaf College. Each of the four budgetting departments has broadcasted information about its work. In this connection a question presents itself. Shall this station be continued? St. Olaf College feels that with its limited funds it cannot afford to spend about $7,000 a year for its maintenance and is therefore contemplating its discontinuance. That the station can be made very serviceable in the interest of the church is beyond doubt. The Bureau therefore submits the question: Will the church make an appropriation of $7,000 or as much thereof as may be needed for the maintenance of this station with the understanding that it be available for general church publicity?

There remains much to be done. It is of the utmost importance that our people should have information. The real situation at present is that, first, there is a widely prevalent ignorance about the real work of our church, and, second, there is a great amount of misinformation spread among our people. All these wrong ideas create trouble all along the line. How to get wrong impressions corrected and to get the right information circulated is one of the highly pressing problems now confronting the church. The Bureau therefore feels impelled to recommend

(1) That the church urge upon all its pastors that they use their utmost diligence to give their people information as to the true facts in connection with our church and its activities;

(2) That the church ask its lay members to read our church papers and otherwise to gain the fullest possible information about our church and its far-flung activities, and that, so informed, they may in turn assist in spreading a correct knowledge concerning the church and its work.

The Lord has established His church in order that it shall spread to all people a knowledge of what He has done for our salvation. Thus, while we do not call it a publicity bureau yet its work is to publish the glad tidings. This is publicity. The work of our little Bureau is just one little feature within the greater scope. May the Lord add His blessings to the effort both in the smaller and the larger sphere to the honor and glory of His name and the salvation of many.

By Committee on the Endowment Fund

Minneapolis, Minn., May 28th, 1925.

To the Finance Committee:

Our Norwegian Lutheran people have done much for Christian education. The pioneers who left their home land across the Atlantic came into this western continent not to pick up small insignificant occupations for a mere bodily subsistence but to take vigorously hold of the bigger things of life. In the physical realm they attacked the prairies and the forests and turned them into wealth-producing fields of golden grain. In the realm of the spirit they organized churches for the maintenance of the Christian faith; and they organized schools and colleges for the higher enlightenment of their sons and daughters.

Within the borders of the Norwegian Lutheran Church of America we have today four standard colleges: Luther College, St. Olaf College, Concordia College, Augustana College, are institutions that not only give Christian culture to our young people but also reflect great honor upon our people as a whole. It may be safely assumed that our people mean to give these colleges such support as will assure their future permanence and stability.

Like those of other denominations our own colleges are at the present time facing a crisis. The situation may be seen from the following paragraph, which represents an action taken two or three years ago by the North Central Association of Colleges and Secondary Schools:

"The college, if a corporate institution, shall have a minimum annual income of $50,000 for its educational program, one-half of which shall be from sources other than payments by students, and an additional annual income of $5,000, one-half of which shall be from sources other than payments by students, for each 100 students above 200. Such college, if non-tax-supported, shall possess a productive endowment effective for the first accrediting in 1924 and 1925 of $400,000 and in 1926 of $500,000 and for all accredited institutions of this class in 1927 of $500,000 and an additional endowment of $50,000 for each additional 100 students above 200."

From this it will be seen that in order to have recognition as standard institutions our colleges must have at least $500,000 each by January 1927. This sum covers the requirement of a college with 200 students. For each additional hundred students there is required $50,000. However, the Association now gives partial credit for money granted to colleges by churches. This has been taken into consideration by the committee in arriving at the additional amounts needed and specified in the recommendations given below.

It is the opinion of the Endowment Committee that it would be unwise in these times to attempt in one campaign to raise the total sum for all the four colleges. The amount that will be required for this comprehensive purpose is of such proportions that it is likely to create in the minds of our people great doubts as to the possibility of success and in many cases resentment. This may result in serious injury to all the colleges. A plan more expedient tested by the experience of other churches, and giving better promise of success will be to attack more limited problems one by one. In pursuance of this thought the Committee deems it the advisable procedure at the present time for the Church to authorize a campaign to raise the minimum amounts needed by Luther College and St. Olaf College. These are our older colleges. Since they now have recognition by the North Central Association it would be far more disastrous for them to be thrown out than if they had never been accredited. Our first effort should be to secure retention of the advantages we already possess. The amounts to be raised for these two institutions will not be so large as to arouse resentment among our people. It ought to be possible to raise it easily within the given limit of time. In a short period after this work is completed the field should be open for the campaigns of the other two colleges.

At its convention in St. Paul in 1923 the Church passed the following resolution:

"Be It Resolved: That the Church authorize the Board of Trustees and the Board of Education to raise funds for endowments for the support of Christian education in our Church and for building purposes at the Theological Seminary, St. Anthony Park, Minn."

It is recommended that the matter of building operations at the Theological Seminary be separated from the endowment proposition.

In compliance with the instructions thus given by the Church the Board of Education and the Board of Trustees at a joint session held September 5, 1923, decided to elect a committee to have charge of the endowment question. The members of the committee so elected are those whose names are attached as signatures to this report. For various reasons the Committee has hitherto found it inadvisable to begin active work in this connection, especially under the details of the plan voted at the time of the convention. All will realize, however, that with only a short period remaining until January, 1927, it is urgently necessary that something should be done. The Committee therefore recommends:

(1) That a campaign be instituted to raise for endowment purposes at St. Olaf College $300,000 and at Luther College $250,000;

(2) That this campaign be organized and conducted by the two colleges;

(3) That the time for the campaign be determined by the Finance Committee, it being understood that it must be completed by January 1, 1927;

(4) That any earlier resolutions in conflict with these recommendations be rescinded.

While submitting these propositions in connection with the colleges the Committee keeps in mind the great service rendered to the church by our secondary schools; and although it is not in position at this time to announce any specific recommendations in their behalf, would set forth the hope and prayer that ways and means will at the earliest date be found whereby also these institutions may be placed on a more stable foundation.

I.

The Budget Bureau

Members: The Treasurer; The Secretary of the Board of Trustees; The Comptroller; One Member of the Board of Trustees.

Each of the Boards directs the work of certain institutions and activities. These again are not self-supporting, but receive help from the Church—from its budget.

About the first of the year each Board receives the budgets from each of its institutions and compiles them into one, which is delivered to the Budget Bureau where it, together with the budgets of the other Boards, is compiled into the final budget which is presented to the Board of Trustees, when it sits as the Budget Committee, for its consideration and action after which it is presented to the Annual Convention of the Church for adoption.

The Budget Bureau receives the proposed budgets from the boards and its duty is to carefully investigate and look into the requests made by the different institutions and recommend its final conclusions to the Budget Committee.

The Budget Bureau will then have scrutinized each item to satisfy itself that the appropriations will enable the Church to do all its work efficiently and without waste or want.

The Budget, as well as other financial matters, are carefully considered by Committee Number Six and by it presented to the Convention with its report and recommendations.

The Church has been generous in granting the budgets, for the period from July, 1917, to December 31, 1924, of $8,264,604.75. The Boards have been careful and only used $8,096,417.15.

The members of our Church have been willing and even through these difficult years of war and financial depression have contributed $7,375,551.30. All of which, on December 31st, 1924, left a deficit of $720,865.85.

The following tabulations are worthy of careful study, as they show the totals from July, 1917, to December 31, 1924, for the Church, as well as for the Boards.

The averages per year for this period are:

Budgets	$1,101,947.30
Disbursements	1,079,522.29
Receipts	983,406.84

The averages for 1923 and 1924 are:

Budgets	$1,305,716.69
Disbursements	1,294,596.15
Receipts	1,079,811.95

Had the Boards used the entire budgets authorized, then the deficit would have been $889,053.45, as that is the amount which the receipts were short.

Had the contributions equaled the Budgets, then the surplus would have been $168,187.60, as that is the amount saved by the Boards.

The Budget Bureau believes and has recommended to the Board of Trustees, that the proper method of preparing a budget for adoption should be based upon the contributions received and the love and interest thus expressed by our members, in place of an amount in excess of the experience as to contributions.

Auditing

The work of auditing the accounts for 1924 is now in progress and the following work has been done or nearing completion:

Augsburg Publishing House, Minneapolis.
Lutheran Publishing House, Decorah.
St. Olaf College.
St. Olaf Corporation.
Luther College.
Aase Haugen Old People's Home.
Treasurer's Office.

The examination of these institutions shows the property well cared for and a sincere effort on the part of the management of each to do the work conscientiously and as efficiently as the equipment and means available permit.

III

Handling Legal Affairs and Wills With the Attorney for the Church

The Church receives a great many bequests from the wills of deceased members. Naturally many of the estates run for a long time, especially where there is real estate among the assets. Great care must be given these and conferences with the Attorney are frequent that proper action, based upon his advice, may be taken.

The Committee finds that many wills are written directly in favor of institutions of the Church, although these are not incorporated, with the results either that the courts may declare the bequests void or that the payments of the bequests are made directly to the institutions, necessitating their remitting the money so that it can be held by and shown on the books of the Treasurer. In the event this is not done then the accounts of the Treasurer will have no records of such bequests and the institution receiving it will have had such amount for its use in addition to the budget provided for it by the Church.

It is recommended that where bequests are paid direct to any institution, that they shall be remitted to the Treasurer of the Church. That if the institution is in need of such amount, and the will does not make other specific provisions, that such institution may make application to its superior Board for the use of such money, and that the superior Board may pass resolutions consenting to such use subject to the approval of the Board of Trustees.

It is, however, recommended that unless otherwise provided in the will, or in emergency cases, all bequests be established as permanent endowments.

IV

Countersigning Checks and Vouchers

In addition to the vouchers drawn by the Secretaries of the Boards and the Secretaries of the nine Home Mission Committees and the checks issued in their payment, and which represent the disbursement of the annual budget, all of which must be countersigned, come the orders and checks for the disbursements by the Pension Fund. Further all checks issued by the Treasurer for payments by the Church Extension Fund and all checks issued by him in connection with the Endowment Funds pertaining to the loaning of moneys, the payment of taxes and other routine disbursements.

V

Finance Committee

Members: The Chairman of the Board of Trustees; The Treasurer; The Secretary of the Board of Trustees; The Auditor; The Secretary of the Board of Education; The Secretary of the Board of Home Mission; The Secretary of the Board of Foreign Mission; The Secretary of the Board of Charities; One Member of the Board of Trustees.

The duties of this Committee, as prescribed by the Church, "are to find ways and means of collecting the budget," in addition to which it has been delegated to have control over other campaigns for funds not specifically arranged for by the Church, this in order that the doing of the work of the Church through the Budget shall not be injured or interfered with by the many demands for funds by special interests.

This has, during the past years, been exceedingly difficult, as the Committee, in working with and supporting the General Field Secretary, Rev. H. O. Shurson, in his work of collecting the budget, also has had to postpone or discontinue the gathering of funds for other purposes.

VI

The Loan and Investment Committee

Members: The Treasurer; The Auditor; Three members of the Board of Trustees.

This Committee has by the Board of Trustees been placed in charge of investing the Permanent Endowment Funds of the Church in Bonds and Mortgages.

This is a most responsible work, managed by the Treasurer, Mr. Erik Waldeland. The Committee passes on applications for loans, takes action on delinquent loans, whether to foreclose or carry them longer—determines upon the rental or sale of property acquired under foreclosure or received as gifts.

Under instruction of the Committee, the Treasurer and Comptroller in 1924 spent weeks traveling and inspecting loans.

The statement of the Treasurer shows that on December 31, 1924, the Mortgages, Bonds and Stocks, held by the Church amounted to $2,005,143.22, and this gives an idea of the detail attention required by this department alone.

During the past years, when values of lands and securities declined so much, the investment of funds was exceedingly difficult.

VII

Insurance Committee

Members: The Treasurer; The Secretary of the Board of Trustees; The Auditor.

This office has carefully compiled the available records of the insurable properties of the Church in order to show: 1st—given valuations; 2nd—insurance carried; 3rd—cost of same per year.

Following the war, when cost of building advanced so much, the Insurance Committee, under instruction by the Board of Trustees, had the property of the Church revalued and insurance adjusted.

The following tabulation shows the amount of fire insurance carried at the present time as well as the annual premium:

As the different institutions are visited and audited, the insurance carried is carefully gone through and the available information will be supplied to the Insurance Committee for its consideration.

A view at the present status shows that the matter of valuations and insurance carried require careful study before the Board of Trustees can determine and report to the Church on the amount and kind of insurance which should be carried.

Valuations should be carried according to a uniform rule and the percentage of insurance based accordingly. As the Church is not organized for profit nor is it financed in a way which pledges its property as security under a mortgage, its policy should be to carry a moderate amount of insurance on buildings and their contents under established classifications, as for example:

On strictly fire proof buildings, a minimum amount of insurance.

On semi-fire proof buildings, of brick or stone with wood roof, floors or partitions, a moderate amount of insurance, and

On frame buildings, where the fire hazard is greatest, the largest amount of insurance should be carried.

There is no moral hazard present and usually only the risk from its own occupancy plus that of storm and lightning prevails.

A moderate amount of insurance would, in case of partial loss, make the necessary repairs and in case of total loss, be a great help in rebuilding and remove a heavy premium load from the budget.

It is recommended to the Church to authorize its Board of Trustees to establish the values of the insurable property, determine upon the amounts and kinds of insurance to be carried and to see that this is done.

This will protect the Church and also relieve those in charge of the properties from criticism in case of loss.

Conclusion

The attention of the Church is called to the great amount of property placed in the hands of its Board of Trustees and the responsibility thus thrown upon it. Its members are all men of affairs and experience ripened in the school of work and service and ready and willing to serve the Church.

Many difficult matters arise and the most mature judgment is called into play.

Just the financing of the Budget which requires not only borrowing the amount of the deficit, from former years, but also borrowing the monthly payments on the budget of the current year, may at times exceed $1,000,000.00.

While this shows that the credit of the Church stands high, it also calls for serious reflection, as in the event that the holders of the notes of the Church should

require payment faster than the money can be raised in the usual way by the Church—then the Board of Trustees might experience difficulty in maintaining the credit of the Church.

For this reason the conclusion by the Board of Trustees, that a budget of $1,000,000.00 seems to be the amount that can be raised annually without a deficit, is well worthy of serious consideration. If an annual surplus results, then let the budget increase accordingly.

Respectfully,

Jos. O. Estrem,
Comptroller and Auditor.

Dated Minneapolis, Minn., June 1st, 1925.

III. Resolutions

REPORT FROM COMMITTEE NO. VI. FINANCES

Committee No. 6 composed of the following members: P. G. Hendricks, A. H. Dahl, J. L. Wold, O. J. Lutnes, L. E. Kleppe, H. O. Fjeldstad, T. S. Stockdal, N. B. Thorpe and A. J. Bergsaker met at the Augsburg Publishing House, May 26, 1925, at nine o'clock A. M. Rev. Stockdal was elected chairman and Rev. Bergsaker secretary of the committee. Rev. O. J. Lutnes was elected vice-chairman, Rev. H. O. Fjeldstad and Rev. L. E. Kleppe assistant secretaries.

The committee begs to submit the following:

I. 1) The Norwegian Lutheran Church of America is grateful to the Almighty and Merciful God for the manifold blessings, temporal and spiritual, bestowed upon all its activities during the year of 1924, and re-echoes with heart and voice the ancient psalm: "Give thanks to the Lord of Lords, to Him who doeth great wonders, for His mercy endureth forever." Ps. 136.

2) We thank the Lord who has given us a place in His vineyard and helped us to see that the fields are white already unto the harvest, who has given us a share in the greatest and noblest work on earth, namely to win souls for Jesus, to relieve misery and suffering, to bring life and light to the weary and dying. We thank Him, because our work has been richly blessed and because He has given us evidence that this work is His, and that He is with us. May we pledge ourselves to go forward with this work of the Church in truth, in love, in zeal to the great opportunities lying before us.

3) Inasmuch as the Lord has seen fit to use not only men, but also money for the extension of His kingdom, the finances of the Church are also a sacred part of our Master's work. They constitute a part of our worship. Therefore the Church approaches the subject with reverence, prayer and thanksgiving.

We thank the Lord that He made it possible to raise the large sum of $1,121,149.15 during the past year.

4) The Church expresses its gratitude for and appreciation of the untiring efforts made by congregations, pastors, ladies' aid societies, the Women's Missionary Federation, the Young People's Luther League and other organizations, the general financial secretary, the nine district financial secretaries, the ninety-three circuit secretaries, as well as the many others who have labored so diligently in the interest of the ingathering of the funds received in direct contributions for the work of our Church. It also remembers with pleasure and gratitude that many individuals have placed larger gifts, wills and testaments upon the Altar of God, expressing in this way their thanks to God for His many blessings. The Church commends such kinds of memorials.

5) But when there is a shortage of $241,032.33 obtaining in the Budget of 1924, a call comes to us for serious consideration . Realizing, evidently, in 1923 that the doors were open wide on every side for greater services and larger sacrifices for our educational, missionary and philanthropic institutions. hearing the heartrending appeals for aid from far and near, and in gratitude for entrusted opportunities, the Church answered by voting a budget of $1,362,181.48.

6) Inasmuch as this sum was larger than we could raise, the Church in

annual convention assembled requests that the greatest care be exercised when voting the Budget for the coming year, and to bear in mind the resolution coming from the Board of Trustees recommending that our working Budget ought not to exceed $1,000,000. The Church also urges most earnestly upon every one of its members to take an inventory of his life and stewardship. The powers and possessions which we hold are in our hands as a trust, for, to have is to owe and not to own. Much has been entrusted to us. The Lord has made us rich. We have been permitted to live in this great country with its fertile soil, and rich resources and great opportunities. We are also the stewards of the mysteries of God. We have the inspired Word of God and the genuine Apostolic faith. Shall we then retrench? No! We ought rather to go forward with the Church in all branches of its activities and plant the cross of Jesus in the hearts of millions.

7) Acknowledging that our system is far from perfect, and that there is room for many improvements in our organization, the Church wishes to emphasize as strongly as possible two main reasons for our financial troubles and perplexities.

First, prevailing ignorance of the work and the fields that we have, the spirit of unwillingness to follow the adopted methods of carrying out the program of the Church, a thoughtless faultfinding, destructive criticism uttered both publicly and privately, unkind talk about our fellow co-workers, a thoughtless airing of opinions in regard to conditions within the Church, suspicious remarks about the handling of the finances of the Church, and efforts to discredit our leadership.

Second, lack of faith, love and loyalty to God, and unfaithfulness in our stewardship. Therefore it behooves us first of all to bow in humility and confess our sins before Him. The Church pleads most earnestly for a more diligent use of the Means of Grace, a more devout prayer life, a deeper spirituality, more brotherly love and kindness, a better understanding of the purpose and work of our Church, a more consecrated life, a greater measure of the Spirit of Christ, who said that He is the greatest and the best who is the servant of all, as the best way out of our difficulty and for the expansion of His kingdom to the ends of the earth.

Par. II. The Budget.

1. Inasmuch as it has been our experience in former years that the voting of the Budget has been delayed to the last sessions of the Annual Meeting when time was short and many of the delegates and pastors have gone home, and

Inasmuch as this practice has caused a great deal of dissatisfaction and has been harmful to the raising of our funds,

THEREFORE BE IT RESOLVED, that the voting of the Budget becomes the Order of the Day this year on the second day of the Convention.

2. Whereas experience has taught us, especially at our 1923 meeting, that motions involving appropriations have been made during the last part of the Convention when there was not ample time for due consideration of the proposed appropriations, resulting in measures being hastily passed which has greatly increased the Budget,

The Church wishes at this time to call attention again to the following resolution passed in 1917 (See Annual Report, 1917, page 569, paragraph 4), and insists that it must be observed, which reads thus: "Motions involving appropriations shall before being voted upon be referred to the Budget Committee and be reported back to the Convention through Committee No. 6, except where immediate action is necessary, in which case a two-third majority of all the members present shall be necessary. But where such motions are acted upon in the regular manner, only a simple majority of all members present shall be required."

3. Whereas the Church has decided that the Budget be voted at each regular bi-ennial meeting, but in view of the fact that the general convention is to be held in 1926,

THEREFORE BE IT RESOLVED, that the Budget be voted for 1926 only.

4. Inasmuch as congregations are lacking system and organization in their finances, and,

Inasmuch as it has been found everywhere that a good system is of great value and help in raising our funds,

THEREFORE, the Church again encourages most earnestly such congregations to adopt the every member canvass and the envelope system, and wishes to emphasize a previous resolution of the Church that the canvass be completed not later than May 1st of each year.

5. a) Whereas we find that after the various boards, the Budget Bureau and the Budget Committee, have carefully prepared the Budget for 1926, and after Committee No. 6 has spent several days scrutinizing carefully every item that the minimum of $1,218,816.85 is needed with which the work ordered by the Church can be properly conducted, but

Whereas the Board of Trustees and the Church Council recommend to the Church a minimum Budget of One Million Dollars, in order that a deficit may not obtain at the end of the year, and in order that the credit of the Church shall not be impaired,

b) THEREFORE BE IT RESOLVED, that the Church vote a minimum budget for 1926 of $1,072,765.36—the average receipts for the years 1923 and 1924.

BE IT FURTHER RESOLVED, that the division of the minimum budget of $1,072,765.36 be made on a basis of the average receipts for all activities of the Church for the years of 1923 and 1924.

c) Whereas the amount of $1,072,765.36 will not be sufficient to carry on the work ordered by the Church,

THEREFORE BE IT RESOLVED, that the Church instruct the various budgeting boards to adjust the work in keeping with the voted amount.

d) Be it further resolved that each board is at liberty to use the total amount of contributions received even though they exceed the amount voted by the Church, according to a previous resolution by the Church.

6. In case the Church does not adopt the plan just read, the following plan is submitted:

Whereas, after careful study of the budget submitted, and even with enforcing the most rigid economy in all branches consistent with sound business management and Christian duty, we have found that it is impossible for the Church to carry on its activities properly with a budget of one million dollars, but that it will require a minimum amount of $1,218,816.85, and

Whereas the Board of Education is prepared to submit a plan of reducing its activities to bring it within the limit of their proportionate share of the million dollar budget, by partly withdrawing their support from certain of our outlying educational institutions which will naturally mean their ultimate elimination from our educational system, unless the burden of their support is assumed by their local territories, and,

Whereas the Board of Charities is prepared to consolidate certain of our Orphans' Homes, which will mean added expense in buildings and improvements to accommodate the increased population in the merged institutions and incurring a proportionate loss in buildings and equipment in the closed institutions.

Now, inasmuch as we realize that this withdrawal of support from several of our outlying schools and colleges, thereby placing added burdens upon the communities in which these institutions are located will result in a proportionate reduction in their contribution to the budget and in the ultimate elimination of several of our schools, and,

Inasmuch as the removal and closing of some of our charitable institutions will cause great sorrow and discontent in their localities, the Church does not feel, considering its large deficit and the critical spirit of our people caused by economic conditions and the erroneous feeling of useless expenditure of church funds, that it can afford, at this time, to take any action that will create any upheaval or disruption within the Church. And the Church feels also, that under the present plan of raising the Budget we have failed in so far that we have been unable to gather the full amount budgeted resulting in a total deficit at the end of the last fiscal year to the staggering sum of $720,865.85 and that it would be expedient at this time to deviate somewhat from the present plan without disturbing the budget system by granting two of the departments of the Church the privelege of going into the field to gather sufficient funds to prevent any curtailment of the activities in their departments, and we therefore submit the following plan:

BE IT RESOLVED, that, whereas the Church realizes the importance of maintaining its credit standing, we vote a minimum budget of One Million Dollars,

That we allow the Board of Education $347,132.16, the amount asked for and necessary to continue their activities as at present; + $8,109.45 for Elementary Christian Education;

That we allow the Board of Charities $217,730.90, the amount asked for and necessary to continue their activities as at present;

That we allow to Home Missions the sum of $195,493.00, their proportionate share of the balance of the Million Dollars;

That we allow to Foreign Missions the sum of $239,638.00, the balance of the Million Dollars.

BE IT FURTHER RESOLVED, that the Board of Home Missions and the Board of Foreign Missions, in conjunction with the Finance Committee, be authorized to raise the necessary additional funds to bring the amount up to the sum of the amount necessary to carry out the work in all departments of the budget.

Par. III. Jewell Lutheran College.

Pursuant to resolutions adopted by the Church at its district conventions in 1924, the Jewell College property has been sold, but since the sale of this property cannot be effected unless the one-half acre with the president's residence be also included in the sale and transfer, the Church therefore presents the following resolution for adoption:

BE IT HEREBY RESOLVED, that the Norwegian Lutheran Church of America authorize, empower and direct its Board of Trustees to sell, transfer and convey all the right, title and interest which the said The Norwegian Lutheran Church of America may now have or may hereafter acquire in and to the following described property and premises on which Jewell College is situated, to-wit: A tract of land known as College Grounds and in College Addition, in the Town of Jewell Junction, in the County of Hamilton and State of Iowa, according to the recorded plat thereof, excepting streets and highways; said Addition being located on a part of the Southwest Quarter of the Northeast Quarter (SW ¼ NE ¼) of Section Thirty-three (33), in Township Eighty-seven (87) North, Range Twenty-four (24) West of the Fifth Principal Meridian, on such terms, for such price and to such party or parties as said Board of Trustees may deem proper; and the said Board of Trustees be and it is hereby authorized and empowered to cause to be made, executed, acknowledged and delivered in the corporate name and under the corporate seal and in behalf of said The Norwegian Lutheran Church of America to the purchaser or purchasers, all necessary Deeds of Conveyance and other documents to properly and effectively vest and assure all title and right to said property in the purchaser or purchasers.

Par. IV. Luther Seminary.

1. Inasmuch as the Church, at the general convention in 1923, passed the following resolutions (See Annual Report, 1923, English Edition, page 147) with regard to providing additional rooming facilities at Luther Seminary:

"RESOLVED: That this convention goes on record as favoring any expansion or new building equipment that may be necessary,"

Be it resolved: That the Church concurs in the following resolution presented by Committee No. 2, to-wit:

(a) That the Church authorizes that the kitchen wing of the Seminary be remodeled so as to provide room for students;

(b) That a third story be added to this wing, this story also to be used for rooms for students;

(c) That the Board of Trustees of the Church be instructed to begin this work at once.

BE IT FURTHER RESOLVED: That the Board of Trustees be authorized to borrow the necessary funds for carrying out the provisions of the resolution, said loan to be paid out of the Seminary building fund."

2. In view of the fact that the said building project has been completed by the Board of Trustees at a cost of $21,911.05, The Norwegian Lutheran Church of America adopts the following plan for the liquidating of the said indebtedness:

a) RESOLVED: That the Board of Trustees, in conjunction with the Faculty of Luther Seminary, institute a campaign for the raising of this money.

b) BE IT FURTHER RESOLVED: That the bill for repairs at the Luther Seminary, amounting to $2,700.10, and also the purchase price of the residence of Dr. O. E. Brandt, which is $8,377.88, be added to the sum to be collected for payment for the addition to the Seminary, making the total sum to be collected by the Board of Trustees and the Seminary Faculty $32,989.75.

Par. V. Seamen's Mission, Seattle.

The Board of Home Missions in August, 1924, met at Seattle and inspected the property which the Board of Directors of this mission desires to purchase. It recommended to the Board of Trustees that the property be bought. Rev. H. A. Stub, Rev. E. B. Slettedahl and Rev. C. S. B. Hoel presented the matter, which was referred to a committee. This committee presented the following resolution which was adopted:

"RESOLVED BY THE BOARD OF TRUSTEES of the Norwegian Lutheran Church of America at its meeting in Minneapolis the 3rd day of September, 1924, that the Executive Committee of the Seamen's Mission in Seattle, together with Rev. E. B. Slettedahl and Executive Secretary C. S. B. Hoel, be and hereby are authorized to secure option or options on suitable property for future permanent quarters for the Seamen's Mission in Seattle. Said option or options not to expire until July 1, 1925.

The Board of Trustees after a thorough examination of the facts herein stated, recommend to The Norwegian Lutheran Church of America at its biennial meeting in 1925 to authorize the establishment of such permanent Seamen's Mission and Home in Seattle, and authorize the purchase of suitable permanent quarters."

Whereas the above named property has been inspected by the Home Mission Board, and

Whereas the Board of Trustees, after a thorough examination, recommends the purchase of this Home, and

Whereas the Seamen's Mission of Seattle has already a sum of over $12,000.00 in cash to apply on it,

BE IT THEREFORE RESOLVED: That the Church concurs in the resolution of the Board of Trustees and authorizes, empowers and directs the Board of Trustees, the Home Mission Board and the local Board to purchase said property. In case a special collection be necessary in order to meet the first payment, such collection to be made within the Pacific and Rocky Mountain Districts.

Par. VI. Martin Luther Orphans' Home.

BE IT RESOLVED: That the Church concurs in the report of the Board of Trustees in the matter of rebuilding the Martin Luther Orphans' Home at Stoughton, Wisconsin, to-wit:

1. "That all necessary cash for the erection of the proposed Administration Building be secured in accordance with the resolution adopted by the Board of Charities;

2. That the Board of Directors of the Martin Luther Orphans' Home be authorized to secure plans and specifications, but that no contract for the building be let until sanctioned by the general meeting of the Church and the plans and specifications approved by the Board of Trustees;

3. That the Directors of the Martin Luther Orphans' Home be authorized to launch a campaign for the necessary funds at once, this subject to the approval of the Finance Committee."

Par. VII. National Lutheran Council.

1. a) Whereas The Norwegian Lutheran Church of America has endorsed and promised to pay its proportionate share of the Annual Budget of the National Lutheran Council, beginning January, 1923 (See Annual Report, 1922, English Edition, pages 129-139; Norwegian Edition, pages 118-119), and,

b) Whereas this item, $5,292.07, in amount, has been omitted from the budget for 1924 and 1925, and

c) Whereas the Board of Trustees, by resolution, has ordered the payment of aforesaid sum for the year 1924 and has requested that the Church take action on this item for the year 1925,

BE IT RESOLVED:

2. a) That the Church orders its share of the Annual Budget of the National Lutheran Council for 1925, amounting to $5,292.07, to be paid;

b) That the proportionate share of The Norwegian Lutheran Church of America, on the annual budget of the National Lutheran Council, for the year 1926, be paid out of the funds gathered by the National Lutheran Council among the members of the Norwegian Lutheran Church of America, for relief work. The Church encourages our people to send their money for the relief work of the National Lutheran Council thru our Church Treasury.

Par. VIII. Money Advanced by the Church.

Whereas there is a deficit obtaining in the Indian School building fund in the amount of $7,394.28,

1. BE IT THEREFORE RESOLVED: That Mr. Axel Jacobson together with the executive secretary of the Home Mission Board, Rev. C. S. B. Hoel, be instructed to ask the children of the Church to come to the assistance of this mission in this matter and to designate the time when this work is to be done.

2. In regard to the indebtedness of the Wild Rice Children's Home, be it resolved: That, if the Wild Rice Children's Home be continued at Twin Valley, Minnesota, the manager of the Home, together with the financial secretary of the district, shall find ways and means of raising the present indebtedness of the Wild Rice Children's Home within Northern Minnesota district.

3. In view of the fact that the Immigrant Mission has a debt of $22,987.75 and

In view of the fact that there is also an indebtedness of $2,754.85 on the Church for the Seamen's Mission, Boston, Mass.,

Therefore be it resolved: That the Home Mission Board be authorized to institute a special campaign within the Eastern District to raise these amounts.

Inasmuch as the Church has a debt of $86,573.80 on Augustana College and $18,419.59 on Canton Lutheran Normal School, and

Inasmuch as the Church by action at its convention in 1923 made the following provision for the liquidation of this indebtedness:

4. "With regard to the school indebtedness in South Dakota, amounting to $90,565.87, the Church resolves that this matter be referred to the Board of Trustees and the Board of Education in conjunction with Augustana College of Sioux Falls and Canton Lutheran Normal School to devise ways and means for its liquidation."

Therefore be it resolved: That the Board of Education and the Board of Trustees together with the institutions as stipulated in the above resolution be and hereby are instructed and directed to institute the necessary campaign for this purpose as soon as in their judgment it is practicable.

Par. IX. Insurance.

Whereas the Board of Trustees has incorporated in their report to the Church the information that the Insurance Committee, through the office of the Comptroller and Auditor, is at present formulating a plan for a uniform method of handling the fire insurance on all the property owned and controlled by the Church in such a manner that insurable property values may be established at a more uniform rate in conformity with the relative fire hazards of the different buildings and properties of the Church, and

Whereas, we believe that such a plan will make for greater economy and efficiency in taking care of the matter of fire insurance on the property of the Church,

Be it resolved: That the Norwegian Lutheran Church of America concurs in and endorses the proposed plan;

That the Board of Trustees of the Church be authorized and empowered and directed to carry this plan into effect at once.

Par. X. The Budget Deficit of the Church.

Whereas only $304,180.61 has as yet been raised for the indebtedness, and.

Whereas a large number of congregations are still working and others planning to contribute sometime before the close of the year,

Be it hereby resolved: That the time for raising the indebtedness be extended to January 1, 1926.

Be it further resolved: That in case of an obtaining deficit at the close of the year, each district be requested to see to it that the remainder of the amount apportioned be raised by the respective districts.

Par. XI. Uniform Office System.

Realizing that it would be very desirable to entrust some responsible body with the task of providing necessary office help, equipment, office room, etc., for the different activities of the Church, thus insuring a better supervision and a more uniform system in these matters,

Be it therefore resolved: That the Church concurs in the recommendation of the Board of Trustees, to-wit:

"The Board of Trustees recommends that the Church authorize its Board of Trustees to have full power to act in the matter of furnishing necessary office help, equipment, and office space for all activities of the Church, the Board of Trustees to determine the scale of salaries to be paid and generally supervise the office exependitures of all departments of the Church. This rcommendation is not intended in any way as a criticism of the expenditures in the past, but simply to give some central body proper authority so as to make the business management of the Church more uniform and in this way assure the Church of the best possible efficiency.

Par. XII. "Pay As We Go."

Inasmuch as the Board of Trustees recommends that the Church enter upon a policy of "paying as we go,"

Be it therefore resolved: That the Church concurs in the following report of the Board of Trustees, to-wit:

"The Board of Trustees recommends to the Church that no buildings or other activity be commenced until it is properly financed in advance and that all plans of financing or otherwise first be recommended by the board or committee directly interested, and finally approved by the Board of Trustees. We must get down to a system of 'pay as you go' and put our business on a cash basis as far as possible."

Par. XIII. Elias Rachie.

With regard to the lawsuit instituted by Elias Rachie against the Norwegian Lutheran Church of America for alleged attorney's fees in connection with the Harald Thorson Estate,

Be it resolved: That the Norwegian Lutheran Church of America does not consider itself as indebted to the claimant in this matter, being that the claimant has given a receipt for payment in full for services rendered as attorney for the Church, with regard to the Harald Thorson Estate;

Be it further resolved: That the Church give the Board of Trustees full authority to act in its behalf in this matter, and

Be it further resolved: That the Church express confidence in the Board of Trustees and desire to extend sincere thanks to them for their untiring and unselfish services in the interest of the Church.

Par. XIV.

Inasmuch as it is evident that there has been a growing interest in our Church as manifested by the generous contributions from many congregations, and the Church recognizes that this increased interest is largely due to the untiring efforts of the local pastors, field superintendents and district presidents,

Be it therefore resolved: That the Church express its sincere appreciation of the labors of our pastors, field superintendents and district presidents and emphasize the importance of continued efforts in congregations where there is seemingly a lack of interest in order that the Kingdom of God may go steadily forward.

Par. XV.

1. It is very gratifying to note that 599 congregations contributed an aggregate amount of $32,989.25 in excess of their apportionment; 123 congregations more than last year. 275 congregations contributed the exact amount apportioned: 10 more than last year. All these congregations have merited the special thanks of the Church for the splendid work done. We are also glad to learn that the number of congregations which contributed, but not the full amount, has been reduced by 175.

2. But the Church notes with concern that 547 congregations did not contribute to Education: 378 congregations contributed nothing to Missions; 503 congregations did not contribute to Charities, while 290 did not contribute to any of the activities of the Church.

Be it therefore resolved: That the Church most emphatically urges all the congregations to most earnestly consider their responsibility to the Church and their God, and add their support to the great cause by contributing liberally to the Church and all its activities and thereby share in the blessings of giving to the Kingdom of God.

Par. XVI. Immigrant Mission, Brooklyn.

Whereas the Norwegian Lutheran Church of America realizes the importance and blessings of the work done by the Immigrant Mission in Brooklyn, N. Y., in giving aid and counsel to those who come to our shores, particularly by meeting them with the Word of God,

Be it resolved:

1. That the Immigrant Mission in Brooklyn be continued and cherished as one of the agencies in furthering the Kingdom of God in our midst; but,

2. Whereas it is our opinion that the mission is not favorably located, the building not suitable as an Immigrant Mission, we would recommend that the Board of Home Missions, together with the Board of Trustees of the Church take under advisement and be authorized, empowered and directed to dispose of the present property of the said Immigrant Home and secure more suitable quarters for the mission, provided

a) That the present property be not sold at a financial loss to the Church;

b) That, in case a new property is purchased for the Immigrant Mission, the price thereof shall not exceed the approximate amount of the selling price of the present property;

c) That the Board of Home Missions exercise all diligence to make the Immigrant Mission self sustaining.

3. In case the present property is disposed of, and no other suitable location can be immediately arranged for, the Board of Home Missions take under advisement the feasibility of combining the work with the Immigrant Mission of some other Lutheran church body already in the field.

Par. XVII. Endowments.

A crisis is impending by reason of the accredited standing of our two major colleges, St. Olaf and Luther, being threatened by the action taken by the North Central Association of Colleges and Secondary Schools as contained in the following paragraph:

"The college, if a corporate institution, shall have a minimum annual income of $50,000.00 for its educational program, one-half of which shall be from sources other than payments by students, and an additional annual income of $5,000.00, one-half of which shall be from sources other than payments by students, for each 100 students above 200. Such College, if non-tax-supported, shall possess a productive endowment effective for the first accrediting in 1924 and 1925 of $400,000.00 and 1925 of $500,000.00 and for all accredited institutions of this class in 1927 of $500,000.00 and an additional endowment of $50,000.00 for each additional 100 students above 200."

From this it will be seen that, in order to have recognition as standard institutions, our colleges must have at least $500,000.00 each by January 1927. This sum covers the requirement of a college with 200 students. For each additional hundred students there is required $50,000.00. However, the Association now gives parallel credit for money granted to colleges by churches.

Whereas all will realize that with only a short period remaining until January, 1927,

Therefore be it resolved:

1. That a campaign be instituted to raise for endowment purposes for St. Olaf College $300,000.00 and for Luther College $250,000.00 and the endowments of the two colleges, Augustana and Concordia, be increased, and that the campaign for endowment purposes may begin simultaneously;

2. That when the Colleges have been thus provided for, active work be undertaken to place the secondary Schools on a more stable foundation by providing endowments;

3. That this campaign be organized and conducted by the respective colleges;
4. That the time for the campaign be determined by the Finance Committee, it being understood that it must be completed by January 1, 1927;
5. That any earlier resolution in conflict with these recommendations be rescinded;
6. That the territory covered in this endowment campaign be restricted to that territory ordinarily served by the above mentioned colleges.

Par. XVIII. Publicity Bureau.

1. The Norwegian Lutheran Church of America expresses its appreciation and thanks to the Publicity Bureau for the faithfulness and efficiency with which it has functioned since the establishment of the Bureau in 1923.
2. The Church expresses its hearty thanks to Rev. O. H. Pankoke, of New York City, for the able and gratuitous assistance given to the Bureau in connection with the publication of the Pamphlet, "To bring Victory to the Cross of Christ and Salvation to Humanity the Church calls me."
3. The Church expresses its appreciation and gratitude to St. Olaf College for the valuable publicity given the Church thru Broadcasting Station WCAL at St. Olaf College.
4. On the information and suggestions presented in the Report of the Publicity Bureau, the Church wishes to present the following recommendations:

Be it resolved:

a) That the Church heartily endorses the working plan of the Publicity Bureau as outlined in their report, commends the broadness and vision of the plan, and urges that the Bureau exercises every effort, with the time and means at its disposal, to let the good work go on. The Church desires and hopes that the time will not be long before it can place the right man on full-time salary at the head of the Publicity Bureau;

b) That the Bureau exercise all possible diligence in carrying out its proposed plan of publicity thru the Press. Inasmuch as we know that the Public Press has a powerful influence on all phases of our national, social and moral life, and since we firmly believe that the Lutheran Church stands firm on the fundamentals of Christian Truth, may we use the opportunity given us thru this powerful agency to point out the way of Truth to a distracted and groping world;

c) That the Church urges upon all its pastors that they use their utmost diligence to give their people information as to the true facts in connection with our Church and its activities;

d) That the Church asks its lay members to read our Church papers and otherwise gain the fullest possible information about our Church and its far-flung activities, and that, so informed, they may assist in spreading farther a correct knowledge concerning the Church and its work;

e) That the Church deplores the fact that it can not at this time extend financial aid to Broadcasting Station WCAL at St. Olaf College, but would enjoin upon the Alumni and friends of the school, as well as others, that they rally to the support of the station. The Church recommends to the Publicity Bureau that it help to sponsor this plan and give aid in devising ways and means whereby it can be carried into effect.

A. J. BERGSAKER, Secretary.

He is therefore asking for $300,000 endowment because we already have $300,000.

Be it resolved, that the resolution passed by that convention prohibiting special collections for educational institutions (Annual Report, Eng. Edition, 1923, p. 289, Par. 3 e) be and hereby is rescinded.

Friday Forenoon

The General Field Secretary, Pastor H. Shurson, presented the following report from the Board of Trustees which was adopted.

Residence for the President of the Church.

Upon motion of Rev. Ylvisaker, seconded by Mr. Roe, it was

Resolved: That the Board of Trustees recommend that the Church instruct the Board of Trustees to provide residence quarters for the president of the church.

SUPPLEMENTARY MOTIONS PRESENTED BY COMMITTEE

The following supplementary motions were adopted and appended to the report of the committee:

1. How to apportion the appropriations of $8,109.45 for Elementary Chris-

tian Education and of $2,000 for the president emeritus. In order that there shall be no misunderstanding,

Be it resolved, that the amount of $8,109.45 needed for Elementary Christian Education be included in the voted budget.

Be it further resolved, that the annual salary of $2,000.00 voted by the Church to the president emeritus, Dr. H. G. Stub, be included in the budget already voted.

The convention was informed that the appropriation for Elementary Christian Education was included in the appropriated amounts and that the extra amounts will be taken pro-rata from the various departments.

2. Women's Missionary Federation appropriation.

The following resolution was adopted:

"Be it resolved that the Women's Missionary Federation be allowed a working budget of $3,500.00.

3. The work at Ft. Snelling.

The committee's report was adopted.

"In regard to the question referred to the general convention by the Southern Minnesota District concerning support from our Church for the building of a chapel at Fort Snelling, be it resolved that the Church gives $1,000.00 toward this cause from the Soldiers' and Sailors' Fund.

4. Methods and forms of bequest. Adopted

"Whereas it appears that many wills are so written that some of the activities and institutions of the Church are named as direct beneficiaries and

Whereas most of the institutions and activities of the Church are not incorporated and therefore not capable in law of taking and receiving bequests of either real or personal property, and

Whereas many bequests to such institutions may be lost and the will and wish of the donor be thwarted because of the illegality of the bequest.

Be it therefore resolved: That the Church urges upon its members and other charitably inclined individuals who might desire to provide for any of the institutions of the Church by their last Will and Testament, that the will be so drawn that the Norwegian Lutheran Church of America be named as the beneficiary, with the added direction that the property so willed be for the use and benefit of the institution or the activity of the Church which is intended to be benefited.

Such provision in the will will make the bequest legal, will avoid contest in the courts, and will permit observance of the wish and desire of the donor or testator.

It is recommended that where bequests are paid direct to any institution, that they shall be remitted to the treasurer of the Church. That if the institution is in need of such amount and the will does not make other specific provision, that such institution may make application to its superior board for the use of such money and that the superior board may pass resolutions consenting to such use, subject to the approval of the Board of Trustees.

It is, however, recommended that unless otherwise provided in the will or in emergency cases, all bequests be stablished as permanent endowments.

5. Outside activitity. Adopted.

"Whereas many appeals from without as well as temptations from within our Church to new activities, lead us farther and farther afield from our divine task of saving souls and nourishing the spiritual life of believers, and

Whereas many of these ventures, although worthy in themselves, yet tend to confuse, weaken and complicate the regular work of the Church and increase the budget, which becomes a drain of men and means, leading towards and establishing offices which, in turn, become propaganda centers for their special work from which bureau result that grown on the Central Organization, diffusing and consuming the energy and interest of the Church, be it therefore

Resolved:

That no organization be allowed to appeal through our Church for funds, without the consent of the Board of Trustees, and

Be it further resolved:

That our Church Council diligently consider curtailing expenses and encouraging local interest within the districts.

Saturday Afternoon

The supplementary motions were considered.
Par. 1. Apportioning extra appropriations. Adopted.
Par. 2. Appropriation for Women's Federation. Adopted.
Par. 3. Work at Ft. Snelling. Adopted.
Par. 4. Methods and forms for bequest. Adopted.
Par. 5. Outside Activities. Adopted.

SPECIAL APPROPRIATIONS

Sale of Property

Field Secretary Shurson called attention to the following appropriations which had to be added to the budget:

$2,000.00 salary for President Emeritus.
$2,400.00 salary for Prof. J. Tanner.
House rent for President J. A. Aasgaard.
House rent for Professor J. Tanner.

Be it resolved that the Board of Trustees be and that they hereby are authorized and instructed through their proper officials to sell and convey and to execute the necessary deeds to transfer to purchaser or purchasors the following property:

II. Report

By the Board of Publication

To the Third Extraordinary General Convention of the Norwegian Lutheran Church of America:

The Book Department

As it will be seen by the financial statement of Augsburg Publishing House, the Book Department furnished the largest portion of the profit for the year 1924. This department alone had a net gain of nearly twelve thousand dollars.

The following new publications were issued:

1. Christ Before Pilate. By Waldemar Ager.
2. Samlede Digte. Av J. B. Baumann.
3. Paa Hvalfangst. Av K. B. Birkeland.
4. Library of Christian Hymns I. By Dahle and Johnshoy.
5. Martha of India. By Millie Bock Jacobson.
6. An Elementary Christian Psychology. By O. M. Norlie.
7. School Calendar 1824-1924. By O. M. Norlie.
8. A Mother's Farewell Letters. By Betty Jarnefelt Rauanheimo.
9. Lutheran Alamanac 1925. By John Peterson.
10. Folkekalender 1925. By L. A. Vigness.
11. Jul i Vesterheimen 1924. Av A. M. Sundheim.
12. Lessons on the Life of Christ, fourth quarter. By H. P. Grimsby.
13. Bible Stories for Beginners, Old Testament. By H. P. Grimsby.
14. Secret Societies. By Justin A. Peterson.
15. By the Christmas Tree 1924. By J. O. Dreng.
16. Adult Class Manual. By Martin Anderson.
17. Daily Devotions for Children (Svendsen). Translated by Mrs. M. O. Sarnstad.
18. Annual Report 1924. Bi-lingual edition. By N. J. Løhre.

The Church Papers

The number of subscribers to the Church and Sunday School papers is as follows: Lutheraneren, 20,343; Lutheran Church Herald, 12,049; Children's Friend, 38,940; Barnevennen, 7,193; Our Young People, 17,510; Little Folks, 14,960, and Teologisk Tidsskrift, 600.

The problem of the subscription department, especially in regard to the two church papers, is to keep the present circulation on a paid in advance basis. The gain in the circulation of the English Sunday School papers has been very satisfactory.

The Manufacturing Departments

Our manufacturing departments both at Minneapolis and Decorah, Iowa, were kept intensely busy during 1924. The demand for Sunday School text books alone has made a marked increase and furnished additional work in the pressrooms and binderies. Business from outside sources has also made demands on the efficiency of the plants. Considering that the manufacturing departments are only credited with actual cost of production on all church publications including all books for the book department, the financial gain for the year was as good as could be expected in a year of close competition.

III. Resolutions

REPORT FROM COMMITTEE NO. VII. PUBLICATIONS

(On report of Board of Publication)

Committee No. 7, consisting of Pastors O. F. Johnson, David Støve, E. I. Strom, J. R. Lavik, M. B. Quill, Olaf Holen, and J. O. Dreng, and Delegates L. E. Lovseth and P. Johnson, organized by electing Rev. O. F. Johnson president and J. O. Dreng secretary.

After due deliberation of the report of the Board of Publication, the committee recommends as follows:

I. We commend the efforts of the Board of Publication and express our appreciation of the fact that during a year of stringent business conditions it has been possible to report a substantial net profit.

II. While we appreciate the efforts of the Board of Publication to provide books of all kinds for all classes, still we would earnestly urge that the utmost care be taken in advertising and circulating books that tend to undermine our Christian faith.

III. We commend the effort of the Board in providing our people with Lutheran literature in the English language, and we would recommend that this work be continued, and urge that care be taken in making these publications as simple and correct as possible. No manuscript should be accepted for publication until it has been passed upon by at least two competent reviewers.

IV. 1. It is the sense of this convention that our church papers have made marked improvement in their efforts to provide our people with reading matter which is both instructive and edifying, and we wish them God-speed in their efforts to continue the good work.

2. With reference to the following motion, it is the sense of the Committee No. 7 that the idea contained in the motion is a good one, but as the expense involved must be met by some board, we recommend that the matter be referred to the Bureau of Publicity for action.

"Til aarsmøtet av Den Norsk Lutherske Kirke i Amerika!

Da det er av den største betydning for det kristelige liv og arbeide i hjem, menighet og samfund, at alle vore familier holder og læser vore kirkeblade,

og da bare en liten del av vort folk holder disse blade og saaledes bare en liten del av dem følger med og blir interessert i vort arbeide,

foreslaar vi at menigheter der betaler for et blad for hver av sine familier, faar "Lutheraneren" eller "Lutheran Church Herald" for en dollar ($1.00) aaret."

ALFRED BREIVIK,
S. J. STRANDJORD,
J. T. LANGEMO,
O. G. SAHL,

J. W. JOHNSHOY.

Par. V. We recommend to the Church the adoption of the following paragraph in the president's report: (Page 13.)

"Vort Board of Elementary Christian Education har ogsaa foreslaat at der i 1929 foranstaltes en jubilæumsutgave av Luthers lille katekismus paa engelsk og at de forskjellige lutherske samfund enes derom saa man kunde faa ensartet tekst i katekismen i alle lutherske samfund. Dette overmaade betimelige forslag er allerede tilstemt av flere samfund og vi haaber at ogsaa vort samfund vil tilstemme dette forslag, hvis gjennemførelse vil ha den største betydning for fremtiden."

Convention in Christ Episcopal Church.
Par. I. Appreciation. Adopted.
Par. II. Great care in advertising and books. Adopted.
Par. III. Censorship. Adopted.
Par. IV. 1. Our church papers. Adopted.
2. Deleted.
3. Subscriptions to church papers. Adopted.
Par. V. Resolution in regard to jubilee edition of Luther's Catechism. Adopted.

A Motion Referred to Committee No. 7 in 1922

Whereas, no other book next to the Bible has wielded such a great influence for good as our Catechism, and

Whereas, that book is the only text book that has stood the test for four centuries, and

Whereas, we know that we have many different translations that make our instruction difficult in many places, and

Whereas, there is a growing demand for one standard English Catechism for our Church and other Church Bodies;

Therefore, be it resolved, that the Norwegian Lutheran Church of America in convention assembled, appoint a committee to come together with committees from other Lutheran Church Bodies to confer and prepare a worthy Jubilee edition of Luther's Smaller Catechism for these bodies in memory of the first publication in 1529.

Pension Roll Omitted

In compliance with suggestions from a committee, appointed in accordance with a resolution of 1923, the Pension roll is omitted in this report, but will be included in a year book to be published annually and sent to the members of the Fund and to all the ministers of the Church as soon as possible after each convention.

Annuity or Pension

The amount of $56,178.81 was paid during the year of 1924 to 94 men, 98 widows, and 2 set of orphans, at the rate of 320 dollars, or 80 dollars per quarter, to each full time pensioner. This was made possible by the contribution of $12,655.00 to the Annuity Account from congregations, ladies' aid societies, and individuals.

The amount on hand for pension in 1925 is only $38,885.10. On account of the financial conditions the country has gone through the last few years, we have not been able to realize the full amount of interest on all our endowments. It will therefore require twenty-five thousand dollars, or twice the amount received last year, in direct contributions to the Annuity Account, to pay the 200 pensioners 320 dollars this year.

If the minister would be kind enough to announce an offering each year to the Annuity Account (pensionskassen), he could thereby make his congregations, the pensioners and himself a great and lasting service and become instrumental in making the Pension Fund a success. For if the congregations become accustomed to this offering every year, they can thereby discharge their obligations to the old Church servants, the pensioners will be taken care of, and the minister himself will profit by it when his turn comes.

The Treasurer will run a column in his annual reports to the Church for contributions to the Annuity Account, and the congregations and ministers will receive public recognition for these contributions.

An annuity or annual pension of 320 dollars may not look very big, but it is a great thing to those who have nothing or little else to live on.

It should also be remembered that this annuity, in many cases, has been secured for a few hundred dollars and, in all cases, for much less than it would have cost to secure it from any other source than the Church.

The pensioners do not only share equally in the interest from the permanent fund, but also in the proceeds from our Publishing House, the annual dues and the contributions to the current year's pension.

Since the Pension Fund was started at the time of the union, it has paid 365 thousand dollars in annuities to 133 men, 105 widows and 2 set of orphans.

It is, however, lamentable that the annuity is not larger, and that it may even grow smaller. This does not result from a falling income, but is due to the steadily increasing number of pensioners.

It is hurting the Church in several ways. It hurts its reputation that so many of its pensioners have so little to live on. It tempts its ministers to entangle themselves in the affairs of this life (2 Tim. 2:4) in order to provide for their old age and dependents, since the Church does not do it. It tempts old ministers, who should retire to remain in service, since they have little or nothing saved up, and they cannot live on the pension. And it is no encouragement for young men to enter the ministry of a Church that does not provide for the emergencies of old age of its ministers, and the widowhood of the minister's wife. In our changed social and economic conditions, no Church can do its work efficiently that does not provide for these emergencies of its servants.

The Permanent Fund

Unless the ministers and the congregations will give an annual offering to the current year's pension it will require an additional one million dollars in the permanent fund to meet its accrued liabilities, that is, to pay the five hundred dollars annuity to its 200 pensioners, and still another million will be needed during the next ten years to meet its accruing liabilities, that is, to pay the steadily increasing number of pensioners the same annuity.

All the Board of Pensions can do at present is to plod along with a few solicitors until such a time shall have come that the Church clearly sees that its Pension Fund is no minor affair, but a thing of major importance to its general welfare.

The Church has not yet awakened to realize this, which is evident from the fact that everything else takes preference to the Pension Fund.

The reason for the slow progress of the Fund is not due to unwillingness on the part of the Church people to contribute to it. The experience of those who are collecting for the Fund is very encouraging. The people are willing to give and to give liberally. But the collection of so large a fund requires an open field and men of ability to solicit money.

Increase of Annual Dues

Many members of the Fund have requested the Board to increase the annual dues to 25 dollars to get more revenue for pension. The Board has no authority to do this and has hesitated to recommend it on account of the hard financial times during the last years. The Church is requested to take the matter under consideration and decide what increase should be made and from what time such increase shall take effect.

Revision of Rules

Several changes in the rules were recommended to the Church at its Convention in 1923. No action was taken except to order them printed in the annual report. These and some additional changes are referred to the Convention and should be acted upon this year.

Concerning Reserve Fund Notes

The Board shall be permitted to take notes for accumulated areas, viz., accrued annual dues and interest, from prospective members who wish to join the Fund, until July 1, 1926. It is, however, provided that those who want to take advantage of these terms shall pay in cash one year's annual dues and one year's advance interest on said note at 6%. This note may be renewed, but must be paid in full within five years.

Respectfully submitted,

III. Resolutions

REPORT FROM COMMITTEE NO. 8. PENSIONS

Committee No. 8, consisting of the Revs. G. A. Larsen, C. Hoversten, H. M. Thorson, S. G. Nelson, O. A. Hjemboe, Hj. S. Froiland and Delegates A. C. Berg, M. Erickson and J. L. Thompson, organized by electing Mr. G. A. Larsen president and Hj. S. Froiland secretary. (Nelson, Hjemboe and Thompson did not meet with the committee.)

Realizing that so many of those who receive pension are almost destitute and that the pension constitutes their entire income, and realizing also how inadequate the amount is which they receive, yet our hearts are filled with gratitude to God for what is being done through the Pension Fund.

We are also grateful to the secretary and the other men who are faithfully laboring to increase the fund and especially do we feel indebted to the secretary for the work he has done in securing several legacies for the Pension Fund. Not only has the Pension Fund been benefited by these, but in several instances the

treasuries of the other branches of the Church will incidentally have received a share.

Par. I. Hitherto the number of pensioners have increased and for a long time to come will continue to increase faster than the fund.

Therefore, the convention would again remind pastors and congregations of a resolution passed at several former conventions, namely, to give an annual offering to the annuity account of the Pension Fund.

Par. II. Whereas the sum paid the pensioners has not reached $500.00 per year, but only $320.00, with prospects for less for the present year, and

Whereas the annual dues are very low in consideration of the protection provided,

Be it resolved to raise the annual dues from $10.00 per year to $20.00 per year—this to take effect January 1, 1926.

Paragraph No. 7—Miscellaneous

(c) Ministers who have reached the age limit and thus are entitled to pension, but who wish to continue their pastoral work, may, if their annual fixed salary is less than the annual amount of pension, receive the difference from the Pension Fund. If they have free house, this is figured as one hundred dollars additional to their salary.	In case a member who has reached the age of 65 years, wishes to continue his service in a smaller field within the Church, the Board shall have authority to approve such arrangement without depriving said member of his pension. The arrangement shall be subject to annual review by the Board. In case a pensioner's total income from the Church exceeds 1,200 dollars in a calendar year, the pension shall be temporarily suspended. In case of smaller income, such part of the pension shall be paid as to bring the income, including the pension, up to 1,200 dollars, provided, however, that no pension shall be paid in excess of the amount of pension allowed for that year. In figuring income, free house shall be counted at 200 dollars per year.

RESOLUTIONS

CONCERNING RESERVE FUND NOTES

The Board shall be permitted to take notes for accumulated areas, viz., accrued annual dues and interest, from prospective members who wish to join the Fund, until July 1, 1926. It is, however, provided that those who want to take advantage of these terms shall pay in cash one year's annual dues and one year's advance interest on said note at 6 per cent. This note may be renewed, but must be paid in full within five years.

Laymen's Movement

The Church learns with interest that some of its prominent laymen have taken initial steps to consider ways and means for the increase of its Pension Fund. The Church appreciates this noble sentiment, welcomes and blesses the venture, and hopes and prays for its success.

II. Report

By the Board of Elementary Christian Education

The Board of Elementary Christian Education has held seven regular meetings and several special committee meetings the last year to consider ways and means of promoting religious education among the children and youth in our Church. All board members have spoken and pleaded the cause at institutes, services and other occasions when called upon.

At our January meeting a "Plan of Operation" was drafted. The aim was to develop a system of teachers' training, and otherwise to create more interest for elementary Christian education in our Church. The plan was accepted by the District Boards, and there has been the most enthusiastic and whole-hearted co-operation of the District Boards with the General Board.

With the appropriation received from the Church last year the District Boards in cooperation with the General Board have carried on extensive teachers' training work in all the districts during the year. 73 institutes of one and two days duration and over 50 special meetings were conducted during the year. 42 instructors have addressed these institutes and at least 2600 pastors and teachers have attended. All who have attended these institutes have been enthusiastic in their praise, and are eagerly awaiting the opportunity to attend the next institute. The work last year was experimental, but nevertheless very successful. A movement has been started which we are confident will grow to large proportions and bear fruit beyond our most hopeful anticipations.

Our executive secretary has had conferences with all the district boards to plan institutes for 1925. On the recommendation of the District Boards over 100 instructors have been appointed for this year to conduct if possible at least one institute in every circuit in our Church. In order to get uniformity of instruction at our institutes a three days' course for institute instructors was arranged at the Nicollet Hotel, Minneapolis, April 21-24, 1925. The course was very successful and 72 instructors were in attendance.

The Aid Fund has assisted 12 congregations in having 246 days of school for 291 children. The schools have lasted from two to six weeks. We are glad to report that the endowment fund of elementary Christian education has been increased by $12,000.00 during the year, making a total fund of $19,115.90.

Our expenses for the year were as follows:

Board expenses and field work	$4,760.50
Printing	69.99
Aid fund	328.75
	$5,159.09

This leaves a balance of our appropriations of $4,840.91.

During the year our Board has published the following books and pamphlets: "Lessons" on the Life of Christ," fourth quarter, "Adult Class Manual," "Elementary Christian Psychology," "Manual of Bible Teachings," first quarter, and "Week Day Church School." By Sept. 1st we hope to have ready the first quarter of "Introduction to the Books of the Bible."

Our three English Sunday School papers have had a remarkable increase in circulation. "Little Folks" has a circulation of 15,750 copies, "Children's Friend", 41,-000 copies, and "Our Young People", 20,000 copies. "Barnevennen" has a circulation of 7,000 copies. All our papers are very ably edited, and there should be no need for any of our Sunday Schools to use Reformed papers.

Our Board has been communicating with the other Lutheran Synods regarding the publishing of a uniform text and jubilee edition of Luther's Catechism by 1929, and the response has been very gratifying. Our Board has also had joint

meetings with representatives of the Augustana Synod and the United Danish Lutheran Church regarding uniform text books for Week Day Schools, and joint committees are at work to prepare the material.

In conclusion, the Board calls attention to the following resolutions adopted by our Church:

1. The Aid Fund established to render aid to small and needy congregations to help provide the means to carry on religious instruction is recommended to the good will of those who can afford to assist it either by personal gifts or by collections.

Members who contemplate making larger bequests can not make any better investment than giving to the Endowment Fund for Religious Education and thus help to perpetuate the great cause of religious instruction in our Church.

2. Every circuit that has not done so, should elect a Board of Religious Education for the circuit to promote the cause of religious education in the circuit. On the Circuit Board devolves the responsibility of carrying out the program of Christian education in the circuit. The District Board and the General Board can only offer cooperation with the Circuit Board.

3. All congregations that have not done so, should elect a School Board, whose duty shall be to promote the cause of religious education in the congregation and to cooperate with and report to the Circuit Board.

4. Where Week Day Schools can be organized, congregations should make use of the opportunity, and establish such schools to supplement the Sunday School instruction.

5. The Church recognizes the importance of the various means of giving religious instruction, but urges special emphasis on the most important of them all, namely the home. It pleads for a more careful training in the home, and a full cooperation between home, teachers and pastors.

Respectfully submitted,

—H. G. STUB, Member Ex-officio.
H. P. GRIMSBY, President.
J. N. ANDERSON, Vice President.
O. J. H. PREUS, Secretary.
J. TANNER, Executive Secretary.

Statistics of the Norwegian Lutheran Church

The statistics of the year 1924 are published under five headings, viz:

1. Circuit Organizations.
   A. Pastor Membership.
   B. Abbreviation of Circuit Names.
2. Consolidation of Congregations.
3. Roster of Congregations.
4. County Summary of Parochial Reports.
5. Statistical Summary, published as Addenda 2 to the Secretary's Report, pages 86-91.

Please note that in division I an (x) after the name of a congregation indicates that this congregation is not a corporate member of the Norwegian Lutheran Church. That is, it is served by one of our pastors, contributes to the various activities of the Norwegian Lutheran Church, but has not formally joined it. Arabic numeral (2 or 3) after at pastor's name indicates that the material given in the report for the congregation is taken from the parochial reports of a former year. 2 indicates that the material is used a second time; 3 that it is used for the third time.

Many pastors failing to give complete reports, serve to make the reports incomplete. Every parochial report blank is carefully examined, and the missing material, as far as possible, is supplied from earlier reports, or from other sources of information. In a great number of cases the rubrics for contributions to the Church Activities are left blank. These are usually filled from the report of the treasurer of the Norwegian Lutheran Church, for the previous year.

In order to retain the correct figures for each state without changing the totals for the individual districts and thus introduce duplicates in the grand total for the whole Church, parts of calls that extend into other states, than that included in the district's geographic boundary, receive their serial number and are listed under state groups at the end of roster in all those districts where such overlapping takes place. The statistics for these congregations are included in the total for the district **to which they belong.** The same congregations and statistical material appears again in the roster of congregations of the **state in which they are located.** In this place they retain the serial number which they have in the district to which they belong. But the statistical material is **not included in the total for the state or district.**

In he list of congregations appears first a series of letters which indicates the circuit to which the congregation belongs. The name of the circuit can be ascertained from the list of circuits with abbreviations given below.

Biographies

Gerhard Aarestad er født i Varhaug sogn, Haa prestegjeld, Norge, den 11te juni 1893 av forældrene H. T. Aarrestad og hustru Anne. Han gjennemgik den almindelige folkeskole og blev konfirmert av sogneprest Søren Dahl i oktober 1907. Efter at ha fuldført et kursus ved fortsættelsesskolen i Varhaug og et seks maaneders kursus ved Jærens Folkehøgskule i 1912 utvandret han til Amerika vaaren 1913. I 1918 graduerte han fra akademiavdelingen ved Red Wing Seminary, og fra Concordia College, Moorhead, Minn., i 1922. Han blev optat som elev ved Luther Theological Seminary den følgende høst og graduerte fra denne skole i mai 1925.

Kandidat Aarestad har helt fra barndommen av følt sig drat til at virke i Herrens tjeneste. Kaldet til prestegjerningen modnedes litt efter litt eftersom han gjennemgik den forberedende skolegang, dog var det under hans ophold ved Red Wing Seminary at han med Guds hjælp og raad bestemte sig for at forberede sig for det hellige hyrdeembede.

Blandt de mange som har ydet ham hjælp og raad i hans religiøse utvikling mindes han med største taknemmelighet i særdeleshet sine avdøde forældre samt sogneprest Søren Dahl, pastor Oppedahl, Sacred Heart, Minn., lærerne ved Red Wing Seminary, Concordia College og Luther Theological Seminary.

Ordinanden har antat kald fra Whitefish, Somers og Swan River menigheter, Montana, og agter at opta sit virke der den 1ste august førstkommende.

Paa denne sin ordinationsdag føler han mer end nogensinde sin uværdighet og uskikkethet for sin gjerning, men han haaber og ber at han som har kaldt ham til denne gjerning vil gi ham kraft og mot til at utføre den. Han anmoder ogsaa de troende brødre og søstre i vor kirke at de indeslutter ham i sine bønner fremfor naadens trone.

John Martin Adskim blev født den 2den mars 1890 av forældrene Johan og hustru Karen Adskim i Stadsbygden, nær Trondhjem, Norge. Han blev døpt og konfirmert i Stadsbygdens menighet. I 1907—1908 frekventerte han amtskolen i sin hjembygd; og i mai 1909 kom han til Amerika og bosatte sig i La Grande, Oregon. Han har helt fra sin barndom av følt sig drat av Herren til at virke i prækeembedet; men paa grund av de verdslige omgivelser, hvori han kom, blev denne kaldelse svækket for en tid. Efter en kort tids forløp reiste han fra La Grande, Oregon, til vestkysten, hvor han fik anledning til at gaa til Herrens hus og høre Guds ord, og saaledes fik gjenoprette og bestyrke sit barneforhold til Gud. Han har frekventert følgende skoler her i landet: Pacific Luhteran College, to aar; Spokane College, et aar; Seattle Y. M. C. A., et aar; Pacific Theological Seminary, to aar; og Luther Theological Seminary, to aar. Den sidstnævnte skole, hvorfra han graduerte den 29de mai dette aar. Han sætter stor pris paa hvad Guds folk har gjort for ham. Han husker sine forældre med stor taknemmelighet for deres gode raad og retvise styrelse. Likedan husker han alle de prester og lærere som har været redskaper i Herrens haand til at forberede ham for denne store gjerning. Men allermest føler han sig taknemmelig til Gud for den store naade og barmhjertighet, han har vist mot ham.

Kandidat Adskim har antat kald som assisterende prest i menigheten og sjømandsmissionen i Ketchikan, Alaska, og ber nu om ordination til det hellige presteembede. Han føler sin uværdighet til denne gjerning, men er forvisset at Herren, som har kaldt ham, vil ogsaa dygtiggjøre ham til at utføre den. Han ber om kirkens forbøn.

Anker S. Berg, son of August Berg and wife Caroline, was born in Fredrikstad, Norway, Sept. 10, 1899. He was baptized by Rev. G. Dietrickson in Glemminge Church. When he was five years of age his parents emigrated to America and settled in Chicago. He was confirmed in 1914. At the age of sixteen he left his home for Minneapolis, and began his studies at Augsburg Seminary. He graduated from the high school department in 1918. In 1922 he received his Bachelor of Arts degree, and in 1924 he completed the course of theology, and received his Candidate of Theology degree from the same institution.

At the age of fourteen he went through a spiritual struggle. The Spirit of God revealed to him that the childlike relationship with God, brought about thru holy baptism, had been broken by sin. After a night of prayer and confession, which was followed by assurance of forgiveness, he could again lift his heart in childlike simplicity and say, "Abba, Father." The cords of God's wonderful love had encircled the wayward heart and drawn it back to himself in Christ Jesus. The joy which follows such an experience cannot be expressed with words. Along the journey there have been struggles, doubts, and many short-comings, but he has experienced the truth of the blessed promise, "As thy days are, so shall thy strength be." Fellowship with the living Christ has been sweet, and His grace has been sufficient.

The call to enter the holy ministry came early in life. Altho he realized his own unworthiness for such a high calling, he decided, since he desired to do his Master's will, to enter that field of labor into which he felt that the Lord was leading him. He accepted a call from the Mission Committee of the Eastern District to serve as pastor of Nazareth English Lutheran Church, West Pullman, Chicago, Illinois, and presents himself for ordination.

On this his day of ordination to the holy ministry, he remembers with sincere gratitude all those who have by prayer, encouragement, and kindly interest assisted

him during his days of preparation. He is especially grateful for the Christian influence of home, and the loving assistance of his dear parents. He is thankful to the members and friends of his home church, Christ Lutheran Church, and its pastor, Rev. J. H. Meyer, for the many kindnesses they have shown him. He is above all thankful to his Lord and Savior Jesus Christ who saved him by grace, supplied grace for the journey, and now grants him the privilege of grace to serve his precious Master in definite Christian service.

As he enters this glorious and responsible work, he earnestly requests that God's people, those within whom Christ is living and real, may follow him with intercessory prayer.

Herman Willie Bly blev født den 21de mai 1900, nær Ruthton, Minnesota, av forældrene Haldor M. Bly og hustru Ingeleiv, født Sexe. Han blev døpt den 6te juni 1901 av pastor H. Aanestad i Etna Evangeliske Lutherske Menighet, Ruthton, Minnesota, og konfirmert der den 9de mai 1915 av pastor Axel Bergh.

Han frekventerte Lutheran Normal School, Madison, Minnesota, St. Olaf Academy og Red Wing Academy, hvorfra han graduerte vaaren 1919. Derefter studerte han ved St. Olaf College og fik baccalaureus artiumgraden i 1922. Samme høst blev han optat som student ved Luther Theological Seminary i St. Paul, hvorfra han dimittertes den 29de mai 1925.

Paa denne sin ordinationsdag takker han først og fremst Gud, som med stor kjærlighet har ledet og bevart ham indtil denne dag, og som av naade har kaldt ham trods hans uværdighet til at være en tjener i Guds rike. Han takker ogsaa Gud for kristne forældre og brødre og søstre som ved sine bønner og selvopofrende bistand gjorde det mulig for ham at berede sig til denne gjerning. Dernæst takker han de prester og lærere under hvis ledelse og indflydelse han har hat den glæde at faa sin utdannelse.

Han har antat kald som missionær til Kina. Idet han idag paa dette kald ordineres til prest, ber han indtrængende om den kristne kirkes forbøn, — at Herren som har kaldt ham til dette embede maa dygtiggjøre ham for denne hellige og ansvarsfulde gjerning, at han kan virke til mange sjæles frelse, Gud til ære, og til hans rikes utbredelse.

Joseph Eastvold was born at Elmore, Minnesota, the 17th day of August, 1891, at the home of his parents, Rev. and Mrs. C. J. Eastvold. He was baptized by his father. He began school in Chicago, and a year later moved with his parents to Jewell, Iowa, where he continued public school graduating from the Jewell High School, 1909, and Jewell Lutheran College in 1910. He was confirmed by his father in 1905. Confirmation made a deep and lasting impression and it was his sincere desire to live for Christ. In 1911 and 1912 he attended the Red Wing Seminary in the College department. In 1919 and 1920 he attended the Minnesota State University. Between his periods of schooling he farmed near Briarcrest, Sask., Canada.

He was married to Miss Tina Tjon of Tunbridge, N. D., on April 3rd, 1925.

The call that had followed him grew stronger and accordingly he entered the Luther Theological Seminary in the fall of 1922, where he finished May 29th of this year. He has accepted a call from St. John's, Immanuel, and St. Petri congregations, at Ryder, N. D. And he does hereby seek ordination of the church for the holy ministry. He is very conscious of his unworthiness for so high a calling, and prays that the Lord of the Chistian congregation may so guide and strengthen him that his life may be of some service in the Lord's work.

On this day of his ordination he thanks his father and mother who brought him to the Lord in baptism and carried him in prayer before the mercy throne. Also he thanks his brothers and sisters who have lovingly prayed for him and encouraged him on the way. He remembers with thanks the faculties of Jewell Lutheran College, Red Wing Seminary, and Luther Theological Seminary for their efforts to clarify the many problems and for the deeper and clearer instruction in the Gospel of Jesus Christ.

He asks for the prayers of his congregations and other Christians, that the blessing of God may rest upon him in his work that the name of God may be glorified and precious souls may be saved for His kingdom.

Joseph Alexander Fjelstad er født i Norway Lake, Kandiyohi Co., Minnesota, den 2den februar 1898 av forældrene Rolf K. og Sylvia Fjelstad (født Wangsness). Da hans forældre flyttet til Springfield, Minn., frekventerte han public skolen der. Han blev døpt og undervist til konfirmation av sin far, men konfirmert av sin bror, past. R. M. Fjelstad, nogen maaneder efter hans fars død i 1912. Sin høiskoleutdannelse har han faat ved Syd Høiskolen i Minneapolis og akademiet ved St. Olaf College. Aaret 1916 optok han studiet ved St. Olaf College, hvor han vedblev indtil krigen begyndte da han hvervet sig til U. S. navy og tjente der indtil august 1919. Samme høst optok han igjen sit arbeide ved St. Olaf College, hvorfra han blev uteksaminert vaaren 1922. Høsten 1923 kom han til Luther Seminar og blev uteksaminert som teologisk kandidat den 29de mai 1925. Paa kald fra Kay, Rainbow Valley, Tioga, Benson Valley og Bethania menigheter ved Kay, N. D., ber han nu om kirkens ordination.

Under menighetsarbeide som skolelærer i pastor N. G. Mehlens kald ved Harvey, N. D., vaktes der i hans hjerte en brændende interesse og en dyp længsel efter at tjene i Herrens vingaard. Det gamle blev nyt og stort; barndomsminder fra et hjem, helliget Herren baade av far og mor, blev mer og mer kraftige. Lysten at faa være et Herrens sendebud, omend i skrøpelighet, driver ham nu til at søke kirkens ordination. Endvidere ønsker han at uttrykke sin dypføite tak til alle som i nogen maate har staat ham bi med raad og daad, for hjemmets lys og kjærlighet der fylder hjertet med glæde, for nærere med det klare vidnesbyrd om frelsen i Kristus Jesus; men mest av alle takker han Gud som i sin naade har kaldt ham til den herlige gjerning.

Peder Martin G. Fjaere, søn av Gunder G. Fjaere og hustru Marta, er født i Fjaere sogn, Skaanevik, Norge, den 4de

november 1891. Han blev døpt samme aar i Aakre kirke av pastor Kobro. Helt fra sin tidligste barndom har han nytt godt av kristelige omgivelser, av emissærer og missionærer som altid malte Kristus korsfæstet. Dette vakte i ham længsel til at tjene sin Frelser gjennem livet.

Vaaren 1911 utvandret han til Amerika, hvor han de første fire aar var beskjæftiget med farmarbeide. Da var det at pastor P. O. Wee vakte hans interesse i kirkens arbeide, ja mer end det, pastor Wee fik være et redskap i Guds haand til at lede ham til Gud. Høsten 1915 kom han til Red Wing Seminary, hvorfra han blev uteksaminert vaaren 1919. Den følgende høst fortsatte han sine studier ved Concordia College, Moorhead, Minn., hvor han fik graden B.A. vaaren 1922. Samme høst blev han optat som student ved Luther Theological Seminary, St. Paul, Minn., og graduerte med sidste aars klasse i mai 1925.

Paa denne sin ordinationsdag takker han først og fremst Gud som med stor kjærlighet har ledet og bevart ham indtil denne dag, og som av naade har kaldt ham trods hans uværdighet til at være en tjener i Guds rike. Han mindes med tak sine lærere og venner fra college og presteskole, de har ofte været ham til stor opmuntring og hjælp i vanskelige stunder. Han takker særskilt sine forældre og sine mange slegtninge og venner nær og fjern. Maatte Gud som har begyndt sit gode arbeide fuldføre det indtil Jesu Kristi dag.

(Ordinert paa kald av "Lutheran Orient Mission Society" som missionær for kurderne i Persien.)

Arnold W. Flaten was born of the parents, Dr. and Mrs. Flaten, May 18, 1900, in Minneapolis, Minn. He was baptized by Rev. H. H. Hagen in the Lutheran Church of Arkdale, Wis. When less than a year old his parents moved to Northfield, Minn. At this place he received religious and secular training during the first 22 years of his life. He was confirmed by Dr. C. A. Melby in 1915. He graduated from Northfield High School in 1918, and received B.A. from St. Olaf College in 1922. The same year, desiring to learn more concerning the faith which was in him, he entered Luther Theological Seminary. He graduated from this place three years later, strengthened in faith, and more fully convinced that the Lord had called him as a minister of the Gospel. With this conviction he has accepted a call to serve the congregations of Laurel and Joliet, Montana, and today humbly presents himself for ordination.

At this time he sees more clearly than ever before the guiding hand of his heavenly Father thruout his entire life. Truly he must confess "the way of man is not within himself; it is not in man that walketh to direct his steps." He gives thanks to God, Father, Son, and Holy Spirit who has so richly blessed him with His grace and redeeming love. He is not unmindful that God has used mediate means in carrying out His purposes. Among such, he would mention with grateful affection the blessings of a Christian home,—a father and mother who anxiously and lovingly cared for his spiritual and temporal welfare,—parents who taught him by example as well as by precept. He would thank St. John's congregation, its pastors and teachers, who taught him to love his Savior and his Church. He would thank St. Olaf College whose Christian influence he has felt from early boyhood. Finally, he is deeply grateful for the many intercessory prayers of relatives and friends. As he is about to enter upon the duties of a shepherd of souls, he feels the need of such prayers more than ever before. He earnestly requests that many continue to make intercession on his behalf at the mercy seat of God, that the Master's name may be glorified thru his life.

Jonas O. Gjøvaag was born Nov. 10, 1898, in Stavanger, Norway, of the parents Jonas O. Gjøvaag, Sr., and Karen, born Swensen. He was baptized in Hetlands congregation the same year. In 1906 he came to America with his parents. He completed both the graded school and the high school of Roland, Iowa. After one year's study at Grinnel College he studied three years at St. Olaf College, receiving the degree of B.A. in the spring of 1922. In the fall of that year he entered the Luther Theological Seminary and graduated May 29, 1925. Having received call from the Crocker, Bradley 1st Lutheran, St. Ansgar, and Groton congregations he now presents himself for ordination by our church into the holy office of the ministry into which God has called him.

On this his ordination day he thanks God who has in His manifold ways guarded, guided and strengthened him in his life thus far; and prays that God's love and grace may continue to be bestowed upon him more abundantly that he may work effectively as a servant of the Lord. He also wishes to thank his parents and brothers and sisters for their willingness to be instruments in the hand of the Lord for the building up and strengthening of His servant. The candidate also thanks the many friends and teachers for their Christian influence, but especially does he thank Pastor J. N. Sandven for his prayers and influence over him. He asks that all the faithful will remember him in their prayers that he may by the grace of God be a profitable servant of our Lord and Savior Jesus Christ.

Gustav Lewis Halmrast, son of Mr. Gilbert Halmrast and wife, nee Elseber Halmrast, was born January 1st. 1897, at De Lamere, No. Dak. As a child he was baptized into the Christian faith of the Lutheran Church.

He received his graded school training at De Lamere. He enjoyed the blessings of a Christian home, received instruction in the fundamentals of the Christian religion and was confirmed in April, 1913. During the following summer, he was guided by the Holy Spirit to begin his course of study at one of our church schools to prepare himself for the work of the Holy Ministry. He received his Academy training at Park Region Luther College, Fergus Falls, Minnesota, graduating in 1917.

In the spring of 1918 he enlisted in the Army in which he served till June, 1919.

Continuing his education, he registered in the fall of 1919 as a college freshman at Concordia College, Moorhead, Minnesota, receiving the degree of bachelor of arts in the spring of 1922. In the fall of the

same year he entered Luther Theological Seminary, St. Paul, graduating with the class of 1925 on May 29th.

On this day of his ordination, he would first give thanks to the Triune God who has kept and preserved him in the Christian faith; he realizes that it is only thru the mercy and love of God that he has been called into the Holy Ministry.

He would also thank his father and mother for all their help, sacrifices and prayers. He also remembers with gratitude teachers, instructors, and all others who have in any way helped him by Christian counsel, example or otherwise.

Realizing the responsibility of the ministry and his own shortcomings, he asks the prayers of friends, believing Christians, that he may always be a ready servant in the Lord's Army for the extension and upbuilding of His kingdom.

Einar Jorgenson, son of Rev. Jacob E. and Laura Jorgenson, was born september 18, 1901, at Bode Iowa. He was baptized September 27 by his father in St. Olaf's congregation. For seven years he attended the parochial school conducted by the St. Olaf congregation, sompleting his work there in the spring of 1914. In the fall of the same year he continued his studies at the local high school, graduating from there in the spring of 1918. He was confirmed by his father on May 14, 1916, in St. Olaf's church.

In the summer of 1918 his parents moved to Decorah, where he took up his studies at Luther College, graduating from that institution in the spring of 1922. He was accepted as a student at Luther Theological Seminary, St. Paul, Minn., the same year and has been found fit by its faculty to accept the call which has been extended to him.

From childhood he has been brought up in a Christian environment reared by God fearing parents, and surrounded by Christian influence. During his senior year at college he perceived it was God's will, thru His Holy Spirit, to guide him into the holy ministry.

On this day, as he presents himself for holy ordination, he does it with a sense of unworthiness and a feeling of gratitude and thankfulness. He realize his unworthiness and limitation in taking up the great work of extending the Lord's kingdom here on earth. As he feels that without Christ he can do nothing, so he also knows that "I can do all things thru Christ who strengtheneth me." Above all he thanks his Almighty Father who has so guided and directed him that he is able to partake of the blessings of this day. He thanks his God for a Christian home and Christian influences, for Christian relatives, instructiors and companions.

He expresses his gratitude especially to his parents for their prayers, for untiring devotion and self-sacrifice for him. He wishes to thank all who have assisted him with their prayers and means that he might be better prepared to take up his work as a laborer in the Lord's vineyard.

Having accepted a call from Bison Scand., Bethany, Rosebud, and Indian Creek congregations, Perkins County, S. Dak., he presents himself for ordination and requests the prayers of these congregations and the entire Church that the Lord may bless this day for him and bless his work as a shepherd of souls.

Allerede fra barndommen av blev han undervist i sandheten i Jesus Kristus og blev opdraget av sine troende forældre under kristelig indflydelse. Han faldt dog fra sin daabspakt, men i 21-aarsalderen blev han vakt og omvendt og kom igjen i livssamfund med Gud.

Han frekventerte Concordia College og graduerte fra akademiet i 1914. Hans ønske efter sin omvendelse til at tjene sin Gud og frelser førte ham tilbake til Concordia College høsten 1919, hvor han graduerte fra collegeavdelingen vaaren 1922. Den følgende høst blev han optat som te-

ologisk student ved Luther Teologiske Seminar og graduerte derfra vaaren 1925.

Medens han var her blev han sterkere befæstet i sin kristentro og følte sig kaldt av Gud til at tjene ham i det hellige presteembede. Da blev han optat ved Luther Theologiske Seminar og graduerte derfra i mai 1925.

Han mindes med tak sine kjære venner og lærere og prester for deres kristenliv og undervisning og især hans forældre, søstre og bror og hans hustru for deres opmuntring og bønner. Men overalt er han taknemmelig til Gud som har bevart og veiledet ham med sin naade og kjærlighet og kaldt ham til sin tjener i hans kirke.

Han har antat kald fra Bethania, Bethlehem og Grand Valley menigheter, Van Hook, North Dakota, og ber om kirkens ordination. Han føler dypt sin uværdighet for dette embede, men ved tro paa Gud som kan styrke ham, ber han om kirkens, hans slegtninggers og venners forbøn at Gud vil gi ham kraft og visdom til at være en sand Jesu Kristi tjener.

Disse studier blev avbrutt vaaren 1918 paa grund av krigen, og det følgende aar (1918—1919) tjenestgjorde han som soldat i den amerikanske arme i Frankrike. Høsten 1919 gjenoptok han sine studier ved Concordia College og dimitertes derfra vaaren 1923 med graden "Bachelor of Arts." I 1922 blev han optat som student ved Luther Theologiske Seminar i St. Paul, fra hvis teoretiske avdeling han blev uteksaminert den 29de mai 1925.

Fra barndommen av blev han av sine forældre ledet paa Herrens vei. Og endskjønt han længe motstod kaldet, erkjender han at næst Gud har han sine troende forældres bønner at takke for at han fandt fred med Gud. Paa sin ordinationsdag føler han trang til at takke alle dem som har git ham opmuntrende ord paa færden og staat ham bi med raad og daad. I særlig grad er han taknemmelig til dr. J. A. Aasgaard, rektor av Concordia College, og pastor Olaf L. Olsen, Rhinelander, Wis., ti uten deres bistand hadde han ikke idag kunnet fremstille sig til ordination. Desuten takker han ogsaa sine lærere ved Concordia og Luther Seminar for raad og veiledning gjennem skoleaarene.

Paa kald fra Cox og annekterte menigheter i Syd Dakota ber han om kirkens ordination til prestegjerningen, med ønske og bøn om dens forbøn for ham og det virke Gud har kaldt ham til.

I 1915 blev hans skolegang for en kort tid avbrutt. I 1918 blev hans studering atter avbrutt paa grund av krigen. Da han blev utmønstret fra armeen i 1919 reiste han tilbake til Luther College og graduerte derfra i 1920. Han reiste saa igjen til Chicago, hvor han i to aar arbeidet i forretning.

Han blev nu overbevist om at det var Guds vilje at han skulde gaa ind i hyrdetjenesten og begyndte derfor at studere ved Luther Theologiske Seminar, St. Paul, Minn., hvorfra han dimitertes den 29de mai 1925.

Med tak til Gud mindes han sin mor og den opdragelse han fik i et kristelig hjem. Han er ogsaa taknemmelig til sine sjælesørgere, lærere ved Luther College og Luther Theologiske Seminar for den indflydelse de har hat paa ham og den veiledning de har git ham.

Han forstaar nu klart at det er Gud selv som med sin kjærlighet og naade har ledet hans vei og kaldt ham i sin tjeneste. Naar han derfor har antat kald fra Zions og Concordia menigheter i Max og Benedict, Nord Dakota, og ber om kirkens ordination, saa indrømmer han at han ikke er værdig til at gaa ind i Herrens tjeneste, men det er med bøn til Gud og forvisning om at han for Kristi skyld vil dygtiggjøre kandidaten og gjøre ham skikket til en ret tjener i Herrens vingaard.

Clarence E. Skoien was born April 23, 1897, in Pleasant Spring township, Dane County, Wisconsin. He was brought to the Lord in Holy Baptism May 10, 1897. He was baptized by Rev. G. G. Krostu in the presence of the congregation to which his father and mother were members, namely, West Koshkonong Congregation. He was confirmed October 9, 1910, by the same pastor and in the same congregation.

He attended the public schools until he was fourteen years of age, spending his vacations on his father's farm. The Christian instruction at home, as well as the instruction received by his pastor, made a deep impression upon him. He thought of the service in the Holy Ministry even in his very early years. In these later years, he is convinced that the voice of his Heavenly Father actually called him to thoughts of special service in the Holy Ministry even in his youth.

During the World War he enlisted in the United States Infantry where he served both here in this country and overseas. He was discharged from government service August 9, 1919. The call that early came to him, was intensified during the period which he saw active service in Europe. Since God spared him thru many a danger and was his ever present comfort when all other comforts failed, he felt called to extend the wonderful message of "Salvation by faith" to his fellowmen.

He accordingly sought the guidance of his pastor and other entrusted friends, and was encouraged to enter school to prepare especially for the Holy Ministry. He entered the Red Wing Seminary only a month after his discharge from the Army, September 9, 1919. At this institution he experienced the true and sincere Christian instruction and fellowship of both professors and students. At this seminary he completed his academic studies, taking added work by special permission of the faculty. He also completed the Theological Preparatory Course and was graduated from same in May, 1922. In the fall of 1922 he was enrolled as a student at our Theological Seminary at St. Paul, Minnesota. During his summer months he continued studies at state universities. He selected as supplements to his Theological course the fields of Philosophy and Sociology. In the spring of 1924 he was graduated from the Bible School course of the Red Wing Seminary, having earned the lacking credits for that course in absentia. In May of this year he took his examinations in Theology, and was graduated from the Luther Theological Seminary, St. Paul, Minnesota.

He has accepted call from Black River Falls, Little Norway, Squaw Creek, and Oak Ridge congregations.

On June the 2nd of this year he was united in Holy Wedlock to Miss Chrisma J. Servick, of Red Wing, Minnesota.

He now presents himself for ordination within the Church which he has learned to love, and prays that God will bless him and make him a blessing.

He wishes to express his utter unworthiness for so high a calling, and it is only after being assured of the wonderful grace of God in Christ Jesus, that he dares to ask the ordination of his beloved Church. He asks for the continued prayers of the members of this charge as well as of the denomination to which this charge belongs.

He also wishes to express thanks to God, such as he is able, for the deep Christian impressions left with him by his dear mother, who has long since gone to her reward,—to his father for his tender care and help, and the many prayers he has offered up to God for the guidance of his sons and daughters. He remembers with heartfelt thanks his oldest sister, Mrs. Andrew Quam, for her motherly care and concern for him ever since the death of his mother. He gives thanks to the professors and students of the Red Wing and Luther Theological Seminaries, for their fellowship in Christian love. He thanks the Norwegian Lutheran Church of America for having made possible his Christian and liberal training in her splendid institutions.

Finally, it is his prayer that God will daily accept his humble service and thru him bring His blessed Gospel to sinful men, so that they may be convicted of sin and convinced of grace, to the everlasting glory of Christ's name and the extension of His kingdom!

Arling Ernest Thompson blev født den 22de oktober 1899 nær Jewell, Iowa, av forældrene James B. Thompson og hustru Amelia, født Kalseim. Han blev døpt av pastor C. J. Eastvold og konfirmert av pastor M. Norstad i Bethesda menighet, Jewell, Iowa.

Han gik gjennem baade den almindelige og høiskolen i Jewell, Iowa, og graduerte i 1916. Efter et aars studium ved Red Wing Seminary kom han til St. Olaf College, hvorfra han graduerte i 1920, og det var i de to følgende aar som student ved universitet at kaldet til Herrens tjeneste kom paa en uimotstaaelig maate. Det var om høsten 1922 at han tok op sit arbeide ved vort norsk lutherske seminar og graduerte 29de mai 1925. Kandidaten stiller sig nu frem for ordination paa kald fra Lake Andes menigheter, S. Dak.

Paa denne sin ordinationsdag takker han Gud, som har kaldt ham til denne sin tjeneste. Kandidaten vil ogsaa takke sine forældre for en kristelig opdragelse. Dernæst vil han takke alle venner som har hat en kristelig indflydelse over ham. Han ønsker nu at hans bedende venner vil daglig komme ham i hu i sine forbønner, at han kan styrkes til at virke til mange sjæles frelse og til Guds ære.

Martin Christian Thompson, son of John and Margaret Thompson, was born on a farm near Ellsworth, Iowa, on July 4, 1894. He was baptized August 12, 1894, in West Trinity Lutheran Church, Ellsworth, Iowa. At the age of 14 he was confirmed in the same congregation by Rev. C. H. Hjortholm.

During childhood, youth, and early manhood, his home has remained the same. He received his early training in a school near his home and in the public schools at Ellsworth, Iowa. In 1912 he entered Waldorf Academy, at Forest City, Iowa. He finished in 1915. The following year he spent at home, and in 1917 entered St. Olaf College. In the spring of 1918 he enlisted in the United States Army. He spent six months at the Carnegie Institute of Technology, Pittsburgh, Pa. From here he went to New York and to France. In France he again entered a school of training in Aeronautics at Tours, where he remained until his return to the United States. He was discharged from the service on May 17, 1919.

When he entered St. Olaf College he had as his aim the study of theology. His Army experiences affected his religious life in such a way that he felt he could

not continue his study. The following years were spent in much uncertainty and dissatisfaction and at last he decided upon being a farmer. However, the Lord had other plans for him, and the thought of entering the ministry was always present. In the winter of 1922 he received a call in a special way, from the ways of sin to a life of peace with God in Christ. Now the Lord could use him in the ministry so he applied for admittance at Luther Theological Seminary, St. Paul, Minn., and was accepted. After three consecutive years in the study of theology, he graduated this spring, May 29, 1925.

He was given a letter of call from Bethany Lutheran Congregation, Emmetsburg, Iowa, in March, and was led by God to accept the same. He was married to Martha A. Berdahl, of Garretson, So. Dak., in June 1921. To this union has been born a daughter, Ruth Meriam, and a son, John Berdahl, who died when three weeks old.

On this day of his ordination to the holy ministry he feels above all grateful to his Heavenly Father for His mercy and longsuffering. It is only because of God's blessings and love that this day could be realized. He is also very thankful to his parents, for their many prayers, the Christian home, and the many sacrifices which they have made for him. He thanks his brothers, his wife's folks, his sisters, and all relatives who have helped him that he may be where God wants him. He is also thankful to all his pastors and professors who have given aid to him in his spiritual life. May God, who can and will, bless you one and all.

It is with a feeling of great unworthiness that he assumes the duties and responsibilities of the office of the ministry, and he realizes it is only by the grace of God that he can meet them. He therefore asks for the prayers of the Church and the intercession of all believers, that he, by the guidance of the Holy Spirit, may be true to the high calling which is in Jesus Christ, and that he may labor faithfully to the salvation of souls.

Rev. Ingolf Torkildson was born in Stavanger, Norway, April 9, 1894. He was baptized in the Domkirke of that place, and at the age of 14 confirmed in Hetland Parish by Rev. Otterbek. Frequenting Storhaug public school he finished its courses in 1907. In 1912 he immigrated to America and came to Granville, N. D. His American school career begins with his entrance into the Lutheran Bible School of Wahpeton, N. D. Here it was that the call to the ministry impressed him and this grew more and more pronounced from time to time. Having already accepted Christ as his Savior, he finally accepted the call into His service as a minister of of Gospel. He planned to resume his work at the Bible School, but was interrupted by the events of the World War. Having entered the service of the U. S. Army he served in France from 1918 to 1920. Immediately after his discharge he again entered the Bible School, which now had been removed to Grand Forks, N. D. He was matriculated in 1921. His desire for a broader and more complete theological training brought him to The Northwestern Theological Seminary at Minneapolis, operated by the United Lutheran Church of America, from which place he graduated in 1924. Having successfully passed the Examining Board of the Norwegian Lutheran Church of America, to which he was affiliated, he was recommended to be ordained as soon as he should receive a call. A call came from Trinity Lutheran Church of Oceana County, State of Michigan, in conjunction with the Norwegian Lutheran Church of Big Rapids, the Norwegian Lutheran Church of Amble, and the English Lutheran Church of Holten, all in the State of Michigan. Upon this call he requests to be ordained to the holy office of the ministry by the president of the Eastern District of the Norwegian Lutheran Church of America, the right Reverend J. Nordby.

From his petition we quote, "It is my prayer that I may be approved of God for this great work and that my ministry may result in winning souls for Christ, whose sufferings and death upon the cross procured everlasting life to all who accept and believe in Him. I ask to be remembered in the prayers of the Christians and especially of the members of those churches which I am to serve, that my labors among them redound to the honor and glory of God and to the salvation of souls."

William A. Turnquist was born in Chicago, Ill., August 10, 1891. Baptized November 26, 1891, joined primary department of Immanuel Lutheran Sunday school when about six years of age, continued in Sunday school work and at this time showed a desire for the ministry. At 22 years of age, he received a call from God, but obstacles prevented. However, he continued in preparation for the work. At the age of 30 a call from God was received. At this time home study courses were pursued. Served as pastor of Gage Park M. E. Church from 1922 to October, 1924.

Began mission work in neighborhoods known as Edgebrook, Gladstone Park, and on November 2nd, 1924, opened a mission at Milwaukee and Austin Aves. Nov. 19, 1924, the mission organized, under the name of Faith English Lutheran Church, and W. A. Turnquist was called to be their pastor.

The mission committee of the Eastern District of the Norwegian Lutheran Synod, having a colloquium with Turnquist, welcomed him as candidate for ordination and another committee appointed by President Nordby, consisting of Rev. J. H. Meyer, Rev. Jos. Green, Rev. T. J. Alvestad, Rev. J. A. Hinderlie, Rev. Lewis Moe, together with President Nordby, decided that his application for ordination should be accepted, and furthermore, that the committee apply to the Home Mission committee of Eastern District to secure the proper support for the work to be done by W. A. Turnquist, so as to devote all his time to the ministerial office.

On this call from Faith Lutheran Church he presents himself today to be ordained and asks for the prayers of Christian friends.

Joseph Gerhardt Vaage er født i nærheten av Newman Grove, Nebraska, den 7de juni 1892 av forældrene Jørgen Vaage og Ingeborg, født Stolee. Han blev døpt den 26de juni samme aar av pastor J. B.

A. Dale. Han frekventerte folkeskolen og religionsskolen og blev konfirmert den 1ste december 1907 av pastor S. S. Westby. Efter et aars høiskole i Newman Grove, Nebraska, fortsatte han sit skolearbeide ved Jewell Lutheran College. I 1912 kom han til Red Wing Seminary, hvorfra han blev uteksaminert fra akademiavdelingen i 1913 og fra collegeavdelingen i 1917 med graden B. A. I 1918 blev hans skolearbeide fortsat ved Minnesota universitet, men arbeidet der blev avbrutt paa grund av verdenskrigen, da han hvervet sig i U. S. Navy i mai 1918 og tjente der indtil han blev avmønstret den 30te juni 1919. Om høsten 1922 begyndte han sit treaarige studium ved Luther Teologiske Seminar, St. Paul, Minn., og blev uteksaminert som teologisk kandidat den 29de mai 1925.

Av sine forældre og andre blev han fra barndommen av undervist i Guds ord og ledet paa Herrens vei. Dog maa han bekjende at han ikke vedblev at staa fast ved sin daabspakt. Men Gud som er naadig kaldte ham ved sin gode Helligaand saa at han fik erfare Guds naade og frelsen i Kristus Jesus. Paa samme tid fik han ogsaa kaldt til at virke i Guds kirke paa jorden, og nu efter fuldført studium fremstiller han sig rede til at opta arbeidet og ber om kirkens ordination og de troendes forbøn.

Paa denne hans ordinationsdag mindes han med taknemmelighet alle dem som gav ham opmuntring, bad for ham og paa en eller anden maate hjalp ham til at naa dette sit maal. Men først og fremst vil han takke den naadige og kjærlige Gud, som har kaldt, ledet og bevart ham; ti uten ham var alt vort arbeide forgjæves. Dernæst mindes han sine kristne forældre som tidlig lot ham indlemmes i Guds kirke ved den hellige daab og som lot ham opdra i den kristne barnelærdom. Ogsaa mindes han de mange alvorlige bønner som blev opsendt til Guds trone for ham. Maa Gud ved sin naade velsigne dem.

Blandt andre hvis indflydelse han mindes er lærene baade i religionsskolen, college, og især lærene ved det teologiske seminar. Han mindes ogsaa med stor taknemmelighet pastor S. C. Simonsen som var et redskap i Guds haand til at lede ham til Gud.

Han har antat kald fra St. Pauli, Trysil, Farwell og Solem menigheter, Minnesota, og ber nu om kirkens ordination.

Paa denne hans ordinations dag bekjender han sin egen uværdighet til at opta den hellige prestegjerning, derfor begjærer han de kristnes bøn om at Gud vil velsigne hans arbeide, og at han vil gi ham kraft og visdom til hans gjerning, saaledes at mange sjæle maatte finde fred med Gud.

Elmer Robert Larson, the son of Robert and Emelia Larson, was born at Wausau, Wisconsin, December 2, 1898.

His graded school and high school training were received at Wausau, where he was graduated from the high school in 1916.

In the fall of that year he was matriculated at Luther College, where the daily study and the hearing of the Word of God, and the constant association with consecrated Christian teachers together with the atmosphere of a Christian college all pointed the way to a life of Christian service.

Upon his graduation from Luther College in 1920 he went to Clifton College, Clifton, Texas, where he was for two years a teacher. While there the conviction was gradually deepening in him that God wanted him in the ministry, and, trusting in His almighty power, he decided to take up the study of theology.

In the fall of 1922, he was accepted as a student at Luther Theological Seminary. Under the careful and able guidance of his professors in the study of Scripture, he became more intimate in companionship with his Savior; his spiritual life deepened; the greatness of the demands and the blessed opportunities of the Christian ministry were revealed to him. His inadequacy and unworthiness for the work were keenly felt by him, but also a stronger faith and trust in Him who had called him were imparted to him.

May 29, 1925, he was graduated from Luther Theological Seminary and, having received a call from Our Savior's Lutheran Church in Norse, Texas, he now presents himself for ordination.

On this day of grace, he wishes first of all to thank God, the Father, the Son, and the Holy Spirit, who has kept him, guided him, and preserved him to this day, and who, through His never failing love, has called him into the greatest of professions.

He would also thank his father and mother for their Christian examples, their fostering of the true faith in him, their ever ready help, their sacrifices for him, and their prayers. He is grateful to his brothers and his sister for their Christian encouragement and their material sacrifices. He thanks his many friends for their encouragement and prayers.

For their patient, consecrated work, instructing, admonishing, encouraging him, he thanks the Christian teachers of Luther College and Luther Seminary.

Conscious that all the strength to carry on the holy work to which he has been called must come from God, he asks that the special prayers of this congregation and all friends and relatives may always follow him.

Peder Karsten Andersen Haaland blev født 20de april 1884 i Stavanger, Norge, av forældrene Anders og Olava Andersen.

Mine forældre tilhørte metodistmenigheten i Stavanger, hvor jeg ogsaa blev døpt. Min mor, som døde da jeg var tre aar gammel, er det mig fortalt skulde ha været en meget from og gudhengiven kvinde. Efter hendes død og nogen uheldige forretningsforetagender av min far blev vort hjem brukket op og vi smaa, syv ialt, fra 1 til 12 aar, blev ved en menneskekjærlig presses bestræbelser adoptert hver for sig av kristeligsindede familier med undtagelse av vore to ældste søstre som vor far tog med sig over til Amerika. Vi fem tilbake fik alle et kristeligt hjem. Jeg for min del blev adoptert av en enke, Karoline Haaland, og fik av hende mit nye navn. Hun var en elskelig og from kvinde og som, da alle hendes barn var voksne tok sig av mig i sandhet som sin egen søn. Da jeg var 12 aar gammel døde hun, og mit næste foreløbige hjem blev hos hendes søn Ingvald Haaland som da var en meget ivrig forretningsmand. Indtil denne tid hadde jeg været

under en stadig kristelig indflydelse. Sunget i søvn som barn av hellige sange, opvokset i en by hvor store vækkelsens bølger gik stadig over og levet i et hjem hvor kristelige samtaler var dagens emne og flittig holdt til søndagsskole, hvor min lærer var en missionær, som med brændende inderlighet og taarer fremholdt evangeliets sandhet. Dette er minder og indtryk fra min tidligste barndomstid som aldrig vil utslettes, og som jeg takker Gud for at han i sin naade lot mig faa del i.

Fra nu av fremtrær mit liv i en noget anden form. Der blir meget av stræv og slit og bitterhet og mange kampe, hvorved det onde i mig for det meste fik overtaget. Jeg blev konfirmert i 15 aarsalderen, og om end jeg da paa min maate mente det ærlig med mit konfirmationsløfte, saa var det dog kun som en liten stav mot det brusende hav av ondskap som bodde i mig, og vilde hat liten betydning om det ikke var at jeg nu kom under indflydelse av missionselev Karl Reichelt som da var en aktiv arbeider i ynglingeforeningen, Stavanger. Som medlem der og i stadig berøring med denne begavede og gudhengivne unge mand kom jeg mere og mere til klar forstaaelse av mig selv og kom til bevidst personlig liv med Gud. Det var min adoptivbrors ønske at jeg skulde utdannes for forretningslivet, og jeg tok saaledes ogsaa et kursus paa to vintre ved Stavanger handelsskole, men som tiden gik blev jeg mere og mere drat hen til et direkte kristelig arbeide. 19 aar gammel forlot jeg Stavanger og reiste til Kristiania til det Norske diakonhjem og tok der et 5-aarig kursus, hvorved jeg blev utdannet som menighetsdiakon. Derefter var jeg i Vestre Akers indremission (nær Kristiania) et aar som diakon. Dernæst kaldt til Tromsø Indremission, Nordland, hvor jeg var to aar, og dernæst til den Vestlandske Indremission i Bergen, hvor jeg var i tjeneste et aar.

I aaret 1913 kom jeg til Amerika og opholdt mig i de første aar i østen, hvor jeg da hadde flere av mine slegtninge boeende. Forholdene her var i mange henseender forskjellige fra dem i Norge, og mit arbeide her blev delvis fordelt mellem direkte kristelig og andet arbeide, hvormed jeg kunde tjene mit daglige utkomme. I denne tid maa jg bekjende at der kom en sørgelig nedgang i mit aandelige liv, hvilket resulterte i at jeg trak mig mere og mere tilbake fra det direkte arbeide. I 1918 paa forsommeren kom jeg til Detroit, og her begyndte en aandelig opgangsperiode i mit liv, som jeg for en stor del skylder pastor L. O. Anderson, som ved sin aandelighet og ihærdighet var en spore for mit sjæleliv, hvilket resulterte i at jeg tok mer og mer del i det kristelige arbeide.

Høsten 1921 begyndte jeg det teologiske kursus paa Maywood Seminar, Illinois, fra hvilket jeg blev uteksaminert vaaren 1924. I sommermaanedene opholdt jeg mig i Detroit, hvor jeg tok del i menighetsarbeidet. Efter at jeg hadde graduert fra Maywood betjente jeg midlertidig menigheten i Toledo. Høsten 1924 frekventerte jeg det Norsk lutherske seminar, St. Paul, og blev uteksaminert derfra i vaar. Da jeg nu har mottat kald fra Winnepeg, Manitoba, Canada, saa fremstiller jeg mig herved til ordination med det begjær og bøn til Gud, at jeg maa faa bli brukt til velsignelse i hans tjeneste.

P. C. Haaland.

Ordinert i Detroit, Mich., av pastor L. O. Anderson, den 21de juni 1925.

Sigurd Toralf Sydnes er født paa Økland, Valestrand tilhørende Sveio sognekald den 18de april 1890 av forældrene Kristofer Sydnes og hustru Anna, født Østvik. Han gjennemgik den almindelige folkeskole og blev konfirmert i Valestrand kirke av pastor Otto Selmer. Efter at han hadde fuldført et aars kursus ved Sønhordlands amtsskole blev han ansat som handelsbetjent hos Kyvik & Co. i Haugesund. Her arbeidet han i tre aar indtil han i 1909 om høsten i september maaned utvandret til Amerika. Efter at han hadde tilbragt to aar ved Jewell College og Red Wing Seminary graduerte han i 1922 fra Concordia College, Moorhead, Minn. Han blev optat som elev ved Luther Theological Seminary den følgende høst og dimitertes fra denne skole i vaar, 1925.

Kandidat Sydnes har helt fra barndommen av følt sig drat til at virke i Herrens tjeneste, men det var ikke før efter hans omvendelse høsten 1914 at kaldet til prestegjerningen blev ham et direkte og avgjørende kald fra Gud.

Blandt de mange som har ydet ham hjælp i hans religiøse utvikling mindes han med største taknemelighet sit hjem, sine forældre for den kristelige opdragelse som de gav ham, samt pastor Paulsrud og hans familie. Ved siden av kandidatens egne paarørende er der ingen som har hat slik indflydelse paa hans liv og hans senere utvikling som netop pastor Paulsrud, for hvilket han ikke noksom kan takke.

Ordinanden har antat kald fra Petersburg, Alaska, og agter at opta sit virke der i august maaned.

Paa sin ordinationsdag føler han mer end nogensinde sin uværdighet og uskikkethet for sin gjerning, men haaber og ber at han som har kaldt ham til denne gjerning vil gi ham kraft og mod til at utføre den. Han anmoder ogsaa de troende brødre og søstre i vor kirke at de indeslutter ham i sine bønner for naadens trone.

Clerical Roster

The Clerical Roster this year follows the same system as that initiated last year. First is given the list of pastors that have died this year. The names of seven pastors have been dropped according to instruction from proper officials. A list of new workers is given in three divisions, namely those ordained at the 1925 annual meeting: those ordained within the Norwegian Lutheran Church during the year 1924 and 1925; those admitted at the 1925 meeting.

After each pastor's name is given first the year of his birth, and then the year of his ordination. Within the parentheses information is given as to the position he holds within the Church. For pastors serving congregations we give first the district, using an abbreviation which can be readily recognized; then the numbers of the congregations which he serves within that district.

Turning to the roster of congregations printed on pages 493 to 545 one can find which congregations belong to his charge.

After the number follows an abbreviation for the name of the circuit to which he belongs. For the meaning of these abbreviations see pages 491 and 482.

Choral Union Report

In order to discover, if possible, ways and means of bringing about closer relations between the Choral Union and the Young People's Luther League, the executive committees of these two organizations have held joint meetings, beginning with a meeting in Northfield, Minn., November 6th, 1924, and have unanimously agreed to present for adoption the following

Plan of Co-operation

Believing that in our Lutheran musical literature, hymnology, and liturgy we possess an embodiment of the spirit and teachings of historic Lutheranism of untold value and an unsurpassed agency for praising God and giving expression to Christian experience and aspirations; and believing in a persistent and church-wide effort in behalf of a larger appreciation and use of distinctively Lutheran music and of better congregational singing in general; and since such effort is the special object of the Choral Union and in entire harmony with the objects of the Y. P. L. L., and believing in the expediency of co-operation of effort, we recommend as follows:

1. That the Choral Union be organically affiliated with the Y. P. L. L.; that the President and Executive Secretary of the Choral Union be members of the Board of Directors of the Y. P. L. L., and that the President and Executive Secretary of the Y. P. L. L. be members of the Board of Directors of the Choral Union.

2. That, in order to avoid duplication of conventions and officers in districts and circuits, conventions be held jointly and there be elected by the Y. P. L. L. in circuits and districts a musical director and a music committee.

Candidates for these positions may, if desired, be nominated by the choir members present at the electing conventions at a meeting presided over by the President of the Y. P. L. L.

3. The special duty of such musical directors and music committees shall be to have charge of the music at conventions and to represent the central Choral Union organization in furthering its aims.

4. We recommend that at every Y. P. L. L. convention in district and circuit one session be devoted to a consideration of the history, merits, and improvement of choir, liturgical, and congregational singing.

5. That the publicity channels of the Y. P. L. L. be put at the service of the central Choral Union organization, as far as practicable.

6. In view of the fact that by this plan the central Choral Union organization will have no source of income in circuits and districts, the Board of Directors of the Y. P. L. L. shall appropriate, if necessary, a definite amount each year for the running expenses of the Executive Committee of the Choral Union.

At a meeting of the Executive Committee of the Choral Union, held in the offices of Mr. Hertsgaard, Minneapolis, April 2nd, 1925, and attended by the President, the Musical Director, the Treasurer, and the Executive Secretary, the above plan was unanimously subscribed to, and a business meeting of the Choral Union was called to meet during the 1925 convention of the Y. P. L. L. to consider the plan. At that convention both organizations unanimously adopted the plan and it is now therefore in operation.

The above mentioned plan does not affect the organization of the National Choral Union and its work. A joint convention of the two organizations becomes so bulky that there are only a few cities that can furnish the facilities required.

The Choral Union will meet in National Convention during the spring of 1926.

A few constitutional changes were made necessary by the new plan and amendments to the Choral Union Convention were adopted as follows:

Art. V. **Board of Directors**

The Board of Directors of the Choral Union shall consist of the Executive Officers of the Choral Union, the President and the Executive Secretary of the Y. P. L. L., and the Musical Director of each district organization.

Art. VII. **Districts and Circuits**

The Choral Union shall maintain district and circuit organizations as specified in the Plan of Co-operation with the Y. P. L. L., adopted at a regularly called convention, June 9th, 1925. In districts and circuits the Y. P. L. L. shall elect a musical director and a music committee who shall represent the central Choral Union organization in furthering its aims.

Candidates for these positions may, if desired, be nominated by the choir members present at the electing conventions, at a meeting presided over by the President of the Y. P. L. L.

By-Laws

Art I, G: The Board of Directors shall convene at the call of the President of the Choral Union, receive reports, cause the books and accounts of the Choral Union to be audited, and transact all business for the Choral Union.

Art. II. **District Unions**

This art. is eliminated.
